FDOT Palm Beach County Traffic Report

May 8 through May 15, 2020

Palm Beach County, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Weather permitting; closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, I-95 traffic information, call 511. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter at MyFDOT_SEFL.

CONSTRUCTION PROJECTS

-

INTERSTATE 95

1. I-95 from south of SW 10th Street in the City of Deerfield Beach to south of Glades Road in the City of Boca Raton (95 Express Phase 3B-1)

Description: Work on this 4.8-mile 95 Express project includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other project improvements include bridge widenings at Palmetto Park Road and Camino Real, complete bridge replacement at the Hillsboro Canal, noise wall construction, portable traffic monitoring sites, toll gantry installation, Intelligent Transportation System (ITS) installation, ramp signaling at the I-95 entrance ramps from Palmetto Park Road, Express Lane markers and landscape relocation. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$102 million. Completion is expected in Spring 2022.

Traffic Impact:

- **I-95 Southbound Full Closure Notice:** I-95 southbound lanes at Palmetto Park Road will be closed to traffic overnight Monday night, May 11 for a traffic shift towards the median. The first lane will close at 8 p.m., the second lane will close at 9 p.m., and all lanes will be closed by 10 p.m., reopening each morning by 6 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Palmetto Park Road, Military Trail and Hillsboro Blvd. FHP will be on site to assist motorists. **Please see detour flyer attached.**
- **I-95 Northbound Full Closure Notice:** I-95 northbound lanes at Hillsboro Boulevard will be closed to traffic overnight Tuesday night, May 12 and Wednesday night, May 13 for overhead sign structure installation. The first lane will close at 8 p.m., the second lane will close at 9 p.m., and all lanes will be closed by 10 p.m., reopening each morning by 6 a.m. Traffic will be detoured via the I-95 northbound exit ramp to Hillsboro Boulevard west, Military Trail and Palmetto Park Road. FHP will be on site to assist motorists. **Please see detour flyer attached.**
- I-95 will have three lanes closed in each direction nightly, between SW 10th Street and Glades Road, as needed, Sunday through Thursday, with the first lane closing at 8 p.m., the second lane closing at 9 p.m., and the third lane closing at 10 p.m. until 8 a.m.
- Palmetto Park Road at I-95 will have two lanes closed in each direction nightly, as needed, Sunday through Thursday. The first lane will close at 9 p.m., and the second lane will close at 10:30 p.m. All lanes will be opened by 5:30 a.m.
- Palmetto Park Road at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 3:30 p.m., Monday through Friday.
- Camino Real at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

Ramp Impact:

- The I-95 northbound exit ramp to Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via I-95 northbound, Hillsboro Boulevard, and Military Trail. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The northbound entrance ramp from eastbound and westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 southbound to Hillsboro Boulevard to I-95 northbound.
- The I-95 southbound entrance ramp from eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and SW 10th Street. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from westbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Palmetto Park Road and South Dixie Highway. FHP will be on site to assist motorists. Please note that ramp closures will be performed as needed per nighttime construction operations; consecutive ramps will not be closed at the same time.

2. I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2).

Description: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly as needed for paving, 8 p.m. until 8 a.m. Sunday through Thursday. The first lane will close at 8 p.m., the second lane will close at 9 p.m., and the third and fourth lane will close at 10 p.m.

Ramp Impact:

- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via Powerline Road and Jog Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via US-1. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via Powerline Road and Jog Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Glades Road will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via US-1. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Glades Road will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via Yamato Road and I-95 southbound. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Glades Road will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via Palmetto Park and I-95 northbound. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Peninsula Corp Drive will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured via I-95 southbound, Yamato Road and Congress Avenue. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Linton Boulevard will be closed nightly as needed for paving, 10 p.m. until 6 a.m., Sunday through Thursday. Westbound traffic will be detoured via Military Trail and

Yamato Road, eastbound traffic will be detoured via SR [5/North Federal Highway](#) and Yamato Road. FHP will be on site to assist motorists.

- Please note that ramp closures will be closed as needed per paving production; consecutive ramps will not be closed at the same time.

