This 6.279-mile project will begin Friday, Apr. 20, 2018, and is expected to be completed spring 2019, weather permitting. The project cost is \$4 million. Work is being performed by General Asphalt Co., with American Engineering Group providing project oversight.

Scope of Work:

- Widen existing shared-use path & install new curb ramps to meet current ADA standards, and improve pedestrian and bicyclist access to mass transit options along Palmetto Park Road. The work will take place on the south side of the roadway, parallel to the eastbound lanes, from State Road 7 to NW 12th Avenue, and on both sides of the roadway from NW 12th Avenue to NW 2nd Avenue.
- Minor roadway resurfacing at side streets
- Widen westbound turn lane at Cardinal Avenue's entrance to the Boca Raton Museum of Art School

Maintenance of Traffic:

Lane closures between Military Trail and I-95 may only occur between 8:30 p.m. and 7 a.m. Otherwise, lane closures can be expected Monday through Friday, in each direction, at any time. Minor night & weekend work may be required. The existing pathway may be closed at various times and locations on one side at a time.
