SR 811 / NE 4 Avenue / Wilton Drive Complete Streets Project

The Florida Department of Transportation (FDOT) has awarded a contract to Roadway Construction, LLC. for improvements to SR 811 / NE 4 Avenue / Wilton Drive in Fort Lauderdale and Wilton Manors.

The Broward Metropolitan Planning Organization (MPO) is investing over \$300 million to create safer, healthier communities in Broward. This project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access throughout the Broward region. The Broward MPO is a federally-mandated agency that is responsible for making decisions on local transportation issues and deciding how to spend federal funds on transportation projects within Broward. For more information about the Broward MPO, please visit: BrowardMPO.org

PROJECT IMPROVEMENTS

- Removing old asphalt and resurfacing the roadway
- Upgrading signs and pavement markings
- Adding a buffered bike lane in each direction
- Widening sidewalks, upgrading pedestrian signals and modifying pedestrian curb ramps to meet ADA requirements
- Upgrading roadway and pedestrian lighting
- Installing new drainage structures and upgrading the existing drainage system

TRAFFIC IMPACT

- One lane in each direction may be closed at any time within the project limits.
- Pedestrian access will be maintained on at least one side of the street at all times.
- Additional information about lane closures will be provided in the weekly traffic report distributed by FDOT.
