Palm Beach County Traffic Report

June 15 through June 22, 2018

Palm Beach County – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Weather permitting; closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

CONSTRUCTION PROJECTS

INTERSTATE 95

1. I-95 Interchange from Hillsboro Boulevard to SW 10th Street

Construction on this 1.5-mile project began Monday, Jan. 26, 2015, in the City of Deerfield Beach. Work consists of widening southbound I-95 to add an auxiliary lane from the Hillsboro Boulevard entrance ramp to the SW 10th Street exit ramp, widening the existing southbound I-95 exit ramp to SW 10th Street, addition of a free flow right turn lane to westbound SW 10th Street, widening of westbound SW 10th Street to add an acceleration lane, utility relocation, milling and resurfacing, bridge widening, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the first of five interchange improvement projects throughout Broward and Palm Beach Counties. The

combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed summer 2018.

Restrictions: The outside lanes of I-95 southbound, between Hillsboro Boulevard and SW 10th Street, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through June. Two lanes of westbound SW 10th Street will be closed, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. The north sidewalk on SW 10th Street, between SW 12th Avenue and SW Natura Boulevard, is closed completely through June 2018 for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to SW 10th Street will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. Traffic will be detoured via Hillsboro Boulevard. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

2. I-95 from south of SW 10th Street to south of Glades Road (95 Express 3B-1)

This 4.8-mile project will extend the High Occupancy Toll lanes from south of SW 10th Street to south of Glades Road in Broward and Palm Beach counties. The scope of work includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other activities include reconstruction of I-95 on the northbound and southbound approaches to the Hillsboro Canal bridges, milling and resurfacing of I-95, construction of northbound and southbound auxiliary lanes between Hillsboro Boulevard and Palmetto Park Road, and construction of a northbound auxiliary lane between the SW 10th Street entrance ramp and the Hillsboro Boulevard exit ramp. Other project improvements include: guardrail, barrier wall, attenuators, shoulder gutters, drainage, dredging of Hillsboro Canal, bridge widenings at Palmetto Park Road and Camino Real, bridge replacement at Hillsboro Canal, temporary and permanent retaining walls, noise wall construction, sign structures, portable traffic monitoring sites, toll gantry installation, Intelligent Transportation System (ITS) installation, signing and pavement markings; Express Lane markers, lighting, ramp metering signals, utility relocation, and landscape relocation. Contract time for this \$102 million project began Monday, July 10, 2017, with design activities currently underway. Construction began Friday, January 19, 2018. Work is being performed by Prince Contracting, LLC and is expected to be completed spring 2022.

Restrictions:

- I-95 will have two inside lanes closed in each direction nightly, as needed, between Hillsboro Boulevard and Camino Real, with the first lane closing at 9:30 p.m. and the second lane closing at 10:30 p.m., until 5:30 a.m., Sunday through Thursday, through July.
- **Advanced Notice:** I-95 southbound between Palmetto Park Road and Hillsboro Boulevard, will have three outside lanes and the auxiliary lane closed for overhead structure removal, with the first lane closing at 9:30 p.m., the second lane closing at 10:30 p.m. and the third lane closing at 11:30 p.m., until 5 a.m., Wednesday night, June 27.

- **Full Closure Advanced Notice:** I-95 southbound at Palmetto Park Road will undergo a **complete closure** on Thursday night, June 28 for overhead structure removal. The first lane will close at 9:30 p.m., the second lane will close at 10:30 p.m., the third lane will close at 11:30 p.m., and all lanes will be closed by 12:30 a.m., reopening 5:30 a.m., Friday morning, June 29. Traffic will be detoured via the I-95 southbound exit ramp to Palmetto Park Road, Military Trail, and Hillsboro Boulevard. FHP will be on site to assist motorists. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

3. I-95 Interchange at Spanish River Boulevard

Construction on this 2.5-mile project began Monday, Jan. 13, 2014, in the City of Boca Raton. Work consists of constructing a new interchange at Spanish River Boulevard and I-95, widening Spanish River Boulevard west of FAU Boulevard, constructing 13 bridges between Spanish River Boulevard and Yamato Road, signalized intersection improvements and the addition of auxiliary lanes on Yamato Road, and sound wall construction along Yamato Road and on the east side of I-95 north of Yamato Road. The project costs an estimated \$69 million. The work is being performed by Astaldi Construction Corporation and is expected to be completed June 2018.

Restrictions: No Restrictions

4. I-95 Interchange Improvements at Woolbright Road

Construction on this **0.354-mile project** began **Monday, Jan. 25, 2016**, in the City of Boynton Beach. Work consists of widening Woolbright Road from SW 18th Street to SW 2nd Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound left turn lanes onto northbound I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, reconstructing the southbound exit ramp to provide free-flow right turn onto westbound Woolbright Road, retrofitting the railings on the Woolbright Road bridges over I-95 and the railroad to meet current criteria, and milling and resurfacing the entire width of Woolbright Road, and along the I-95 ramps within project limits. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fourth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed summer 2018.