3. I-95 Interchange Improvements at Atlantic Avenue in the City of Delray Beach

Description: Work includes widening the I-95 northbound entrance ramp from Atlantic Avenue, creating a dedicated lane for I-95 northbound and southbound access from westbound Atlantic Avenue, construction of two turn lanes from westbound Atlantic Avenue; one to northbound Congress Avenue and one to southbound Congress Avenue, milling, resurfacing, pavement markings for improved safety and visibility, realigned crosswalks for improved pedestrian safety, internally illuminated and electronic display signs, signalization, pedestrian detectors, and traffic monitoring sites. Pavement markings for bike lanes will be included throughout the project. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$5.2 million. Completion is expected in summer 2020.

Traffic Impact:

- Atlantic Avenue from 13th Avenue to NW 23rd Avenue will have two through lanes closed daily, as needed, 10 a.m. until 2:30 p.m. and nightly, as needed, 9 p.m. until 5 a.m., Sunday through Saturday.
- **Advanced Notice:** Beginning 5 a.m., Monday morning, May 18, westbound Atlantic Avenue approaching I-95 will have a new configuration. The northernmost, or far right lane, of westbound Atlantic Avenue just west of NW 12th Avenue will be designated as I-95 entrance ramp ingress **only**. Vehicles traveling in this lane will no longer be able to perform a through movement to continue west on Atlantic Avenue due to the installation of a concrete traffic separator; this lane will be exclusively designated for vehicles wishing to access I-95 northbound or southbound. Please note that the decision point for this movement will need to be made before motorists reach NW 12th Avenue. **Please see detour flyer attached.**
- The Atlantic Avenue north sidewalk from 12th Avenue to NW 23 Avenue is closed completely for roadway reconstruction. Pedestrians will be detoured to the south sidewalk via existing crosswalks.
- Congress Avenue from NW 1st Street to Atlantic Avenue may have one lane closed in either direction nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday.
- NW 12th Avenue will have the westbound turn lane closed, nightly as needed, 9 p.m. to 5 a.m., Sunday through Thursday night.
- The signals at the intersection of Congress Avenue and Atlantic Avenue will be de-energized for new traffic light installation nightly as needed, 10 p.m. until 10 a.m., Monday night, May 11 through Wednesday night, May 13 and Monday night, May 18 and Tuesday night, May 19, if needed. Law Enforcement Officers will be on site to direct traffic during this operation.
- The I-95 northbound entrance ramp from Atlantic Avenue will have one lane closed nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday.

4. Improvements of Gateway Boulevard at SR-9/I-95 From east of High Ridge Road to east of I-95 in the City of Boynton Beach

Description: This 0.1659-mile improvement project includes conversion of the eastbound outside through lane to a dual through and right-turn lane for the I-95 southbound entrance ramp, new signalization and signage, median modifications and Americans with Disabilities Act (ADA) upgrades. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$552,417.92. Completion is expected in late 2020.

Traffic Impact: Gateway Boulevard, from east of High Ridge Road to east of I-95 may have one lane closed, daily, 9 a.m. until 4 p.m., Monday through Friday, and nightly, 7 p.m. until 5:30 a.m., Sunday through Thursday.

SOUTHERN PALM BEACH COUNTY PROJECTS

5. Swinton Avenue Resurfacing Project

Description: This 1.5-mile roadway improvements project began Tuesday, Apr. 14, 2020, in the City of Delray Beach. Work includes milling and resurfacing, adding 5-foot wide sidewalk on the west side of the roadway from S 10th Street to S 3rd Street, drainage, signage and pavement marking upgrades including roadway striping for shared use travel lanes, and minor signalization improvements to existing equipment.

Cost/Completion: \$1.4 million. Completion is expected in early 2021.

Traffic Impact:

