n Wednesday, Mar. 7, 2018, the Florida Department of Transportation (FDOT) will host an informational Open House for the intersection improvements at State Road 708/Blue Heron Boulevard at Avenue S, in the City of Riviera Beach, 4 p.m. until 6 p.m. at the Stantec Engineering Project Office, 4152 West Blue Heron Blvd., Suite 122, Riviera Beach, FL 33404.

Project personnel will be on hand to discuss the scope of work, schedule, related lane closures, and address questions and comments one-on-one. Please note: There will not be a formal presentation; guests may arrive any time from 4 p.m. to 6 p.m.

This 0.08-mile resurfacing and improvements project will begin Monday, Mar. 12, 2018 and is expected to be completed early fall 2018, weather permitting. The project cost is \$853,000. Work is being performed by Arc Electric, Inc., with FDOT providing project oversight.

Scope of Work:

- Mill and resurface the roadway
- Install new sidewalk, driveways, signing and pavement markings
- Upgrade signalization with pedestrian and vehicle detection devices

Maintenance of Traffic:

In order to do this work safely, it will be necessary to close travel lanes at various times and locations. Work will be done in phases to minimize impacts on the community and motoring public.

Project-related lane closures can be expected, Monday through Friday, 9:30 a.m. until 2 p.m. Night work is only expected during mast arm installation for the new signals. Sidewalks may also be closed at various times and locations; however, pedestrian access will be maintained at all times.
