Palm Beach County Traffic Report

June 23 through June 30, 2017

Palm Beach County – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. **Weather permitting**; closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

I-95 CORRIDOR PROJECTS:

I-95 Interchange from Hillsboro Boulevard to SW 10th Street

Construction on this **1.5-mile project** began **Monday, Jan. 26, 2015**, in the City of Deerfield Beach. Work consists of widening southbound I-95 to add an auxiliary lane from the Hillsboro Boulevard entrance ramp to the SW 10th Street exit ramp, widening the existing southbound I-95 exit ramp to SW 10th Street, addition of a free flow right turn lane to westbound SW 10th Street, widening of westbound SW 10th Street to add an acceleration lane, utility relocation, milling and resurfacing, bridge widening, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the first of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **fall 2017**. (Fin. 430932-1-52-01)

Restrictions: The outside lanes of I-95 southbound, between Hillsboro Boulevard and SW 10th Street, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed,

closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. Two lanes of westbound SW 10th Street will be closed, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The north sidewalk on SW 10th Street, between SW 12th Avenue and SW Natura Boulevard, is closed completely through August 2017 for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to SW 10th Street will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Hillsboro Boulevard. **Please see detour flyer attached.** Traffic on the southbound I-95 exit ramp to SW 10th Street has been shifted to the east. For more information, please contact **Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Interchange at Spanish River Boulevard

Construction on this **2.5-mile project** began **Monday, Jan. 13, 2014**, in the City of Boca Raton. Work consists of constructing a new interchange at Spanish River Boulevard and I-95, widening Spanish River Boulevard west of FAU Boulevard, constructing 13 bridges between Spanish River Boulevard and Yamato Road, signalized intersection improvements and the addition of auxiliary lanes on Yamato Road, and sound wall construction along Yamato Road and on the east side of I-95 north of Yamato Road. The project costs an estimated **\$69 million**. The work is being performed by **Astaldi Construction Corporation** and is expected to be completed **fall 2017**. (Fin. 412420-3-52-01)

Restrictions:

- **Mainline impacts:** I-95 northbound and southbound, between Glades Road and Congress Avenue, may have up to three lanes closed, as needed, nightly, with the first lane closing at 9 p.m., and the second lane and third lanes, if needed, closing 11 p.m. until 5 a.m., Sunday night through Friday morning.

Ramp impacts: The I-95 northbound entrance ramp from Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night, June 25 through Friday morning, June 30. Traffic will be detoured via Congress Avenue. The I-95 northbound exit ramp to Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night, June 25 through Friday morning, June 30. Traffic will be detoured via I-95 and Congress Avenue. The I-95 southbound exit ramp to Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night, June 25 through Friday morning, June 30. Traffic will be detoured via Glades Road. The I-95 southbound entrance ramp from eastbound Yamato Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday, June 25 through Thursday, June 29. Traffic will be detoured via Congress Avenue. **Please see detour flyers attached.** Please Note: The I-95 northbound exit ramp to westbound Yamato Road is closed **permanently**. The I-95 northbound exit ramp to eastbound Yamato Road has been rebuilt and now facilitates both eastbound and westbound turns onto Yamato Road. This ramp is now signalized.

- **Spanish River Boulevard impacts:** Spanish River Boulevard will have one lane closed in each direction, daily, 9:00 a.m. until 3:30 p.m., Monday through Friday, and nightly, 9 p.m. until 6 a.m., Sunday through Friday.

- **FAU Boulevard impacts:** The northbound outside lane of FAU Boulevard, from south of PSI Drive to Spanish River Boulevard, will be closed, daily, 7 a.m. until 3:30 p.m., Monday through Friday, through June.
- **Yamato Road impacts:** Yamato Road, from the southbound I-95 entrance ramp from eastbound Yamato Road, to the northbound I-95 exit ramp to eastbound Yamato Road, will have one lane closed in each direction, daily, 9:30 a.m. until 3 p.m., Monday through Friday, and two westbound lanes closed and one eastbound lane closed, nightly, 9 p.m. until 6 a.m., Sunday night through Friday morning. Yamato Road traffic is shifted to the outside to allow for median construction.

