Palm Beach County Traffic Report February 9 through February 16, 2018

Palm Beach County – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. **Weather permitting;** closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

I-95 CORRIDOR PROJECTS:

I-95 Interchange from Hillsboro Boulevard to SW 10th Street

Construction on this **1.5-mile project** began **Monday, Jan. 26, 2015**, in the City of Deerfield Beach. Work consists of widening southbound I-95 to add an auxiliary lane from the Hillsboro Boulevard entrance ramp to the SW 10th Street exit ramp, widening the existing southbound I-95 exit ramp to SW 10th Street, addition of a free flow right turn lane to westbound SW 10th Street, widening of westbound SW 10th Street to add an acceleration lane, utility relocation, milling and resurfacing, bridge widening, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the first of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **spring 2018**. (Fin. 430932-1-52-01)

Restrictions: The outside lanes of I-95 southbound, between Hillsboro Boulevard and SW 10th Street, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through May. Two lanes of westbound SW 10th Street will be closed, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. The north sidewalk on SW 10th

Street, between SW 12th Avenue and SW Natura Boulevard, is closed completely through March 2018 for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to SW 10th Street will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. Traffic will be detoured via Hillsboro Boulevard. **Please see detour flyers attached.** For more information, **please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 from south of SW 10th Street to south of Glades Road

This **4.8-mile** project will extend the High Occupancy Toll lanes from south of SW 10th Street to south of Glades Road in Broward and Palm Beach counties. The scope of work includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other activities include reconstruction of I-95 on the northbound and southbound approaches to the Hillsboro Canal bridges, milling and resurfacing of I-95, construction of northbound and southbound auxiliary lanes between Hillsboro Boulevard and Palmetto Park Road, and construction of a northbound auxiliary lane between the SW 10th Street entrance ramp and the Hillsboro Boulevard exit ramp. Other project improvements include: guardrail, barrier wall, attenuators, shoulder gutters, drainage, dredging of Hillsboro Canal, bridge widenings at Palmetto Park Road and Camino Real, bridge replacement at Hillsboro Canal, temporary and permanent retaining walls, noise wall construction, sign structures, portable traffic monitoring sites, toll gantry installation, Intelligent Transportation System (ITS) installation, signing and pavement markings; Express Lane markers, lighting, ramp metering signals, utility relocation, and landscape relocation. Contract time for this **\$102 million** project began **Monday, July 10, 2017**, with design activities currently underway. Construction began **Monday, January 8, 2018**. Work is being performed by **Prince Contracting, LLC** and is expected to be completed **spring 2022**. (Fin. 433108-6-52-01 & 433109-4-5201)

Restrictions: The outside lane of I-95 northbound at Palmetto Park Road will be closed, nightly, 9:30 p.m. until 5:30 a.m., Monday, Feb. 12. The outside lane of I-95 northbound from south of Camino Real to south of Palmetto Park Road will be closed, nightly, 9:30 p.m. until 5:30 a.m., Tuesday, Feb. 13 through Thursday, Feb. 15. For more information on this project, please contact **Community Outreach Specialist Andrea Pacini** at 954-299-6561.

I-95 Interchange at Spanish River Boulevard

Construction on this **2.5-mile project** began **Monday, Jan. 13, 2014**, in the City of Boca Raton. Work consists of constructing a new interchange at Spanish River Boulevard and I-95, widening Spanish River Boulevard west of FAU Boulevard, constructing 13 bridges between Spanish River Boulevard and Yamato Road, signalized intersection improvements and the addition of auxiliary lanes on Yamato Road, and sound wall construction along Yamato Road and on the east side of I-95 north of Yamato Road. The project costs an estimated **\$69 million**. The work is being performed by **Astaldi Construction Corporation** and is expected to be completed **spring 2018**. (Fin. 412420-3-52-01)

Restrictions:

Mainline impacts: I-95 northbound and southbound, between Glades Road and Congress Avenue, may have up to three lanes closed, as needed, nightly, with the first lane closing at 9 p.m., the second lane at 9:30 p.m., and the third lane, if needed, at 11 p.m. until 5 a.m., Sunday night through Friday morning.

