Palm Beach County Traffic Report March 17 through March 24, 2017

Palm Beach County – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. **Weather permitting**; closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

I-95 CORRIDOR PROJECTS:

I-95 Interchange from Hillsboro Boulevard to SW 10th Street

Construction on this **1.5-mile project** began **Monday, Jan. 26, 2015**, in the City of Deerfield Beach. Work consists of widening southbound I-95 to add an auxiliary lane from the Hillsboro Boulevard entrance ramp to the SW 10th Street exit ramp, widening the existing southbound I-95 exit ramp to SW 10th Street, addition of a free flow right turn lane to westbound SW 10th Street, widening of westbound SW 10th Street to add an acceleration lane, utility relocation, milling and resurfacing, bridge widening, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the first of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **summer 2017**. (Fin. 430932-1-52-01)

Restrictions: The outside lanes of I-95 southbound, between Hillsboro Boulevard and SW 10th Street, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. Two lanes of westbound SW 10th Street will be closed, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The north sidewalk on SW

10th Street, between SW 12th Avenue and SW Natura Boulevard, is closed completely through April 2017 for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to SW 10th Street will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Hillsboro Boulevard. **Please see detour flyer attached.** Traffic on the southbound I-95 exit ramp to SW 10th Street has been shifted to the east. For more information, please contact **Andrea Pacini, Public Information Officer, 561-214-3358.**

I-95 Interchange at Spanish River Boulevard

Construction on this **2.5-mile project** began **Monday, Jan. 13, 2014**, in the City of Boca Raton. Work consists of constructing a new interchange at Spanish River Boulevard and I-95, widening Spanish River Boulevard west of FAU Boulevard, constructing 13 bridges between Spanish River Boulevard and Yamato Road, signalized intersection improvements and the addition of auxiliary lanes on Yamato Road, and sound wall construction along Yamato Road and on the east side of I-95 north of Yamato Road. The project costs an estimated **\$69 million**. The work is being performed by **Astaldi Construction Corporation** and is expected to be completed **fall 2017**. (Fin. 412420-3-52-01)

Restrictions:

Mainline impacts: I-95 northbound and southbound, between Glades Road and Congress Avenue, may have up to three lanes closed, as needed, nightly, with the first lane closing at 9 p.m., and the second lane and third lanes, if needed, closing 11 p.m. until 5 a.m., Sunday night through Friday morning.

Ramp impacts: The I-95 southbound exit ramp to Yamato Road has a new alignment with new signalization; please note that the westbound movement to Yamato Road is now signalized.

Spanish River Boulevard impacts: Spanish River Boulevard, from FAU Boulevard to NW 6th Avenue, will undergo a full closure, nightly, 9 p.m. until 5 a.m., Thursday night, March 23. Eastbound traffic will be detoured via Airport Road and Glades Road. Westbound traffic will be detoured via Dixie Highway and Yamato Road. **Please see detour flyer attached.** Spanish River Boulevard will have one lane closed in each direction, daily, 9:00 a.m. until 3:30 p.m., Monday, March 20 through Friday, March 24, and nightly, 9 p.m. until 6 a.m., Sunday, March 19 through Friday morning, March 24.

Yamato Road impacts: Yamato Road, from the southbound I-95 entrance ramp from eastbound Yamato Road, to the northbound I-95 exit ramp to eastbound Yamato Road, will have one lane closed in each direction, daily, 9:30 a.m. until 3 p.m., Monday, March 20 through Friday, March 24 and two westbound lanes closed and one eastbound lane closed, nightly, 9 p.m. until 6 a.m., Sunday, March 19 through Friday morning, March 24. Yamato Road traffic is shifted to the outside to allow for median construction.

