FDOT Treasure Coast Traffic Impact Report

March 10 through March 17, 2017

TREASURE COAST – Construction and maintenance-related lane closures on state highways in Martin, St. Lucie and Indian River counties are expected during the week of March 10 through March 17. **Weather permitting**, work will be done at the following locations throughout the Treasure Coast. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter @ MyFDOT_SEFL.

CONSTRUCTION PROJECTS **MARTIN COUNTY**

1. Kanner Highway / State Road 76 from Lost River Road to south of Monterey Road

Description: The 4.3-mile-long Kanner Highway widening project will begin September 6, 2016. Kanner Highway is being widened from a four-lane divided highway to a six-lane divided highway. Additional work on this project includes: widening the bridge over the South Fork St. Lucie River; drainage improvements, including construction of five retention ponds; construction of sound walls at Fisherman's / Somerset Cove and Whitemarsh Reserve; guardrail improvements; signalization upgrades; and turn lane and bicycle lane improvements.

Cost/Completion: \$20.8 million. Completion is expected in spring 2019.

Traffic Impact:

- The speed limit on Kanner Highway from Lost River Road to Indian Street has been reduced from 50 mph to 45 mph. The speed limit will remain at 45 mph after project completion.
- One lane in either direction of Kanner Highway from Lost River Road to Martin County High School will be closed daily (Sunday through Saturday) between 9 a.m. and 4 p.m. to clear vegetation for the construction of drainage ponds and sound walls.
- The sidewalk along the east side of Kanner Highway just south of the high school will be intermittently impacted daily (Sunday through Saturday) between 9 a.m. and 4 p.m., with flagmen holding pedestrian traffic so construction vehicles can enter and exit the pond area.
- The southbound sidewalk along Kanner Highway from Cove Road to Salerno Road is closed through Sunday, March 12. Pedestrians should use the northbound sidewalk along Kanner Highway at Salerno Road and Cove Road.

2. I-95 Interchange at Kanner Highway (State Road 76 / Exit 101)

Description: This 0.745-mile project includes widening Kanner Highway (SR 76) at the I-95 interchange, reconstructing the I-95 entrance and exit ramps, drainage, milling and resurfacing, signing & pavement

markings, and signalization. If you need additional information about the project please feel free to contact Terry B. Rauth P.E. at [\(772\) 419-6936](tel:7724196936) or trauth@martin.fl.us.

Cost/Completion: \$5.8 million. Completion in early 2017.

Traffic Impact:

- One lane in each direction of Kanner Highway will be closed intermittently Monday through Friday between 9 a.m. and 3 p.m. and Sunday through Thursday night between 6 p.m. and 6 a.m. for road work.

3. Kanner Highway / State Road 76 from Connors Highway (State Road 15) to West of SW Lake Point Circle

Description: This 1.8-mile project includes milling and resurfacing of Kanner Highway, signing and pavement markings including rumble striping, shoulder widening, intersection and driveway paving, new guardrail and guardrail repair.

Cost/Completion: \$1.31 million. Completion in spring 2017.

Traffic Impact:

- One lane in either direction of Kanner Highway will be closed Monday through Friday between 7 a.m. and 5 p.m. for sign installation. A flag crew will maintain two-way traffic.

4. State Road 710 / Warfield Boulevard from east of Kanner Highway (State Road 76) to the Martin / Palm Beach County Line

Description: This 5.572-mile project includes reconstructing State Road 710 to a 4-lane divided roadway with a 40-foot sodded median, concrete pavement, installing a new drainage system, and constructing a new wildlife crossing west of Martin / Palm Beach County line.

Cost/Completion: \$28 million. Completion in spring 2020.

Traffic Impact:

- One lane in either direction of SR 710 will be closed Monday through Friday between 7 a.m. and 5 p.m. A flag crew will maintain two-way traffic.

5. I-95 / Martin Highway (State Road 714) Interchange Landscape Improvements

Description: The improvements under this contract consist of installing trees at the Martin Highway (SR 714) I-95 Interchange and irrigation and pump installation.

Cost/Completion: \$1.15 million. Completion in fall 2017.

Traffic Impact:

- The shoulders at the I-95 / Martin Highway interchange may be closed intermittently Monday through Friday between 7 a.m. and 5 p.m. through fall 2017.

6. NE Causeway Boulevard from Indian River Drive to State Road A1A in Jensen Beach

Traffic Impact:

- The sidewalk along the north side of NW Causeway Boulevard is closed through April 2017. Pedestrians should use the sidewalk on the south side of the roadway.

7. U.S. 1 from SE Heritage Boulevard to SE Seabranh Boulevard in Hobe Sound

Traffic Impact:

- One lane in each direction of U.S. 1 will be closed Monday through Friday between 9 a.m. and 4 p.m. for construction of turning lanes.

-

ST. LUCIE COUNTY

8. State Road 70 / Okeechobee Road and Jenkins Road Intersection in Fort Pierce

Description: This .549-mile project includes widening the SR 70 and Jenkins Road intersection to provide additional through lanes and turning lanes, box culvert extension and installation work, drainage improvements, and lighting & signalization upgrades.

