FDOT Broward County Traffic Impact Report

Nov. 7, 2025, through Nov. 14, 2025

FORT LAUDERDALE, Fla. – Construction and maintenance-related lane closures on state highways in Broward County are expected during the week of Nov. 7, 2025, through Nov. 14, 2025. Weather permitting, work will be done at the following locations throughout the county. Please note, any full road, ramp or bridge closures have been highlighted below. For around-the-clock, real-time, traffic information, visit <http://www.fl511.com/>. For updated lane closure information, please refer to www.d4fdot.com. CONSTRUCTION PROJECTS

INTERSTATES

1. **State Road (S.R.) 9/I-95 from south of S.R. 820/Hollywood Boulevard in the City of Hollywood to the south of S.R. 842/Broward Boulevard in the City of Fort Lauderdale and S.R. 862/I-595 from S.R. 9/I-95 to U.S. 441/S.R. 7 in the Town of Davie (95 Express Phase 3C)**

Description: Work on this 9-mile 95 Express project includes extending the existing Express Lanes north from just south of S.R. 820/Hollywood Boulevard to just south of S.R. 842/Broward Boulevard in Broward County. One lane will be added, and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of general-use lanes will remain the same. Other project improvements include the construction of I-95/I-595 Direct Connectors between S.R. 9/95 Express Lanes and S.R. 862/I-595, as well as reconstruction, milling, resurfacing, and widening of S.R. 862/I-595 from U.S. 441/S.R. 7 to S.R. 9/I-95 and along S.R. 9/I-95 from south of S.R. 820/Hollywood Boulevard to south of S.R. 842/Broward Boulevard. Additional work includes bridge widening along S.R. 9/I-95 at several locations, painting of 17 bridges within project limits, S.R. 9/I-95/S.R. 84 interchange modifications, Integrated Intelligent Transportation System (ITS) installation, including cameras, detectors, and dynamic message signs to optimize traffic operations, tolling/gantry construction, ramp signalization implementation at the interchanges, lighting, signage and drainage installation and construction of shoulder-mounted sound walls and retaining walls. For more information, please contact Interstate Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/Completion: \$457 million/Early 2026

Northbound S.R. 9/I-95 Traffic Pattern Changes:

- **The Northbound S.R. 9/I-95 Managed Lanes connection to S.R. 736/Davie Boulevard was completed early Friday morning, Nov. 7. [Please view the graphic attached.](#)**

Motorists traveling within the Managed Lanes system who wish to access local roads, S.R. 862/I-595, Fort Lauderdale-Hollywood International Airport, or Port Everglades must exit north of S.R. 820/Hollywood Boulevard. Updated overhead signage is now in place to reflect the new configuration for **Local Exits 21–29 (Sheridan St through Sunrise Blvd).**

- **Northbound S.R. 9/I-95 to Westbound S.R. 862/I-595 Direct Connector Fly Over Ramp to Open:** The northbound S.R. 9/I-95 to westbound S.R. 862/I-595 Managed Lanes direct-connector flyover ramp is scheduled to open by Monday, Nov. 10. Updated overhead signage is in place to reflect the new configuration. Please note dates are subject to change due to weather or unforeseen circumstances.

For more information on the northbound S.R. 9/I-95 integration sequence, please click [here](#) for additional information.

S.R. 9/I-95 Traffic Impacts:

- S.R. 9/I-95 in each direction, between S.R. 820/Hollywood Boulevard and S.R. 736/Davie Boulevard, may have up to four lanes closed, nightly as needed, 8 p.m. until 5:30 a.m., Sunday through Thursday, for paving. The first lane will close at 8 p.m., the second lane will close at 8:30 p.m., and the third and fourth lanes will close at 9:30 p.m. All lanes will be open by 5:30 a.m.
- S.R. 9/I-95 in each direction, from S.R. 820/Hollywood Boulevard to south of S.R. 736/Davie Boulevard, will have shoulder closures, daily and nightly, as needed, Sunday through Thursday.
- Southbound S.R. 9/I-95 will have four lanes closed just south of NW 19th Street bridge from 11 p.m. until 5 a.m. Monday, Nov. 10, through Thursday, Nov. 13, for overhead sign panel operations. The first lane will close at 10 p.m., the second lane will close at 10:30 p.m., and four lanes will be closed by 11 p.m., reopening by 5 a.m. Signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 Managed Lanes, from S.R. 820/Hollywood Boulevard to S.R. 736/Davie Boulevard, will be closed from 8 p.m. until 7 a.m., Fridays, as needed, for paving and striping operations. The ingress north of S.R. 848/Stirling Road will also be closed. Motorists must egress north of S.R. 820/Hollywood Boulevard. The next available ingress is north of Oakland Park Boulevard. Signage will be in place to assist motorists.
- The southbound S.R. 9/I-95 Managed Lanes, from S.R. 848/Stirling Road to County Road (C.R.) 854/Ives Dairy Road, will be closed to traffic from 8 p.m. until 5 a.m. on Wednesday, Nov. 12; Thursday, Nov. 13; Wednesday, Nov. 19; Thursday, Nov. 20, and Sunday, Nov. 23, for overhead sign structure operations. The next available ingress will be at C.R. 854/Ives Dairy Road. FHP will be on site, and signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 Managed Lanes, from C.R. 854/Ives Dairy Road to S.R. 848/Stirling Road, will be closed to traffic from 8 p.m. until 5 a.m. on Wednesday, Nov. 12, Thursday, Nov. 13; Wednesday, Nov. 19; Thursday, Nov.

20, and Sunday, Nov. 23, for overhead sign structure operations. Motorists traveling within the northbound managed lanes will exit at C.R. 854/Ives Dairy Road onto the general purpose lanes. The next available ingress will be at S.R. 848/Stirling Road. FHP will be on site, and signage will be in place to assist motorists.

S.R. 9/I-95 Ramp Impacts:

- The northbound S.R. 9/I-95 exit ramp to S.R. 842/Broward Boulevard may be closed to traffic nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday for traffic shift, paving and ITS operations. Motorists will be detoured via the ramp to the Broward Boulevard Park and Ride, northbound SW 1st Street, and westbound NW 22nd Avenue to access S.R. 842/Broward Boulevard. Signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 exit ramp to S.R. 736/Davie Boulevard will be closed to traffic nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday for traffic shift, paving and ITS operations. Traffic will be detoured via the northbound exit to S.R. 842/Broward Boulevard, and southbound Riverland Road to S.R. 736/Davie Boulevard. Signage will be in place to assist motorists.
- The southbound S.R. 9/I-95 entrance ramp from S.R. 736/Davie Boulevard will be closed to traffic nightly as needed, from 9 p.m. until 5 a.m. Sunday through Thursday, for traffic shift and paving operations. Traffic will be detoured via westbound S.R. 736/Davie Boulevard, northbound Riverland Road, and eastbound S.R. 842/Broward Boulevard to access the S.R. 9/I-95 entrance ramp. Signage will be placed to direct motorists.
- The northbound S.R. 9/I-95 exit ramp to S.R. 84 will be closed to traffic nightly as needed from 10:30 p.m. until 5 a.m., Sunday through Thursday, for drainage installation. Traffic will be detoured via northbound S.R. 9/I-95 northbound to the eastbound S.R. 862/I-595 ramp and U.S. 1/S.R. 5/North Federal Highway to S.R. 84. Signage will be placed to direct motorists.
- The southbound S.R. 9/I-95 exit ramp to S.R. 84 will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, for traffic shift, paving, and striping operations. Traffic will be detoured via the southbound S.R. 9/I-95 exit ramp to westbound S.R. 818/Griffin Road, northbound U.S. 441/ S.R. 7 to access S.R. 84. Signage will be in place to direct motorists.
- The northbound S.R. 9/I-95 entrance ramp from westbound S.R. 84 will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, for ramp signal installation. Traffic will be detoured westbound S.R. 84, northbound U.S. 441/S.R. 7, and eastbound S.R. 736/Davie Boulevard to access the northbound S.R. 9/I-95 entrance ramp. Signage will be placed to direct motorists.
- The southbound S.R. 9/I-95 entrance from the Broward Boulevard Park and ride will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, for overhead sign installation. Traffic will be detoured via the southbound S.R. 9/I-95 ramp to westbound S.R. 862/I-595, U.S. 441/S.R. 7, and eastbound S.R. 862/I-595 to the southbound S.R. 9/I-95 entrance ramp. Signage will be in place to assist motorists.