Restrictions: I-95 southbound, between Boynton Beach Boulevard and West Atlantic Avenue, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through June. Woolbright Road, from SW 8th Street to SW 2nd Street, will have one lane closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. The north sidewalk on Woolbright Road, between SW 8th Street and SW 2nd Street, is closed completely through June for construction activities. Pedestrians will detour to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. Traffic will be detoured via Boynton Beach Boulevard. The I-95 southbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m.

until 5 a.m., Sunday night through Friday morning, through June. Traffic will be detoured via Congress Avenue and Atlantic Avenue. The I-95 northbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. Please note: The southbound I-95 exit ramp to and southbound I-95 entrance ramp from Woolbright Road will not be closed at the same time. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

5. I-95 Interchange at Hypoluxo Road

Construction on this 0.5-mile project began Monday, June 22, 2015, in the Town of Lantana. Work consists of reconfiguring the existing Hypoluxo roadway approaches and bridges over I-95 and the CSX railroad tracks, constructing dual eastbound left turn lanes onto I-95, widening the existing southbound exit ramp to lengthen the turn lanes, retrofitting existing bridge railings to meet current criteria, utility relocation, and installation of barrier walls, curbs, sidewalks, drainage, overhead signs, signing and pavement markings, signals, lighting and retaining walls. This is the second of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed summer 2018.

Restrictions: The outside lanes of I-95 southbound, between Lantana Road and Hypoluxo Road, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through June. Hypoluxo Road, from Seacrest Boulevard to just west of the I-95 southbound exit ramp, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. The north sidewalk of Hypoluxo Road, from Seacrest Boulevard to just west of I-95, is closed for construction activities; pedestrians will be detoured via the south sidewalk. Hypoluxo Road, from Seacrest Boulevard to just west of I-95, is shifted to the outside to allow for median construction.

Ramp Impacts: The southbound I-95 exit ramp to Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. Traffic will be detoured via Lantana Road. The southbound I-95 entrance ramp from Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. Traffic will be detoured to Gateway Boulevard via Congress Avenue. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

6. I-95 Interchange Improvements at 10th Avenue North

Construction on this 0.579-mile project began Monday, Nov. 2, 2015, in the City of Lake Worth. Work consists of widening 10th Avenue North, from Barnett Drive to “A” Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound turn lanes onto I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, and widening the existing three-lane I-95 southbound exit ramp to four lanes to provide dual left and dual right turns. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the third of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed summer 2018.

Restrictions: The inside lanes of I-95 northbound and southbound, between Forest Hill Boulevard and 6th Ave., will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Friday morning, through June. 10th Avenue North, from Barnett Drive to North A Street, will have two lanes closed in each direction, nightly, as needed (eastbound and westbound will not be closed at the same time), 9 p.m. until 5 a.m., Sunday night through Friday morning, through June. As part of the widening of 10th Avenue North, the north sidewalk is closed through July 2018. Pedestrian traffic is detoured to the south sidewalk, with crossing guards providing assistance at Barnett Drive and North A Street during school hours; signage is in place to assist.

Ramp Impacts: The I-95 southbound entrance ramp from 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning. The I-95 southbound exit ramp to 10th Avenue North will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through June. Traffic will be detoured via Forest Hill Boulevard. The I-95 northbound exit ramp to 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through June. Traffic will be detoured via 6th Avenue North. The I-95 northbound entrance ramp from 10th Avenue north will undergo a full closure, nightly, as needed, Sunday night through Friday morning, through June. Traffic will be detoured via Congress Avenue. Please note: The southbound ramps and the northbound ramps will not be closed at the same time. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

7. I-95 Lighting Improvements at PGA Boulevard

Construction on this 0.02-mile project will begin Thursday, July 5, in the City of Palm Beach Gardens. Work consists of replacing six (6) of the existing high mast light poles with a new LED lighting system at the I-95 interchange at PGA Boulevard, including two (2) lights on both the westbound PGA Boulevard to I-95 northbound entrance ramp and the I-95 southbound exit ramp, and one (1) light on each of the I-95 northbound exit ramps to PGA Boulevard. Work is being performed by Arc Electric, Inc. and is expected to be completed early winter 2019.

Restrictions: All lanes are open. **Please note:** There will not be an Open House for this project (previously scheduled June 21 meeting is now cancelled). For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

8. I-95 Interchange Improvements at Donald Ross Road

Construction on this 0.555-mile project began Sunday, Apr. 3, 2016, in the Town of Jupiter. Work consists of widening the I-95 northbound exit ramp and the I-95 southbound exit to accommodate a triple right turn and a triple left turn to eastbound Donald Ross Road, modifying lanes on Donald Ross Road to provide a triple left turn onto the I-95 southbound entrance ramp, widening the southbound entrance ramp to I-95 to accommodate the triple left turn from Donald Ross Road, and removing old asphalt and resurfacing existing pavement. Other improvements include utility relocation, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fifth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed summer 2018.