- One lane may be closed in each direction, intermittently, from Atlantic Avenue to 4th Street/Lake Ida Road, 7 a.m. until 6 p.m., Monday through Friday, for paving operations. Flaggers will be on-site to direct traffic.
- Advanced notice: Beginning Monday night, May 18, one lane may be closed in each direction, intermittently, at the Swinton Avenue & Atlantic Avenue intersection, 8 p.m. until 6 a.m., Monday night through Thursday night, for paving operations. Flaggers will be on-site to direct traffic.
- **Daytime full closures for drainage installation:** Please note the following daytime full closures are permitted in only one location at a time. When one location is completed, the contractor may move to the next location, weather permitting.
 - S. Swinton Avenue, between SW 8th Street and SW 8th Court, may be closed, 7 a.m. until 6 p.m., daily, Monday through Friday, through Friday, May 15, for underground drainage installation. Motorists may detour via SW 8th Street, SW 2nd Avenue, and SW 8th Court. Pedestrian access will be maintained at all times. Please see flyer attached.
 - Once work is completed between SW 8th Street and SW 8th Court, S. Swinton Avenue, between SE 4th Street and SW 5th Street, may be closed, 7 a.m. until 6 p.m., daily, through Friday, May 15, for underground drainage installation. Motorists may detour via SE 4th Street, SW 4th Avenue, and SW 7th Street. Pedestrian access will be maintained at all times.
 - Advanced notice: S. Swinton Avenue, between SW 4th Street and SW 3rd Street, may be closed, 7 a.m. until 6 p.m., Monday, May 18, through Friday, May 22. Please see flyer attached. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

6. US 1 Improvements Project from George Bush Boulevard to Murano Bay Drive

Description: This 4.3-mile roadway improvements project began Thursday, Oct. 17, 2019, in the cities of Delray Beach and Boynton Beach. Work includes milling and resurfacing, roadway reconstruction, concrete curb and gutter, driveway, sidewalk, bridge railing, and bike lane installation.

Cost/Completion: \$5.4 million. Completion is expected in early 2021.

Traffic Impact:

- One lane may be closed in each direction, daily, 7 a.m. until 7 p.m., and nightly, 10 p.m. until 6 a.m., Sunday night through Friday. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

7. El Clair Ranch Road Bridge Replacement

Description: This bridge replacement project began Tuesday, Jan. 21, 2020 in unincorporated Palm Beach County. Work includes full bridge demolition and replacement, and bike lane and sidewalk installation.

Cost/Completion: \$2 million. Completion is expected in spring 2021.

Traffic Impact:

- **Full Bridge Closure:** The bridge is closed for reconstruction through spring 2021. Southbound motorists may detour via Flavor Pict Road westbound to Jog Road, southbound to Lake Ida Road, then eastbound to El Clair Ranch Road. Northbound motorists may detour via Lake Ida Road westbound to Jog Road, northbound to Flavor Pict Road, then eastbound to El Clair Ranch Road. Via Delray Boulevard, just south of the bridge closure, will also be available for motorists to head eastbound from El Clair Ranch Road.
- **Pedestrian Bridge Closures:** The pedestrian bridge may undergo brief intermittent closures as needed during daytime operations through May. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

-

8. Seminole Drive Bridge Replacement

Description: This bridge replacement project began Monday, Feb. 3, 2020, between Lantana Road and Tallulah Road in unincorporated Palm Beach County. Work includes full bridge demolition and replacement, and minor widening for bike lane and sidewalk installation.

Cost/Completion: \$1.3 million. Completion is expected in early 2021.

Traffic Impact:

- **Full Bridge Closure:** The bridge is closed for reconstruction through early 2021. Motorists may detour via Lawrence Road and Tallulah Road. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

-

9. State Road 7 Resurfacing Improvements Project from Atlantic Avenue to Boynton Beach Boulevard

Description: This 5.09-mile roadway improvements project began Monday, June 24, 2019, in Delray Beach and Boynton Beach. Work includes milling and resurfacing with minor shoulder widening, drainage improvements and lighting upgrades, installation of gravity wall, guardrail, signing and pavement markings, and intersection improvements at Atlantic Avenue and Boynton Beach Boulevard, including traffic monitoring systems and pedestrian detection/signals.

Cost/Completion: \$7.9 million. Completion is expected in late winter 2020.

Traffic Impact:

- One lane may be closed in each direction, daily, 7 a.m. until 6 p.m., Monday through Saturday, and nightly, 6 p.m. until 7 a.m., Sunday night through Thursday night. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

10. Boynton Beach Boulevard Improvements Project from Congress Avenue to west of Jog Road

Description: This 3.7-mile roadway improvements project began Thursday, Aug. 8, 2019, in Boynton Beach. Work includes milling and resurfacing, minor widening for bike lane installation, sidewalk, curb and gutter reconstruction, median safety improvements (including partially closing the median opening at Pear Tree Circle), installing directional turn lanes into Lime Tree Condominiums and Bent Tree Villas East, extending the existing turn lane at Bent Tree Drive, drainage, signage, and pavement marking upgrades, minor signalization and lighting improvements, and limited tree removal to allow for median and bike lane safety enhancements.

