FLORIDA DEPARTMENT OF TRANSPORTATION
I-595 Resurfacing Project Closure Notice

I-595 CORRIDOR RESURFACING PROJECT | PHASE I

I-595 and State Road 84 from I-75 to I-95, including Florida's Turnpike interchange areas
Financial Project ID: 420809-3-52-01

FULL RAMP CLOSURE ON WESTBOUND STATE ROAD 84 TO NORTHBOUND TURNPIKE IS TO BE CLOSED ON SELECT NIGHTS BEGINNING SUNDAY, NOVEMBER 9, 2025 THROUGH MONDAY, NOVEMBER 10, 2025— Full Ramp closure on Westbound State Road 84 to Northbound Turnpike is to be closed on select nights beginning Sunday, November 9, 2025 through Monday, November 10, 2025 from 9:00pm to 5:00am. This closure is necessary to safely perform milling and resurfacing operations. A detour will allow drivers to continue west on State Road 84, loop around Davie Road, then head east on State Road 84 before using the Northbound Turnpike ramp to merge onto the mainline. Ongoing milling and resurfacing activities may be impacted by weather conditions. Please use caution in the area and follow all posted detour signs.

In addition to ongoing maintenance activities, the I-595 Resurfacing Project began on Sunday, June 22, 2025. This project includes repaving the I-595 corridor—encompassing the Express Lanes, general-purpose lanes, and State Road 84—to improve the durability and resilience of the roadway. It also involves upgrading signage and pavement markings to meet current standards and enhancing the pavement surface for a smoother, safer driving experience. All work is being performed during nighttime hours to minimize impacts on daytime traffic. Updates on lane closures and project progress will continue to be shared as work advances.

WORK ZONE
DETOUR ROUTE

CONSTRUCTION INFORMATION:

- Anticipated Resurfacing End: **March 2029**
- Work will be done during off-season periods over the next four years.
- Estimated Resurfacing Cost: $20M