- **Ramp impacts:** The new I-95 northbound exit ramp (Exit 48A) to Spanish River Boulevard is open to traffic. The new I-95 southbound entrance ramp from Spanish River Boulevard is open to traffic. The I-95 northbound entrance ramp from Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via Congress Avenue. The I-95 northbound exit ramp to Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via I-95 and Congress Avenue. The I-95 southbound exit ramp to Yamato Road will be closed, 9 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via Glades Road. The I-95 southbound entrance ramp from eastbound Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via Congress Avenue. The I-95 southbound entrance ramp from westbound Yamato Road will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via Congress Avenue. The I-95 northbound exit ramp to Congress Avenue will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via I-95, Congress Avenue and Linton Boulevard. The I-95 southbound entrance ramp from Spanish River Boulevard, will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Motorists will be detoured via Broken Sound Boulevard, Technology Way and the I-95 southbound entrance ramp from eastbound Yamato Road. The new I-95 northbound exit ramp to Spanish River Boulevard will be closed, 10 p.m. until 5 a.m., Sunday night through Friday morning. Traffic will be detoured via Yamato Road and NW 2nd Avenue. **Please see detour flyers attached.** Please Note: The I-95 southbound entrance ramp from eastbound and westbound Yamato Road will not be closed at the same time. The I-95 northbound exit ramp to Yamato Road and Spanish River Boulevard, and the I-95 northbound exit ramp to Congress Avenue will not be closed at the same time.
- **Spanish River Boulevard impacts:** Spanish River Boulevard, from Broken Sound Boulevard to Airport Road, will have one lane closed in each direction, daily, 9:00 a.m. until 3:30 p.m., Monday through Friday, and nightly, 9 p.m. until 6 a.m., Sunday night through Friday morning, through February.
- **FAU Boulevard impacts:** The northbound outside lane of FAU Boulevard, from south of PSI Drive to Spanish River Boulevard, will be closed, daily, 7 a.m. until 3:30 p.m., Sunday through Friday, through February.
- **Yamato Road impacts:** Yamato Road, from the southbound I-95 entrance ramp from eastbound Yamato Road, to the northbound I-95 exit ramp to eastbound Yamato Road, will have one lane closed in each direction, daily, 9:30 a.m. until 3 p.m., Sunday through Friday, and two westbound lanes and one eastbound lane closed, nightly, 9 p.m. until 6 a.m., Sunday night through Friday morning.

- **Trail impacts:** The El Rio Trail and the T-Rex Trail are open to pedestrian traffic. For more information, **please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Interchange Improvements at Woolbright Road

Construction on this **0.354-mile project** began **Monday, Jan. 25, 2016**, in the City of Boynton Beach. Work consists of widening Woolbright Road from SW 18th Street to SW 2nd Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound left turn lanes onto northbound I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, reconstructing the southbound exit ramp to provide free-flow right turn onto westbound Woolbright Road, retrofitting the railings on the Woolbright Road bridges over I-95 and the railroad to meet current criteria, and milling and resurfacing the entire width of Woolbright Road, and along the I-95 ramps within project limits. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fourth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **spring 2018**. (Fin. 231932-2-52-01)

Restrictions: I-95 southbound, between Boynton Beach Boulevard and West Atlantic Avenue, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through May. Woolbright Road, from SW 8th Street to SW 2nd Street, will have one lane closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. The north sidewalk on Woolbright Road, between SW 8th Street and SW 2nd Street, is closed completely through March for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. Traffic will be detoured via Boynton Beach Boulevard. The I-95 southbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. Traffic will be detoured via Congress Avenue and Atlantic Avenue. The I-95 northbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. Please note: The southbound I-95 exit ramp to and southbound I-95 entrance ramp from Woolbright Road will not be closed at the same time. **Please see detour flyers attached.** For more information, **please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Interchange at Hypoluxo Road

Construction on this **0.5-mile project** began **Monday, June 22, 2015**, in the Town of Lantana. Work consists of reconfiguring the existing Hypoluxo roadway approaches and bridges over I-95 and the CSX railroad tracks, constructing dual eastbound left turn lanes onto I-95, widening the existing southbound exit ramp to lengthen the turn lanes, retrofitting existing bridge railings to meet current criteria, utility relocation, and installation of barrier walls, curbs, sidewalks,

drainage, overhead signs, signing and pavement markings, signals, lighting and retaining walls. This is the second of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **spring 2018**. (Fin. 413257-2-52-01)

Restrictions: The outside lanes of I-95 southbound, between Lantana Road and Hypoluxo Road, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through May. Hypoluxo Road, from Seacrest Boulevard to just west of the I-95 southbound exit ramp, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. The north sidewalk of Hypoluxo Road, from Seacrest Boulevard to just west of I-95, is closed for construction activities; pedestrians will be detoured via the south sidewalk. Hypoluxo Road, from Seacrest Boulevard to just west of I-95, is shifted to the outside to allow for median construction.

