## **3. I-75 from NW 170<sup>th</sup> Street in Miami-Dade County to I-595 in Broward County**

### **Traffic Impact:**

- **Segments A&B (NW 170<sup>th</sup> Street in Miami-Dade County to South of Miramar Parkway in Broward County):**

This week in Segment AB, construction crews continued building and paving the future I-75 Express Lanes within the existing median. Crews also continued constructing the new direct connect bridge over Florida's Turnpike. A full closure of northbound Florida's Turnpike and the northbound I-75 on ramp from Florida's Turnpike is scheduled to occur today from 11 p.m. to 3 a.m. These closures are for sign structure removal operations. A press release and E-blast was sent out last Friday, April 7, to notify the traveling public. Barrier walls, and ITS construction activities also took place this week, and crews performed two double lane closures (Tuesday, April 11 and Wednesday, April 12) along Florida's Turnpike northbound for drainage operations.

- **Segment C (South of Miramar Parkway to South of Sheridan Street):**

Phase three construction along Miramar Parkway continued this week. Ramps construction also took place along the Miramar Parkway interchange, and crews also continued grading and leveling the ponds at Miramar Parkway and Pines Boulevard interchanges. Construction work along the C-4 Canal also continued, and construction crews continued to build and pave the future Express Lanes within the existing I-75 median. A full closure of all eastbound and westbound lanes along Miramar Parkway at Dykes and SW 148 Avenue, is scheduled to take place Tuesday, April 18. This closure will be for overhead sign structure installation. A press release and E-blast will be sent out tomorrow to notify the public.

- **Segment D (South of Sheridan Street to North of Griffin Road):**

Construction to build and pave the future I-75 Express Lanes within the existing median continued this week. Crews also continued phase 3A construction along the Sheridan Street interchange. Additionally, barrier wall, ITS, drainage and light pole base operations also continued to take place.

- **Segment E (North of Griffin Road to I-595):**

Construction crews continued addressing punch list items along the corridor. A full continuous closure of the I-595 Express lanes ramp from eastbound I-595 is scheduled to take place 2 a.m. Tuesday, April 18 to 1 p.m. Sunday, April 23 for sign structure operations. The press release and E-blast will be distributed this Friday, April 14.

- **Segment E (I-75 Northbound Lane Balancing Project):**

Punch list items continued to be addressed along this section of the corridor. Construction crews also performed full ramp closures to safely address some of these items. The northbound on ramp of I-75 to Naples was closed Sunday, April 9, and eastbound I-595 ramp from northbound I-75 was closed on Monday, April 10. Both closures occurred between the hours of 11 p.m. and 5 a.m. Press releases and maps were distributed last week Friday to notify the public. Additionally, final incentive/disincentive of the project was accepted yesterday, April 12.

- **Meetings this Week**

CAC Meeting – April 12

CTST Meeting – April 13 (**Cancelled**)

**Description:** This 15-mile project will add four tolled managed lanes in the I-75 median from NW 170<sup>th</sup> Street in northern Miami-Dade County to I-595 in Broward County. The work will be completed in four segments to minimize the impact to the public. This project includes entrance and exit access points to the express lanes; a bridge with a direct connection to 595 Express; integrated Intelligent Transportation System and tolling components; noise barrier walls at various locations and new signage, lighting, drainage and landscaping improvements. For more information, please contact **Public Information Officer Gerdy St. Louis** at (954) 548-2754 or [gerdy@iscprgroup.com](mailto:gerdy@iscprgroup.com).

**Cost/Completion:** Construction cost is \$481 million. Completion is expected in mid-2019.

## **NORTHEAST BROWARD CONSTRUCTION PROJECTS**

### **4. A1A Improvements Project from Oakland Park Boulevard to Flamingo Avenue in Fort Lauderdale**

**Traffic Impact:**

- Northbound traffic is shifted slightly west to the center of the road. Southbound traffic is on the west side of the road. Traffic will remain in this configuration through April 2017 while the contractor completes the reconstruction of the east side of the road. Two lanes in each direction will be maintained unless otherwise noted.
- Access from northbound Galt Ocean Drive to A1A will be restricted through April/May 2017. Motorists may access A1A via NE 41 Street, NE 36 Street, and NE 35 Street.
- One northbound lane of A1A from Oakland Park Boulevard to Flamingo Avenue may be intermittently closed Monday through Friday between 7 a.m. and 6 p.m. for drainage improvements.

