Palm Beach County Traffic Report

February 8 through February 15, 2019

Palm Beach County – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Weather permitting; closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

CONSTRUCTION PROJECTS

INTERSTATE 95

1. I-95 Interchange from Hillsboro Boulevard to SW 10th Street

Construction on this 1.5-mile project began Monday, Jan. 26, 2015, in the City of Deerfield Beach. Work consists of widening southbound I-95 to add an auxiliary lane from the Hillsboro Boulevard entrance ramp to the SW 10th Street exit ramp, widening the existing southbound I-95 exit ramp to SW 10th Street, addition of a free flow right turn lane to westbound SW 10th Street, widening of westbound SW 10th Street to add an acceleration lane, utility relocation, milling and resurfacing, bridge widening, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the first of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed February 2019.

Restrictions: The outside lanes of I-95 southbound, between Hillsboro Boulevard and SW 10th Street, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday night through Thursday night. Two lanes of westbound SW 10th Street will be closed, nightly, 9 p.m. until 5 a.m., Sunday through Thursday. The north sidewalk on SW 10th Street, between SW 12th Avenue and SW Natura Boulevard, is closed completely through February for construction activities. Pedestrians will be detoured to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to SW 10th Street will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Hillsboro Boulevard. FHP will be on site to assist motorists. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

2. I-95 from south of SW 10th Street to south of Glades Road (95 Express Phase 3B-1)

This 4.8-mile project will extend the High Occupancy Toll lanes from south of SW 10th Street to south of Glades Road in Broward and Palm Beach counties. The scope of work includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other activities include reconstruction of I-95 on the northbound and southbound approaches to the Hillsboro Canal bridges, milling and resurfacing of I-95, construction of northbound and southbound auxiliary lanes between Hillsboro Boulevard and Palmetto Park Road, and construction of a northbound auxiliary lane between the SW 10th Street entrance ramp and the Hillsboro Boulevard exit ramp. Other project improvements include: guardrail, barrier wall, attenuators, shoulder gutters, drainage, dredging of Hillsboro Canal, bridge widenings at Palmetto Park Road and Camino Real, bridge replacement at Hillsboro Canal, temporary and permanent retaining walls, noise wall construction, sign structures, portable traffic monitoring sites, toll gantry installation, Intelligent Transportation System (ITS) installation, ramp signaling at the I-95 entrance ramps from Palmetto Park Road, signing and pavement markings; Express Lane markers, lighting, ramp metering signals, utility relocation, and landscape relocation. Contract time for this \$102 million project began Monday, July 10, 2017, with design activities currently underway. Construction began Friday, January 19, 2018. Work is being performed by Prince Contracting, LLC and is expected to be completed spring 2022.

Traffic Impacts:

I-95 traffic impact:

- I-95 will have three lanes closed in each direction nightly, as needed, Sunday through Thursday, between Hillsboro Boulevard and Palmetto Park Road, with the first lane closing at 9:30 p.m., the second lane closing at 10:30 p.m., and the third lane closing at 11:30 p.m. until 5:30 a.m.

Palmetto Park Road traffic impact:

- Palmetto Park Road at I-95 will have the eastbound inside ramp lane to I-95 northbound closed through March 2019.
- Palmetto Park Road at I-95 will have the westbound inside lane closed through March 2019; the existing westbound ramp lane to I-95 southbound will be converted to a thru/ramp lane.

- Palmetto Park Road at I-95 will have two lanes closed in each direction nightly, as needed, Sunday through Thursday. The first lane will close at 9 p.m., and the second lane will close at 10:30 p.m. All lanes will be opened by 5:30 a.m.
- Palmetto Park Road at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 3 p.m., Monday through Friday.

Camino Real traffic impact:

- Camino Real at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 4 p.m., Monday through Friday.
- Eastbound Camino Real at I-95 will be closed nightly, 10 p.m. until 6 a.m., Sunday, Feb. 10 through Tuesday, Feb. 12, for bridge construction. Traffic will be detoured via Military Trail, Palmetto Park Road and SW 12th Avenue. FHP will be on site to assist motorists.
- Westbound Camino Real at I-95 will be closed, 10 p.m. until 6 a.m., Wednesday and Thursday, Feb. 13 and 14, for bridge construction. Traffic will be detoured via SW 12th Avenue, Palmetto Park Road and Military Trail. FHP will be on site to assist motorists.

