

EB I-595 TO NB I-95 RAMP OVER THE SOUTH FORK OF THE NEW RIVER BRIDGE RAILING RETROFIT PROJECT IN FORT LAUDERDALE

Project Overview

The Florida Department of Transportation (FDOT) has awarded a \$419,034.90 contract to Gosalia Concrete Constructors Inc. for improvements to the railings of the bridge over the South Fork of the New River. The bridge is part of the ramp from eastbound I-595 to northbound I-95 in Fort Lauderdale. Construction will begin October 1, 2017 and will be completed in spring 2018.

Work Location

Project Improvements

- Retrofitting bridge railings
- Constructing concrete barrier wall transitions

Traffic Impact

- Construction work activities and lane closures can be expected as follows:
Sunday through Thursday evenings — 9 p.m. to 6 a.m.
- Specific lane closure information will be provided in the weekly traffic report distributed by FDOT.

Updated September 21, 2017