Airport Road impacts: **Advanced notice:** Airport Road, from the intersection of Spanish River Boulevard to just north of the Reliable Jet Maintenance driveway, will undergo a full closure,

nightly, 9 p.m. until 5 a.m., Thursday night, March 30. Traffic will be detoured via Dixie Highway and Glades Road. Access to all businesses along Airport Road will be maintained from Glades Road. **Please see detour flyer attached.**

Trail impacts: The El Rio and T-Rex Trails are open to pedestrian traffic. For more information, please contact **Andrea Pacini, Public Information Officer, 561-214-3358.**

I-95 Interchange Improvements at Woolbright Road

Construction on this **0.354-mile project** began **Monday, Jan. 25, 2016**, in the City of Boynton Beach. Work consists of widening Woolbright Road from SW 18th Street to SW 2nd Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound left turn lanes onto northbound I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, reconstructing the southbound exit ramp to provide free-flow right turn onto westbound Woolbright Road, retrofitting the railings on the Woolbright Road bridges over I-95 and the railroad to meet current criteria, and milling and resurfacing the entire width of Woolbright Road, and along the I-95 ramps within project limits. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fourth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **summer 2017**. (Fin. 231932-2-52-01)

Restrictions: I-95 southbound, between Boynton Beach Boulevard and West Atlantic Avenue, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. Woolbright Road, from SW 8th Street to SW 2nd Street, will have one lane closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The north sidewalk on Woolbright Road, between SW 8th Street and SW 2nd Street, is closed completely through June 2017 for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Boynton Beach Boulevard. The I-95 southbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Congress Avenue and Atlantic Avenue. The I-95 northbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. **Please note:** The southbound I-95 exit ramp to and southbound I-95 entrance ramp from Woolbright Road will not be closed at the same time. **Please see detour flyers attached.** For more information, please contact **Andrea Pacini, 561-214-3358.**

I-95 Interchange at Hypoluxo Road

Construction on this **0.5-mile project** began **Monday, June 22, 2015**, in the Town of Lantana. Work consists of reconfiguring the existing Hypoluxo roadway approaches and bridges over I-95

and the CSX railroad tracks, constructing dual eastbound left turn lanes onto I-95, widening the existing southbound exit ramp to lengthen the turn lanes, retrofitting existing bridge railings to meet current criteria, utility relocation, and installation of barrier walls, curbs, sidewalks, drainage, overhead signs, signing and pavement markings, signals, lighting and retaining walls. This is the second of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **summer 2017**. (Fin. 413257-2-52-01)

Restrictions: The outside lanes of I-95 southbound, between Lantana Road and Hypoluxo Road, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. Hypoluxo Road, from Seacrest Boulevard to just west of the I-95 southbound exit ramp, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The south sidewalk of Hypoluxo Road, from Seacrest Boulevard, to just west of I-95, will be closed, as needed, through April 2017 for construction activities.

Ramp Impacts: The southbound I-95 exit ramp to Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured via Lantana Road. The southbound I-95 entrance ramp from Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. Traffic will be detoured to Gateway Boulevard via Congress Avenue. **Please see detour flyers attached.** For more information, please contact **Andrea Pacini, 561-214-3358**.

I-95 Interchange Improvements at 10th Avenue North

Construction on this **0.579-mile project** began **Monday, Nov. 2, 2015**, in the City of Lake Worth. Work consists of widening 10th Avenue North, from Barnett Drive to “A” Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound turn lanes onto I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, and widening the existing three-lane I-95 southbound exit ramp to four lanes to provide dual left and dual right turns. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the third of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **summer 2017**. (Fin. 412733-2-52-01)

Restrictions: The inside lanes of I-95 northbound and southbound, between Forest Hill Boulevard and 6th Ave., will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through August. 10th Avenue North, from Barnett Drive to North A Street, will have two eastbound lanes closed, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August. The south sidewalk on 10th Avenue North, between Barnett