Ramp Impact:

- The I-95 northbound exit ramp to Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via I-95 northbound, Hillsboro Boulevard, and Military Trail. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from westbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- **Please note that ramp closures will be performed as needed per paving production; consecutive ramps will not be closed at the same time.
- The northbound entrance ramp from eastbound and westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 southbound to Hillsboro Boulevard to I-95 northbound. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

3. I-95 Interchange Improvements at Atlantic Avenue

Construction on this 0.852-mile project began **Monday, January 7, 2019** in the City of Delray Beach. Scope of work includes widening the northbound entrance ramp from Atlantic Avenue, creating a dedicated lane for I-95 northbound and southbound access from westbound Atlantic Avenue, construction of two turn lanes from westbound Atlantic Avenue; one to northbound Congress Avenue and one to southbound Congress Avenue, milling, resurfacing, construction of retaining walls, new watermain installation, drainage improvements, guardrail, sign structures, lighting, installation of fiber optic and ITS with CCTV video and ethernet, pavement markings for improved safety and visibility, realigned crosswalks for improved pedestrian safety, internally

illuminated and electronic display signs, signalization, pedestrian detectors, and traffic monitoring sites. Pavement markings for bike lanes will be included throughout the project. The project cost is \$5.2 million dollars. Work is being performed by Russell Engineering Inc. and is expected to be completed spring 2020.

Restrictions: Atlantic Avenue, from 12th Avenue to NW 23rd Avenue will have one through lane closed through December 2019. Atlantic Avenue, from 12th Avenue to NW 23rd Avenue will have an additional lane closed for striping, as needed, nightly, 9 p.m. until 6 a.m., Sunday through Friday. The Atlantic Avenue north sidewalk from 12th Avenue to NW 23 Avenue is closed completely for roadway reconstruction. Pedestrians will be detoured to the south sidewalk via existing crosswalks.

Ramp Impact: The I-95 northbound entrance ramp from Atlantic Avenue will have the inside lane closed nightly, as needed, 9 p.m. until 6 a.m., Sunday through Thursday. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

4. I-95 Milling & Resurfacing from north of Atlantic Avenue to north of Gateway Boulevard

Construction on this 7.66-mile project began **Friday, Oct. 12** in the Cities of Delray Beach and Boynton Beach. Scope of work includes milling, resurfacing, drainage improvements, guardrail, rumble strips, signing and pavement markings, and traffic monitoring site installation along I-95. Other improvements at select ramps along the corridor include: curb and gutter, sidewalks, and detectable warnings. The project cost is \$15 million. Work is being performed by Community Asphalt Corp. and is expected to be completed early 2020.

Advanced Notice Ramp Impact:

- The I-95 northbound entrance ramp from Boynton Beach Boulevard will be closed nightly, 11:30 p.m. until 5 a.m., Sunday through Thursday night, beginning Sunday, February 17. Eastbound traffic will be detoured via US-1 to Gateway Boulevard and west to I-95. Westbound traffic will be detoured via Congress Avenue north to Gateway Boulevard and east to I-95.
- The I-95 southbound entrance ramp from Boynton Beach Boulevard will be closed nightly, 11:30 p.m. until 5 a.m., Sunday through Thursday night, beginning Sunday, February 17. Eastbound traffic will be detoured via US-1, south to Woolbright Road and west to I-95. Westbound traffic will be detoured via Congress Avenue, south to Woolbright Road, and east to I-95.
- Please note that these ramps will not be closed at the same time. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

5. I-95 Interchange Improvements at Woolbright Road

Construction on this **0.354-mile project** began **Monday, Jan. 25, 2016**, in the City of Boynton Beach. Work consists of widening Woolbright Road from SW 18th Street to SW 2nd Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound left turn lanes onto northbound I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, reconstructing the southbound exit ramp to provide free-flow right turn onto westbound Woolbright Road, retrofitting the railings on the Woolbright Road bridges over I-95 and the railroad to meet current criteria, and milling and resurfacing the entire width of Woolbright Road, and along the I-95 ramps within project limits. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fourth of five interchange improvement projects throughout Broward and Palm Beach Counties. The

combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed February 2019.