Restrictions: Donald Ross Road, from 54th Way North to Heights Boulevard, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday night through Friday morning, through June, with the first lane closing at 9 p.m. and the second lane closing 10 p.m.; traffic has been shifted to the outside to allow for median construction. The north sidewalk will be closed intermittently, as needed, for construction activities. Pedestrian traffic will be re-directed to the south sidewalk. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

9. **I-95 Resurfacing from Indiantown Road (Exit 87) to Bridge Road (Exit 96)**

Construction on this 9.838-mile project began Tuesday, May 9, 2017, in the Town of Jupiter and Martin County. Work consists of resurfacing I-95 from south of Indiantown Road (State Road 706) to north of Bridge Road (County Road 708), as well as the I-95 interchange ramps at Indiantown Road (Exit 87) and Bridge Road (Exit 96), and minor shoulder and guardrail repairs. The project costs an estimated \$17.18 million. The work is being performed by Community Asphalt Corporation and is expected to be completed fall 2018.

Restrictions: I-95, from Indiantown Road to Bridge Road, may have two southbound lanes closed, 9 p.m. until 5 a.m., Sunday night through Friday morning. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

SOUTHERN PALM BEACH COUNTY PROJECTS:

10. **State Road 7, from the Broward/Palm Beach County Line to south of Glades Road**

This 2.6-mile improvement project began Friday, Aug. 4, 2017, in Boca Raton. Work includes removing old asphalt and resurfacing the roadway, minor shoulder widening, upgrading drainage structures, upgrading pedestrian features including handrails, 10-foot sidewalks on the west side and 5-foot sidewalk on the east side, detectable warning surfaces at crosswalks, upgrading signalization, including pedestrian signals and detectors and vehicle video detection, upgrading signs and pavement markings to include a 7-foot bike lane in each direction, and upgrading lighting. The work is being performed by General Asphalt Corp., and is expected to be completed Spring 2019. The estimated construction cost is \$6.8 million.

Restrictions: One lane in each direction of State Road 7 from the Broward/Palm Beach County Line to south of Glades Road will be closed Monday through Friday between 9 a.m. and 3 p.m. for concrete, drainage, and sod placement. One southbound lane of State Road 7 from north of SW Sandalfoot Boulevard to south of Sandalfoot Boulevard will be closed Sunday through Thursday evenings between 9 p.m. and 6 a.m. for drainage installations. For more information, please contact Community Outreach Specialist Dayana Diaz at 954-290-5989.

11. **Palmetto Park Road, from State Road 7 to NW 2nd Avenue**

This 6.279-mile improvements project began Friday, Apr. 20, 2018, in Boca Raton. Work includes widening the existing shared-use path & installing new curb ramps to meet current ADA standards, improving pedestrian and bicyclist access to mass transit options along Palmetto Park Road, minor roadway resurfacing at various side streets, and widening the westbound turn lane at Cardinal Avenue's entrance to the Boca Raton Museum of Art School. The work will take place on the south side of the roadway, parallel to the eastbound lanes, from State Road 7 to NW 12th Avenue, and on both sides of the roadway from NW 12th Avenue to NW 2nd Avenue. The

work is being performed by General Asphalt Co., and is expected to be completed spring 2019. The estimated construction cost is \$4 million.

Restrictions: The outside eastbound lane, between State Road 7 and the Walmart entrance (just east of State Road 7), may be closed around-the-clock through June for pathway removal and replacement. In conjunction with this closure, the eastbound pedestrian access from State Road 7 to Veteran's Park (approximately a ½ mile), is closed through June. Pedestrians may detour to the north side of Palmetto Park Road to access the pathway along the westbound lanes. Pedestrians heading eastbound along the detour route may then cross to the south side of the roadway at Veteran's Park, and continue straight on the existing eastbound pathway. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

12. Lyons Road, just south of Glades Road from Norte Lago to Pine Springs Drive

This 0.693-mile improvement project began Thursday, July 13, 2017, in Boca Raton. Work includes reconstruction of the three existing horizontal curves along the corridor, milling and resurfacing, drainage improvements, signing and pavement markings, sidewalk installation, curb ramp upgrades to meet ADA compliance, and the addition of a right turn lane from Lyons Road to Norte Lago in the southbound direction. The work is being performed by Weekley Asphalt Paving, Inc., and is expected to be completed late summer 2018. The estimated construction cost is \$3.5 million.

Restrictions: One lane of traffic is permanently closed in each direction, around-the-clock, through summer 2018. The left turn lane from eastbound Norte Lago at The Cypresses to access northbound Lyons Road is currently closed through June due to weather delays. Motorists may turn right to access southbound Lyons Road, then U-turn just south at Boca Lago Boulevard to head northbound on Lyons Road. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

13. Glades Road, from State Road 7/US 441 to State Road 5/US 1

This 7.3-mile Transportation System Management (TSM) project began Wednesday, Oct. 25, 2017, in Boca Raton. Work includes milling and resurfacing, guardrail, sidewalks, driveways, drainage improvements, arterial signage and fiber optic installation, pedestrian signals, mast arm signalization including temporary signalization, vehicle detection systems, lighting, and signing and pavement markings. The work is being performed by Weekley Asphalt Paving, Inc., and is expected to be completed fall 2018. The estimated construction cost is \$3.5 million.

