Sound wall construction in the River Gardens/Sweeting Estates neighborhood, just south of Sistrunk Boulevard, will be completed in March 2018.

This activity is associated with the construction of 95 Express Phase 3A-1. This \$149 million, 6.7-mile project began construction on August 21, 2016 and is expected to be completed in spring 2020, weather permitting. Work is being performed by The deMoya Group, Inc., with New Millennium Engineering, Inc. administering the construction contract for the Florida Department of Transportation.

Community Update

Please be advised that representatives from construction crews will be on site, beginning Monday, March 19, to complete painting operations on the newly constructed sound wall. A Class V anti-graffiti coat will be applied to both sides of this wall. Island Fence will also be on site to tie in existing property fencing to the back of the new noise wall. Please contact Project Spokesperson, Andrea Pacini at 954.299.6561 with any questions.