Drive and North A Street, is closed completely through March 2017 for construction activities. Pedestrians will be detoured to the north sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound entrance ramp from 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. The I-95 southbound exit ramp to 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. Traffic will be detoured via Forest Hill Boulevard. The I-95 northbound exit ramp to 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. Traffic will be detoured via 6th Avenue North. The I-95 northbound entrance ramp from 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through August. Traffic will be detoured via Congress Avenue. Please note: The southbound ramps and the northbound ramps will not be closed at the same time. **Please see detour flyers attached.** For more information, please contact **Andrea Pacini, 561-214-3358.**

I-95 Interchange Improvements at Donald Ross Road

Construction on this **0.555-mile project** began **Sunday, Apr. 3, 2016**, in the Town of Jupiter. Work consists of widening the I-95 northbound exit ramp and the I-95 southbound exit to accommodate a triple right turn and a triple left turn to eastbound Donald Ross Road, modifying lanes on Donald Ross Road to provide a triple left turn onto the I-95 southbound entrance ramp, widening the southbound entrance ramp to I-95 to accommodate the triple left turn from Donald Ross Road, and removing old asphalt and resurfacing existing pavement. Other improvements include utility relocation, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fifth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **summer 2017**. (Fin. 429875-1-52-01/429785-1-52-02)

Restrictions: Donald Ross Road, from 54th Way North to Heights Boulevard, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through August, with the first lane closing at 9 p.m. and the second lane closing 10 p.m.; traffic has been shifted to the north. The south sidewalk will be closed intermittently, as needed, for construction activities. Pedestrian traffic will be re-directed to the north sidewalk. For more information, please contact **Andrea Pacini, 561-214-3358.**

SOUTHERN PALM BEACH COUNTY PROJECTS:

State Road 7/US 441 just north of Clint Moore Road to just north of Atlantic Avenue

This **2.4-mile** widening project began **Tuesday, Jan. 17, 2017**, in Boca Raton and Delray Beach. Work includes shoulder widening, milling and resurfacing the roadway, drainage improvements, utility adjustments, curb and gutter installation, and sidewalk, driveway, signage, pavement marking, lighting and signalization improvements. The work is being performed by **Hardrives Paving, Inc.**, and is expected to be completed **fall 2017**. The estimated construction cost is **\$4.7 million**. (Fin. 432349-1-52-01)

Restrictions: Traffic will be reduced to one lane, northbound, 9 a.m. until 5 p.m., Monday through Friday, through March 2017. For more information, please contact **Public Information Officer Meredith Cruz at 561-641-6440.**

CENTRAL PALM BEACH COUNTY PROJECTS:

Military Trail, from just south of Lake Worth Road to just south of Southern Boulevard

This **3.931-mile** resurfacing project will begin **Thursday, Mar. 30, 2017**, in Lake Worth, the Village of Palm Springs, and the City of West Palm Beach. Work includes milling and resurfacing the roadway, drainage installation, signing and pavement markings, detectable warning devices and signalization improvements. The work is being performed by **Ranger Construction Industries, Inc.**, and is expected to be completed **summer 2018**. The estimated construction cost is **\$8.5 million**. (Fin. 428719-1-52-01/02/03)

Project Open House: A project Open House will be held on Wednesday, Mar. 22, from 4 p.m. until 6 p.m., at the Village of Palm Springs Library Meeting Room, 217 Cypress Lane, Palm Springs, FL, 33461. Project personnel will be on hand to discuss the scope of work, construction schedule, and address questions and comments one-on-one. Please note: There will not be a formal presentation. Guests may arrive at any time between 4 p.m. and 6 p.m. **Please see flyer attached.** For more information, please contact **Public Information Officer Meredith Cruz at 561-641-6440.**

Forest Hill Boulevard at Kirk Road

This **0.298-mile** widening project began **Thursday, Nov. 17, 2016**, in the Village of Palm Springs. Work includes widening, milling and resurfacing the roadway, drainage installation, signing and pavement markings, detectable warning devices and signalization improvements. The work is being performed by **Weekley Asphalt Paving, Inc.**, and is expected to be completed **summer 2017**. The estimated construction cost is **\$1.3 million**. (Fin. 435122-1-52-01)

