Express projects in Broward

County.

The I-95 southbound exit ramp to westbound Atlantic Boulevard is closed through February 2018 for ramp reconstruction activities. Traffic is detoured to a new temporary ramp just south of the existing ramp. FHP will be on site to assist motorists.

This \$154 million, 8-mile project began construction on October, 2016 and is expected to be completed in spring 2020, weather permitting. Work is being performed by Prince Contracting, Inc., with HNTB Corporation administering the construction contract for the Florida Department of Transportation.

Maintenance of Traffic

The new temporary ramp features three westbound turn lanes and two eastbound turn lanes onto Atlantic Boulevard.