Restrictions: There are no scheduled lane closures this week. Advanced notice: Beginning Sunday night, June 24, the Glades Road/State Road 7 intersection will be closed to through traffic, 10 p.m. until 7 a.m., through Friday morning, June 29, to install the new traffic signals and span wires. Motorists will be directed to take a right turn when traveling in either direction when approaching the intersection, U-turn at the nearest median opening, and then make another right turn to continue straight on either Glades Road or State Road 7. Police officers will be on-site to assist with the detours; please use caution and allow for extra travel time during these operations. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

Unrelated Permit closures at State Road 7/Glades Road—Restrictions: One lane of State Road 7, just north of Glades Road in Boca Raton, may be closed in each direction, around-the-clock, through Friday, June 29, for

curb and pavement replacement. For more information, please contact Project Managers Filipe Oliveira at 561-945-2417 or Jorge Tavera at 954-651-1208.

CENTRAL PALM BEACH COUNTY PROJECTS

14. Military Trail, from just south of Lake Worth Road to just south of Southern Boulevard

This 3.931-mile resurfacing project began Thursday, Mar. 30, 2017, in Lake Worth, the Village of Palm Springs, and the City of West Palm Beach. Work includes milling and resurfacing the roadway, drainage installation, signing and pavement markings, detectable warning devices and signalization improvements. The work is being performed by Ranger Construction Industries, Inc., and is expected to be completed summer 2018. The estimated construction cost is \$8.5 million.

Restrictions: One lane of Military Trail may be closed in each direction, daily, 9 a.m. until 3 p.m., with up to two lanes closed nightly, 9 p.m. until 6 a.m., Sunday night through Friday, through summer 2018. Please note: Intersections within the project limits from Southern Boulevard to Lake Worth Road may have additional east/west intermittent lane and turn lane closures, nightly, 9 p.m. until 6 a.m., Sunday night through Friday morning, through July, for paving operations. During this time, slight traffic shifts may be required. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

15. Southern Boulevard (SR 80) Bridges Replacement Project

This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge will be built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction. The work is being performed by Johnson Bros. Corp. Construction began April 3, 2017, and will last until early 2021. The estimated construction cost is \$93 million.

Restrictions:

Southern Boulevard Causeway: The eastbound lane of the tide relief bridge may be closed from 9:30 p.m. to 6 a.m. nightly from Sunday, June 17, to Thursday, June 21. Flaggers will maintain two-way traffic in the westbound lane – one direction at a time – to allow exploratory drilling for the replacement bridge foundations.

Marine Restrictions: The navigable Intracoastal Waterway (ICCW) through the Southern Boulevard Bridge will have half-channel closures from 6 a.m. to 6 p.m. Monday through Saturday. A double-span opening (full channel open) may be requested during those times if four-hour notice is provided by calling Project Superintendent Clay Bores at (407) 488-0738. During half-channel closures, the horizontal clearance through the bridge is 40 feet. The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

FPL Permit Work: The eastbound right-turn lane on Southern Boulevard between Washington Road and Flagler Drive will be closed daily from 9 a.m. to 3:30 p.m., Monday through Friday, through Friday, June 29, as FPL performs utility work in the area. For more information, please contact Raul Zamparripa at 772-473-5150.

16. **Flagler Memorial Bridge Replacement Project**

This 0.66-mile Design/Build project includes replacing the existing bascule (draw) bridge with a new bascule bridge connecting the Town of Palm Beach and the City of West Palm Beach over the Lake Worth Lagoon and the Intracoastal Waterway (ICWW). The Flagler Drive overpass will be replaced with an “at-grade” intersection. New lighting, pedestrian features, traffic signals, drainage and landscaping are also included. The Design/Build team for this project is PCL Civil Constructors and Hardesty & Hanover. New Millennium Engineering, Inc. provides Construction Engineering and Inspection services on behalf of FDOT. Active construction began on Sept. 10, 2012 and will last until summer 2018. The estimated construction cost is \$108 million.

Marine Restrictions: During presidential visits, the Flagler Memorial Bridge will open once an hour at the quarter hour between 2:15 p.m. and 5:15 p.m. on weekdays. The schedule of channel restrictions is published in the U.S. Coast Guard’s Local Notice to Mariners at www.navcen.uscg.gov. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

17. **State Road 80/Southern Boulevard, from Pike Road to Florida’s Turnpike northbound ramps**

This 0.379-mile intersection improvement project, located in unincorporated Palm Beach County, began active construction on Thursday, May 17, 2018. Work consists of widening westbound Southern Boulevard (SR 80) to add 12-foot right-turn lanes and 7-foot buffered bike lanes at the Pike Road intersection and the northbound turnpike ramps intersection. Other improvements include milling and resurfacing, drainage improvements, sidewalk reconstruction, lighting, signage and pavement markings. The work is being performed by Weekley Asphalt Corp. and is expected to be complete in spring 2019. The estimated construction cost is \$1.7 million.

Restrictions: There are no lane closures at this time. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

NORTHERN PALM BEACH COUNTY PROJECTS

18. **State Road 710, from Australian Avenue to President Barack Obama Highway.**

This 0.819-mile widening project began Monday, Jan. 4, 2016, in the City of Riviera Beach. Work includes widening the existing roadway from two (2) to four (4) lanes, adding four (4) foot bike lanes and sidewalks, adding a new frontage road for residences, installing median, curb & gutter, and a perimeter wall (in 2 locations), drainage improvements, water and sewer improvements (funded by the City of Riviera Beach), and upgrades to signing and pavement markings, signalization, and lighting. The work is being performed by JW Cheatham, LLC, and is expected to be completed spring 2019. The estimated construction cost is \$17.4 million.