Restrictions: The eastbound and westbound inside lanes are closed, around-the-clock, through 6 a.m., Monday Mar. 20, to allow the contractor to complete drainage work within the median. Beginning Monday, Mar. 20, daytime inside lane closures will resume in each direction, Monday through Friday, 9 a.m. until 3:30 p.m., through spring 2017. The Palm Beach County School Board is providing additional buses and routes for students who walk to Palm Springs Middle School until the end of the 2016-17 school year. **Please see flyer attached with bus routes and pick-up times.** For more information, please contact **Public Information Officer Meredith Cruz at 561-641-6440.**

Southern Boulevard (State Road 80) Bridge Replacement Project

This **0.76-mile project** includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between State Road A1A/South Ocean Boulevard in the Town of Palm Beach and Washington Road in the City of West Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge will be built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction. The work is being performed

by Johnson Bros. Corp. Construction will begin **April 1, 2017** and will last until **late 2020**. The estimated construction cost is **\$93 million**. (Fin. 419013-1-52-01)

Restrictions: All lanes are open.

Flagler Memorial Bridge Replacement Project

This **0.66-mile Design/Build project** includes replacing the existing bascule (draw) bridge with a new bascule bridge connecting the Town of Palm Beach and the City of West Palm Beach over the Lake Worth Lagoon and the Intracoastal Waterway (ICWW). The Flagler Drive overpass will be replaced with an “at-grade” intersection. New lighting, pedestrian features, traffic signals, drainage and landscaping are also included. The Design/Build team for this project is PCL Civil Constructors and Hardesty & Hanover. New Millennium Engineering, Inc. provides Construction Engineering and Inspection services on behalf of FDOT. Active construction began on **Sept. 10, 2012** and will last until **spring 2017**. The estimated construction cost is **\$106 million**. (Fin. 412489-2-52-01)

Restrictions: Flagler Drive is closed in both directions from 4 Street to the Flagler Memorial Bridge around-the-clock until spring 2017 while workers reconstruct the road in this area. Flagler Drive is closed in both directions from 7 Street to the Flagler Memorial Bridge around-the-clock until spring 2017 while workers reconstruct the road in the area. The following detours are in place:

Drivers going north on Flagler Drive from south of 4 Street should:

- Go west on Banyan Boulevard
- Go north on N. Dixie Highway
- Go east on Palm Beach Lakes Boulevard to Flagler Drive

Drivers going south on Flagler Drive from north of 7 Street should:

- Go north/south on Flagler Drive to Palm Beach Lakes Boulevard
- Go west on Palm Beach Lakes Boulevard
- Go south on N. Dixie Highway
- Go east on Banyan Boulevard to Flagler Drive

Drivers going west on Flagler Memorial Bridge should:

- Go to N. Dixie Highway to go north or south

Marine Restrictions: The navigable Intracoastal Waterway (ICCW) through the Flagler Memorial Bridge will have half-channel closures through March 2017. During half-channel closures, the horizontal clearance through the bridge is 35 feet. **The Flagler Memorial Bridge will have a revised opening schedule for marine traffic for the Palm Beach International Boat Show. The bridge will open for marine traffic twice an hour at 15 minutes past the hour and 45 minutes past the hour between 8 a.m. and 7 p.m. Wednesday, March 15, to Wednesday, March 22, and from Monday, March 27, to Tuesday, March 28. During presidential visits, there will be one opening an hour for marine traffic weekdays at 15 minutes past the hour from 2 p.m. to 6 p.m.** At all other times, Flagler Memorial Bridge opens for marine traffic once per hour at 15 minutes past the hour except for 8:15 a.m. and 4:15

p.m., Monday through Friday, when the bridge remains down for rush hour traffic. Intermittent full-channel closures may be necessary to perform project-related work. Full-channel closures are coordinated in advance with the U.S. Coast Guard. The schedule of channel restrictions can be found on the Flagler Bridge website: www.FlaglerBridge.com and is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov. For more information, please contact **Public Information Officer Angel Streeter Gardner at 561-702-9096.**