- The northbound S.R. 9/I-95 to the westbound S.R. 862/I-595 ramp will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., from Sunday through Thursday, for lighting and punch list operations. Traffic will be detoured via S.R. 818/Griffin Road, and U.S. 441/S.R. 7 to the westbound S.R. 862/I-595 entrance ramp. Signage will be in place to assist motorists.
- The southbound S.R. 9/I-95 entrance ramp from S.R. 818/Griffin Road will be closed to traffic nightly, as needed, 10 p.m. until 5 a.m., from Sunday through Thursday, for ramp meter loop installation. Motorists traveling eastbound on S.R. 818/Griffin Road will be detoured via eastbound S.R. 818/Griffin Road, U.S. 1/S.R. 5, and S.R. 848/Stirling Road to the S.R. 9/I-95 southbound entrance ramp. Motorists traveling westbound S.R. 818/Griffin Road will be detoured via Anglers Avenue, and S.R. 848/Stirling Road to the southbound S.R. 9/I-95 entrance ramp. Signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 entrance ramp from S.R. 818/Griffin Road will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., from Sunday through Thursday, for ramp meter loop installation. Traffic will be detoured via eastbound S.R. 818/Griffin Road, U.S. 1/S.R. 5, and S.R. 862/I-595 to the S.R. 9/I-95 northbound entrance ramp. As an alternate detour, traffic may be routed via U.S. 441/S.R. 7 and S.R. 862/I-595 to the northbound S.R. 9/I-95 northbound entrance ramp. Signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 exit ramp to S.R. 848/Stirling Road will be closed to traffic nightly, as needed, from 10:30 p.m. until 5 a.m., from Sunday through Thursday, for lighting operations. Traffic will be detoured via S.R. 818/Griffin Road, U.S. 1/S.R. 5, and S.R. 848/Stirling Road. Signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 entrance ramp from S.R. 848/Stirling Road will be closed to traffic nightly, as needed, from 10:30 p.m. until 5 a.m., from Sunday through Thursday, for lighting and Wrong Way Driving Detection System installation. Motorists traveling westbound on S.R. 848/Stirling Road will be detoured via Anglers Avenue and S.R. 818/Griffin Road to the northbound S.R. 9/I-95 entrance ramp. Motorists traveling eastbound S.R. 848/Stirling Road will be detoured via U.S. 1/S.R. 5 and S.R. 818/Griffin Road to the northbound S.R. 9/I-95 entrance ramp. Signage will be in place to assist motorists.
- The southbound S.R. 9/I-95 exit ramp to S.R. 848/Stirling Road will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., from Sunday through Thursday, for lighting and Wrong Way Driving Vehicle Detection System installation. Traffic will be detoured via southbound S.R. 9/I-95, S.R. 822/Sunrise Boulevard, U.S. 441/S.R. 7, and S.R. 848/Stirling Road. Signage will be in place to assist motorists.
- The southbound S.R. 9/I-95 entrance ramp from S.R. 848/Stirling Road will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, for lighting and Wrong Way Driving Vehicle Detection System installation. Traffic will be detoured via U.S. 441/S.R. 7 southbound, and eastbound S.R. 822/Sheridan Street to S.R. 9/I-95 southbound. Signage will be in place to assist motorists.

- The northbound S.R. 9/I-95 exit ramp to S.R. 820/Hollywood Boulevard will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, for overhead sign structure operations. Traffic will be detoured via S.R. 822/Sheridan Street, S.R. 811/North Dixie Highway, and S.R. 820/Hollywood Boulevard. Signage will be in place to assist motorists.
- The northbound S.R. 9/I-95 entrance ramp from westbound S.R. 862/I-595 may have one lane closed nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The southbound S.R. 9/I-95 entrance ramp from westbound S.R. 862/I-595 may have one lane closed nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The southbound S.R. 9/I-95 southbound entrance ramp from eastbound S.R. 862/I-595 may have one lane closed nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The northbound and southbound S.R. 9/I-95 exit ramps to S.R. 818/Griffin Road may have two lanes closed intermittently, nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The northbound and southbound S.R. 9/I-95 exit ramps to S.R. 848/Stirling Road may have two lanes closed intermittently, nightly as needed, from Sunday through Thursday.
- The northbound and southbound S.R. 9/I-95 entrance ramps from S.R. 848/Stirling Road may have one lane closed intermittently, nightly as needed, from 9 p.m. until 5:30 a.m. Sunday through Thursday, for ITS and drilled shaft operations.
- ***Please note that ramp closures will be performed as needed per nighttime construction operations; consecutive ramps will not be closed at the same time.**

S.R. 862/I-595 Traffic Impacts:

- Eastbound S.R. 862/I-595 will have three lanes closed from 11 p.m. until 5 a.m., Sunday through Thursday, for pavement operations. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 10:30 p.m. All lanes will be open by 5:30 a.m.
- S.R. 862/I-595 in each direction, from east of U.S. 441/S.R. 7 to Anglers Avenue, may have up to four lanes closed nightly as needed, from 9 p.m. until 5:30 a.m., Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 10:30 p.m. All lanes will be open by 5:30 a.m.
- S.R. 862/I-595 in each direction, from U.S. 441/S.R. 7 to S.R. 9/I-95, will have shoulder closures, daily and nightly as needed, Sunday through Thursday.

S.R. 862/I-595 Ramp Impacts:

- The eastbound S.R. 862/I-595 ramp, the Florida's Turnpike ramp and the Davie Road ramp to eastbound S.R. 84 will be closed to traffic nightly, as needed, from 10 p.m. until 5 a.m., Sunday through Thursday, for sign structure installation operations. Motorists will be detoured via the adjacent ramp to S.R. 84. Signage will be in place to assist motorists.

- The westbound S.R. 862/I-595 ramp to U.S. 441/S.R. 7 will be closed nightly, as needed, from 10:30 p.m. until 5:30 a.m., Sunday through Thursday, for paving and punch list operations. Traffic will be detoured via westbound S.R. 862/I-595 and S.R. 736/Davie Boulevard to the eastbound S.R. 862/I-595 entrance ramp. Signage will be in place to assist motorists.
- The eastbound S.R. 862/I-595 entrance ramps from U.S. 441/S.R. 7, the S.R. 91/Florida's Turnpike, and S.R. 84 will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday for overhead sign panel operations. Motorists will be detoured via U.S. 441/S.R. 7, S.R. 818/Griffin Road, and northbound S.R. 9/I-95 to S.R. 862/I-595. Signage will be in place to assist motorists.
- The eastbound S.R. 862/I-595 entrance ramp from Davie Road will be closed to traffic nightly as needed, from 10:30 p.m. to 5 a.m., Sunday through Thursday, for overhead sign structure installation. Traffic will be detoured via the northbound U.S. 441/S.R. 7 ramp, eastbound S.R. 736/Davie Boulevard, and southbound S.R. 9/I-95 to access the eastbound S.R. 862/I-595 entrance ramp. Signage will be in place to assist motorists.
- The eastbound S.R. 862/I-595 ramp to southbound U.S. 441/S.R. 7 and eastbound S.R. 84 will be closed to traffic as needed, from 11 p.m. until 5 a.m., Sunday through Thursday for overhead sign structure and paving operations. Traffic wishing to access southbound U.S. 441/S.R. 7 will be detoured via eastbound S.R. 862/I-595, northbound U.S. 441/S.R. 7 to U-turn at the U.S. 441/S.R. 7 and Riverland Road intersection to access southbound U.S. 441/S.R. 7. Traffic wishing to access eastbound S.R. 84 will be detoured via northbound U.S. 441/S.R. 7, eastbound S.R. 736/Davie Boulevard, southbound S.R. 9/I-95, and eastbound S.R. 862/I-595 to access S.R. 84. Signage will be in place to assist motorists.
- The westbound S.R. 862/I-595 ramp to S.R. 91/Florida's Turnpike and S.R. 84 will be closed to traffic nightly as needed, from 11 p.m. until 5 a.m., Sunday through Thursday, for striping and paving operations. Traffic will be detoured via the Davie Road ramp to access the S.R. 91/Florida's Turnpike or S.R. 84. Signage will be in place to assist motorists.
- The eastbound and westbound S.R. 862/I-595 entrance ramp from southbound S.R. 9/I-95 may have two lanes closed nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The westbound S.R. 862/I-595 entrance ramp from southbound S.R. 9/I-95 may have one lane closed nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The eastbound S.R. 862/I-595 entrance ramp from northbound S.R. 9/I-95 may have one lane closed nightly as needed, from 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The westbound S.R. 862/I-595 entrance ramp from northbound S.R. 9/I-95 may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.