Restrictions: President Barack Obama Highway at State Road 710 may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday. Australian Avenue at State Road 710 may have one lane closed in each direction, 8 a.m. until 4 p.m., Monday through Friday.

Traffic has been shifted to one outside lane in each direction on the newly constructed eastbound and westbound roadways, so work can be completed in the median. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

19. **State Road 708/Blue Heron Boulevard at Avenue S**

This 0.08-mile widening project began Monday, Mar. 12, 2018, in the City of Riviera Beach. Work includes milling and resurfacing the roadway, installing new sidewalk, driveways, signing and pavement markings, and upgrading signalization with pedestrian and vehicle detection devices. The work is being performed by Arc Electric, Inc., and is expected to be completed early fall 2018. The estimated construction cost is \$853,000.

Restrictions: One lane is closed in each direction, around-the-clock, through early fall 2018. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

20. **PGA Boulevard, from Avenue of the Champions (PGA National) to US 1/State Road 5**

This 4.8-mile Intelligent Transportation System (ITS) project began Friday, Oct. 20, 2017, in the City of Palm Beach Gardens. Work includes providing an Advanced Transportation Management System (ATMS) Adaptive Traffic Control System (ACTS) by replacing existing camera systems mounted on exiting traffic signal poles, adding cameras at 15 existing signalized intersections, providing four mid-block Microwave Vehicle Detection System (MVDS) on new poles, and adding an additional Dynamic Message Sign (DMS) connected to the Palm Beach County Traffic Management System. The work is being performed by Carr Construction, LLC, and is expected to be completed summer 2018. The estimated construction cost is \$1.9 million.

Restrictions: PGA Boulevard, from Mirasol Drive to US 1, may have intermittent shoulder and/or outside lane closures, in each direction, 9 a.m. until 4 p.m., Monday through Friday, through summer 2018. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

21. **US 1 Resurfacing, from south of Beach Road to north of County Line Road**

This 1.4-mile lane reduction and resurfacing project began Monday, Nov. 6, 2017, in the Village of Tequesta. Work includes permanently eliminating the outside northbound and southbound lanes leaving two lanes in each direction, widening turn lanes, adding buffered bike lanes and patterned pavement crosswalks, milling and resurfacing the roadway, widening and replacing sidewalks, drainage and lighting improvements, pedestrian and mast arm signalization, vehicle detection systems, signage, and pavement marking upgrades. The work is being performed by J.W. Cheatham, LLC, and is expected to be completed fall 2018. The estimated construction cost is \$3.2 million.

Restrictions: The outside lane from Beach Road to County Line Road is permanently closed in each direction to widen sidewalks and add a buffered bike lane (per the project scope), leaving two lanes open to traffic in each direction. Tequesta Drive and Waterway Road at US 1 may have single intermittent lane closures in each direction, 9 a.m. until 4 p.m., Monday through Friday, through June, for operations on the corners of the intersection. Turn lane paving may begin next week, at night, in the outside lanes that are permanently closed; no additional lane closures will be needed and traffic should not be affected, however intermittent partial driveway closures may be required. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

22. State Road 80, from County Road 880 to east of Belle Glade

This 14.8-mile resurfacing project began Monday, Jan. 8, 2018, from County Road 880 to approximately four miles east of the City of Belle Glade at the US Sugar Railroad Crossing in western Palm Beach County. Work includes milling and resurfacing the roadway, installing rumble strips, thermoplastic pavement markings, and signage. The work is being performed by Ranger Construction Industries, Inc., and is expected to be completed fall 2018. The estimated construction cost is \$14 million.

Restrictions: There are no lane closure restrictions for this project; the contractor may be on-site closing lanes at any time. However, the following lane closures can be expected: One lane may be closed in each direction, daily, 6 a.m. until 6 p.m., and nightly, 7 p.m. until 6 a.m., Sunday night through Friday, through fall 2018. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

23. State Road 80/Southern Boulevard, from west of Lion Country Safari Road to Forest Hill Boulevard/Crestwood Boulevard

Construction on this 7.2-mile widening project will begin in summer 2018 in the Village of Royal Palm Beach, Village of Wellington and the Town of Loxahatchee Groves. Work includes widening the existing roadway from four to six lanes, adding a 12-foot shared-use pathway on the north side of the roadway, adding bike lanes, milling and resurfacing, drainage improvements, adding lighting and signalization, installing curb and gutter, guardrails, minor median modifications and signage and pavement markings. The work is being performed by Community Asphalt Corp. and is expected to be completed in summer 2021. The estimated construction cost is \$33 million.

Restrictions: There are no lane closures at this time. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

FPL Permit Work: The westbound right lane and north sidewalk on Southern Boulevard west of Lion Country Safari Road may be closed from 9 a.m. to 3 p.m. starting Monday, July 2, until Tuesday, October 2, as FPL performs utility work in the area. For more information, please contact Marlon Font at 561-495-7662.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

Restrictions: Okeechobee Boulevard at I-95, in West Palm Beach, will have intermittent eastbound lane closures, 9 p.m. until 5 a.m., Tuesday night, June 19, for bridge repairs. For more information, please contact Project Manager Paul Watt at 954-380-0895.