Restrictions: I-95 southbound, between Boynton Beach Boulevard and West Atlantic Avenue, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday through Thursday. Woolbright Road, from SW 8th Street to SW 2nd Street, will have one lane closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday through Thursday. The north sidewalk on Woolbright Road, between SW 8th Street and SW 2nd Street, is closed completely through February for construction activities. Pedestrians will detour to the south sidewalk; signage is in place to assist.

Ramp Impacts: The I-95 southbound exit ramp to Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Boynton Beach Boulevard. The I-95 southbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue and Atlantic Avenue. The I-95 northbound entrance ramp from Woolbright Road will be closed, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Please note: The southbound I-95 exit ramp to and southbound I-95 entrance ramp from Woolbright Road will not be closed at the same time. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

6. I-95 Interchange at Hypoluxo Road

Construction on this 0.5-mile project began Monday, June 22, 2015, in the Town of Lantana. Work consists of reconfiguring the existing Hypoluxo roadway approaches and bridges over I-95 and the CSX railroad tracks, constructing dual eastbound left turn lanes onto I-95, widening the existing southbound exit ramp to lengthen the turn lanes, retrofitting existing bridge railings to meet current criteria, utility relocation, and installation of barrier walls, curbs, sidewalks, drainage, overhead signs, signing and pavement markings, signals, lighting and retaining walls. This is the second of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed February 2019.

Restrictions: The outside lanes of I-95 southbound, between Lantana Road and Hypoluxo Road, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday through Thursday. Hypoluxo Road, from Seacrest Boulevard to just west of the I-95 southbound exit ramp, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday through Thursday.

Ramp Impacts: The southbound I-95 exit ramp to Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Lantana Road. The southbound I-95 entrance ramp from Hypoluxo Road will undergo a full closure, nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured to Gateway Boulevard via Congress Avenue. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

7. I-95 Interchange Improvements at 10th Avenue North

Construction on this 0.579-mile project began Monday, Nov. 2, 2015, in the City of Lake Worth. Work consists of widening 10th Avenue North, from Barnett Drive to “A” Street, including roadway approaches and bridges over I-95 and the railroad tracks to provide dual eastbound turn lanes onto I-95, widening the I-95 northbound entrance ramp to receive the newly constructed dual eastbound left turn lanes, and widening the existing three-lane I-95 southbound exit ramp to four lanes to provide dual left and dual right turns. Other improvements include utility relocation, bridge construction, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the third of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed February 2019.

Restrictions: The inside lanes of I-95 northbound and southbound, between Forest Hill Boulevard and 6th Avenue, will be closed, nightly, with the first lane closing at 9 p.m., the second lane closing 10 p.m. and the third lane, if needed, closing 12:30 a.m., until 5 a.m., Sunday through Thursday. 10th Avenue North, from Barnett Drive to North A Street, will have two lanes closed in each direction, nightly, as needed (eastbound and westbound will not be closed at the same time), 9 p.m. until 5 a.m., Sunday through Thursday.

Ramp Impacts: The I-95 southbound entrance ramp from 10th Avenue North will undergo a full closure, nightly, as needed, Sunday through Thursday. The I-95 southbound exit ramp to 10th Avenue North will undergo a full closure, nightly, as needed, Sunday through Thursday. Traffic will be detoured via Forest Hill Boulevard. The I-95 northbound exit ramp to 10th Avenue north will undergo a full closure, nightly, as needed, Sunday through Thursday. Traffic will be detoured via 6th Avenue North. The I-95 northbound entrance ramp from 10th Avenue north will undergo a full closure, nightly, as needed, Sunday through Thursday. Traffic will be detoured via Congress Avenue. Please note: The southbound ramps and the northbound ramps will not be closed at the same time. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