Ramp Impacts: The southbound I-95 exit ramp to Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. Traffic will be detoured via Lantana Road. The southbound I-95 entrance ramp from Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. Traffic will be detoured to Gateway Boulevard via Congress Avenue. **Please see detour flyers attached.** For more information, **please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Interchange Improvements at 10th Avenue North

Construction on this **0.579-mile project** began **Monday, Nov. 2, 2015**, in the City of Lake Worth. Work consists of widening 10th Avenue North, from Barnett Drive to "A" Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound turn lanes onto I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, and widening the existing three-lane I-95 southbound exit ramp to four lanes to provide dual left and dual right turns. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the third of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **spring 2018**. (Fin. 412733-2-52-01)

Restrictions: The inside lanes of I-95 northbound and southbound, between Forest Hill Boulevard and 6th Ave., will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through May. 10th Avenue North, from Barnett Drive to North A Street, will have two lanes closed in each direction, nightly, as needed (eastbound and westbound will not be closed at the same time), 9 p.m. until 5 a.m., Sunday night through Friday morning, through May. The south sidewalk on 10th Avenue North, between Barnett Drive and North A

Street, is closed completely through May for construction activities. Pedestrians will be detoured to the north sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound entrance ramp from 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning. The I-95 southbound exit ramp to 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through May. Traffic will be detoured via Forest Hill Boulevard. The I-95 northbound exit ramp to 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through May. Traffic will be detoured via 6th Avenue North. The I-95 northbound entrance ramp from 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through May. Traffic will be detoured via Congress Avenue. **Please note:** The southbound ramps and the northbound ramps will not be closed at the same time. **Please see detour flyers attached.** For more information, **please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Interchange Improvements at Donald Ross Road

Construction on this **0.555-mile project** began **Sunday, Apr. 3, 2016**, in the Town of Jupiter. Work consists of widening the I-95 northbound exit ramp and the I-95 southbound exit to accommodate a triple right turn and a triple left turn to eastbound Donald Ross Road, modifying lanes on Donald Ross Road to provide a triple left turn onto the I-95 southbound entrance ramp, widening the southbound entrance ramp to I-95 to accommodate the triple left turn from Donald Ross Road, and removing old asphalt and resurfacing existing pavement. Other improvements include utility relocation, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fifth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated **\$32.5 million**. Work is being performed by **Community Asphalt Corp.** and is expected to be completed **spring 2018**. (Fin. 429875-1-52-01/429785-1-52-02)

Restrictions: Donald Ross Road, from 54th Way North to Heights Boulevard, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through May, with the first lane closing at 9 p.m. and the second lane closing 10 p.m.; traffic has been shifted to the north. The north sidewalk will be closed intermittently, as needed, for construction activities. Pedestrian traffic will be re-directed to the south sidewalk. For more information, **please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.**

I-95 Resurfacing from Indiantown Road (Exit 87) to Bridge Road (Exit 96)

Construction on this **9.838-mile project** began **Tuesday, May 9, 2017**, in the Town of Jupiter and Martin County. Work consists of resurfacing I-95 from south of Indiantown Road (State Road 706) to north of Bridge Road (County Road 708), as well as the I-95 interchange ramps at Indiantown Road (Exit 87) and Bridge Road (Exit 96), minor shoulder and guardrail repairs, and replacement of the southbound bridge approach slab at approximate mile marker 89.5. The project costs an estimated **\$17.18 million**. The work is being performed by **Community Asphalt Corporation** and is expected to be completed **fall 2018**. (Fin. 434273-1-52-01 & 434273-2-52-01)

Restrictions: Two southbound lanes of I-95, from Indiantown Road to Bridge Road, will be closed, 9 p.m. until 5 a.m., Sunday night through Friday morning, for paving operations. For more information, **please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.**

SOUTHERN PALM BEACH COUNTY PROJECTS:

State Road 7, from the Broward/Palm Beach County Line to south of Glades Road

This **2.6-mile** improvement project began **Friday, Aug. 4, 2017**, in Boca Raton. Work includes removing old asphalt and resurfacing the roadway, minor shoulder widening, upgrading drainage structures, upgrading pedestrian features including handrails, 10-foot sidewalks on the west side and 5-foot sidewalk on the east side, detectable warning surfaces at crosswalks, upgrading signalization, including pedestrian signals and detectors and vehicle video detection, upgrading signs and pavement markings to include a 7-foot bike lane in each direction, and upgrading lighting. The work is being performed by General Asphalt Corp., and is expected to be completed **Spring 2019**. The estimated construction cost is **\$6.8 million**. (Fin. 427938-1-52-01, 427938-1-52-02)