Restrictions: The westbound Indiantown Road to I-95 southbound entrance ramp, in Jupiter, will have intermittent lane closures, 9 p.m. until 5 a.m., Wednesday night, June 20, for bridge repairs. For more information, please contact Project Manager Paul Watt at 954-380-0895.

Restrictions: The I-95 southbound exit ramp to Congress Avenue, in Boca Raton, may have intermittent full closures, 9 p.m. until 2 a.m., Thursday night, June 21, for raised pavement marker installation. Motorists may detour via Atlantic Avenue west to Military Trail, then south to Congress Avenue. For more information, please contact Project Manager Paul Watt at 954-380-0895.

Restrictions: I-95 at Hood Road, in Palm Beach Gardens, will have one inside lane closed in each direction from Military Trail to Donald Ross Road, 9 p.m. until 5 a.m., Monday night, June 18, until Friday morning, June 22, for bridge widening operations. For more information, please contact Project Managers Paul Schwager at 561-719-2291 or Andrew Maniotis at 561-718-0472.

Restrictions: Forest Hill Boulevard closed at the Railroad Tracks through June 19—Forest Hill Blvd. is closed to vehicular traffic at the highway-rail grade crossing on the South Florida Rail Corridor (SFRC) through Tuesday, June 19 at 9 p.m. The closure is necessary to allow workers to perform necessary renovations at the FDOT Highway Grade Crossing 628139W. A detour has been established to facilitate movement of traffic. Eastbound and westbound traffic on Forest Hill Blvd. is being diverted to Southern Blvd. Eastbound traffic will turn left on S. Congress Ave. and go north to Southern Blvd. Traffic will turn right and go east to N. Dixie Hwy, then turn right and drive south back to Forest Hill Blvd./SR 882. Westbound traffic will be directed to take I-95 northbound and exit on Southern Blvd. Turn left heading west to S. Congress Ave. and drive south back to Forest Hill Blvd./SR 882. Local traffic can go north on N. Dixie Hwy. to Southern Blvd. then turn left and go west to S. Congress Ave. and drive south back to Forest Hill Blvd/SR 882. For additional information, call customer service at 1-800-TRI-RAIL (874-7245), log onto the website at www.tri-rail.com or monitor Tri-Rail's social media sites.

Restrictions: State Road 805/Dixie Highway at 12th Avenue, in Lake Worth, may have one northbound lane closed, 8 a.m. until 3:30 p.m., Saturday, June 16, for asphalt repairs. Traffic may be detoured/shifted briefly in areas where there is only one lane in each direction. For more information, please contact Project Manager Ronnie Keene at 954-444-1056.

Restrictions: The Royal Poinciana Way westbound lanes, between North County Road and Bradley Place, in Palm Beach, will be closed on Saturday, June 16, from 12 a.m. to 3 p.m. to facilitate safe construction operations of a large concrete foundation pour. In addition, a section of parking on Eastbound Royal Poinciana Way (the northwest section of angled parking) will be utilized for construction traffic, and the median turnaround area on this section of Royal Poinciana Way will also be closed. Motorists may detour via Sunrise Avenue or Sunset Avenue. For more information please contact Project Manager Russell Novak at 386-846-8642.

Restrictions: Military Trail, north of 45th Street at Up the Grove Lane, in West Palm Beach, will have the northbound outside lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, Aug. 3, for curb installation and paving operations. For more information, please contact Project Manager L.R. South at 772-215-7332.

Restrictions: Okeechobee Boulevard at Seminole Boulevard, in West Palm Beach, will have the westbound inside turn lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, July 6, for median work. For more information, please contact Project Manager L.R. South at 772-215-7332.

Restrictions: Blue Heron Boulevard, from Congress Avenue to President Barack Obama Highway, in Riviera Beach, will have the eastbound outside lane closed, 7 p.m. until 5 a.m., Sunday night June 24, through Friday morning, Jun. 30, for AT&T conduit installation. For more information, please contact Project Manager Antonio Defrietas at 787-363-0126.

Restrictions: US 1 at Jasmine Drive, in Lake Park, will have the southbound outside lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Wednesday, June 27, for watermain installation. For more information, please contact Project Manager Todd McLeod at 561-689-9500.

Restrictions: Lake Worth Road, between Suncrest Road and Pinehurst Road, in Lake Worth, will have the westbound outside lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 22, for concrete pole replacement. For more information, please contact Project Manager Joel Egbert at 561-324-0114.

Restrictions: State Road 715 (NW 16th Street), at W. Canal Street in Belle Glade, will have one northbound lane closed, Monday through Friday, through Monday, June 25, for FPL pole replacement operations. For more information, please contact Project Manager Art Rodriguez at 561-475-0064.