I-95 Interchange Improvements at Woolbright Road

Construction on this **0.354-mile project** began **Monday, Jan. 25, 2016**, in the City of Boynton Beach. Work consists of widening Woolbright Road from SW 18th Street to SW 2nd Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound left turn lanes onto northbound I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, reconstructing the southbound exit ramp to provide free-flow right turn onto westbound Woolbright Road, retrofitting the railings on the Woolbright Road bridges over I-95 and the railroad to meet current criteria, and milling and resurfacing the entire width of Woolbright Road, and along the I-95 ramps within project limits. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fourth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **fall 2017**. (Fin. 231932-2-52-01)

Restrictions: I-95 southbound, between Boynton Beach Boulevard and West Atlantic Avenue, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. Woolbright Road, from SW 8th Street to SW 2nd Street, will have one lane closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The north sidewalk on Woolbright Road, between SW 8th Street and SW 2nd Street, is closed completely through July 2017 for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Boynton Beach Boulevard. The I-95 southbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Congress Avenue and Atlantic Avenue. The I-95 northbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. **Please note:** The southbound I-95 exit ramp to and southbound I-95 entrance ramp from Woolbright Road will not be closed at the same time. **Please see detour flyers attached.** For more information, please contact **Andrea Pacini, Community Outreach Specialist, 561-214-3358**.

I-95 Interchange at Hypoluxo Road

Construction on this **0.5-mile project** began **Monday, June 22, 2015**, in the Town of Lantana. Work consists of reconfiguring the existing Hypoluxo roadway approaches and bridges over I-95 and the CSX railroad tracks, constructing dual eastbound left turn lanes onto I-95, widening the existing southbound exit ramp to lengthen the

turn lanes, retrofitting existing bridge railings to meet current criteria, utility relocation, and installation of barrier walls, curbs, sidewalks, drainage, overhead signs, signing and pavement markings, signals, lighting and retaining walls. This is the second of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **fall 2017**. (Fin. 413257-2-52-01)

Restrictions: The outside lanes of I-95 southbound, between Lantana Road and Hypoluxo Road, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. Hypoluxo Road, from Seacrest Boulevard to just west of the I-95 southbound exit ramp, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The south sidewalk of Hypoluxo Road, from Seacrest Boulevard, to just west of I-95, will be closed, as needed, through July 2017 for construction activities.

Ramp Impacts: The southbound I-95 exit ramp to Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Lantana Road. The southbound I-95 entrance ramp from Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured to Gateway Boulevard via Congress Avenue. **Please see detour flyers attached**. For more information, please contact **Andrea Pacini, Community Outreach Specialist, 561-214-3358**.

I-95 Interchange Improvements at 10th Avenue North

Construction on this **0.579-mile project** began **Monday, Nov. 2, 2015**, in the City of Lake Worth. Work consists of widening 10th Avenue North, from Barnett Drive to “A” Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound turn lanes onto I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, and widening the existing three-lane I-95 southbound exit ramp to four lanes to provide dual left and dual right turns. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the third of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **fall 2017**. (Fin. 412733-2-52-01)

Restrictions: The inside lanes of I-95 northbound and southbound, between Forest Hill Boulevard and 6th Ave., will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. 10th Avenue North, from Barnett Drive to North A Street, will have two lanes closed in each direction, nightly, as needed (eastbound and westbound will not be closed at the same time), 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The south sidewalk on 10th Avenue North, between Barnett Drive and North A Street, is closed completely through June 2017 for construction activities. Pedestrians will be detoured to the north sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound entrance ramp from 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. The I-95 southbound exit ramp to 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through

August. Traffic will be detoured via Forest Hill Boulevard. The I-95 northbound exit ramp to 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. Traffic will be detoured via 6th Avenue North. The I-95 northbound entrance ramp from 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. Traffic will be detoured via Congress Avenue. Please note: The southbound ramps and the northbound ramps will not be closed at the same time. **Please see detour flyers attached.** For more information, please contact **Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Interchange Improvements at Donald Ross Road

Construction on this **0.555-mile project** began **Sunday, Apr. 3, 2016**, in the Town of Jupiter. Work consists of widening the I-95 northbound exit ramp and the I-95 southbound exit to accommodate a triple right turn and a triple left turn to eastbound Donald Ross Road, modifying lanes on Donald Ross Road to provide a triple left turn onto the I-95 southbound entrance ramp, widening the southbound entrance ramp to I-95 to accommodate the triple left turn from Donald Ross Road, and removing old asphalt and resurfacing existing pavement. Other improvements include utility relocation, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fifth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **fall 2017**. (Fin. 429875-1-52-01/429785-1-52-02)

