

FLORIDA DEPARTMENT OF TRANSPORTATION

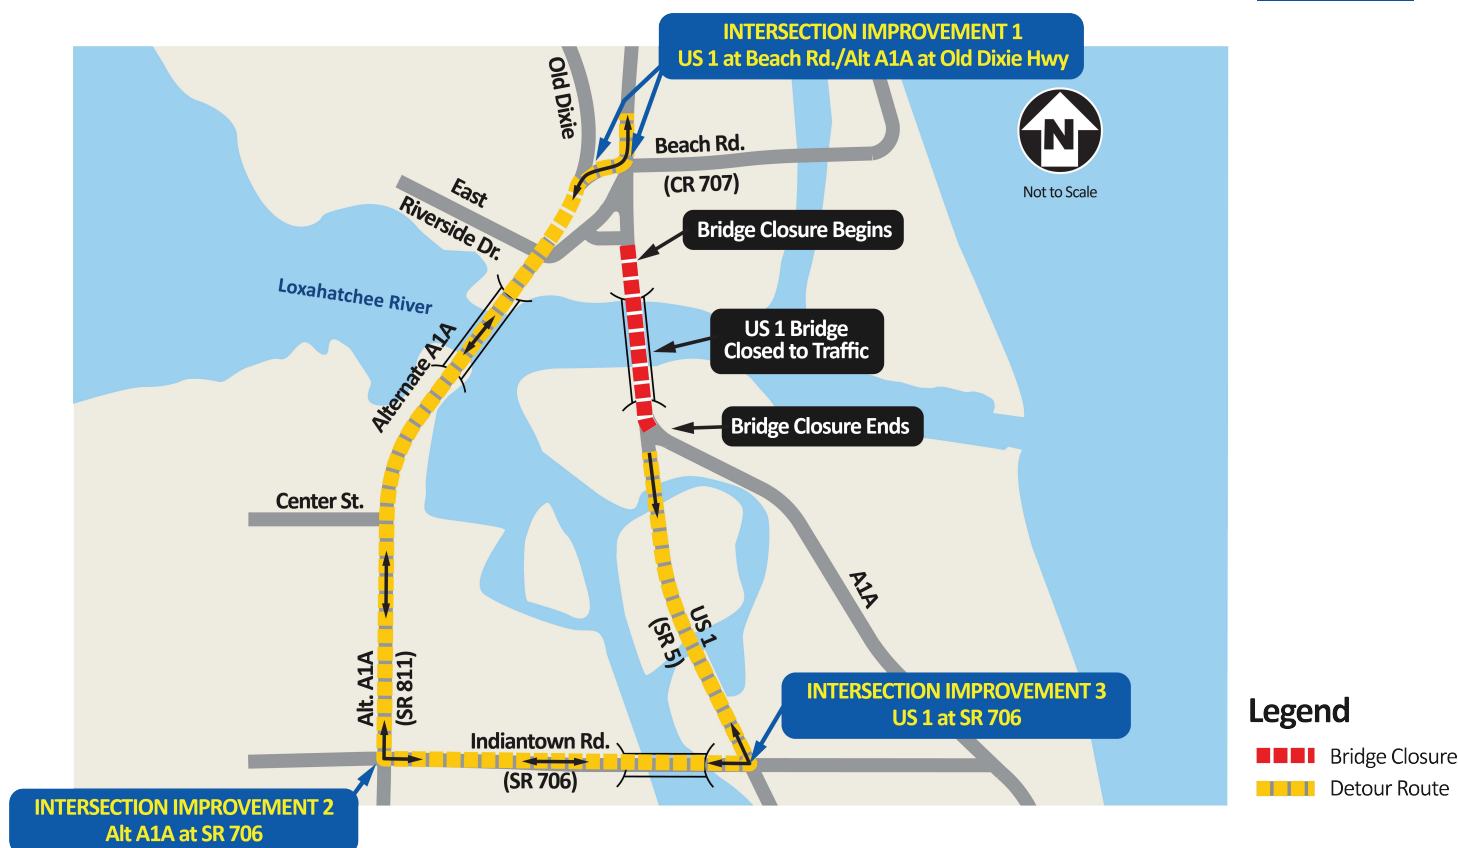

US 1 JUPITER BRIDGE REPLACEMENT

US 1 from County Road (CR) A1A to County Road (CR) 707
Town of Jupiter
Palm Beach County, Florida
Financial Project ID Number: 428400-2-52-01

US 1 JUPITER BRIDGE TO UNDERGO FULL CLOSURE 11 PM APRIL 11 TO 6 AM APRIL 14

Beginning at 11 p.m. Friday night, Apr. 11, 2025, the US 1 Jupiter Bridge will close around-the-clock to all motorists and pedestrians until 6 a.m. Monday, Apr. 14, 2025. Please note, on demand half channel openings will be permitted during this time. This full closure is required to remove temporary barrier walls, traffic control devices and striping, and to functionally test the bridge. When the bridge reopens Monday morning, April 14, the bridge will be striped in the final configuration with two travel lanes, a bike lane and sidewalk open in each direction. Additional lane closures can be expected through the remainder of the project for median work and final construction operations as needed.

During this full weekend closure, motorists will be directed to follow the detour route along US 1, Indiantown Road, and Alternate A1A. Additional project information and progress photos and videos can be found on the [project page](#).