- The westbound S.R. 862/I-595 westbound exit ramp to U.S. 441/S.R. 7 and the S.R. 91/Florida's Turnpike will have one lane closed nightly as needed, from 9 p.m. until 6 a.m., Sunday through Thursday.
- ***Please note that ramp closures will be performed as needed per nighttime construction operations; consecutive ramps will not be closed at the same time.**

S.R. 84 Traffic Impacts:

- The eastbound S.R. 84 entrance ramp from eastbound S.R. 862/I-595, U.S. 441/S.R. 7, and the S.R. 91/Florida's Turnpike will be closed to traffic nightly, as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, for paving and striping operations. Traffic will be detoured via the adjacent S.R. 84 ramp. FHP will be on site, and signage will be in place to assist motorists.
- The eastbound and westbound S.R. 84 ramp to southbound S.R. 9/I-95 will be closed to traffic nightly, as needed, from 9 p.m. until 6 a.m., Sunday through Thursday, for ITS and punch list operations. Traffic will be detoured via westbound S.R. 84, SW 30th Avenue, and S.R. 818/Griffin Road to the S.R. 9/I-95 southbound entrance ramp. FHP will be on-site, and signage will be in place to assist motorists.
- The westbound S.R. 84 ramp to U.S. 441/S.R. 7, S.R. 91/Florida's Turnpike and S.R. 862/I-595 will be closed to traffic nightly, as needed, from 11 p.m. until 5 a.m., Sunday through Thursday, for striping and paving operations. Motorists will be detoured via the U.S. 441/S.R. 7 ramps to Riverland Road, make a U-turn at SW 20th Street to access U.S. 441/S.R. 7. Signage will be in place to assist motorists.

Arterial Traffic Impact:

- Anglers Avenue, from SW 36th Street to south of SW 31st Street, will be closed to motorists through early 2026 for bridge construction operations. Traffic will be detoured via SW 31st Street, SW 26th Terrace, and SW 36th Street.
- SW 30th Avenue in each direction, at the S.R. 862/I-595 overpass, will be closed to traffic overnight, from 9:30 a.m. until 4 p.m., Sunday through Thursday, for bridge conduit installation. Motorists will be detoured via SW 26th Terrace, and eastbound S.R. 84 to the U-turn movement underneath the S.R. 84 bridge. Signage will be in place to assist motorists.
- SW 26th Terrace may have flagging operations as needed.
- U.S. 441/S.R. 7 just south of the S.R.862/I-59 entrance ramp will have two outside lanes closed nightly, 10 p.m. until 5 a.m., Monday through Thursday for overhead sign structure installation.
- S.R. 820/Hollywood Boulevard at S.R. 9/I-95 may have the shoulder closed in each direction daily as needed for directional bore operations.
- S.R. 818/Griffin Road, from Old Griffin Road and Anglers Avenue, may have up to two lanes closed in each direction nightly, 8:30 p.m. until 6 a.m., Sunday through Thursday.

2. Advanced Wrong-Way Driving Safety Improvements Project in Broward County

Description: Project improvements include installing flashing beacons, wrong-way

signage, and Intelligent Transportation System (ITS) devices at 23 exit ramps to enhance safety by detecting wrong-way drivers and preventing serious injury crashes on the State Highway System; integrating the wrong-way driving detecting system/ITS with the Regional Transportation Management Center (RTMC) to aid in alerting motorists and notifying law enforcement; and upgrading wrong-way signage and pavement markings to preserve the service life of the road and enhance visibility. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$5,626,065/Fall 2025

Ramps Impacts:

- All lanes open
- [Please click here to visit the project webpage for more information.](#)

3. State Road (S.R.) 93/I-75/Alligator Alley Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: Project improvements include milling and resurfacing the roadway within the project limits to ensure long-term resilience; installing guardrail within the project limits to ensure safety; and upgrading signing and pavement markings within the project limits to enhance nighttime visibility. For more information, please contact Community Outreach Specialist Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$52,509,985/Fall 2026

Traffic Impacts:

- The outside or inside lane/shoulder in each direction of S.R. 93/I-75/Alligator Alley from the Everglades Toll Plaza to Mile Post (MP) 31.261 will be closed as needed nightly, 9 p.m. until 11 a.m., Sunday through Friday, for multi-post signs and bridge connection operations.
 - Please be advised that the outside and inside lanes will not be closed simultaneously.
 - Outside and inside lane/shoulder closures for guardrail replacement will be restricted to one bridge at a time.
 - During nighttime operations along the outside lanes in each direction of S.R. 93/I-75/Alligator Alley, the entrance and exit ramps to select recreational areas/boat ramps may be temporarily closed as part of the roadway paving operation.
 - Please be advised that the closures of select recreational areas/boat ramps will be restricted to one location at a time
- The outside or inside lane/shoulder in each direction of S.R. 93/I-75/Alligator Alley from MP 31.261 to the Broward/Collier County, with minimal encroachment into Collier County, will be closed as needed from Sunday through Friday, for roadway paving operations, bridge expansion joints, sign installation and guardrail installation at select bridge locations.
 - Please be advised that the outside and inside lanes will not be closed simultaneously.
 - Outside and inside lane/shoulder closures for guardrail replacement will be restricted to one bridge at a time.
 - During nighttime operations along the outside lanes in each direction of

S.R. 93/I-75/Alligator Alley, the entrance and exit ramps to select recreational areas/boat ramps may be temporarily closed as part of the roadway paving operation.

- Please be advised that the closures of select recreational areas/boat ramps will be restricted to one location at a time.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

4. State Road (S.R.) 838/Sunrise Boulevard at S.R. 9/I-95 Interchange Improvements and Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: The project improvements include widening S.R. 838/Sunrise Boulevard at the S.R. 9/I-95 Interchange overpass to accommodate dual right turn lanes onto northbound and southbound S.R. 9/I-95 to improve vehicular capacity and operations; widening the southbound S.R. 9/I-95 (Exit 29) off-ramp to accommodate triple left and triple right turn lanes onto S.R. 838/Sunrise Boulevard to improve vehicular capacity and operations; milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; installing new light poles with LED fixtures at the S.R. 9/I-95 Interchange to enhance nighttime visibility; installing Wrong-Way Driver detection systems on all ramps at the S.R. 9/I-95 Interchange to improve vehicular safety; upgrading existing signalization features to improve pushbutton accessibility and enhance pedestrian safety; adding a shared-use path on the S.R. 838/Sunrise Boulevard bridge over S.R. 9/I-95 to enhance pedestrian connectivity; and upgrading sidewalk curb ramps, pavement markings, and signage to enhance visibility and accessibility. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$55,449,488/Early 2029

Traffic Impacts:

S.R. 9/I-95 Traffic Impacts:

- **Northbound S.R. 9/I-95 Full Closure:** All lanes of northbound S.R. 9/I-95 at S.R. 838/West Sunrise Boulevard (Exit 29B) will be closed to traffic, 8 p.m. until 6 a.m., Wednesday, Nov. 12. This closure is necessary to allow crews to safely install signalization conduits below the S.R. 838/Sunrise Boulevard Bridge Deck.
 - During the full closure, northbound S.R. 9/I-95 traffic will be detoured via the exit ramp to eastbound S.R. 838/East Sunrise Boulevard (Exit 29A), northbound S.R. 845/Powerline Road/NW 9th Avenue, and westbound S.R. 816/Oakland Park Boulevard to access the S.R. 9/I-95 northbound entrance ramp. To ensure motorists and crew safety, the ingress to the S.R. 9/I-95 northbound managed lanes at S.R. 838/Sunrise Boulevard will be closed from 8 p.m. until 6 a.m. Motorists may enter the managed lanes at the S.R. 816/Oakland Park Boulevard ingress. Thursday, Nov. 13 will be used as a contingency night if needed. The Florida Highway Patrol (FHP) will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area. Please see the attachments to view the detour flyer.