- The crosswalk at NE 34 Street will be closed through June when the business access road along the east side of the road is completed and the new sidewalk is constructed. While this crosswalk is closed, pedestrians will be directed to use the crosswalks at NE 32nd Street and NE 36th Street.
- The contractor will be working on drainage structures within the business access drive aisle from NE 33 Street to NE 36 Street Sunday through Thursday evenings between 10 p.m. and 6 a.m. During this time, access to the business access drive aisle may be restricted.

**Description:** Project improvements include removing old asphalt and resurfacing the roadway within the project limits, upgrading sidewalks and ramps to meet ADA requirements, repairing, adjusting, and replacing drainage structures throughout the project limits, upgrading the following existing intersections to mast arm signals: 34th Street, mid-block between 36th and 40th Street, and at 40th Street, upgrading all existing pedestrian signals to countdown timers, upgrading signs and pavement markings throughout the project limits, including adding a 1.5 foot striped buffer to separate the four foot wide bike lanes from the outside vehicle travel lane, upgrading existing lighting along the corridor to lighting with a variable intensity function that can be accessed remotely in order to cause minimal disruption to sea turtles during their nesting season, adding elevated roadway lighting and lower level lighting to illuminate the sidewalk, and adding a business access drive aisle along the east side of road between NE 34th and NE 36th Street. For more information, contact Public Information Officer Dayana Diaz at (954)290-5989 or [ddiaz@corradino.com](mailto:ddiaz@corradino.com).

**Cost/Completion:** \$9.3 million / Summer 2017

#### **5. A1A Improvements Project from East of the Mercedes River Bridge to Sunrise Boulevard in Fort Lauderdale**

**Traffic Impact:**

- One lane in each direction of A1A from the Fort Lauderdale Beach Park entrance to Vistamar Street may be closed between 9 p.m. and 4 p.m. Sunday through Friday for the installation of in-roadway lighting and pavement markings as well as other miscellaneous operations.
- One lane in each direction of Sunrise Boulevard from the Intracoastal Bridge to A1A may be closed between 9 p.m. and 4 p.m. Sunday through Friday for concrete removal, curb and gutter installation, signalization improvements, and installation of pavement markings.

**Description:** The improvements under this project consist of removing old asphalt and resurfacing the roadway within the project limits, upgrading sidewalks and ramps to meet ADA requirements, upgrading all existing pedestrian signals to countdown timers, upgrading signs and pavement markings throughout the project limits, widening Sunrise Boulevard to accommodate four-foot wide bike lanes in each direction, modifying pavement striping and markings to provide shared use or dedicated bike lanes on A1A, and adding in-roadway lighting at several crosswalks. For more information, contact Public Information Officer Dayana Diaz at (954)290-5989 or [ddiaz@corradino.com](mailto:ddiaz@corradino.com).

**Cost/Completion:** \$4.4 million / Spring 2017

#### **6. NW 9th Avenue / Powerline Road Improvements Project from Broward Boulevard to NW 6th Street / Sistrunk Boulevard in Fort Lauderdale**

**Traffic Impact:**

- NW 9th Avenue / Powerline Road from Broward Boulevard to NW 3 Street will be open to local traffic only Monday through Friday between 7 a.m. and 4:30 p.m. for resurfacing. Motorists will be detoured to NW 7 Avenue or NW 11 Avenue.

**Description:** Project improvements include removing old asphalt and resurfacing the roadway and upgrading signs and pavement markings, upgrading crosswalk ramps to meet ADA requirements and upgrading existing pedestrian signals, adding sharrow pavement markings (share the road arrows) to the travel lane in each direction from NW 1st Street to NW 4th Street, widening the existing roadway to add six-foot wide bike lanes in each direction from NW 4th Street to NW 6th Street / Sistrunk Boulevard, adding pedestrian solar lighting, adding new concrete curb and gutter and improving roadway drainage system, constructing new eight-foot wide sidewalks, upgrading existing traffic signals to pole mounted signals, and improving landscaping. For more information, contact Public Information Officer Dayana Diaz at (954)290-5989 or [ddiaz@corradino.com](mailto:ddiaz@corradino.com).