NORTHERN PALM BEACH COUNTY PROJECTS:

State Road 710/Beeline Highway "Phase C" from Australian Avenue to President Barack Obama Highway

This **0.819-mile** widening project began **Monday, Jan. 4, 2016**, in the City of Riviera Beach. Work includes widening the existing roadway from two (2) to four (4) lanes, adding four (4) foot bike lanes and sidewalks, adding a new frontage road for residences, installing median, curb & gutter, and a perimeter wall (in 2 locations), drainage improvements, water and sewer improvements (funded by the City of Riviera Beach), and upgrades to signing and pavement markings, signalization, and lighting. The work is being performed by **JW Cheatham, LLC**, and is expected to be completed **spring 2019**. The estimated construction cost is **\$17.4 million**. (Fin. 229896-1-52-01)

Restrictions: President Barack Obama Highway may have one lane closed in each direction, from 4th Street to 13th Street, 8 a.m. until 4 p.m., Monday through Friday. Australian Avenue may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday.

Upcoming Traffic Shift: **Advanced notice, State Road 710 traffic shift:** On Thursday, Mar. 30, eastbound and westbound traffic will be shifted onto the newly constructed roadway on the south side of State Road 710, to allow for the reconstruction of the north side of State Road 710. For more information, please contact **Public Information Officer Meredith Cruz at 561-641-6440.**

- **City of Riviera Beach separate work (adjacent project):** Please note, the City of Riviera Beach has a separate construction project at W. 7th Street and W. 6th Street, from Australian Avenue west to Avenue N, for reconstruction work. This is not related to the FDOT project; **please contact the City of Riviera Beach at 561-845-4000 for more information.**

State Road 710/Beeline Highway at Northlake Boulevard Lighting Improvements

This **0.398-mile** lighting project began **Monday, Nov. 28, 2016**, in the City of Palm Beach Gardens and City of West Palm Beach. Work includes installing a new lighting system at the intersection of State Road 710/Beeline Highway and Northlake Boulevard. The work is being performed by **Powercore, Inc.**, and is expected to be completed **spring 2017**. The estimated construction cost is **\$369,071**. (Fin. 435096-1-52-01)

Restrictions: State Road 710 may have a shoulder closure in each direction, daily, 7 a.m. until 6 p.m., Monday through Friday, through spring 2017. In conjunction with this closure, one lane may be closed intermittently in each direction, 7 a.m. until 6 p.m., Monday through Friday,

through spring 2017. For more information, please contact **Public Information Officer Meredith Cruz at 561-641-6440.**

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS:

Restrictions: Congress Avenue, from Lake Worth Road in Lake Worth, to Forest Hill Boulevard in the City of West Palm Beach, may have one northbound lane closed, intermittently, 9 a.m. until 4 p.m., through March 2017, for drainage work operations. For more information, **please contact Project Manager Stephanie Torres at 561-370-1156.**

Restrictions: S. Quadrille Boulevard, between Datura Street and Evernia Street, in the City of West Palm Beach, has the northbound/east sidewalk closed through June 2017, due to adjacent building construction at the Broadstone City Center. For more information, **please contact Project Manager Matthew O'Hearn at 561-299-7303.**

Restrictions: Southern Boulevard, west of Washington Road in the City of Palm Beach, may have brief daytime intermittent lane closures for thermoplastic striping operations, Thursday, Mar. 23. Flaggers will be on-site to direct traffic. For more information, **please contact Project Manager Vernon Hackett at 772-359-8673.**