Restrictions: Donald Ross Road, from 54th Way North to Heights Boulevard, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August, with the first lane closing at 9 p.m. and the second lane closing 10 p.m.; traffic has been shifted to the north. The north sidewalk will be closed intermittently, as needed, for construction activities. Pedestrian traffic will be re-directed to the south sidewalk. For more information, please contact **Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Resurfacing Project from Bridge Road (Exit 96) to Indiantown Road (Exit 87)

Construction on this **9.838-mile project** began **Tuesday, May 9, 2017**, in the Town of Jupiter and Martin County. Work consists of resurfacing I-95 from south of Indiantown Road (State Road 706) to north of Bridge Road (County Road 708), as well as the I-95 interchange ramps at Indiantown Road (Exit 87) and Bridge Road (Exit 96), minor shoulder and guardrail repairs, and replacement of the southbound bridge approach slab at approximate mile marker 89.5. The project costs an estimated **\$17.18 million**. The work is being performed by **Community Asphalt Corporation** and is expected to be completed **fall 2018**. (Fin. 434273-1-52-01 & 434273-2-52-01)

Restrictions: I-95 northbound may have two lanes closed, from Indiantown Road to Bridge Road, 9 p.m. to 6 a.m., Sunday night through Friday morning, through August 2017, for paving operations. For more information, please contact **Community Outreach Specialist Kathleen Dempsey at 772-359-5118.**

SOUTHERN PALM BEACH COUNTY PROJECTS:

-
State Road 7/US 441 just north of Clint Moore Road to just north of Atlantic Avenue

This **2.4-mile** widening project began **Tuesday, Jan. 17, 2017**, in Boca Raton and Delray Beach. Work includes shoulder widening, milling and resurfacing the roadway, drainage improvements, utility adjustments, curb and gutter installation, and sidewalk, driveway, signage, pavement marking, lighting and signalization improvements. The work is being performed by **Hardrives Paving, Inc.**, and is expected to be completed **fall 2017**. The estimated construction cost is **\$4.7 million**. (Fin. 432349-1-52-01)

Restrictions: One lane may be closed in each direction, 9 a.m. until 5 p.m., Monday through Friday, through July 2017. Please note, the outside (3rd) northbound lane, just north of Clint Moore Rd. that extends about 2000 feet to Bridge Brook Drive, is closed around the clock through July 2017, leaving only two northbound lanes open when the contractor is not working. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

CENTRAL PALM BEACH COUNTY PROJECTS:

Ocean Avenue Bridge Painting over the Intracoastal Waterway in the Town of Ocean Ridge and the City of Boynton Beach

This bridge painting project began **Monday, Apr. 24, 2017**, over the Intracoastal Waterway in the Town of Ocean Ridge and the City of Boynton Beach. Work includes the full removal and replacement of the structural steel coating system, and stucco/Class V finish and repairs. The work is being performed by **Seminole Equipment, Inc.**, and is expected to be completed **fall 2017**. The estimated construction cost is **\$1 million**. (Fin. 431106-1-52-01)

-

Restrictions: One lane may be closed in each direction, 6 a.m. until 4 p.m., Monday through Sunday, for bridge painting operations. As there is only one lane in each direction on the bridge, flaggers will be on-site to direct traffic. Pedestrian traffic will be maintained on one side of the bridge at all times. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

- **FPL permit project (adjacent project):** Please note, FPL has the following projects in the Town of Ocean Ridge, unrelated to the Ocean Avenue bridge painting project.

- **Restrictions:** State Road A1A/N. Ocean Boulevard, from Thompson Street in the Town of Ocean Ridge, to Little Club Road in the City of Delray Beach, will have one lane closed in each direction, 9 a.m. until 4 p.m., Monday through Friday, through July 2017, for FPL pole replacement. Flaggers will be on-site to direct traffic. Sidewalks may also be closed, as needed, on the east and west sides of State Road A1A. For more information, please contact **Project Manager Shan Miller at 480-202-1417**.

