

## SIGNALIZATION IMPROVEMENTS PROJECT IN FORT LAUDERDALE

---

### Project Overview

The Florida Department of Transportation has awarded a \$312,920 contract to Weekley Asphalt Paving, Inc. to improve signalization at two intersections in Fort Lauderdale. Construction will begin August 11, 2015 and is expected to be completed in early 2016.

### Project Improvements

1. Commercial Boulevard and NE 15th Avenue
  - A left turn signal will be added to the existing mast arm intersection for westbound traffic on Commercial Boulevard.
2. Broward Boulevard and NW 9th Avenue
  - The existing span wire intersection will be upgraded to mast arms.
  - A left turn signal will be added to the existing intersection for eastbound and westbound traffic on Broward Boulevard.

### Traffic Impact

Lane closures shall occur only during non-peak hours and non-event days / nights.

Non-peak hours are 9 a.m. to 3 p.m. Monday through Friday and 7 p.m. to 5 a.m. Monday through Thursday.

### Project Updates

The project team will be distributing periodic updates. If you would like to receive project updates, please send an email to [diglesias@corradino.com](mailto:diglesias@corradino.com) with a subject line of Signalization Improvements Project Updates.