Restrictions: I-95, 45th Street in the City of West Palm Beach, to Donald Ross Road in the Town of Jupiter, may have up to two lanes closed in each direction, 9 p.m. until 5 a.m., Sunday night through Friday morning, through Friday, Mar. 24, for pavement marking installation. For more information, **please contact Project Manager Paul Watt at 954-380-0895.**

Restrictions: Donald Ross Road, at the I-95 overpass, will have two eastbound inside lanes closed, 9 p.m. until 5 a.m., Wednesday night, Mar. 22, for light tower repairs. For more information, **please contact Project Manager Paul Watt at 954-380-0895.**

Restrictions: I-95 northbound, before Okeechobee Boulevard, will have the outside lane closed, 9 p.m. until 2 a.m., Thursday night, Mar. 23, for overhead sign replacement. For more information, **please contact Project Manager Paul Watt at 954-380-0895.**

Restrictions: Advanced notice: I-95 southbound at the PGA Boulevard flyover in the City of Palm Beach Gardens, will have the outside lane closed, 9 p.m. until 12 a.m., Thursday night, Mar. 27, for bridge inspection. For more information, **please contact Project Manager Paul Watt at (954) 380-0895.**

Restrictions: Advanced notice: Glades Road, from NW 15th Avenue and NW 10th Avenue (across from FAU main entrance), in the City of Boca Raton, may have up to two eastbound lanes closed, 7 p.m. until 5:30 a.m., Sunday night through Friday morning, beginning Thursday night, Apr. 6, through Friday, May 26, for concrete and electrical line installation. For more information, **please contact Project Manager Art Rodriguez at 561-475-0064.**

Restrictions: 202 SE 5th Avenue, between 2nd and 3rd Street in the City of Delray Beach, will have the southbound sidewalk closed through summer 2018, for underground electrical work and

new sidewalk construction as part of a new mixed use building project. The northbound sidewalk will remain open during this time. For more information, **please contact Project Manager Adam Watson at 954-624-6060.**

Restrictions: State Road 80/Southern Boulevard, between Royal Palm Beach Boulevard and Crestwood Boulevard (Park Central at Cypress Key), in the Village of Royal Palm Beach, has the inside lane closed in each direction, around-the-clock, through March 2017, for roadway reconstruction. For more information, **please contact Project Manager Shaun McElroy at 561-644-5372.**

Restrictions: Southern Boulevard (State Road 80) at Royal Palm Beach Boulevard, in the Village of Royal Palm Beach, will have intermittent outside lane closures in each direction, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, Apr. 7, for the Racetrac Gas Station turn lane construction and signal modifications. For more information, **please contact Project Manager Danielle Watkins at 954-610-5394.**

Restrictions: Southern Boulevard, from Jog Road to west of Haverhill Road, in the City of West Palm Beach, will have the outside eastbound lane closed, 9 a.m. until 3:30 p.m., Monday, Mar. 20, through Friday, Mar. 24, for FPL pole installation. For more information, **please contact Project Manager Ricardo Castelo at 561-314-5386.**

Restrictions: The eastbound lane of Southern Boulevard between Washington Road and Flagler Drive is closed with eastbound traffic shifted to the north as FPL performs utility work in the area. One lane of traffic in each direction will be maintained at all times. Traffic will remain in this configuration through March 2017. For more information, please contact **Project Manager Dustin Ertle at 561-644-2182.**

Restrictions: **Glades Road & Florida's Turnpike Interchange:** Glades Road eastbound or westbound approaching the Turnpike, single lane closure, 9:00 p.m. to 5:00 a.m., and double lane closures from 10:00 pm to 5:00 am, Sunday, Mar. 19 through Thursday, Mar. 23, for bridge painting. Glades Road eastbound or westbound approaching the Turnpike, single lane closure, 9:00 a.m. to 4:00 p.m., Monday, Mar. 20, through Friday, Mar. 24, for drainage and widening work in the median, and bridge painting. For more information, **please contact Turnpike Public Information Officer Fiorella Teodista at 954-663-0612.**