8. I-95 Interchange Improvements at Donald Ross Road

Construction on this 0.555-mile project began Sunday, Apr. 3, 2016, in the Town of Jupiter. Work consists of widening the I-95 northbound exit ramp and the I-95 southbound exit to accommodate a triple right turn and a triple left turn to eastbound Donald Ross Road, modifying lanes on Donald Ross Road to provide a triple left turn onto the I-95 southbound entrance ramp, widening the southbound entrance ramp to I-95 to accommodate the triple left turn from Donald Ross Road, and removing old asphalt and resurfacing existing pavement. Other improvements include utility relocation, installation of barrier walls, curbs, sidewalks, guardrail, drainage, overhead signs, signing and pavement markings, signals, lighting, and retaining walls. This is the fifth of five interchange improvement projects throughout Broward and Palm Beach Counties. The combined project cost for all five projects is an estimated \$32.5 million. Work is being performed by Community Asphalt Corp. and is expected to be completed February 2019.

Restrictions: Donald Ross Road, from 54th Way North to Heights Boulevard, will have two lanes closed in each direction, nightly, 9 p.m. until 5 a.m., Sunday through Thursday, with the first lane closing at 9 p.m. and the second lane closing 10 p.m. For more information, please contact Andrea Pacini, Community Outreach Specialist, 561-214-3358.

9. **I-95 Resurfacing from Indiantown Road (Exit 87) to Bridge Road (Exit 96)**

Construction on this 9.838-mile project began Tuesday, May 9, 2017, in the Town of Jupiter and Martin County. Work consists of resurfacing I-95 from south of Indiantown Road (State Road 706) to north of Bridge Road (County Road 708), as well as the I-95 interchange ramps at Indiantown Road (Exit 87) and Bridge Road (Exit 96), and minor shoulder and guardrail repairs. The project costs an estimated \$17.18 million. The work is being performed by Community Asphalt Corporation and is expected to be completed spring 2019.

Restrictions: I-95, from Indiantown Road to Bridge Road, will have up to two lanes in either direction closed, 9 p.m. until 5 a.m., Sunday night through Friday morning.

Full Closure: The northbound I-95 to westbound Indiantown Road (Exit 87B) and southbound I-95 to eastbound Indiantown Road (Exit 87A) exit ramps are anticipating full closures Sunday night, February 10 through Tuesday night, February 12 from 10 p.m. to 5 a.m., weather permitting, for paving. In the event of weather this work will be rescheduled to Sunday night, February 17 through Tuesday night, February 19.

- **NB I-95 to WB Indiantown Rd. Detour:** Motorists should detour north on I-95 to Bridge Road/Exit 96, go westbound on Bridge Road and re-enter I-95, heading southbound to Indiantown Road Exit 87B.
- **SB I-95 to EB Indiantown Rd. Detour:** Motorists should detour south on I-95 to Donald Ross Road / Exit 83, go eastbound on Donald Ross Road and re-enter I-95, heading northbound to Indiantown Road Exit 87A. ****See attached detour map.**

For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

SOUTHERN PALM BEACH COUNTY PROJECTS:

10. **State Road 7, from the Broward/Palm Beach County Line to south of Glades Road**

This 2.6-mile improvement project began Friday, Aug. 4, 2017, in Boca Raton. Work includes removing old asphalt and resurfacing the roadway, minor shoulder widening, upgrading drainage structures, upgrading pedestrian features including handrails, 10-foot sidewalks on the west side and 5-foot sidewalk on the east side, detectable warning surfaces at crosswalks, upgrading signalization, including pedestrian signals and detectors and vehicle video detection, upgrading signs and pavement markings to include a 7-foot bike lane in each direction, and upgrading lighting. The work is being performed by General Asphalt Corp., and is expected to be completed Spring 2019. The estimated construction cost is \$6.8 million.

