

# University Drive Improvements Project in Tamarac

FIN: 432066-4-52-01, 432064-4-52-02, and 432066-4-52-03

Construction Cost: \$3.1 million • Contractor: General Asphalt Company, Inc.

Construction Schedule: Construction begins September 4, 2018 and is expected to be completed in summer 2019

## To Reduce Impacts to the Public and Traffic

- All paving operations will occur overnight between 9 p.m. and 6 a.m.
- Lane closures will not be allowed on University Drive during peak hours, which are between 6 a.m. and 7 p.m.
- Lane closure information will be provided in the weekly traffic report distributed by FDOT.
- Access to properties will be maintained at all times.

MCNAB ROAD

UNIVERSITY DRIVE

NW 78 STREET

## Project Improvements

- Milling and resurfacing and widening the roadway to accommodate seven-foot buffered bike lanes in each direction
- Upgrading signs and pavement markings, including adding green bike lane pavement markings
- Reconstructing sidewalks and upgrading pedestrian curb ramps
- Replacing the mast arm at the NE corner of McNab Road
- Upgrading existing lighting to LED luminaires
- Adding 24 new drainage structures
- Relocating existing bus shelters

More information about this project can be found in the weekly traffic report distributed by FDOT or on our website at [www.d4fdot.com](http://www.d4fdot.com)
