SOUTHERN PALM BEACH COUNTY PROJECTS

4. Spanish River Boulevard Bridge Painting over the Intracoastal Waterway.

Description: This 0.2-mile bridge painting project began Monday, Aug. 12, 2019, between State Road A1A and US 1 over the Intracoastal waterway in Boca Raton. Work includes sandblasting the existing paint and repainting the steel bridge structure, repairing and rehabilitating the bridge span locks, and replacing the bridge piling jackets.

Cost/Completion: \$2.4 million. Completion is expected in early 2020.

Traffic Impact:

- One westbound lane may be closed, 9 a.m. until 5 p.m., with one eastbound lane closed, 7 a.m. until 2:30 p.m., Monday through Sunday, through October. Please note, one lane will remain open in each direction during this time.
- Lane closures may be needed on the access road under the bridge, 7 a.m. until 5 p.m., Monday through Sunday, through October. Flaggers will be on-site to direct traffic during this time.
- **Three (3) remaining weekends of full closures to continue this weekend, 5 a.m. Saturday, Oct. 12 through 5 a.m. Monday, Oct. 14, westbound lanes only:** The Spanish River Boulevard Bridge will undergo three (3) remaining weekends of full closures in October to conduct lock repair and maintenance work. Only one (1) of two (2) bridge spans will be closed in each direction each weekend, to allow for pedestrian and first responder access at all times. The closure will begin at 5 a.m. Saturday morning, ending at 5 a.m. the following Monday morning. At this time, **thewestbound lanes are expected to be closed Oct. 12 to Oct. 14, eastbound lanes closed Oct. 19 to Oct. 21, and westbound lanes closed Oct. 26 to Oct. 28.** Motorists may detour northbound to Linton Boulevard, or southbound to Palmetto Park Road. The entrance and exit on Spanish River Boulevard at Sea Ranch Club of Boca will also be closed during the westbound closures; the entrance and exit on State Road A1A will remain open. Should inclement weather affect operations, the closure will be rescheduled for the following weekend until completed. Please see detour flyer attached. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

Permit Work Unrelated to the Construction Project

Traffic Impact: The frontage road on the west side of the Spanish River Boulevard Bridge is currently closed directly under the bridge and along the north side of Spanish River Boulevard until further notice, due to an asphalt depression forming during directional boring operations for utility maintenance permit work unrelated to the construction project. The frontage road along the southwest side of Spanish River Boulevard is open to allow

for access to the condominiums but is closed directly at the bridge. The frontage road along the northwest side of Spanish River Boulevard is closed completely from the westbound access point from Spanish River Boulevard to the bridge. Westbound motorists can U-turn at US 1 to head eastbound to access the frontage road on the south side of Spanish River Boulevard. For more information and updates on the repairs, please contact FDOT District Four Communications Manager Guillermo Canedo at 954-777-4302.