Restrictions: State Road 80/Southern Boulevard, from Florida's Turnpike east to Tall Pines Road, will have one eastbound lane closed, daily, 9 a.m. until 3 p.m., with two eastbound outside lanes closed, nightly, 9 p.m. until 4 a.m., Sunday night through Friday, through Friday, June 22, for FPL pole replacement operations. For more information, please contact Project Manager Art Rodriguez at 561-475-0064.

Restrictions: Lake Worth Road at Sherwood Forest Boulevard, in the City of Greenacres, will have the property's dedicated turn lane and sidewalk closed, around-the-clock, through Friday, July 20, for construction activities related to the RaceTrac Market. For more information, please contact Project Manager Danielle Watkins at 954-610-5394.

Restrictions: Military Trail, from Woodstock Drive to Green Pine Boulevard, in West Palm Beach, will have the outside northbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 22, for turn lane installation. For more information, please contact Project Manager Claudia Mendez at 561-719-0113.

Restrictions: State Road 7 at Atlantic Avenue, in Delray Beach, will have the northbound outside lane and sidewalk closed, 9 a.m. until 3 p.m., Monday through Friday, through Tuesday, July 31, for FPL pole replacement operations. In conjunction with this closure, Atlantic Avenue at State Road 7 will have the outside eastbound lane and sidewalk closed as well. For more information, please contact Project Manager Marlon Font at 561-495-7662.

Restrictions: State Road A1A, between Linton Boulevard and Casuarina Road, in Delray Beach, may have one lane closed in each direction, intermittently, 7 a.m. until 7 p.m., Monday through Friday, through Friday, Aug. 17, for water main connections and roadway improvements. For more information, please contact Project Managers Mark Garret at 954-931-6564 or Frank De'Alessandro at 954-275-8336.

Restrictions: State Road A1A, from north of Pelican Lane to north of Thomas Street, in Delray Beach, may have intermittent lane closures in each direction, 9 a.m. until 3 p.m., Monday through Friday, through Friday, Sept. 21, for FPL pole replacement operations. For more information, please contact Project Manager Art Rodriguez at 561-475-0064.

Restrictions: State Road A1A, north of Ocean Avenue (1725 State Road A1A – 452 State Road A1A) in the Town of Manalapan, will have the northbound lane and shoulder closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 22, for FPL pole removal and replacement. Sidewalks may also be closed as needed, and flaggers will be on-site to direct traffic. For more information, please contact Project Managers Jon Woolverton at 469-919-8772 or Sandi Parisian at 954-321-8205.

Restrictions: Lucerne Avenue, westbound, and Lake Avenue, eastbound, at North K Street in Lake Worth, may have one lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 29, for water main installation and paving operations. For more information, please contact Project Manager Evelyn Aleman at 305-820-8333 x-106.

Restrictions: Southern Boulevard, between Washington Road and S. Flagler Drive, in West Palm Beach, will have one outside eastbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 29, for pole and cable installation. For more information, please contact Project Manager Raul Zamparripa at 772-473-5150.

Restrictions: S. Federal Highway, between Eve Street and Fladell's Way, in Delray Beach, may have one lane closed in each direction, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, July 20, for FPL pole replacement. For more information, please contact Project Manager Latess Hillat 561-631-0663.

Restrictions: Okeechobee Boulevard, between Suwanee Drive and Chillingworth Drive, in West Palm Beach, may have one outside westbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Tuesday, July 3, for AT&T duct installation. For more information, please contact Project Manager Felipe Santillan at 561-702-5696.

Restrictions: Lake Worth Road, just east of Nassau Road in Lake Worth, may have one westbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 22, for gutter replacement. For more information, please contact Project Manager Joe Whitten at 561-662-3201.

Restrictions: State Road 7, from Lake Worth Road to Old Hammock Way, in the Village of Wellington, may have one inside lane closed in each direction, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 22, for maintenance work, irrigation repairs, and tree pruning along the median. For more information, please contact Project Manager Brian Hopper at 561-654-6797.

Restrictions: State Road 80, at the Palm Beach County/Hendry County line, may have one eastbound lane closed, 9 a.m. until 4 p.m., Monday through Friday, through Friday, July 13, for FPL pole replacement. For more information, please contact Project Manager Art Rodriguez at 561-475-0064.

Restrictions: Southern Boulevard at 103rd Avenue, in Royal Palm Beach, will have one outside lane closed in each direction, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, July 27, for mast arm replacement. For more information, please contact Project Manager Jake Ridinger at 772-340-7474.

Restrictions: Southern Boulevard, from Benoist Farms Road to Cleary Road, in West Palm Beach, will have one eastbound lane closed, 9 a.m. until 3 p.m., daily, with two outside eastbound lanes closed, nightly, 9 p.m. until 4 a.m., Monday through Friday, through Friday, June 22, for FPL pole replacement operations. For more information, please contact Project Manager Art Rodriguez at 561-475-0064.

Restrictions: One lane of State Road 7, just north of Glades Road in Boca Raton, will be closed in each direction, around-the-clock, through Friday, June 29, for curb and pavement replacement. For more information, please contact Project Managers Filipe Oliveira at 561-945-2417 or Jorge Tavera at 954-651-1208.

Restrictions: State Road 811/Alternate A1A at RCA Boulevard, in Palm Beach Gardens, will have the inside northbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 22, for left turn lane extension to the south. For more information, please contact Project Manager Joe Whitten at 561-662-3201.