Cost/Completion: \$8.3 million. Completion is expected in early 2021.

Traffic Impact:

- The inside lane, from Jog Road to Winchester Park Boulevard, may be closed in each direction, intermittently, 7 a.m. until 5 p.m., Monday through Friday. Two lanes will remain open in each direction during this time.
- The outside lane, from Jog Road to Lawrence Rd., may be closed in each direction, intermittently, 7 a.m. until 5 p.m., Monday through Friday. Two lanes will remain open in each direction during this time.
- The eastbound outside lane, from west of Lawrence Rd. to Congress Ave., will be closed around-the-clock, Monday through Sunday, for curb replacement operations. Two lanes will remain open during this time.
- The westbound outside lane from west of Congress Ave. to Lawrence Rd. will be closed around-the-clock, Monday through Sunday, for curb replacement operations. Two lanes will remain open during this time.
- Up to two lanes may be closed in each direction, intermittently, at the intersections of Military Trail, Jog Rd., El Clair Ranch Rd. and/or Sun Valley E. Rd., 9 p.m. until 6:30 a.m., Sunday night through Friday morning, for signalization work. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

CENTRAL PALM BEACH COUNTY PROJECTS

-

11. Southern Boulevard (SR 80) Bridges Replacement Project

Description This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge has been built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction.

Cost/Completion: \$93 million. Completion is expected in summer 2021.

Traffic Impact:

- Flagler Drive from Southern Boulevard to Worth Court North is closed through summer 2020 as the roadway is reconstructed. Sidewalks also are closed. Access will be maintained for local traffic only. Traffic will be detoured as follows:
 - Traffic going north on Flagler Drive should: Go west on Worth Court North to Washington Road; go north on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.
 - Traffic going south on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go south on Washington Road to Worth Court North; go east on Worth Court North to Flagler Drive.
- Southern Boulevard from Flagler Drive to Washington Road may be closed from 6 p.m. Saturday, May 9, to noon Sunday, May 10, to pour concrete for a portion of the bridge deck. Traffic will be detoured as follows:

- Traffic going east on Southern Boulevard should: Go north on Flagler Drive to Monroe Drive; go west on Monroe Drive to Washington Road; go south on Washington Road to Southern Boulevard.
- Traffic going west on Southern Boulevard should: Go north on Washington Road to Monroe Drive; go north on Washington Road to Monroe Drive; go south on Flagler Drive to Southern Boulevard.
- Traffic going north on Flagler Drive should: Go west on Worth Court North to Washington Road; go north on Washington Road to Monroe Drive; go east on Monroe Drive to Flagler Drive; go south on Flagler Drive to Southern Boulevard.
- Traffic going south on Flagler Drive should: Go west on Monroe Drive to Washington Road; go south on Washington Road to Worth Court North; go east on Worth Court North to Flagler Drive.

Marine Impact:

- There will be half-channel closures from 6 a.m. to 6 p.m. Monday through Saturday. A full channel opening may be requested if four-hour notice is provided by calling Project Superintendent Clay Bores at (407) 488-0738. During half-channel closures, the horizontal clearance through the bridge is 40 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773.

12. State Road 80/Southern Boulevard at Forest Hill Boulevard/Crestwood Boulevard

Description: This 0.46-mile intersection improvement project, located in Wellington and Royal Palm Beach, began on October 24, 2019. Work consists of adding a third westbound to southbound left-turn lane from Southern Boulevard to Forest Hill Boulevard, widening the bridge over the C-51 Canal, converting the Forest Hill Boulevard northbound right-turn lanes to a free-flowing right-turn lane, and widening Southern Boulevard to accommodate an eastbound acceleration lane. Other improvements include milling and resurfacing, drainage, curb and gutter, lighting, guardrails, signalization, sidewalks, landscaping, signage and pavement markings.

Cost/Completion: \$5.7 million. Completion is anticipated in spring 2021.