Military Trail, from just south of Lake Worth Road to just south of Southern Boulevard

This **3.931-mile** resurfacing project began **Thursday, Mar. 30, 2017**, in Lake Worth, the Village of Palm Springs, and the City of West Palm Beach. Work includes milling and resurfacing the roadway, drainage installation, signing and pavement markings, detectable warning devices and signalization improvements. The work is being performed by **Ranger Construction Industries, Inc.**, and is expected to be completed **summer 2018**. The estimated construction cost is **\$8.5 million**. (Fin. 428719-1-52-01/02/03)

-

Restrictions: One lane may be closed in each direction, 9 p.m. until 6 a.m., Sunday night through Friday morning. Beginning Monday, June 26, one lane may be closed in each direction, daily, 9 a.m. until 3:30 p.m., Monday through Friday, through August 2017. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

Forest Hill Boulevard at Kirk Road

This **0.298-mile** widening project began **Thursday, Nov. 17, 2016**, in the Village of Palm Springs. Work includes widening, milling and resurfacing the roadway, drainage installation, signing and pavement markings, detectable warning devices and signalization improvements. The work is being performed by **Weekley Asphalt Paving, Inc.**, and is expected to be completed **summer 2017**. The estimated construction cost is **\$1.3 million**. (Fin. 435122-1-52-01)

Restrictions: One lane may be closed in each direction, daily, 9 a.m. until 3:30 p.m., with up to two lanes closed, nightly, 9 p.m. until 6 a.m., Sunday night through Saturday, through June 2017. Additional nightly intermittent single lane closures may occur on Kirk Road in conjunction with any nighttime closures. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

Southern Boulevard (SR 80) Bridges Replacement Project

This **0.76-mile project** includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge will be built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction. The work is being performed by Johnson Bros. Corp. Construction began **April 3, 2017**, and will last until **late 2020**. The estimated construction cost is **\$93 million**. (Fin. 419013-1-52-01)

Restrictions: The north sidewalk on the Southern Boulevard Bridge is closed. Pedestrians should use the south sidewalk.

FPL Permit Work: Washington Road will be closed intermittently between Southern Boulevard and Conniston Road due to FPL utility work starting Monday, June 26. In addition, the eastbound lane of Southern Boulevard between South Dixie Highway and Flagler Drive will be closed intermittently with eastbound traffic shifted to the north for the same utility work. The utility work will last approximately 10 days; the closures will not occur concurrently. During the Washington Road closure, drivers who want to go north on Washington Road will be detoured to South Dixie Highway and Flagler Drive. Drivers traveling south on Washington Road, will be detoured as follows:

- West on Conniston Road to Dixie Highway
- South on Dixie Highway to Southern Boulevard
- East on Southern Boulevard to Washington Road

For more information, please contact **Community Outreach Specialist Angel Streeter Gardner at 561-886-8773**.

Flagler Memorial Bridge Replacement Project

This **0.66-mile Design/Build project** includes replacing the existing bascule (draw) bridge with a new bascule bridge connecting the Town of Palm Beach and the City of West Palm Beach over the Lake Worth Lagoon and the Intracoastal Waterway (ICWW). The Flagler Drive overpass will be replaced with an “at-grade” intersection. New lighting, pedestrian features, traffic signals, drainage and landscaping are also included. The Design/Build team for this project is PCL Civil Constructors and Hardesty & Hanover. New Millennium Engineering, Inc. provides Construction Engineering and Inspection services on behalf of FDOT. Active construction began on **Sept. 10, 2012** and will last until **summer 2017**. The estimated construction cost is **\$106 million**. (Fin. 412489-2-52-01)

Restrictions: Flagler Drive is closed in both directions from 4 Street to the Flagler Memorial Bridge around-the-clock until summer 2017 while workers reconstruct the road in this area. Flagler Drive is closed in both directions from 7 Street to the Flagler Memorial Bridge around-the-clock until summer 2017 while workers reconstruct the road in the area. The following detours are in place:

Drivers going north on Flagler Drive from south of 4-Street should:

- Go west on Banyan Boulevard
- Go north on N. Dixie Highway
- Go east on Palm Beach Lakes Boulevard to Flagler Drive

Drivers going south on Flagler Drive from north of 7 Street should:

- Go north/south on Flagler Drive to Palm Beach Lakes Boulevard
- Go west on Palm Beach Lakes Boulevard
- Go south on N. Dixie Highway
- Go east on Banyan Boulevard to Flagler Drive

Drivers going west on Flagler Memorial Bridge should:

- Go to N. Dixie Highway to go north or south

Marine Restrictions: The navigable Intracoastal Waterway (ICW) through the Flagler Memorial Bridge will have half-channel closures through May 2017. During half-channel closures, the horizontal clearance through the bridge is 35 feet. **There will be no channel restrictions from 5:15 p.m. Saturday, June 24, to 6:15 a.m. Monday, June 26. In addition, there will be no channel restrictions from 5:15 p.m. Wednesday, June 28, to 6:15 a.m. Thursday, June 29.** The existing Flagler Memorial Bridge opens for marine traffic once per hour at 15 minutes past the hour except for 8:15 a.m. and 4:15 p.m., Monday through Friday, when the bridge remains down for rush hour traffic. During presidential visits, the Flagler Memorial Bridge will open to marine traffic weekdays at 4:15 p.m. Intermittent full-channel closures may be necessary to perform project-related work. Full-channel closures are coordinated in advance with the U.S. Coast Guard. The schedule of channel restrictions can be found on the Flagler Bridge website: www.FlaglerBridge.com and is published in the U.S. Coast Guard’s Local Notice to Mariners at www.navcen.uscg.gov. For more information, please contact **Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.**

NORTHERN PALM BEACH COUNTY PROJECTS:

-
State Road 710/Beeline Highway “Phase C” from Australian Avenue to President Barack Obama Highway

This **0.819-mile** widening project began **Monday, Jan. 4, 2016**, in the City of Riviera Beach. Work includes widening the existing roadway from two (2) to four (4) lanes, adding four (4) foot bike lanes and sidewalks, adding a new frontage road for residences, installing median, curb & gutter, and a perimeter wall (in 2 locations), drainage improvements, water and sewer improvements (funded by the City of Riviera Beach), and upgrades to signing and pavement markings, signalization, and lighting. The work is being performed by **JW Cheatham, LLC**, and is expected to be completed **spring 2019**. The estimated construction cost is **\$17.4 million**. (Fin. 229896-1-52-01)

Restrictions: President Barack Obama Highway may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday. Australian Avenue may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday. Avenue J or Avenue I, between State Road 710 and 9th Street, may be closed intermittently through fall 2017. Please note, no driveways are affected due to these closures. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

- **City of Riviera Beach separate work (adjacent project):** The City of Riviera Beach has a separate construction project at W. 7th Street and W. 6th Street, from Australian Avenue west to Avenue N, for reconstruction work. This is not related to the FDOT project; **please contact the City of Riviera Beach at 561-845-4000 for more information.**
- **Palm Beach County separate work (adjacent project):** W. 13th Street and Australian Avenue, in the City of Riviera Beach, will have eastbound and northbound left turn lane closures for intersection improvements. For more information, **please contact Palm Beach County Engineering at 561-684-4000.**

WESTERN PALM BEACH COUNTY PROJECTS:

SE Avenue G Sidewalk Installation from State Road 80 to east of SE 9th Road, Belle Glade

This **0.07-mile** sidewalk project began **Monday, June 5, 2017**, in the City of Belle Glade. Work includes sidewalk installation along the south side of the roadway only, driveway reconstruction, detectable warning surfaces, sod, signing and pavement markings, concrete end walls and flume inlets, monitoring of existing structures, installation of geogrid reinforcement, and utility adjustment along SE Avenue G, in the city of Belle Glade. The work is being performed by **Weekley Asphalt Paving, Inc.**, and is expected to be completed **late summer 2017**. The estimated construction cost is **\$363,409.09**. (Fin. 435159-1-52-01/02)

Restrictions: One lane may be closed, 7 a.m. until 7 p.m., Monday through Saturday, through August 2017. Flaggers will be on-site to direct traffic.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS:

Restrictions: Indiantown Road, east of Military Trail to west of S. Loxahatchee Road, in the Town of Jupiter, has the eastbound outside lane closed, around-the-clock, through June 2017, for drainage improvements. For more information, **please contact Project Manager Stephanie Torres at 561-370-1156.**

Restrictions: The Lake Avenue Bridge, over the Intracoastal Waterway in the City of Lake Worth, will have the westbound outside lane closed 9 a.m. until 3 p.m., Tuesday, June 27, and Wednesday, June 28, with the eastbound outside lane closed, 9 a.m. until 3 p.m., Thursday, June 29, and Friday, June 30, for bridge inspection. For more information, **please contact Project Administrator Zoraida Orozco at (954) 946-1211.**

Restrictions: Lake Worth Road at Polo Club Road, in Lake Worth, will have the eastbound outside lane closed, 9 a.m. until 3:30 p.m., Wednesday, June 28, through Friday, July 7, for driveway construction. For more information, **please contact Project Manager Joe Whitten at 561-662-3201.**

Restrictions: Federal Highway, from 18th Avenue North to 19th Avenue North, in the City of Lake Worth, will have the northbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 30, for pipeline installation and concrete removal and replacement. For more information, **please contact Project Manager Stephen Decker at (561) 249-0341.**