Restrictions: One lane in each direction of SR 7 from the Broward / Palm Beach County Line to south of Glades Road will be closed Monday through Friday between 9 a.m. and 3 p.m. for concrete, drainage, and sod placement. For more information, **please contact Community Outreach Specialist Dayana Diaz at 954-290-5989.**

Lyons Road, just south of Glades Rd. from Norte Lago to Pine Springs Drive

This **0.693-mile** improvement project began **Thursday, July 13, 2017**, in Boca Raton. Work includes reconstruction of the three existing horizontal curves along the corridor, milling and resurfacing, drainage improvements, signing and pavement markings, sidewalk installation, curb ramp upgrades to meet ADA compliance, and the addition of a right turn lane from Lyons Road to Norte Lago in the southbound direction. The work is being performed by **Weekley Asphalt Paving, Inc.**, and is expected to be completed **late summer 2018**. The estimated construction cost is **\$3.5 million**. (Fin. 435101-1-52-01)

Restrictions: One lane of traffic is permanently closed in each direction, around-the-clock, through summer 2018. The left turn lane from eastbound Norte Lago at The Cypresses to access northbound Lyons Rd. is currently closed through April. Motorists may turn right to access southbound Lyons Road, then U-turn just south at Boca Lago Boulevard to head northbound on Lyons Road. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.**

Glades Road, from State Road 7/US 441 to State Road 5/US 1

This **7.3-mile** Transportation System Management (TSM) project began **Wednesday, Oct. 25, 2017**, in Boca Raton. Work includes milling and resurfacing, guardrail, sidewalks, driveways, drainage improvements, arterial signage and fiber optic installation, pedestrian signals, mast arm signalization including temporary signalization, vehicle detection systems, lighting, and signing and pavement markings. The work is being performed by **Weekley Asphalt Paving, Inc.**, and is

expected to be completed **fall 2018**. The estimated construction cost is **\$3.5 million**. (Fin. 233166-2-52-01 & 233166-2-52-02)

Restrictions: One outside lane and turn lane of the Glades Road/State Road 7 intersection may be closed in each direction, daily, 9 a.m. until 4 p.m., and nightly, 9:30 p.m. until 7 a.m., Sunday night through Friday, through February, to install drainage. One outside lane of Glades Road, from State Road 7 to Florida's Turnpike, may be closed in each direction, 9 a.m. until 4 p.m., Monday through Friday, through February. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.

State Road 7/US 441, just north of Clint Moore Road to just north of Atlantic Avenue

This **2.4-mile** widening project began **Tuesday, Jan. 17, 2017**, in Boca Raton and Delray Beach. Work includes shoulder widening, milling and resurfacing the roadway, drainage improvements, utility adjustments, curb and gutter installation, and sidewalk, driveway, signage, pavement marking, lighting and signalization improvements. The work is being performed by **Hardrives Paving, Inc.**, and is expected to be completed **early 2018**. The estimated construction cost is **\$4.7 million**. (Fin. 432349-1-52-01)

Restrictions: One lane may be closed in each direction, daily, 9 a.m. until 5 p.m., and nightly, 7 p.m. until 6 a.m., Sunday night through Saturday, through February. Turn lanes and crossovers may also be closed intermittently, as needed. Please note, the outside (3rd) northbound lane, just north of Clint Moore Rd. that extends about 2000 feet to Bridge Brook Drive, is closed around the clock, leaving only two northbound lanes open when the contractor is not working. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.

CENTRAL PALM BEACH COUNTY PROJECTS:

Boynton Beach Boulevard at Winchester Park Boulevard

This **0.043-mile** resurfacing project began **Monday, Jan. 8, 2018**, in the City of Boynton Beach. Work includes milling and resurfacing the roadway, curb and gutter, detectable warning devices, gravity wall, pipe handrail, signing and pavement markings, signalization and video detection systems, utility adjustments and new sod. The work is being performed by **Arc Electric, Inc.**, and is expected to be completed **early summer 2018**. The estimated construction cost is **\$549,000**. (Fin. 437165-1-52-01)

Restrictions: There are no lane closure restrictions for this project; the contractor may be on-site closing lanes at any time. However, the following lane closures can be expected: One outside lane of Boynton Beach Boulevard at Winchester Park Boulevard may be closed, either eastbound or westbound, daily, 9 a.m. until 4:30 p.m., or nightly, 9 p.m. until 5 a.m., Monday through Friday, through early summer 2018. One outside lane of Winchester Park Boulevard at Boynton Beach Boulevard may be closed, either northbound or southbound, daily, 9 a.m. until 4:30 p.m., or nightly, 9 p.m. until 5 a.m., Monday through Friday, through early summer 2018. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.