Traffic Impact:

- Southern Boulevard's outside eastbound lane between Forest Hill Boulevard and Park Central will be closed 9 a.m. to 4 p.m. Monday through Friday for roadway widening.
- Southern Boulevard from west of Forest Hill Boulevard to Park Central will have multiple eastbound and westbound lane closures from 9 p.m. to 5 a.m. Wednesday and Thursday to install traffic signal span wires at the Southern Boulevard and Forest Hill Boulevard intersection.
- Forest Hill Boulevard from Southern Boulevard to Quercus Lane will have multiple northbound and southbound lane closures from 9 p.m. to 5 a.m. Wednesday and Thursday to install traffic signal span wires at the Southern Boulevard and Forest Hill Boulevard intersection.
- Southern Boulevard from west of Forest Hill Boulevard to Park Central may have multiple eastbound lane closures from 9 p.m. to 5 a.m. Sunday through Thursday.
- **Advance Notice:** Southern Boulevard from west of Forest Hill Boulevard to Park Central will have multiple eastbound and westbound lane closures from 9 p.m. to 5 a.m. Sunday, May 17, to Tuesday, May 19, to shift westbound traffic lanes to the south. Forest Hill Boulevard from Southern Boulevard to Quercus Lane will have multiple northbound and southbound lane closures during the same time to shift southbound traffic lanes to the east.
- **Advance Notice:** Southern Boulevard from west of Forest Hill Boulevard to Park Central will have multiple eastbound and westbound lane closures from 9 p.m. to 5 a.m. Wednesday, May 20, and Thursday, May 21, to relocate barrier wall. Forest Hill Boulevard from Southern Boulevard to Quercus Lane will have multiple northbound and southbound lane closures during the same time to relocate barrier wall.

- Southern Boulevard's south sidewalk from Forest Hill Boulevard to Royal Palm Beach Boulevard is closed until further notice. Forest Hill Boulevard's east sidewalk from Quercus Lane to Southern Boulevard is closed until further notice. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at (561) 886-8773.

13. State Road 80/Southern Boulevard and Lyons Road/Sansbury's Way

Description: This 1-mile intersection improvement project, located in unincorporated Palm Beach County, began active construction on October 18, 2018. Work consists of adding eastbound right-turn lane and a second westbound left-turn lane from Southern Boulevard to southbound Lyons Road; adding a second right-turn lane from northbound Lyons Road to eastbound Southern Boulevard; and adding a second northbound lane on Lyons Road and Sansbury's Way. Other improvements include minor roadway widening, widening the Lyons Road bridge over the C-51 Canal, milling and resurfacing, drainage improvements, curb and gutter, lighting, guardrails, signalization, sidewalk, signage and pavement markings.

Cost/Completion: \$7.5 million. Completion is anticipated in fall 2020.

Traffic Impact:

- One to two lane lanes in each direction will be closed on Southern Boulevard between Kelly Drive and Fairgrounds Road from 9 a.m. to 3 p.m. and 7 p.m. to 6 a.m. Monday through Friday to install traffic signals and remove old traffic signal mast arms. There will be short-term intermittent traffic stops after 11 p.m. to remove mast arms from over the roadway.
- One lane in each direction will be closed on Lyons Road/Sansbury's Way between Palm Beach Plantation Boulevard and Weisman Way from 9 a.m. to 3 p.m. and 7 p.m. to 6 a.m. Monday through Friday to install traffic signals.
- The east sidewalk on Sansbury's Way/Lyons Road is closed until further notice.
- The northbound right-turn lane from Southern Boulevard to the Shoppes at Southern Palms is closed until further notice.
- The dual left-turn lanes from eastbound Southern Boulevard to northbound Sansbury's Way have been reduced to one lane until further notice. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at (561) 886-8773.

NORTHERN PALM BEACH COUNTY PROJECTS

-

14. Congress Avenue Lighting Improvements Project

Description: This 1.2-mile lighting project began Friday, Oct. 4, 2019 from Blue Heron Boulevard to south of State Road 710 in the City of Riviera Beach. Work includes decorative lighting installation, partial bridge deck and railing replacement, and pavement marking and fencing installation.

Cost/Completion: \$3.4 million. The project is expected to be completed in late spring 2020.

