

# FLORIDA DEPARTMENT OF TRANSPORTATION INVITES YOU TO A CONSTRUCTION OPEN HOUSE

SW Port St. Lucie Boulevard Widening Project  
From South of SW Paar Drive to South of SW Alcantarra Boulevard  
In the City of Port St. Lucie  
St. Lucie County, FL  
Financial Project ID Number: 431752-5-52-01

## SW PORT ST. LUCIE BOULEVARD WIDENING PROJECT

The Florida Department of Transportation (FDOT) invites the community to a Virtual Public Meeting and In-Person Construction Open House regarding the SW Port St. Lucie Boulevard Widening Project from south of SW Paar Drive to south of SW Alcantarra Boulevard. The City of Port St. Lucie, as project sponsor, requested that the FDOT design and construct this project through application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 18-R42. FDOT is pleased to assist with completing these improvements aimed to enhance the safety, resiliency, and longevity of the infrastructure for our communities. Please see below for detailed meeting information.

**Construction Cost:** \$25,577,357

**Construction Start:** September 2025

**Estimated Completion:** Fall 2028

## PROJECT IMPROVEMENTS

- Widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, separated by an 18-foot wide median with stamped concrete and landscaping to improve safety and traffic operations.
- Constructing new right-turn lanes on SW Port St. Lucie Boulevard at the north and south approaches to SW Paar Drive to enhance traffic flow.
- Constructing new signalized intersections with mast arms on SW Port St. Lucie Boulevard at SW Paar Drive and SW McCall Road to improve safety and traffic operations.
- Upgrading existing sidewalk curb ramps and constructing a new 8- to 10-foot wide sidewalk along both sides of SW Port St. Lucie Boulevard and adjacent side streets to improve pedestrian safety and connectivity.
- Upgrading the existing lighting to LED fixtures and installing new light poles on the east side of the roadway within the project limits to improve safety for motorists and pedestrians.
- Constructing a new drainage system to enhance functionality and long-term resiliency.
- Installing signage and pavement markings to improve safety, functionality, and traffic operations.

## TRAFFIC IMPACTS

- Lane closures are permitted daily, Monday through Sunday from 8:00 a.m. to 4:00 p.m.
- Nighttime work may occur Monday through Sunday from 7:00 p.m. to 6:00 a.m. Advanced notice will be provided.
- Residential and business access will be maintained.
- Additional information about lane closures and detours will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link: [FDOT Treasure Coast Construction \(d4fdot.com\)](https://www.d4fdot.com).

## FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Please contact the Community Outreach Specialist, Samantha Kayser, to be added to project email notification lists. If special accommodations under the Americans with Disabilities Act (ADA) or translation services (free of charge) are needed, please contact the Project Manager, Sara Storey, at least seven (7) days prior to the Meeting. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Para información y preguntas en Español, por favor llame al (954) 777-4302.