- In association with the northbound S.R. 9/I-95 full closure, the S.R. 9/I-95 northbound managed lanes entrance and exit ramps to and from the Broward Boulevard Park & Ride will be closed.
- **Southbound S.R. 9/I-95 Full Closure:** All lanes of southbound S.R. 9/I-95 at S.R. 838/Sunrise Boulevard will be closed to traffic, 8 p.m. until 6 a.m., Thursday, Nov. 13. This closure is necessary to allow crews to safely install signalization conduits below the S.R. 838/Sunrise Boulevard Bridge Deck.
 - During the full closure, southbound S.R. 9/I-95 traffic will be detoured via the exit ramp to westbound S.R. 838/Sunrise Boulevard, southbound U.S. 441/S.R. 7, and eastbound S.R. 862/I-595 to access the S.R. 9/I-95 southbound entrance ramp. To ensure motorists and crew safety, the ingress to the S.R. 9/I-95 southbound managed lanes at S.R. 838/Sunrise Boulevard will be closed from 8 p.m. until 6 a.m. Motorists may enter the managed lanes at the S.R. 842/Broward Boulevard ingress. Sunday, Nov. 16 will be used as a contingency night if needed. The Florida Highway Patrol (FHP) will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area. Please see the attachments to view the detour flyer.
- **Northbound S.R. 9/I-95 Advanced Full Closure:** All lanes of northbound S.R. 9/I-95 at S.R. 838/West Sunrise Boulevard (Exit 29B) will be closed to traffic, 8 p.m. until 6 a.m., Sunday, Nov. 16. This closure is necessary to allow crews to safely install signalization conduits below the S.R. 838/Sunrise Boulevard Bridge Deck.
 - During the full closure, northbound S.R. 9/I-95 traffic will be detoured via the exit ramp to eastbound S.R. 838/East Sunrise Boulevard (Exit 29A), northbound S.R. 845/Powerline Road/NW 9th Avenue, and westbound S.R. 816/Oakland Park Boulevard to access the S.R. 9/I-95 northbound entrance ramp. To ensure motorists and crew safety, the ingress to the S.R. 9/I-95 northbound managed lanes at S.R. 838/Sunrise Boulevard will be closed from 8 p.m. until 6 a.m. Motorists may enter the managed lanes at the S.R. 816/Oakland Park Boulevard ingress. Monday, Nov. 17 will be used as a contingency night if needed. The Florida Highway Patrol (FHP) will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area. Please see the attachments to view the detour flyer.
 - In association with the northbound S.R. 9/I-95 full closure, the S.R. 9/I-95 northbound managed lanes entrance and exit ramps to and from the Broward Boulevard Park & Ride will be closed.
- **Southbound S.R. 9/I-95 Advanced Full Closure:** All lanes of southbound S.R. 9/I-95 at S.R. 838/Sunrise Boulevard will be closed to traffic, 8 p.m. until 6 a.m., Tuesday, Nov. 18. This closure is necessary to allow crews to safely install signalization conduits below the S.R. 838/Sunrise Boulevard Bridge Deck.
 - During the full closure, southbound S.R. 9/I-95 traffic will be detoured via the exit ramp to westbound S.R. 838/Sunrise Boulevard, southbound U.S. 441/S.R. 7, and eastbound S.R. 862/I-595 to access the S.R. 9/I-95 southbound entrance ramp. To ensure motorists and crew safety, the

ingress to the S.R. 9/I-95 southbound managed lanes at S.R. 838/Sunrise Boulevard will be closed from 8 p.m. until 6 a.m. Motorists may enter the managed lanes at the S.R. 842/Broward Boulevard ingress. Wednesday, Nov. 19 will be used as a contingency night if needed. The Florida Highway Patrol (FHP) will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area. Please see the attachments to view the detour flyer.

- S.R. 9/I-95 southbound express lane from S.R. 838/Sunrise Boulevard to S.R. 842/Broward Boulevard, may have one lane closed, 8 p.m. until 6 a.m., Wednesday, Nov. 12. Thursday Nov. 13 will be used as a contingency night if needed.
- S.R. 9/I-95 northbound express lane from S.R. 838/Sunrise Boulevard to S.R. 842/Broward Boulevard, may have one lane closed, 8 p.m. until 6 a.m., Thursday, Nov. 13. Sunday, Nov. 16 will be used as a contingency night if needed.
- **Advanced Notice:** S.R. 9/I-95 southbound express lane from S.R. 838/Sunrise Boulevard to S.R. 842/Broward Boulevard, may have one lane closed, 8 p.m. until 6 a.m., Sunday, Nov. 16. Monday Nov. 17 will be used as a contingency night if needed.
- **Advanced Notice:** S.R. 9/I-95 northbound express lane from S.R. 838/Sunrise Boulevard to S.R. 842/Broward Boulevard, may have one lane closed, 8 p.m. until 6 a.m., Tuesday, Nov. 18. Wednesday, Nov. 19 will be used as a contingency night if needed.
- S.R. 9/I-95 in each direction, between S.R. 842/Broward Boulevard and S.R. 816/Oakland Park Boulevard, may have up to two lanes closed, nightly as needed, 9 p.m. until 7 a.m., Sunday through Thursday.

S.R. 9/I-95 Ramp Impacts:

- **Ramp Closure:** The S.R. 9/I-95 northbound exit ramp (Exit 29B) to S.R. 838/West Sunrise Boulevard will be closed to traffic nightly as needed, 8 p.m. until 6 a.m., Sunday through Thursday, beginning Sunday, Sept. 7, through Thursday, Nov. 20, for earthwork and ramp widening operations. Traffic will be detoured via eastbound S.R. 838/Sunrise Boulevard, southbound S.R. 845/Powerline Road, westbound Sistrunk Boulevard, northbound NW 27th Avenue, and westbound S.R. 838/Sunrise Boulevard. Signage will be in place to assist motorists.
- **Ramp Closure:** The S.R. 9/I-95 northbound entrance ramps from S.R. 838/Sunrise Boulevard will be closed to traffic nightly as needed, 8 p.m. until 6 a.m., Sunday through Thursday, beginning Monday, Oct. 13, through Thursday, Nov. 20, for earthwork and ramp widening operations. S.R. 838/East Sunrise Boulevard traffic will be detoured via northbound S.R. 845/Powerline Road, westbound S.R. 816/Oakland Park Boulevard, and northbound S.R. 9/I-95. S.R. 838/West Sunrise Boulevard traffic will be detoured via northbound NW 31st Avenue, eastbound S.R. 816/Oakland Park Boulevard, and northbound S.R. 9/I-95. Signage will be in place to assist motorists.

S.R. 838/Sunrise Boulevard Impacts:

- S.R. 838/Sunrise Boulevard from just west of S.R. 9/I-95 to S.R. 5/U.S. 1/North

Federal Highway may have up to two lanes intermittently closed, one direction at a time, nightly as needed, 9 p.m. until 7 a.m., Monday through Friday.

5. State Road (S.R.) 84/I-595 Corridor Resurfacing Project

Description: The Florida Department of Transportation (FDOT) will begin the I-595 Corridor Resurfacing Project in mid-June 2025. This major infrastructure effort includes repaving and restriping I-595 and State Road 84 from I-75 to I-95, covering the Express Lanes, General Purpose Lanes, and adjacent segments of State Road 84. The project is designed to extend the service life of the pavement and improve safety for all roadway users. Construction will be performed in phases to minimize disruptions and will occur at night to reduce impacts to daytime traffic. Access to properties along the corridor will be maintained throughout the duration of the work. FDOT remains committed to working closely with the community to ensure transportation improvements reflect local needs and long-term goals. For more information, please contact FDOT Project Manager Kris McKirdy at (954) 777-4586 or kris.mckirdy@dot.state.fl.us.