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

15. Blue Heron Boulevard Bridge Fender Replacement Project

Description: This 0.2-mile bridge fender replacement project began Friday, July 12, 2019, in the City of Riviera Beach. Work includes removing and replacing the bridge fender system and navigational lighting system and removing all platforms and ladders from the bridge.

Cost/Completion: \$1,592,830. Completion is expected in spring 2020.

Traffic Impact:

- The outside lane and shoulder may be closed in each direction, intermittently, 10 p.m. until 3 a.m., Monday night through Sunday morning, for bridge ladder removal and navigational light replacement.
- Under the bridge, crews may be working in the channel with a half channel closure to stage equipment. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

16. **Indiantown Road Intersection Improvements, from Island Way to US 1**

Description: This 3.7-mile intersection improvements project began Wednesday, May 8, 2019, in Jupiter. Work included installing new light poles at 11 intersections, installing vehicle detection cameras, microwave detectors, and Bluetooth devices at 14 intersections, and installing asphalt pavement, patterned pavement, signage, and pavement markings at 10 intersections.

Cost/Completion: \$3.3 million. This project was final accepted by the Florida Department of Transportation on Tuesday, May 5, 2020.

Traffic Impact:

- This project was final accepted by the Florida Department of Transportation on Tuesday, May 5, 2020. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

WESTERN PALM BEACH COUNTY PROJECTS

17. **State Road 25 Resurfacing Project**

Description: Construction on this 12.626-mile resurfacing project will begin on Wednesday, May 13, in Palm Beach County. Work includes milling and resurfacing the existing travel lanes and shoulders, including shoulder widening, concrete barrier wall installation, guardrail removal and replacement, and signage, pavement marking, and rumble strip installation.

Cost/Completion: \$21.8 million. Completion is expected in early 2022.

Traffic Impact:

- Beginning Wednesday, May 13, the inside lane will be closed around-the-clock in each direction, through summer 2020. The speed limit will also be reduced to 45 mph in the construction zone. Please see flyer attached. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

18. **State Road 80/Southern Boulevard, from west of Lion Country Safari Road to Forest Hill Boulevard/Crestwood Boulevard**

Description: Construction on this 7.2-mile widening project began Tuesday, July 31, 2018, in the Village of Royal Palm Beach, Village of Wellington and the Town of Loxahatchee Groves. Work includes widening the

existing roadway from four to six lanes, adding a 12-foot shared-use pathway on the north side of the roadway, adding bike lanes, milling and resurfacing, drainage improvements, adding lighting and signalization, installing curb and gutter, guardrails, minor median modifications and signage and pavement markings.

Cost/Completion: \$33 million. Completion is expected in summer 2021.

Traffic Impact:

- Southern Boulevard's eastbound inside lane between B Road/Binks Forest Drive and Palms West Parkway will be closed 8 p.m. to 8 a.m. Sunday through Saturday for paving operations.
- Southern Boulevard's eastbound outside lane between Cane Field Trace and west of Lion Country Safari Road will be closed continuously while guardrail is installed.
- Median openings between Cane Field Trace and west of Palms West Parkway may be closed periodically for demolition and reconstruction. Median openings will not be closed consecutively.
- One lane may be closed periodically in each direction of Southern Boulevard from Palms West Parkway to Cane Field Trace from 9 a.m. to 3:30 p.m. daily Monday through Friday. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at (561) 886-8773.

19. **Belle Glade Sidewalk Improvements Project**

Description: Construction on this 2.4-mile sidewalk improvements project began Saturday, Sept. 14, 2019, in the City of Belle Glade. Work includes sidewalk replacement, pavement widening and restoration, driveway reconstruction, drainage structure and pipe replacement, signage and pavement marking upgrades, and installation of detectable warning systems at 13 different locations.

Cost/Completion: \$1.8 million. Completion is expected in fall 2020.