Restrictions: Spanish River Boulevard at Federal Highway, in Boca Raton, will have the outside westbound lane and sidewalk closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Monday, June 25, for FPL pole replacement and maintenance. For more information, please contact Project Manager Jon Woolverton at 469-919-8772.

Restrictions: Lake Worth Road, from Bridgette Boulevard to Broward Avenue, in Lake Worth, will have temporary outside lane closures in each direction, 9:30 a.m. until 3:30 p.m., Monday through Friday, through Friday, June 29, for soil boring operations. For more information, please contact Project Manager Juan Valencia at 786-436-6811.

Restrictions: State Road 715, from W. Canal Street to north of Avenue G, in the City of Pahokee, will have one southbound lane closed, 9 a.m. until 3 p.m., Monday through Friday, through Friday, August 10, for FPL pole removal and replacement. For more information, please contact Project Manager Art Rodriguez at 561-475-0064.

Restrictions: Blue Heron Boulevard, from Congress Avenue to President Barack Obama Highway, may have the outside eastbound lane closed, 9 a.m. until 3:30 p.m., daily, and 7 p.m. until 5 a.m., nightly, Monday through Friday, through Friday, June 22, for AT&T conduit installation. For more information, please contact Project Manager Antonio Defrietas at 787-363-0126.

Restrictions: Indiantown Road, just east of Central Boulevard at Chasewood Plaza in the Town of Jupiter, will have the outside eastbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, Aug. 17, for lighting, sidewalk, and landscaping installation. For more information, please contact Project Manager Chase Smith at 561-242-9770.

Restrictions: US 1 at SE 8th Street, just north of Camino Real (Via Mizner Hotel) in Boca Raton, will have the outside northbound lane and sidewalk closed, around the clock, Monday through Friday, through Friday, Aug. 31, for watermain relocation. For more information, please contact Project Manager Mike MacDonald at 561-689-2910 x-171.

Restrictions: US 1, from Ocean Avenue to Lantana Road, in Lantana, will have the outside northbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, July 13, for new driveway construction. For more information, please contact Project Manager Danielle Watkins at 954-610-5394.

Restrictions: State Road A1A, from Casuarina Road to Linton Boulevard, in Delray Beach, may have the outside northbound lane, bike lane, and/or sidewalk closed, 7 a.m. until 7 p.m., Monday through Friday, through Friday, July 27, for directional boring operations. For more information, please contact Project Manager Mark Garret at 954-931-6564.

Restrictions: Forest Hill Boulevard, between Maypop Road and Bresee Road, in West Palm Beach, will have the outside eastbound lane closed, 9 a.m. until 3:30 p.m., Monday through Friday, through Friday, Aug. 17, for pole replacement operations. For more information, please contact Project Manager Latess Hill at 561-631-0663.

Restrictions: Advanced notice: Southern Boulevard, from Lion Country Safari Road to East Canal Street, in Loxahatchee, will have the outside westbound lane closed, 9 a.m. until 3 p.m., Monday through Friday, beginning Monday, July 2, through Friday, Oct. 5, for pole replacement operations. For more information, please contact Project Manager Marlon Font at 561-495-7662.

Restrictions: Advanced notice: Flagler Memorial Bridge, over the Intracoastal Waterway between West Palm Beach and Palm Beach, may have intermittent lane closures in each direction, 9 a.m. until 3 p.m., Monday through Friday, beginning Monday, July 9, through Friday, July 20, for soil boring operations. For more information, please contact Project Manager Kyle Larode at 954-275-0408

Restrictions: The northbound and southbound turn lanes from State Road 7 to Sandalfoot Boulevard, in Boca Raton, will be closed around-the-clock through January 2019, for bridge replacement by the Palm Beach County Traffic Division. For more information, please contact Project Manager Miguel Fernandez at 305-812-1229.

Restrictions: East Camino Real Bridge Closure at Intracoastal Waterway, City of Boca Raton, through April 2019—The Bridge is closed for construction through mid-April of 2019. East Camino Real will be closed from the Royal Palm Way/Boca Raton Resort and Club Roundabout to Coconut Road. Traffic will be detoured via Federal Highway (US 1), S.E. Mizner Boulevard, East Palmetto Park Road, and South Ocean Boulevard (State Road A1A). Local traffic accessing Spanish River Road will be closed at East Camino Real. Local traffic will be able to access Spanish River Road via Coconut Road and Ponce De Leon Road. The Hurricane Evacuation Route will be Palmetto Park Road. For more information, please contact the Palm Beach County Traffic Division at 561-684-4030.

Restrictions: Congress Avenue Closure north of Okeechobee Boulevard, City of West Palm Beach, through early August 2018—Congress Avenue, just north of Okeechobee Boulevard to Ware Drive, in the City of West Palm Beach, will be closed around-the-clock beginning Tuesday, June 5, through Sunday, Aug. 5, for bridge removal and culvert installation at the “F” Canal. Motorists may detour via Okeechobee Boulevard and Palm Beach Lakes Boulevard. For more information, please contact the Palm Beach County Traffic Division at 561-684-4030.