Cost/Completion: \$20 Million / Spring 2029

Traffic Impacts:

- Eastbound I-595 General Purpose lanes from Pine Island Road to Davie Road may have up to three lanes closed on select nights that began Wednesday, October 8, 2025 through Thursday, November 13, 2025. The first lane will close at 9 p.m., the second lane at 9:30 p.m., and the third lane at 10 p.m., with all lanes reopening by 5 a.m. This closure is necessary to safely perform milling and resurfacing operations. A detour, including impacted on- and off-ramps, remains in place along Eastbound State Road 84 from Pine Island Road to Davie Road. Ongoing milling and resurfacing activities may be impacted by weather conditions. Motorists are encouraged to continue traveling east on State Road 84 and use the next available on-ramp to Eastbound I-595 once it is open and safe for travel. Please use caution in the area and follow all posted detour signs.
- Westbound I-595 General Purpose Lanes from Flamingo Road and 136th Avenue may have up to three lanes closed on select nights beginning Sunday, November 16, 2025 through Monday, November 17, 2025. The first lane will close at 9 p.m., the second lane at 9:30 p.m., and the third lane at 10 p.m., with all lanes reopening by 5 a.m. This closure is necessary to safely perform milling and resurfacing operations. Ongoing milling and resurfacing activities may be impacted by weather conditions.
- Eastbound I-595 General Purpose lanes from Pine Island Road to Davie Road may have up to three lanes closed on select nights beginning Sunday, November 23, 2025 through Tuesday, November 25, 2025, and then Monday, December 1, 2025 through Thursday, December 4, 2025. The first lane will close at 9 p.m., the second lane at 9:30 p.m., and the third lane at 10 p.m., with all lanes reopening by 5 a.m. This closure is necessary to safely perform milling and resurfacing operations. A detour, including impacted on- and off-ramps, remains in place along Eastbound State Road 84 from Pine Island Road to Davie Road. Ongoing milling and resurfacing activities may be impacted by weather conditions. Motorists are encouraged to continue traveling east on State Road 84 and use

the next available on-ramp to Eastbound I-595 once it is open and safe for travel. Please use caution in the area and follow all posted detour signs.

- Full Ramp closure on Northbound Turnpike (Exit 54) to I- 595/ State Road 84/US-441 is to be closed on select nights beginning Tuesday, November 11, 2025 through Thursday, November 13, 2025 from 9 p.m. to 5 a.m. This closure is necessary to safely perform milling and resurfacing operations. A detour is provided for drivers intending to take Exit 54. These motorists will need to exit one exit before (Exit 53) and follow the posted detour signs through Griffin Road and US-441. As part of this traffic control operation, the Turnpike northbound entrance ramp at Orange Drive will also be closed. A separate detour will be implemented for drivers approaching this entrance from the west. They will continue west to Davie Road, then follow detour signs leading to eastbound State Road 84, where motorists can access US-441, I-595, or the Turnpike. Similarly, motorists traveling eastbound and intending to enter the northbound Turnpike from Orange Drive will be directed to continue east to US-441. From there, they will follow detour signs to the intersection of US-441 and I-595, where they will regain access to the same routes that would normally be available if the ramp were open.
- Full Ramp Closure on Eastbound State Road 84 to Exit Ramp for Florida Turnpike (Exit 8) is to be closed on select nights beginning Sunday, November 16, 2025 through Tuesday, November 18, 2025 from 9:00pm to 5:00am. This closure is necessary to safely perform milling and resurfacing operations. The detour will accommodate motorists who would normally exit at Exit 8 to access the Northbound Florida Turnpike. Instead, motorists will continue east on State Road 84, merge onto Northbound US-441, then turn left onto Sunrise Boulevard and travel west to reach the Northbound Turnpike entrance. The detour will also accommodate motorists who would normally exit at Exit 8 to access the Southbound Florida Turnpike. Instead, motorists will continue east on State Road 84, merge onto Southbound US-441, and follow the detour signs to Griffin Road to access the Southbound Turnpike. Ongoing milling and resurfacing activities may be impacted by weather conditions. Please use caution in the area and follow all posted detour signs.
- Full Ramp Closure on Westbound 595/State Road 84 and Northbound/Southbound US-441 to Exit off Ramp to Southbound Turnpike is to be closed on select nights beginning Wednesday, November 19, 2025 through Thursday, November 20, 2025 from 9:00pm to 5:00am. This closure is necessary to safely perform milling and resurfacing operations. Drivers traveling west on State Road 84, southbound or northbound on US-441, or westbound on I-595 who intend to access the Turnpike southbound will need to continue west, loop around Davie Road, then head east to merge onto US-441 southbound. From there, they will follow Orange Drive going west to reach the Turnpike southbound entrance. This detour also applies to motorists traveling east on State Road 84 who are unable to use Exit 8 to merge onto Turnpike southbound; they will need to follow the same detour described above. Ongoing milling and resurfacing activities may be impacted by weather conditions. Please use caution in the area and follow all posted detour signs.

6. State Road (S.R.) 93/I-75 Interchange at Royal Palm Boulevard Improvements Project

Description: The project improvements include widening the S.R. 93/I-75 mainline to add an additional lane and enhance entry and exit movements; widening the S.R. 93/I-75 exit and entrance ramps at Royal Palm Boulevard and S.R. 818/Griffin Road to increase storage capacity and enhance traffic flow; widening the S.R. 93/I-75 bridge over the C-11 Canal to support the S.R. 93/I-75 mainline expansion and enhance traffic flow; installing Wrong-Way Driver Detection Systems at key locations to enhance safety: southbound S.R. 93/I-75 exit ramp to westbound Royal Palm Boulevard, northbound S.R. 93/I-75 exit ramp to westbound Royal Palm Boulevard, and northbound S.R. 93/I-75 exit ramp to westbound S.R. 818/Griffin Road; milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; upgrading signing and pavement markings within the project limits to enhance nighttime visibility; and upgrading existing light poles with new LED fixtures and installing additional poles throughout the project limits to enhance nighttime visibility. For more information, contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$36.2 million/Summer 2028

Traffic Impacts:

- S.R. 93/I-75 from S.R. 818/Griffin Road to SW 14th Street may have one lane closed nightly as needed, 9 p.m. until 6 a.m., Sunday through Thursday.
- Royal Palm Boulevard at S.R. 93/I-75 may have one lane closed nightly as needed, 9 p.m. until 6 a.m., Sunday through Thursday.
- Shoulder closures are permitted as needed.

NORTH BROWARD

(Coconut Creek, Coral Springs, Deerfield Beach, Fort Lauderdale, Hillsboro Beach, Lauderdale Lakes, Lauderdale-By-The-Sea, Lauderhill, Lazy Lake, Lighthouse Point, Margate, North Lauderdale, Oakland Park, Parkland, Plantation, Pompano Beach, Sea Ranch Lakes, Sunrise, Tamarac, Wilton Manors)

7. Floranada Road/NE 45th Street Sidewalk Connectivity Project in Oakland Park and Fort Lauderdale

Description: Project improvements include adding new sidewalks within project limits to enhance safety and connectivity for pedestrians; milling and resurfacing the existing roadway from NE 44th Place to the Florida East Coast (FEC) Railroad and from NE 18th Avenue to U.S. 1/S.R. 5/North Federal Highway to ensure long-term infrastructure resilience; installing new drainage to ensure long-term resilience; upgrading existing pedestrian signals and lighting at the intersection of Floranada Road/NE 45th Street and U.S. 1/S.R. 5/North Federal Highway to enhance pedestrian safety and nighttime visibility; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$1,950,676/Late 2025

Traffic Impacts:

- **Full Closure Notice:** Westbound Floranada Road/NE 45th Street at S.R. 5/U.S.

1/North Federal Highway will be closed daily, from 7:30 a.m. until 4 p.m., on Thursday, Nov. 6 through Saturday, Nov. 8 for drainage operations. Traffic will be detoured via NE 43rd Court and NE 18th Avenue. Signage will be in place to assist motorists. Please click [here](#) to view the detour flyer.

- Floranada Road/NE 45th Street from NE 44th Place to the Florida East Coast (FEC) Railroad and from NE 18th Avenue to S.R. 5/U.S. 1/North Federal Highway may have one lane closed daily as needed, 10 a.m. until 6 p.m., Monday through Friday for drainage operations. Flagging operations will be used as needed.
- **Parking notice:** Access to on-street parking will be impacted due to drainage installation. To minimize impacts to the public, on-street parking will be closed in sections until drainage work is completed. Affected parking spots will be identified and marked in advance. Businesses and residents will be notified by the project team.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

8. State Road (S.R.) A1A Advanced Transportation Management System (ATMS) Implementation Project in Fort Lauderdale

Description: The project improvements include upgrading and installing a new fiber optic network; installing Intelligent Transportation System (ITS) devices including Closed-Circuit Television Cameras (CCTV) controlled by wireless network devices; installing Bluetooth travel time devices along the corridor; installing two Arterial Dynamic Messaging Signs (ADMS); upgrading Traffic Signal Vehicle Detection Systems along the corridor; upgrading the signalization including vehicle detection system, new traffic controller and modifying existing traffic controllers; and removing and reinstalling existing pavers where impacted by construction. For more information, contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$9,138,494/Winter 2025

Traffic Impact:

- S.R. A1A/Seabreeze Boulevard, between S.R. 838/Sunrise Boulevard and Harbor Drive, may have one lane intermittently closed in each direction nightly, as needed, 9 p.m. until 7:30 a.m.
- SE 17th Street, between S.R. 5/U.S. 1/Federal Highway and Harbor Drive, may have one lane intermittently closed nightly as needed, 11 p.m. until 7 a.m.
- S.R. 838/Sunrise Boulevard, between southbound S.R. 5/U.S. 1/Federal Highway and S.R. A1A/Seabreeze Boulevard, will have one lane closed nightly as needed, 9 p.m. until 7:30 a.m.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

9. Copans Road Mobility Improvements Project from State Road U.S. 441/ (S.R.) 7 to NW 49th Terrace in Coconut Creek and Margate

Description: The project improvements include reconstructing the existing roadway and sidewalk to accommodate a 9-foot Shared Used Path along project limits; improving drainage along project limits; upgrading pedestrian signalization on Copans Road at U.S. 441/S.R. 7 and Banks Road; and upgrading curb ramps, signing, and pavement markings along project limits. For more information, please contact the Community Outreach Specialist, Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$4,964,677/Fall 2025

Traffic Impact:

- Eastbound Copans Road from Banks Road to Hammock Boulevard will have one lane closed, 9 a.m. to 4 p.m., Monday through Friday for drainage installation and shared use path construction. Signage will be in place to assist motorists.
- Westbound Copans Road from U.S. 441/S.R. 7 to NW 49th Terrace will have one lane closed around the clock for drainage and sidewalk operations. Signage will be in place to assist motorists.
- Westbound Lyons Road to Banks Road will have a single lane closed, Monday through Friday, 9 a.m. until 4 p.m.

10. Davie Boulevard Extension/Peters Road Resurfacing, Restoration, and Rehabilitation (RRR) Project in Plantation

Description: The project improvements consist of milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; constructing raised medians from SW 46th Avenue to U.S. 441/S.R. 7; installing drainage from SW 46th Avenue to U.S. 441/S.R. 7 to enhance long-term infrastructure resilience; upgrading existing pedestrian signals at signalized intersections to improve push button accessibility; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$2,565,294/Fall 2025

Traffic Impact:

- Single lane closures along Davie Boulevard Extension/ Peters Road in each direction will be implemented as needed for drainage installation and median construction.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

11. U.S. 441/State Road (S.R.) 7 Transit Corridor Improvements Project (Group 6) in Margate, North Lauderdale, and Pompano Beach

Description: Project improvements along **Kimberly Boulevard** consist of milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; upgrading existing pedestrian signals at signalized intersections within the project limits to improve push button accessibility; modifying the median to extend the eastbound left turn lane at U.S. 441/S.R. 7 for additional vehicular storage capacity; and upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and accessibility. Project improvements along **SW 11th Street** consist of milling and resurfacing the roadway from U.S. 441/S.R. 7 to the Oakland Hills

Apartments' west entrance to ensure long-term infrastructure resilience; modifying the median to extend the westbound left turn lane at U.S. 441/S.R. 7 for additional vehicular storage capacity; adding a continuous concrete sidewalk from east of SW 55th Avenue to west of 50th Avenue for pedestrian connectivity; and upgrading curb ramps, pavement marking, and signage within the project limits to improve visibility and accessibility.

Project improvements along **Dr. Martin Luther King Jr. Boulevard/Hammondville Road** consist of milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; minor roadway widening throughout the project limits to accommodate bicycle lanes in both directions; and upgrading the existing lighting under the S.R. 9/I-95 bridge to enhance nighttime visibility. For more information, please contact Community Outreach Specialist Trisha Rangil at (754) 283-2929

or trisha.rangil@exp.com.

Cost/Completion: \$4,897,438/Summer 2026

Traffic Impacts:

- Kimberly Boulevard from SW 81st Avenue to SW 69th Avenue and from SW 10th Court to U.S. 441/S.R. 7 has been reduced to one lane in each direction for a buffered bike lane installation.
- SW 11th Street from U.S. 441/S.R. 7 to SW 10th Street/SW 49th Terrace will have one lane intermittently closed in any one direction at a time daily as needed, 8 a.m. until 6 p.m.
- Dr. Martin Luther King Jr. Boulevard/Hammondville Road from NW 12th Avenue to NW 10th Avenue will have one lane intermittently closed in each direction daily as needed, 8 a.m. until 6 p.m.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

12. U.S. 441/State Road (S.R.) 7 Transit Corridor Improvements Project (Group 7) in Lauderhill and Lauderdale Lakes

Description: Project improvements along **NW 16th Street** consist of milling and resurfacing the existing roadway from NW 43rd Avenue to U.S. 441/S.R. 7 to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bicycle lanes; adding a continuous 5-foot concrete sidewalk in each direction within project limits to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility.

Project improvements along **NW 19th Street** consist of milling and resurfacing the existing roadway from NW 47th Avenue to U.S. 441/S.R. 7 to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bicycle lanes; adding a continuous 5-foot concrete sidewalk in each direction within project limits to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **NW 26th Street** consist of milling and resurfacing the existing roadway from NW 49th Avenue to NW 46th Avenue and NW 42nd Avenue to U.S. 441/S.R. 7 to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bicycle lanes; adding a continuous 5-foot concrete sidewalk in each direction within project limits to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve

visibility and accessibility. For more information, please contact Community Outreach Specialist Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$5,530,214/Fall 2026

Traffic Impacts:

- NW 16th Street from NW 49th Avenue to U.S. 441/S.R. 7 may have one lane intermittently closed in each direction daily, as needed, 7 a.m. until 7 p.m.
- NW 19th Street from NW 49th Avenue to U.S. 441/S.R. 7 may have one lane intermittently closed in each direction daily, as needed, 7 a.m. until 7 p.m.
- NW 26th Street from NW 49th Avenue to U.S. 441/S.R. 7 may have one lane intermittently closed in each direction daily, as needed, 7 a.m. until 7 p.m.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

13. U.S. 441/State Road (S.R.) 7 at S.R. 862/I-595 Interstate Ramps, and the North Fork New River (C-12) Canal Improvements Project in Plantation, Fort Lauderdale, Lauderhill, and Davie

Description: Project improvements along the south side of the North Fork New River (C-12) Canal consist of constructing a new shared-use path to improve connectivity; installing a new crosswalk and pedestrian signal enhancements, including Rectangular Rapid Flashing Beacons (RRFBs), at NW 34th Street and the North Fork New River (C-12) Canal to enhance pedestrian safety; and upgrading sidewalk curb ramps, signage, and pavement markings throughout the project limits to improve accessibility and nighttime visibility. Project improvements along northbound U.S. 441/S.R. 7 consist of repaving the roadway from Oakes Road to Riverland Road to reconfigure the roadway from three to two lanes to enhance traffic operations to and from interstate ramps; widening the westbound S.R. 84 exit ramp to northbound U.S. 441/S.R. 7 to enhance safety by improving sight distance visibility; widening the eastbound S.R. 862/I-595 exit ramp to northbound U.S. 441/S.R. 7 from one lane to two lanes to improve traffic operations; constructing a new shared-use path from Oakes Road to just south of the South Fork New River (C-12) Canal; installing a bridge barrier separation along northbound U.S. 441/S.R. 7 over the South Fork New River (C-12) Canal to enhance shared-use path safety; constructing a new sidewalk along northbound U.S. 441/S.R. 7 from Orange Drive to Oakes Road to enhance pedestrian connectivity; installing new light poles with LED fixtures at shared-use path crossings to improve nighttime visibility; installing a new traffic signal mast arm at the intersection of U.S. 441/S.R. 7 and Riverland Road to enhance traffic flow; and upgrading sidewalk curb ramps, signage, and pavement markings throughout the project limits to improve accessibility and nighttime visibility. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$9,098,076/Spring 2027

Traffic Impacts:

- Northbound S.R. 7/U.S. 441 from Orange Drive to Oakes Road will have an outside shoulder lane closed, daily as needed, 9 a.m. to 4 p.m., Monday through Friday, for sidewalk and drainage operations.