Traffic Impact:

- NE 1st Street, from Canal Street to NW Ave. F, may have daily lane closures with a flagging operation, 7:30 a.m. until 6 p.m., Monday through Friday.
- NE Ave. H, from NE 1st Street to Main Street, may have daily lane closures with a flagging operation, 7:30 a.m. until 6 p.m., Monday through Friday.
- NW 1st Street, from NW Ave. L to NW H Ave., may have daily lane closures with a flagging operation, 7:30 a.m. until 6 p.m., Monday through Friday. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

20. **Hamlin Boulevard Sidewalk Installation Project**

Description: This 0.71-mile sidewalk installation project began Thursday, February 27, 2020, in unincorporated Palm Beach County. Work includes construction of a six (6) foot asphalt sidewalk on the south side of Hamlin Boulevard.

Cost/Completion: \$299,394. Completion is expected in late spring 2020.

Traffic Impact:

- One lane may be closed, 9 a.m. until 3:30 p.m., Monday through Friday. During this time, flaggers will be on-site to direct traffic as needed. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

21. **State Road 15 Resurfacing Project**

Description: This 2-mile roadway resurfacing project began Sunday, Mar. 15, 2020, in the City of Pahokee. Work includes roadway resurfacing from south of Morgan Road to south of Shirley Drive, guardrail replacement, and installation of new signage and pavement markings.

Cost/Completion: \$3.9 million. Completion is expected in late 2020.

Traffic Impact:

- **Full Road Closure:** State Road 15, from Hooker Highway to south of Shirley Drive, is currently closed to through traffic. Hooker Highway to south of Morgan Road has both lanes open in each direction to local traffic only. Morgan Road to just south of New Hope Charities, Inc. is closed completely to traffic through Friday, May 15, 2020; only emergency vehicles may pass through the construction zone. From New Hope Charities, Inc. north to Shirley Drive is also open at this time. Motorists may detour via State Road 15, State Road 715, and Hooker Highway.
- **Full Road Closure Phase 2 shift:** Beginning Friday, May 15, State Road 15, from New Hope Charities, Inc., north to Shirley Drive, will be closed to traffic through fall 2020. Only emergency vehicles and residents living within this section may pass through the construction zone. Hooker Highway to New Hope Charities Inc. will be open to local traffic only in each direction during this time. Motorists may detour via State Road 15, State Road 715, and Hooker Highway. Please see flyer attached. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

Traffic Impact: I-95 at Woolbright Road, in Boynton Beach, will have intermittent lane closures in each direction as needed, 9 p.m. until 5 a.m., Sunday night through Thursday night, for thermoplastic installation. For more information, please contact Paul Watt at 954-380-0895.

Traffic Impact: I-95 at Hypoluxo Road, in Lantana, will have intermittent lane closures in each direction as needed, 9 p.m. until 5 a.m., Sunday night through Thursday night, for thermoplastic installation. For more information, please contact Paul Watt at 954-380-0895.

Traffic Impact: I-95 at 10th Avenue North, in Lake Worth Beach, will have intermittent lane closures in each direction as needed, 9 p.m. until 5 a.m., Sunday night through Thursday night, for thermoplastic installation. For more information, please contact Paul Watt at 954-380-0895.

Traffic Impact: I-95 at Donald Ross Road, in Palm Beach Gardens/Jupiter, will have intermittent lane closures in each direction as needed, 9 p.m. until 5 a.m., Sunday night through Thursday night, for thermoplastic installation. For more information, please contact Paul Watt at 954-380-0895.

Traffic Impact: I-95 at the Spanish River Boulevard ramp, in Boca Raton, 12 a.m. until 5 a.m., Monday through Friday, through Friday, May 29, 1 of 5 lanes closed, for directional bore installation and maintenance. For more information, please contact Erwin Mosqueda 954-789-7600.

Traffic Impact: The inside lane of the I-95 southbound exit ramp to Forest Hill Boulevard, in West Palm Beach, will be closed, 8 p.m. until 12 a.m., Thursday night, May 14, for pole installation. For more information, please

contact Jeff Sverdahl at 386-310-9255.