Restrictions: One lane in each direction at the Broward/Palm Beach County line to just south of Glades Road will be closed, Monday through Saturday, 9 a.m. to 3 p.m., for material deliveries for electrical and sod operations. For more information, please contact Community Outreach Specialist Tiffani Wilshire at 954-482-4190.

11. **Palmetto Park Road, from State Road 7 to NW 2nd Avenue**

This 6.279-mile improvements project began Friday, Apr. 20, 2018, in Boca Raton. Work includes widening the existing shared-use path & installing new curb ramps to meet current ADA standards, improving pedestrian and bicyclist access to mass transit options along Palmetto Park Road, minor roadway resurfacing at various side streets, and widening the westbound turn lane at Cardinal Avenue's entrance to the Boca Raton Museum of Art

School. The work will take place on the south side of the roadway, parallel to the eastbound lanes, from State Road 7 to NW 12th Avenue, and on both sides of the roadway from NW 12th Avenue to NW 2nd Avenue. The work is being performed by General Asphalt Co., and is expected to be completed spring 2019. The estimated construction cost is \$4 million.

Restrictions: The outside eastbound lane, between Lyons Road and Military Trail, may be closed, around-the-clock, Monday through Friday, for pathway removal, slope preparation, sod placement, and repaving operations. Work will be done in sections, with the location of the closures shifting as needed within these zones. Please note, work is taking place in the vicinity of the bus stops at Boca Del Mar Drive (west), Beracasa Way, Toledo Road, Boca Del Mar Drive (east), and Saint Andrews Boulevard. Bus stops remain open, but for the safety of pedestrians, bus riders, and the construction crews, please remain outside the closed work zone. From Military Trail to Florida's Turnpike, pedestrians should be using the temporary pathway as the original pathway has been fully removed. The outside westbound lane of Palmetto Park Road, between SW 9th Avenue to SW 7th Avenue will be closed, nightly, 9 p.m. until 6 a.m., for FPL utility operations through February. In conjunction with this work, the sidewalk will also be closed to pedestrian traffic within the work zone, as well as the bus stop at SW 7th Avenue. Pedestrians will be detoured to the eastbound sidewalk during this time. FPL does not anticipate any power interruptions during these operations. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

CENTRAL PALM BEACH COUNTY PROJECTS

-
-

12. Southern Boulevard (SR 80) Bridges Replacement Project

This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge has been built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction. The work is being performed by Johnson Bros. Corp. Construction began April 3, 2017, and will last until early 2021. The estimated construction cost is \$93 million.

Restrictions: The Southern Boulevard (SR 80) Bridge is running normal operations. There are no lane closures at this time. During presidential visits, the south sidewalk on Southern Boulevard and right-turn lane between Flagler Drive and Washington Road will be closed. Pedestrians will be detoured to the north sidewalk.

Marine Restrictions: The navigable Intracoastal Waterway (ICCW) through the Southern Boulevard Bridge will have half-channel closures from 6 a.m. to 6 p.m. Monday through Saturday. A full channel opening may be requested at other times if four-hour notice is provided by calling Project Superintendent Clay Bores at (407) 488-0738. During half-channel closures, the horizontal clearance through the bridge is 40 feet. The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

13. **State Road 80/Southern Boulevard, from Pike Road to Florida's Turnpike northbound ramps**

This 0.379-mile intersection improvement project, located in unincorporated Palm Beach County, began active construction on Thursday, May 17, 2018. Work consists of widening westbound Southern Boulevard (SR 80) to add 12-foot right-turn lanes and 7-foot buffered bike lanes at the Pike Road intersection and the northbound turnpike ramps intersection. Other improvements include milling and resurfacing, drainage improvements, sidewalk reconstruction, lighting, signage and pavement markings. The work is being performed by Weekley Asphalt Corp. and is expected to be complete in spring 2019. The estimated construction cost is \$1.7 million.