- Southbound S.R. 7/U.S. 441 at SW 20th Street/Riverland Road will have one lane closed, daily as needed, 9 a.m. to 4 p.m., Wednesday through Friday.
- Westbound SW 20th Street/Riverland Road at S.R. 7/U.S. 441 will have one lane closed, daily as needed, 9 a.m. to 4 p.m., Wednesday through Friday.
- Powells Road at S.R. 7/U.S. 441 will have one lane closed, daily as needed, 9 a.m. to 4 p.m., Monday through Friday, for signal work enhancements.
- Oakes Road at S.R. 7/U.S. 441 will have one lane closed, daily as needed, 9 a.m. to 4 p.m., Monday through Friday, for signal work enhancements.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

14. Loxahatchee Road Mobility Improvements Project in Parkland

Description: Project improvements include upgrading drainage; widening the road to accommodate bike lanes; creating a continuous sidewalk on the south side of the road; constructing roundabouts at Nob Hill Road, North University Drive, and Parkside Drive; adding an additional eastbound left turn lane onto U.S. 441/S.R. 7; milling and resurfacing the roadway; and upgrading signage and pavement markings. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$33,480,584/Early 2027

Traffic Impacts:

- Full Closure Notice: Nob Hill Road at Loxahatchee Road will be closed at 7 a.m. on Monday, Oct. 13, through Friday, Nov. 21, for roundabout construction. Traffic will be detoured via N University Drive, Hillsboro Boulevard, and Nob Hill Road. Access to residential properties along Nob Hill Road will be maintained at all times throughout construction. Please click [here](#) to view the detour flyer.
 - Eastbound and westbound traffic along Loxahatchee Road will be maintained at all times.
- Eastbound and westbound traffic along Loxahatchee Road has a traffic shift on the southern lane of Loxahatchee Road from Nob Hill Road to North University Drive to accommodate the construction work zone on the northern portion of the roundabout.

15. U.S. 441/State Road (S.R.) 7 at Royal Palm Boulevard/West Copans Road Intersection Improvements Project in Margate

Description: Project improvements include milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; constructing a right-turn lane along southbound U.S. 441/S.R. 7 to westbound Royal Palm Boulevard/West Copans Road to improve vehicular capacity and mobility; modifying the median to extend the eastbound Royal Palm Boulevard/West Copans Road left-turn lane to northbound U.S. 441/S.R. 7 for additional vehicular storage capacity; upgrading the existing traffic signals with mast arms to enhance long-term infrastructure durability and resilience; installing 10 new light poles and upgrading existing fixtures to LED lighting to enhance nighttime visibility and safety; and upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and connectivity. For more

information, please contact Community Outreach Specialist, Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$3,974,098/Summer 2026

Traffic Impacts:

- U.S. 441/S.R. 7 will have up to two lanes closed in each direction nightly, as needed, 8 p.m. until 6 a.m., Sunday through Thursday.
- U.S. 441/S.R. 7 will have one lane closed in each direction daily, as needed, 6 a.m. until 4 p.m., Monday through Friday.
- Royal Palm Boulevard/West Copans Road will have one lane closed in each direction daily, as needed, 6 a.m. until 11 a.m. Monday through Friday.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

16. State Road (S.R.) 870/Commercial Boulevard Road Resurfacing, Restoration, and Rehabilitation (RRR) and Intelligent Transportation System (ITS) Improvements Project

Description: Project improvements include milling and resurfacing the existing roadway from S.R. 845/Powerline Road to S.R. A1A/North Ocean Drive to ensure long-term resilience; installing Intelligent Transportation System (ITS) devices and upgrading Adaptive Traffic Signal Control (ATSC) cameras and Dynamic Messaging Signs (DMS) throughout the project limits; constructing a new mid-block pedestrian crosswalk at the intersection of S.R. 870/Commercial Boulevard and NE 26th Avenue to enhance safety and connectivity for pedestrians; upgrading the signalization from span wire to mast arms at the intersection of S.R. 870/Commercial Boulevard and Woodlands Boulevard; improving pedestrian signals at various signalized intersections throughout the project limits to enhance push button accessibility; upgrading existing light poles with new LED fixtures and installing additional light poles throughout the project limits to improve nighttime visibility; and upgrading sidewalks, driveways, curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact the Community Outreach Specialist Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$25,712,321/Early 2027

Traffic Impacts:

- Westbound and/or eastbound S.R. 870/Commercial Boulevard from S.R. 817/University Drive to S.R. A1A/North Ocean Drive will have up to two lanes intermittently closed, daily as needed, 9 a.m. until 4 p.m., and nightly as needed, 7 p.m. until 6 a.m., for directional bore and pavement reconstruction.
- S.R. 870/Commercial Boulevard from S.R. 817/N University Drive to U.S. 1/N Federal Highway will have one lane intermittently closed in each direction nightly as needed, 7 p.m. until 6 a.m., Monday through Thursday, for ITS pull box, video detection installation, and signal installation.
- The northbound and/or southbound lane of U.S. 1/S.R. 5/N Federal Highway at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for traffic signalization and concrete work.

- The northbound and/or southbound lane of S.R. 811/Dixie Highway at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and 7 p.m. until 6 a.m., Monday through Thursday for traffic signalization and concrete work for traffic signalization.
- The northbound and/or southbound lane of NE 15th Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for concrete work.
- The northbound and/or southbound lane of NE 6th Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m., Monday through Thursday for traffic signalization and concrete work.
- The northbound and/or southbound lane of NE 3rd Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for concrete work.
- The northbound and/or southbound lane of NW 31st Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m., Monday through Thursday for traffic signalization and concrete work.
- The northbound and/or southbound lane of Prospect Road at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of Woodlands Boulevard at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m. for signalization operations.
- The northbound and/or southbound lane of Andrews Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m., for lighting operations.
- The northbound and/or southbound lane of NE 18th Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m., for traffic signalization work.
- The northbound and/or southbound lane of NE 20th Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m., for traffic signalization work.
- The northbound and/or southbound lane of NE 26th Avenue at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m., for traffic signalization work.
- The northbound and/or southbound lane of Powerline at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4

p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m. for lighting operations.

- The northbound and/or southbound lane of U.S. 441 North at S.R. 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, and nightly as needed, 7 p.m. until 6 a.m. for signalization work.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

17. State Road (S.R.) 844/NE 14th Street Resurfacing, Restoration, and Rehabilitation (RRR) Project in Pompano Beach

Description: The project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; upgrading pedestrian signals at U.S. 1/S.R. 5/Federal Highway and NE 23rd Avenue to improve pushbutton accessibility; upgrading existing light poles with LED fixtures at U.S. 1/S.R. 5/Federal Highway and NE 23rd Avenue to improve safety and enhance nighttime visibility; upgrading concrete sidewalks, curb ramps, pavement markings, and signage to enhance visibility and accessibility. For more information, please contact the Community Outreach Specialist, Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$1,641,694/Fall 2025

Traffic Impacts:

- Eastbound S.R. 844/NE 14th Street from U.S. 1/S.R. 5/Federal Highway to NE 14th Street bridge will have one lane closed as needed, 8 a.m. until 11 p.m., Monday through Friday, for signalization operations.
- Westbound S.R. 844/NE 14th Street from U.S. 1/S.R. 5/Federal Highway to NE 23rd Avenue will have one lane closed, 8 a.m. until 11 p.m., Monday through Friday, for signalization operations.
- Westbound S.R. 844/NE 14th Street from U.S. 1/S.R. 5/Federal Highway to NE 14th will have a single lane closed, 8 a.m. until 11 p.m., Monday through Friday, for the construction of a new median.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

18. A1A Intersection Improvements Project in Fort Lauderdale

Description: Project improvements include constructing a signalized mid-block pedestrian crosswalk at the intersection of S.R. A1A/North Fort Lauderdale Beach Boulevard and NE 14th Court to enhance safety and connectivity for pedestrians, installing two new traffic signal mast arms at the intersection of S.R. A1A/North Ocean Boulevard and NE 27th Street, constructing new crosswalks and pedestrian signals at the intersection of S.R. A1A/North Ocean Boulevard and NE 27th Street to enhance pedestrian safety, milling and resurfacing the roadway along the project limits to

enhance infrastructure resilience and safety for the community, retrofitting existing light poles and upgrading to wildlife-friendly amber LED lighting to enhance nighttime visibility and improve safety, and upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and connectivity. For more information, please contact Community Outreach Specialist Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$2,083,385/Spring 2026

Traffic Impacts:

- The intersection of S.R. A1A/North Ocean Boulevard and NE 27th Street will have a single lane closed, 9 a.m. until 7 p.m., Monday through Friday, beginning on October 14 for drainage operations.
- The intersection of S.R. A1A/North Fort Lauderdale Beach Boulevard and NE 14th Court may have lanes intermittently closed, nightly as needed, 9 p.m. until 8 a.m., Monday through Thursday.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

SOUTH BROWARD

(Cooper City, Dania Beach, Davie, Hallandale Beach, Hollywood, Miramar, Pembroke Pines, Southwest Ranches, West Park, Weston)

**19. State Road (S.R.) A1A/South Ocean Boulevard Drainage Improvements
Project in Hollywood**

Description: The project improvements include installing four stormwater pump stations and drainage structures near the intersections of S.R. A1A/South Ocean Boulevard and Azalea Terrace, Van Buren Street, Sherman Street, and Franklin Street to enhance long-term infrastructure resilience; installing a seawall along S.R. A1A/South Ocean Boulevard from Sherman Street to S.R. 822/Sheridan Street, and from Palm Street to Walnut Street to enhance long-term infrastructure resilience; and reconstructing sidewalks and the roadway affected by pump station and seawall installation. For more information, contact the Community Outreach Specialist, Rebecca Guerrero at (754) 444-0093 or rquerrero@pinnaclecei.com.

