

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR

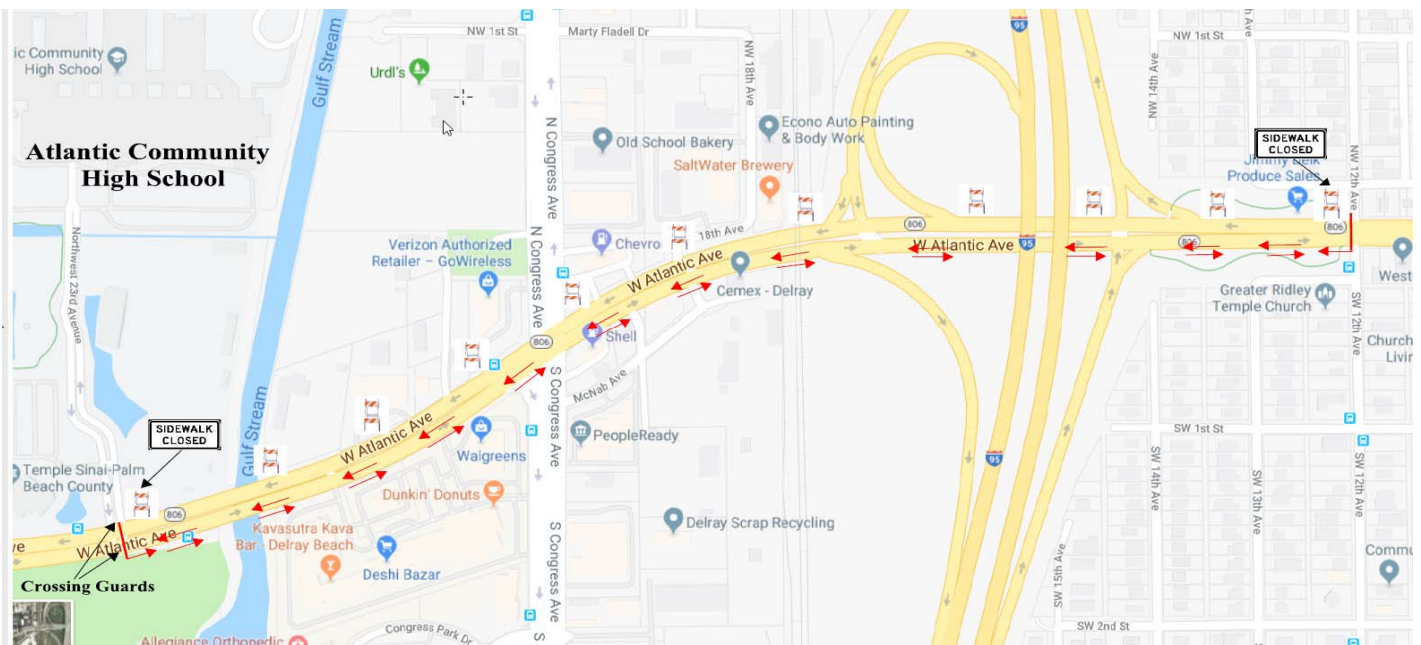

I-95 Interchange Improvements at Atlantic Avenue

SR 806 (Atlantic Avenue) from the El Rio Canal to NW 12th Avenue

Financial Project ID Numbers: 434722-1-52-01

Atlantic Avenue north sidewalk at Congress Avenue to undergo full closure beginning Monday, Jan. 14

The north sidewalk along Atlantic Avenue will undergo a **complete closure** for road reconstruction beginning 6 a.m., Monday morning, Jan. 14. Pedestrians will be detoured to the south sidewalk via the existing crosswalks. Additional crossing guards will be in place to provide assistance. In an effort to ensure the safety of pedestrians, motorists and construction crews, this sidewalk closure will be in place for the duration of the project—currently anticipated to be completed in Spring 2020. Local pedestrian access to the businesses in this area will be maintained at all times.

This project includes widening the northbound entrance ramp from Atlantic Avenue, creating a dedicated lane for I-95 northbound and southbound access from westbound Atlantic Avenue, construction of two turn lanes from westbound Atlantic Avenue—one to northbound Congress Avenue and one to southbound Congress Avenue, milling, resurfacing, construction of retaining walls, new watermain installation, drainage improvements, guardrail, sign structures, lighting, installation of fiber optic and ITS with CCTV video and ethernet, pavement markings for improved safety and visibility, realigned crosswalks for improved pedestrian safety, internally illuminated and electronic display signs, signalization, pedestrian detectors and traffic monitoring sites. Pavement markings for bike lanes will be included throughout the project.
