I-75 / I-595 INTERCHANGE LANDSCAPING IMPROVEMENTS PROJECT

The Florida Department of Transportation (FDOT) has awarded a contract to Visualscape, Inc. for improvements to landscaping at the I-75 / I-595 interchange.

PROJECT IMPROVEMENTS

- Installing a temporary irrigation system
- Constructing retaining walls of various heights and lengths that will serve as elevated planters
- Installing plants throughout the interchange including several species of palms and shade trees

TRAFFIC IMPACT

- The existing 70 mph speed limit will remain in effect during construction.
- Shoulder closures may be needed to unload equipment and materials safely.
- Additional information about lane closures will be provided in the weekly traffic report distributed by FDOT.
