

FLORIDA DEPARTMENT OF TRANSPORTATION TRAFFIC DETOURS FOR TRAFFIC SHIFT

State Road (SR) A1A/North Causeway Over Intracoastal Waterway (ICWW) Bridge Replacement Project
Saint Lucie County, Florida
Financial Project ID: 429936-2-52-01

SR 605/Old Dixie Hwy Full Closure at SR A1A Intersection for Reconstruction, Extended Through Mar. 29

The Florida Department of Transportation (FDOT) is pleased to provide information for the State Road (SR) A1A/North Causeway Over Intracoastal Waterway (ICWW) Bridge Replacement Project in the City of Fort Pierce. Please see below for information on detours required for traffic shift configuration work.

Construction Cost: \$111.5 million

Construction Start: May 1, 2023

Estimated Completion: Late 2027

TRAFFIC SHIFT CONFIGURATION WORK ON STATE ROAD (SR) A1A/NORTH CAUSEWAY AT SR 605/OLD DIXIE HIGHWAY

- Beginning at 12 a.m., Monday, January 15, 2024, northbound and southbound SR 605/Old Dixie Hwy at SR A1A will be closed around-the-clock through approximately 5 a.m., Friday, March 29, 2024, for traffic shift operations.
- Southbound SR 605/ Old Dixie Highway motorists will be detoured west onto Naco Road, then South US 1/ North Federal Highway.
- Southbound US 1/ North Federal Highway motorists can head east onto SR A1A.
- Northbound SR 605/ Old Dixie Highway motorists will be detoured onto US 1/ North Federal Highway, then east onto Naco Road.
- Access to residences and businesses will be maintained.
- Once the traffic shift is completed, the northbound lane will be open in each direction on SR 605/ Old Dixie Highway.

PROJECT IMPROVEMENTS

- Construct a new high-level fixed bridge connected directly to SR 5/US 1 going over the Florida East Coast (FEC) Railroad, Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring:
 - Navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel.
 - Install a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge.
 - Install 7-foot buffered bicycle lanes within the shoulders on both sides of SR A1A.
 - Construct a 12-foot shared-use path along Old Dixie Highway to provide connectivity to the East Coast Greenway.
 - Build an observation deck beneath the west side of the new bridge structure.
 - Construct a new access road under the bridge to businesses east of the FEC Railroad.
 - Extend Juanita Avenue from SR 5/US 1 to Old Dixie Highway and connect SR 5/US 1 and Old Dixie Highway along Sunny Lane.