Military Trail, from just south of Lake Worth Road to just south of Southern Boulevard

This **3.931-mile** resurfacing project began **Thursday, Mar. 30, 2017**, in Lake Worth, the Village of Palm Springs, and the City of West Palm Beach. Work includes milling and resurfacing the roadway, drainage installation, signing and pavement markings, detectable warning devices and signalization improvements. The work is being performed by **Ranger Construction Industries, Inc.**, and is expected to be completed **summer 2018**. The estimated construction cost is **\$8.5 million**. (Fin. 428719-1-52-01/02/03)

Restrictions: One lane may be closed in each direction, daily, 9 a.m. until 3 p.m., with up to two lanes closed nightly, 9 p.m. until 6 a.m., Sunday night through Friday morning, through summer 2018. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.

Southern Boulevard (SR 80) Bridges Replacement Project

This **0.76-mile project** includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge will be built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction. The work is being performed by Johnson Bros. Corp. Construction began **April 3, 2017**, and will last until **early 2021**. The estimated construction cost is **\$93 million**. (Fin. 419013-1-52-01)

Restrictions:

Bridge: The north sidewalk on the Southern Boulevard Bridge is closed until further notice. Pedestrians should use the south sidewalk.

Southern Boulevard Causeway: The parking lots on the south side of Bingham Island are closed. Parking is available on the north side of the causeway.

Marine Restrictions: The navigable Intracoastal Waterway (ICW) through the Southern Boulevard Bridge will have full-channel closures from 6 a.m. to 6 p.m. Wednesday, Feb. 28, to Friday, March 2. The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov. For more information, please contact **Community Outreach Specialist Angel Streeter Gardner at 561-886-8773**.

Flagler Memorial Bridge Replacement Project

This **0.66-mile Design/Build project** includes replacing the existing bascule (draw) bridge with a new bascule bridge connecting the Town of Palm Beach and the City of West Palm Beach over the Lake Worth Lagoon and the Intracoastal Waterway (ICWW). The Flagler Drive overpass will be replaced with an "at-grade" intersection. New lighting, pedestrian features, traffic signals, drainage and landscaping are also included. The Design/Build team for this project is PCL Civil Constructors and Hardesty & Hanover. New Millennium Engineering, Inc. provides Construction Engineering and Inspection services on behalf of FDOT. Active construction began on **Sept. 10**,

2012 and will last until **spring 2018**. The estimated construction cost is **\$107 million**. (Fin. 412489-2-52-01)

Marine Restrictions: During presidential visits, the Flagler Memorial Bridge will open once an hour at the quarter hour between 2:15 p.m. and 5:15 p.m. on weekdays. The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov. For more information, please contact **Community Outreach Specialist Angel Streeter Gardner at 561-886-8773**.

NORTHERN PALM BEACH COUNTY PROJECTS:

State Road 710, from Australian Avenue to President Barack Obama Highway

This **0.819-mile** widening project began **Monday, Jan. 4, 2016**, in the City of Riviera Beach. Work includes widening the existing roadway from two (2) to four (4) lanes, adding four (4) foot bike lanes and sidewalks, adding a new frontage road for residences, installing median, curb & gutter, and a perimeter wall (in 2 locations), drainage improvements, water and sewer improvements (funded by the City of Riviera Beach), and upgrades to signing and pavement markings, signalization, and lighting. The work is being performed by **JW Cheatham, LLC**, and is expected to be completed **spring 2019**. The estimated construction cost is **\$17.4 million**. (Fin. 229896-1-52-01)

Restrictions: President Barack Obama Highway may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday. Australian Avenue may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday. 10th Avenue and 7th Avenue may have intermittent lane closures, 8 a.m. until 4 p.m., Monday through Friday. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

State Road 708/Blue Heron Boulevard at Avenue S

This **0.08-mile** widening project will begin **Monday, Mar. 12, 2018**, in the City of Riviera Beach. Work includes milling and resurfacing the roadway, installing new sidewalk, driveways, signing and pavement markings, and upgrading signalization with pedestrian and vehicle detection devices. The work is being performed by **Arc Electric, Inc.**, and is expected to be completed **early fall 2018**. The estimated construction cost is **\$853,000**. (Fin. 435144-1-52-01)

Restrictions: All lanes are open. For more information, please contact **Community Outreach Specialist Meredith Cruz at 561-641-6440**.

