Beach County.

**T**he Florida Department of Transportation (FDOT) is making operational improvements at the I-95 Interchange and 10th Avenue North.

This \$11.2 million, 0.579-mile project began construction on Monday, November 2, 2015, and is expected to be completed by summer 2018, weather permitting. Work is being performed by Community Asphalt Corp, with Cardno administering the construction contract for FDOT.

As part of the widening of 10th Avenue North, the north sidewalk will undergo a full closure for approximately three months, beginning 6 a.m., Monday morning, April 23, 2018.

Pedestrian traffic will be detoured to the south sidewalk, with crossing guards providing assistance at Barnett Drive and North A Street during school hours.
