FDOT Palm Beach County Traffic Report

November 27 through December 6, 2019

Palm Beach County, FL – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Weather permitting; closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

Please note, there are no scheduled temporary lane closures on FDOT construction projects Wednesday night, Nov. 27, through Sunday night, Dec. 1, in observance of the Thanksgiving Holiday.

2. I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from Renaissance Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)

Description: This project will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. Scope of work includes improvements at the I-95 interchange with SR 808/Glades Road and along SR 808/Glades Road from Renaissance Way to West University Drive. Additional project improvements include: milling, resurfacing and overbuilding the existing I-95 travel lanes and shoulders, widening the roadway, guardrail, barrier wall, attenuators, shoulder gutters, drainage, retaining walls, overhead sign structure installation, portable traffic monitoring sites, tolling gantries and associated infrastructure including construction of toll equipment buildings, installation of Intelligent Transportation System (ITS) and Express Lane Markers, signing and pavement markings, new signalization, lighting, utility relocation and ramp signaling at five interchanges from Glades Road to Linton Boulevard. The Clint Moore Road Bridge at I-95 will be modified and/or reconstructed to improve clearance over I-95 travel lanes. Bridge widening will be performed at Glades Road and Military Trail, at Glades Road over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and at I-95 and the C-51 Canal. Shoulder-mounted sound barrier walls will be constructed along I-95 in both directions and ground-mounted sound walls will be installed on Yamato Road adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard, adjacent to the Tierra Verde Community. For more information, please contact Community Outreach Specialist Andrea Pacini at (561) 214-3358.

Cost/Completion: Construction cost is \$148 million. Completion is expected in summer 2023.

Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly as needed for paving, Monday through Thursday, 9 p.m. until 5:30 a.m. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and the third and fourth lane will close at 11 p.m. until 5:30 a.m.
