

BROWARD MOBILITY PROJECT IN FORT LAUDERDALE, LAUDERHILL, TAMARAC LAUDERDALE LAKES, AND OAKLAND PARK

Project Overview

The Florida Department of Transportation (FDOT) awarded a \$15 million contract to Construct Group Corp. for the construction of sidewalks, multi-use pedestrian paths, and bicycle lanes along 45 roadways in Broward County, which began construction February 2, 2015 and will be completed in early 2019.

This project is part of a larger \$100 million investment from the Broward Metropolitan Planning Organization (MPO) to provide bicycle, pedestrian, and public transportation access throughout the Broward region. For more information about the Broward MPO please visit: www.browardmpo.org.