Cost/Completion: \$5.46 million. Completion in spring 2017.

Traffic Impact:

- One inside lane in either direction of Okeechobee Road from Jenkins Road to the Walmart entrance will be closed intermittently Monday through Friday between 7:30 a.m. and 4 p.m. for median work. Only one lane in each direction will be closed at the same time.
- One lane in either direction of Okeechobee Road from I-95 to Kerr Street may be closed intermittently Sunday through Thursday night between 9 p.m. and 6 a.m. and Monday through Friday between 9 a.m. and 4 p.m.
- One lane in either direction of Jenkins Road to the north & south of the Okeechobee Road intersection may be closed intermittently Sunday through Thursday night between 9 p.m. and 6 a.m. and Monday through Friday between 9 a.m. and 4 p.m. A flag crew will maintain two-way traffic.
- The eastbound Okeechobee Road right turn lane to southbound Jenkins Road is closed. Eastbound traffic can turn south onto Jenkins Road from the outside through lane, which is marked to allow right turns.
- The sidewalk on the north side of Okeechobee Road from Peters Road to McNeil Road is closed through spring 2017. Pedestrians may cross at the signalized intersections at Peters Road & McNeil Road.

9. Indrio Road Widening Project in Fort Pierce

Description: Indrio Road is being widened from west of the I-95 interchange to east of Emerson Avenue (State Road 607). This 2.7-mile project includes: reconstructing the existing two-lane Indrio Road to a four-lane, divided highway with a raised median; constructing a 6-foot sidewalk along the south side and a 12-foot-wide multi-purpose trail along the north side of Indrio Road; realigning Spanish Lakes Boulevard to connect with Koblegard Road; reconstructing Koblegard Road from Indrio Road north approximately .5 mile; and installing new highway lighting, signage and signalization.

Cost/Completion: \$23.9 million. Completion in spring 2019.

Traffic Impact:

- The speed limit on Indrio Road between I-95 and Emerson Avenue has been reduced from 55 mph to 45 mph. The speed limit will remain at 45 mph after project completion.
- One lane in either direction of Indrio Road will be closed Monday through Friday between 7 a.m. and 4:30 p.m. for road work and barrier wall installation. A flag crew will maintain two-way traffic.
- One lane in either direction of Johnston Road will be closed Monday through Friday between 7 a.m. and 4:30 p.m. for clearing and debris removal. A flag crew will maintain two-way traffic.

- One lane in either direction of Emerson Avenue will be closed Monday through Friday between 7 a.m. and 4:30 p.m. for clearing and debris removal. A flag crew will maintain two-way traffic.
- Motorists on Spanish Lakes Boulevard may experience short delays at the new Spanish Lakes Boulevard tie-in Monday through Friday between 7 a.m. and 4:30 p.m. for roadway construction.
- One lane in each direction of Indrio Road from I-95 to east of Koblegard Road is closed around-the-clock for construction on the north side of Indrio Road.
- Westbound traffic on Indrio Road from Spanish Lakes Boulevard to east of Koblegard Road is shifted south, utilizing the existing eastbound lane. Both eastbound and westbound traffic are reduced to one lane in each direction.
 - As a part of this westbound traffic shift, the left-turn lane out of Spanish Lakes Fairways is closed and all motorists leaving the community MUST make a right turn onto Indrio Road. Motorists wanting to go east on Indrio Road should go west on Indrio Road and make a U-turn at the opening after the I-95 overpass.

10. I-95 Bridge Deck Replacement Project at Gatlin Boulevard and Midway Road

Description: The I-95 bridge deck replacement project over Gatlin Boulevard and Midway Road includes: removing & replacing the bridge decks on I-95 over Gatlin Boulevard and CR-712/Midway Road; milling and resurfacing approaches to bridge decks; and re-striping approaches to bridge decks.

Cost/Completion: \$8.2 million. Completion in fall 2017.

Traffic Impact:

- The inside lane of I-95 is closed around-the-clock, with two lanes remaining open in each direction at the following overpasses:
 - The inside lane of northbound I-95 at Midway Road, with traffic shifted slightly to the east.
 - The inside lane of southbound I-95 at Midway Road, with traffic shifted slightly to the west.
 - The inside lane of southbound I-95 at Gatlin Boulevard, with traffic shifted slightly to the west.
 - The inside lane of northbound I-95 at Gatlin Boulevard, with traffic shifted slightly to the east.
- One lane in each direction of Gatlin Boulevard at I-95 will be closed Monday through Friday between 9 a.m. and 5 p.m. for overhead bridge work.
- Traffic on Gatlin Boulevard at I-95 will be reduced to one lane in each direction and shifted to the north or south Sunday through Thursday night between 8 p.m. and 7 a.m. for overhead bridge work.
- Traffic on Midway Road at I-95 will be reduced to one lane in each direction and shifted to the north or south Monday through Friday between 8 a.m. and 5 p.m. and Monday through Friday night for overhead bridge work.
- One northbound lane of I-95 at Midway Road will be closed Thursday night between 8 p.m. and 6 a.m.