Restrictions: Southern Boulevard between Truck and Trailer Way and Pike Road may have one westbound lane closed nightly, 11 p.m. to 6:30 a.m., from Sunday, Feb. 10, to Thursday, Feb. 14, and from Sunday, Feb. 17, to Thursday, Feb. 21, for paving operations. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

14. **State Road 80/Southern Boulevard and Lyons Road/Sansbury's Way**

This 1-mile intersection improvement project, located in unincorporated Palm Beach County, began active construction on October 18, 2018. Work consists of adding eastbound right-turn lane and a second westbound left-turn lane from Southern Boulevard to southbound Lyons Road; adding a second right-turn lane from northbound Lyons Road to eastbound Southern Boulevard; and adding a second northbound lane on Lyons Road and Sansbury's Way. Other improvements include minor roadway widening, widening the Lyons Road bridge over the C-51 Canal, milling and resurfacing, drainage improvements, curb and gutter, lighting, guardrails, signalization, sidewalk, signage and pavement markings. The work is being performed by Morrison-Cobalt JV and is expected to be completed in summer 2020. The estimated construction cost is \$7.5 million.

Restrictions: There are no lane closures at this time. The east sidewalk on Sansbury's Way/Lyons Road is closed until further notice. To accommodate roadway widening, the northbound right-turn lane from Southern Boulevard to the Shoppes at Southern Palms is closed until further notice. The dual left-turn lanes from eastbound Southern Boulevard to northbound Sansbury's Way have been reduced to one lane until further notice. For more information, please contact Community Outreach Specialist Angel Gardner at 561-886-8773.

NORTHERN PALM BEACH COUNTY PROJECTS

15. **Blue Heron Boulevard and Military Trail Lighting Improvements**

This 1.2-mile (Blue Heron Boulevard) and 5.2-mile (Military Trail) lighting project began Monday, Dec. 3, 2018 in the City of Palm Beach Gardens, the City of Riviera Beach, and unincorporated Palm Beach County. Work includes lighting retrofitting at three (3) intersections on Blue Heron Boulevard, and 11 sections on Military Trail. The work is being performed by Carr Construction, LLC, and is expected to be completed summer 2019. The estimated construction cost is \$398,299.

Restrictions: One lane may be closed in each direction on Military Trail, from Burns Road to Shiloh Drive, and on Blue Heron Boulevard, from Military Trail to Congress Avenue, 9 a.m. until 3:30 p.m., Monday through Friday, through February. One lane may be closed in each direction on Military Trail, from Burns Road to Shiloh Drive, 8 p.m. until 6:30 a.m., Sunday night through Friday morning, through February. One lane may be closed in each direction on Blue Heron Boulevard from Military Trail to Congress Avenue, 10 p.m. until 6 a.m., Sunday

night through Friday morning, through February. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

16. **State Road 710, from south of Pratt Whitney Road to south of Park of Commerce Blvd.**

This 1.01-mile resurfacing project began Tuesday, Feb. 5, 2019, in Jupiter. Work includes widening the inside shoulders, resurfacing the roadway, and installing signage and pavement markings. The work is being performed by JW Cheatham, LLC, and expected to be completed fall 2019. The estimated construction cost is \$1.2 million.

Restrictions: One lane may be closed in each direction, 9 a.m. until 4 p.m., Monday through Friday. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

WESTERN PALM BEACH COUNTY PROJECTS

17. **State Road 80/Southern Boulevard, from west of Lion Country Safari Road to Forest Hill Boulevard/Crestwood Boulevard**

Construction on this 7.2-mile widening project began Tuesday, July 31, 2018, in the Village of Royal Palm Beach, Village of Wellington and the Town of Loxahatchee Groves. Work includes widening the existing roadway from four to six lanes, adding a 12-foot shared-use pathway on the north side of the roadway, adding bike lanes, milling and resurfacing, drainage improvements, adding lighting and signalization, installing curb and gutter, guardrails, minor median modifications and signage and pavement markings. The work is being performed by Community Asphalt Corp. and is expected to be completed in summer 2021. The estimated construction cost is \$33 million.

Restrictions: Southern Boulevard's eastbound shoulder from west of Flying Cow Road/A Road to Big Blue Trace Boulevard/F Road will be closed daily from 9 a.m. to 3:30 p.m. from Monday, Feb. 11, to Friday, Feb. 15, for striping of the roadway. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.