Project Open House: On Wednesday, Mar. 7, a project Open House will be held from 4 p.m. until 6 p.m. at the Stantec Engineering Project Office, 4152 West Blue Heron Boulevard, Suite 122, Riviera Beach, FL, 33404. Project personnel will be available to review the project scope and address inquiries one-on-one; however, a formal presentation will not be made. Guests may arrive at any time. **Please see flyer attached.**

PGA Boulevard, from Avenue of the Champions (PGA National) to US 1/State Road 5

This **4.8-mile** Intelligent Transportation System (ITS) project began **Friday, Oct. 20, 2017**, in the City of Palm Beach Gardens. Work includes providing an Advanced Transportation

Management System (ATMS) Adaptive Traffic Control System (ACTS) by replacing existing camera systems mounted on exiting traffic signal poles, adding cameras at 15 existing signalized intersections, providing four mid-block Microwave Vehicle Detection System (MVDS) on new poles, and adding an additional Dynamic Message Sign (DMS) connected to the Palm Beach County Traffic Management System. The work is being performed by **Carr Construction, LLC**, and is expected to be completed **summer 2018**. The estimated construction cost is **\$1.9 million**. (Fin. 432883-2-52-01 & 432883-2-52-02)

Restrictions: PGA Boulevard, from Mirasol Drive to US 1, may have intermittent shoulder and/or outside lane closures, in each direction, 9 a.m. until 4 p.m., Monday through Friday, through February. Please note: During ‘The Honda Classic’ golf tournament, there will be no lane closures scheduled from Monday, Feb. 19, through Sunday, Feb. 25. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.

Additional Work on PGA Blvd. unrelated to FDOT construction:

Restrictions: PGA Blvd., at Shady Lakes Drive in the City of Palm Beach Gardens, will have the eastbound outside lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, Feb. 16, for sidewalk and paving operations. For more information, **please contact Project Manager Dillon Warzala at 561-531-9780**.

US 1 Resurfacing, from south of Beach Road to north of County Line Road

This **1.4-mile** lane reduction and resurfacing project began **Monday, Nov. 6, 2017**, in the Village of Tequesta. Work includes permanently eliminating the outside northbound and southbound lanes leaving two lanes in each direction, widening turn lanes, adding buffered bike lanes and patterned pavement crosswalks, milling and resurfacing the roadway, widening and replacing sidewalks, drainage and lighting improvements, pedestrian and mast arm signalization, vehicle detection systems, signage, and pavement marking upgrades. The work is being performed by **J.W. Cheatham, LLC**, and is expected to be completed **fall 2018**. The estimated construction cost is **\$3.2 million**. (Fin. 428718-1-52-01, 02, 03, 04 & 05)

Restrictions: The outside lane from Beach Road to County Line Road is permanently closed in each direction to widen sidewalks and add a buffered bike lane (per the project scope), leaving two lanes open to traffic in each direction. Tequesta Drive and Waterway Road at US 1 may have single intermittent lane closures in each direction, 9 a.m. until 4 p.m., Monday through Friday, through February 2018, for equipment staging and drilled shaft installations on the corners of the intersection. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.

WESTERN PALM BEACH COUNTY PROJECTS:

State Road 80, from County Road 880 to east of Belle Glade

This **14.8-mile** resurfacing project began **Monday, Jan. 8, 2018**, from County Road 880 to approximately four miles east of the City of Belle Glade at the US Sugar Railroad Crossing in western Palm Beach County. Work includes milling and resurfacing the roadway, installing rumble strips, thermoplastic pavement markings, and signage. The work is being performed by

Ranger Construction Industries, Inc., and is expected to be completed **fall 2018**. The estimated construction cost is **\$14 million**. (Fin. 434427-1-52-01)

Restrictions: There are no lane closure restrictions for this project; the contractor may be on-site closing lanes at any time. However, the following lane closures can be expected: One lane may be closed in each direction, daily, 6 a.m. until 6 p.m., and nightly, 7 p.m. until 6 a.m., Sunday night through Friday, through fall 2018. For more information, **please contact Community Outreach Specialist Meredith Cruz at 561-641-6440**.