11. Midway Road Widening Project from S. 25th Street to U.S. 1

Description: This 1.8-mile project includes: reconstructing the existing two-lane Midway Road to a four-lane, divided highway with a raised median; installing a new signal at Sunrise Boulevard; constructing a new bridge over the North Fork St. Lucie River; constructing a 6-foot sidewalk on the north side and a 12-foot multi-purpose trail on the south side Midway Road; constructing 4-foot bike lanes on both sides of the roadway; reconstruction of S. 25th Street approximately 1000' to the south & north of Midway Road; reconstruction of Sunrise Boulevard from W. 1st Street to Charlotta Street; reconstruction of Oleander Avenue from W. 2nd Street to Merritt Ditch; drainage improvements, including constructing 6 retention ponds at 5 locations; and signage, signalization, and lighting improvements.

Cost/Completion: \$26.8 million. Completion in spring 2020.

Traffic Impact:

- One lane in either direction of Midway Road from 25th Street to U.S. 1 may be closed Monday through Friday between 9 a.m. and 4 p.m. A flag crew will maintain two-way traffic.
- One lane in either direction of Oleander Avenue from W. 1st Street to north of Midway Road will be closed intermittently Monday through Friday between 9 a.m. and 4 p.m. A flag crew will maintain two-way traffic.
- One lane in either direction of Sunrise Boulevard from W. 1st Street to Augusta Street will be closed intermittently Monday through Friday between 9 a.m. and 4 p.m. A flag crew will maintain two-way traffic.
- One lane in either direction of 25th Street north and south of Midway Road will be closed Monday through Friday between 10 a.m. and 3 p.m. A flag crew will maintain two-way traffic.

12. North 25th Street from St. Lucie Boulevard (County Road 608) to U.S. 1.

Description: This 1.169-mile project includes: milling and resurfacing of N. 25th Street / SR 615; constructing new sidewalk on both sides of road from where existing sidewalk ends to U.S. 1; constructing 6-foot buffered bike lanes in each direction; rebuilding handicap ramps throughout project limits at qualifying locations; upgrading signs and pavement marking, and upgrading pedestrian signal control buttons and adding countdown timers at the St. Lucie Boulevard / N. 25th Street and U.S. 1 / N. 25th Street intersections.

Cost/Completion: \$2.14 million. Completion in fall 2017.

Traffic Impact:

- One lane in each direction of 25th Street will be closed Monday through Friday between 7 a.m. and 5 p.m.

13. Port St. Lucie Boulevard at Floresta Drive in Port St. Lucie

Traffic Impact:

- One eastbound lane of Port St. Lucie Boulevard will be closed Wednesday through Friday between 9 a.m. and 3 p.m. for utility work.

14. Orange Avenue east of U.S. 1 in Ft. Pierce

Traffic Impact:

- The westbound lane of Orange Avenue from U.S. 1 to Depot Drive is closed around-the-clock to construct a new turn lane. This closure is expected to be in place through April 7. Motorists should detour via 2nd Street to Avenue A or Citrus Avenue. To accommodate northbound traffic during this detour, Depot Drive will be converted to a one-way northbound road. The sidewalk on the north side of Orange Avenue between U.S. 1 and Depot Drive will also be closed around-the-clock. Pedestrians will be detoured to the sidewalk on the south side of Orange Avenue at U.S. 1 and Depot Drive.

**** See attached detour map**

INDIAN RIVER COUNTY

15. I-95 (SR 9) from just north of State Road 60 (Osceola Boulevard/Exit 147) at Vero Beach to the Indian River/Brevard County Line

Description: I-95 is being widened from just north of State Road 60 to the Indian River/Brevard County line. Improvements in this 12.5-mile-long project include: adding one lane on I-95 in each direction; milling and resurfacing the existing lanes; signalization and lighting improvements; Intelligent Transportation System (ITS) improvements, including closed-circuit television cameras, Dynamic Message Signs and vehicle detectors; removal/replacement of the existing bridges over CR 512 (Fellsmere Road); construction of a noise barrier wall adjacent to the Encore Sunshine Travel RV Resort; and reconstruction of the interchange at CR 512, including the ramps and turn lanes. The design/build contract started in May 2013. For information on this project, contact the Public Information Office at [\(772\) 713-5570](tel:772-713-5570) or i95projectinfo@gbfinc.net.

Cost/Completion: \$50.6 million. Completion in summer 2017.

Traffic Impact:

- Motorists should be alert for slow moving construction vehicles entering and leaving the travel lanes.
- The speed limit has been reduced to 60 mph in the work zone.
- One lane in each direction of I-95 may be closed Sunday through Thursday between 9 p.m. and 6 a.m. for construction activities.
- Southbound I-95 traffic from MM 156.5 to MM 155.8 is shifted to the new section of the CR-512 Bridge.
- Northbound I-95 traffic is shifted to the southbound inside lanes from MM 149 to MM 153.5.
- Northbound I-95 traffic is shifted to the southbound lanes from MM 154 to MM 154.8
- Northbound I-95 traffic is shifted to the northbound lanes over the new section of the bridge from MM 155 to MM 156.3.
