

I-75 LIGHTING IMPROVEMENTS PROJECT IN WESTON

Project Overview

The Florida Department of Transportation awarded a \$800,000 contract to Arc Electric, Inc., to add new lighting along Interstate 75, at the following interchanges: Indian Trace and Glades Parkway. The length of the project is 2.25 miles. Construction will begin September 26th, 2016 and is expected to be completed by Summer 2017.

Project Improvements

- Installation of 81 new light poles along I-75 from East of Indian Trace to West of Glades Parkway, including on-ramps, and off-ramps at S.R. 84.
- Installation of new load centers for electrical components

Traffic Impact

- One lane in each direction of I-75 between Indian Trace and Glades Parkway may be closed Sunday through Thursday between the hours of 9 p.m. and 6 a.m.

Project Updates

If you would like to receive project updates, lane closure information, as well as a weekly traffic report distributed by FDOT, please email cliening@corradino.com the subject of "I-75 Lighting Improvements Project in Weston".
