Following our weekly progress meeting on Thursday, Mar. 16, 2017, we offer this construction and lane closure update for the widening project on Forest Hill Blvd. at Kirk Road:

Work Expected the week of Mar. 17 - Mar. 24, 2017:

- Widening operations will continue on the north side.
- Median removal and replacement, drainage, and signalization upgrades will continue.
- The medians will be reduced in size to allow for an additional turn lane from westbound Forest Hill Blvd. to southbound Kirk Road, and for a traffic buffer at the eastbound Forest Hill Boulevard turn to northbound Kirk Road.
- Traffic has been shifted into a new configuration to accommodate Phase II work activities. *see below for new traffic pattern*

Lane Closures Expected this Week:

- **Permanent inside lane closure through Monday, Mar. 20:** The contractor has installed a permanent inside lane closure, in each direction, for drainage work **through 6 a.m. Monday, Mar. 20**. Traffic is reduced to two lanes in each direction, around-the-clock, during this time.
- Once the drainage work is completed on Mar. 20, single lane closures will occur daily in each direction, 9 a.m. until 3:30 p.m., Monday through Saturday.

Sidewalk Closures & Pedestrian Detours:

- There are currently no sidewalk closures or pedestrian detours.

Palm Springs Middle School Temporary Bus Routes:

The Palm Beach County School Board will continue to provide temporary additional bus routes for students who walk to school.