Traffic Impact: Advanced notice -- Temporary Roundabout and Signal Shutoff at Okeechobee Boulevard and Jog Road -- The intersection of S.R. 704/Okeechobee Boulevard and Jog Road in Palm Beach County will temporarily switch to a one-lane roundabout from 6 a.m. to 12 p.m. on Saturday, May 16, as part of a joint Palm Beach County and FDOT hurricane preparedness exercise. During this time the traffic lights will be turned off and the temporary roundabout will control traffic. Motorists will encounter temporary lane closures and a temporary change in traffic control at the intersection. FDOT staff will be on-site to monitor the exercise. The purpose of this exercise is to test the safety and effectiveness of a temporary roundabout in the event the signaled intersection is impacted by a loss of power due to a hurricane. With lower traffic volumes on the road under current COVID-19 conditions, this is an opportunity to test this configuration with minimal impacts to the public. For more information, please contact Guillermo Canedo at 954-777-4302.

Traffic Impact: The Lake Avenue Bridge, over the Intracoastal Waterway in Lake Worth Beach, will have one eastbound outside lane closed, Wednesday, May 13, and Thursday, May 14, for bridge painting. For more information, please contact Annette Guidice at 813-326-6398.

Traffic Impact: Advanced notice: The Boca Inlet Bridge over the Intracoastal Waterway, on State Road A1A in Boca Raton, will have alternating lane closures, 9 a.m. to 5 p.m., Tuesday, May 19, and Wednesday, May 20, for bridge inspection. Flaggers will be on-site to direct traffic. For more information, please contact Annette Guidice at 813-326-6398.

Traffic Impact: Bridge work is underway over the Loxahatchee River in Jupiter for Virgin Trains (formerly Brightline). The majority of bridge work, including pile-driving, will take place during daylight hours between 7 a.m. and 7 p.m. Bridge work is expected to continue until mid-2022. For more information, please contact Katie Mitzner at 407-502-3587.

Traffic Impact: Military Trail at Elmhurst Road, in West Palm Beach, will have the outside northbound lane closed, 9 p.m. to 6 a.m., Tuesday night, May 12, for pole lighting replacement. Flaggers will be on-site to direct traffic. For more information, please contact Frank Pueyo at 561-413-7169.

Traffic Impact: Okeechobee Boulevard at Palm Beach Lakes Boulevard, in West Palm Beach, will have the outside westbound lane closed, 9 p.m. to 6 a.m., Tuesday night, May 12, for pole lighting replacement. Flaggers will be on-site to direct traffic. For more information, please contact Frank Pueyo at 561-413-7169.

Traffic Impact: The Boca Inlet Bridge, over the Intracoastal Waterway in Boca Raton, will be closed to marine traffic, 9 a.m. until 1 p.m., weather permitting, Wednesday, May 13, to disassemble bearings. For more information, please contact Annette Guidice at 813-326-6398.

Traffic Impact: Eastbound and westbound Glades Road in the vicinity of Florida's Turnpike,

daytime single lane closure, 9 a.m. to 4 p.m., Monday through Friday. Please note this closure will not affect the entrance or exit ramps. For more information, please contact Fiorella Teodista at 954-663-0612.

Traffic Impact: Eastbound and westbound Atlantic Boulevard in the vicinity of Florida's Turnpike, daytime single lane closure, 9 a.m. to 4 p.m., Monday through Friday. Please note this closure will not affect the entrance or exit ramps. For more information, please contact Fiorella Teodista at 954-663-0612.

Traffic Impact: Eastbound and westbound Boynton Beach Boulevard in the vicinity of Florida's Turnpike, daytime single lane closure, 9 a.m. to 4 p.m., Monday through Friday. Please note this closure will not affect the entrance or exit ramps. For more information, please contact Fiorella Teodista at 954-663-0612.

Traffic Impact: Southbound Florida's Turnpike exit ramp to Boynton Beach Boulevard (Exit 86) Overnight full ramp closures, 9 p.m. to 5 a.m., Sunday, May 10, and nightly through Thursday, May 14. Detour information: Southbound Florida's Turnpike traffic wishing to access Boynton Beach Boulevard (Exit 86) will be directed to exit at Lake Worth Road (Exit 93), travel west on Lake Worth Road to SR 7/US 441 and travel south on SR 7/US 441 to access Boynton Beach Boulevard. For more information, please contact Fiorella Teodista at 954-663-0612.

Traffic Impact: Northbound State Road 25 between Southwest 1 Avenue and Southwest 2 Street, in South Bay, 9 a.m. until 3:30 a.m., Monday through Friday, through Friday, May 22, 1 of 2 lanes closed, for removal and concrete pole installation.