Cost/Completion: \$34.3 million/Summer 2028

Traffic Impacts:

- The inside lane and turning lane of southbound S.R. A1A at Bougainvillea Terrace will be closed through December 2025.
- The outside eastbound lane on S.R. 822/Sheridan Street and the outside southbound lane on S.R. A1A/South Ocean Boulevard from S.R. 822/Sheridan Street to New Mexico Street will remain closed through December 2025 to allow for drainage installation and roadway improvements.
 - Access to Hollywood North Beach Park will be maintained. Southbound S.R. A1A/South Ocean Boulevard from just north of S.R. 822/Sheridan Street to New Mexico Street will be reduced to one lane only.

- The bicycle lanes in this segment are closed during this phase of construction. Signage is in place to guide motorists and pedestrians.

20. State Road (S.R.) 848/Stirling Road Resurfacing, Restoration, and Rehabilitation (RRR) Project in Hollywood and Dania Beach

Description: The project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; modifying the median traffic separator to accommodate 11-foot turn lanes within the project limits; installing new mast arms on S.R. 848/Stirling Road at the intersections of North Park Road, SW 33rd Avenue, and J.A. Ely Boulevard; upgrading pedestrian signals at signalized intersections to improve push button accessibility; upgrading signing and pavement markings within project limits to enhance nighttime visibility. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$9,269,118/Fall 2025

Traffic Impacts:

- S.R. 848/Stirling Road from North 58th Avenue to North Federal Highway will have two lanes closed in each direction nightly, as needed, 8 p.m. until 7 a.m. for asphalt resurfacing. Traffic officers will be on site to assist with traffic control.
- S.R. 848/Stirling Road from North 58th Avenue to North Federal Highway will have one lane closed in each direction daily, as needed, from 10 a.m. until 12 p.m. for concrete pouring and signal operations.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

21. U.S. 441/State Road (S.R.) 7 Transit Corridor Improvements Project (Group 8)

Description: Project improvements along **SW 72nd Avenue** from S.R. 824/Pembroke Road to SW 9th Street include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bike lanes; removing foliage as necessary to construct a continuous concrete sidewalk throughout the corridor to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **SW 25th Street** from SW 64th Avenue to U.S. 441/S.R. 7 include removing foliage as necessary to construct a continuous concrete sidewalk throughout the corridor to enhance safety and connectivity for pedestrians; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility; and constructing a new bus shelter at S. U.S. 441/S.R. 7 and SW 25th Street. Project improvements along **SW 33rd Street** from SW 62nd Avenue to U.S. 441/S.R. 7 include removing foliage as necessary to construct a continuous concrete sidewalk throughout the corridor to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact the Community Outreach Specialist Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$2,216,644/Early 2026

Traffic Impact:

- All lanes open.

22. U.S. 441/State Road (S.R.) 7 Transit Corridor Improvements Project (Group 9)

Description: Project improvements along **SW 45th Street/Orange Drive from Florida's Turnpike to U.S. 441/S.R. 7** include upgrading existing drainage structures to improve long-term resilience and longevity of critical infrastructure; adding a continuous concrete sidewalk along the north side of SW 45th Street/Orange Drive to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **Taft Street from U.S. 441/S.R. 7 to North 40th Avenue** include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; upgrading existing drainage structures to improve long-term resilience and longevity of critical infrastructure; adding an 8-foot to 11-foot shared-use path along the north side of Taft Street to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact Community Outreach Specialist, Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$3,298,227/Fall 2025

Traffic Impacts:

- All lanes are open along SW 45th Street/Orange Drive from S.R. 91/Florida's Turnpike to U.S. 441/S.R. 7.
- Eastbound or westbound Taft Street from U.S. 441/S.R. 7 to North 40th Avenue will be closed, as needed, 9 a.m. until 4 p.m., Monday through Saturday.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

23. State Road (S.R.) 823/Flamingo Road Resurfacing, Restoration, and Rehabilitation (RRR) Project in Pembroke Pines and Miramar

Description: Project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; constructing a right-turn lane along eastbound Pembroke Road to southbound S.R. 823/Flamingo Road to improve vehicular capacity and mobility; replacing the traffic signal mast arm at the northeast corner of Pembroke Road and S.R. 823/Flamingo Road to enhance traffic safety and mobility, and improve signal visibility; upgrading existing pedestrian signals at signalized intersections to improve push button accessibility; upgrading concrete sidewalks, curb ramps, pavement markings, and signage to improve visibility and accessibility; and installing new light poles with LED fixtures at the intersections of Washington Street and Pembroke Road to improve safety and enhance nighttime visibility. For more information, please contact Community Outreach Specialist, Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Project Completed: \$3.1 million/October 29, 2025

Traffic Impacts:

- All lanes open.

24. U.S. 441/State Road (S.R.) 7 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: Project improvements consist of milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; constructing a signalized mid-block pedestrian crosswalk at the intersection of SW 16th Street to enhance safety and connectivity for pedestrians; upgrading concrete sidewalks, curb ramps, pavement markings, and signage to improve visibility and accessibility; improving pedestrian signals at the intersection of SW 54th Court to enhance pushbutton accessibility; installing new and replacing existing light poles with LED fixtures throughout the project limits to improve safety and enhance nighttime visibility, and installing concrete barrier walls south of Orange Drive adjacent to canal C-11 to enhance safety. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or abreedlove@corradino.com.

Cost/Completion: \$8,525,000/Early 2026

Traffic Impacts:

- S.R. 7/U.S. 441 from S.R. 848/Stirling Road to Orange Drive will have one lane closed in each direction daily and nightly, as needed, 9 a.m. until 3:30 p.m., and 9 p.m. until 7 a.m., Monday through Friday, for concrete and paving operations.
- S.R. 7/U.S. 441 from SW 21st Street to NW 3rd Street will have one lane closed in each direction daily and nightly, as needed, 9 a.m. until 3:30 p.m., and 9 p.m. until 7 a.m., Monday through Friday, for concrete and paving operations.
- **In observance of the Veterans Day Holiday, lane closures will be suspended Tuesday, November 11.**

25. Palm Beach and Broward County Lighting Improvements Project

Description: The project improvements include upgrading existing lighting systems with LED fixtures to enhance nighttime visibility along the project corridor and installing new light poles to enhance nighttime visibility and resiliency along the project corridors. For more information, please contact the Community Outreach Specialist, Trisha Rangil at (754) 283-2929 or trisha.rangil@exp.com.

Cost/Completion: \$688,162/Late 2025

Traffic Impact:

- Northbound off-ramp by Griffin Road and I-95 on-ramp, in Dania Beach, 8 a.m. to 4 p.m., Sunday, November 2, through Saturday, November 15, will have one lane closed for light installation operations.
- Westbound Griffin Road and I-95 on-ramp, in Dania Beach, 8 a.m. to 4 p.m., Sunday, November 2, through Saturday, November 15, will have one lane closed for light installation operations.
- Westbound Griffin Road and Ravenswood Road, in Dania Beach, 8 a.m. to 4 p.m., Sunday, November 2, through Saturday, November 15, will have one lane closed for light installation operations.
- Northbound on Dixie Highway, in Fort Lauderdale, 8 a.m. to 4 p.m., Sunday, November 2, through Saturday, November 15, will have one lane closed for light installation operations.
- Westbound Cypress Creek Road, in Fort Lauderdale, from 8 a.m. to 4 p.m.,

Sunday, November 2, through Saturday, November 15, will have one lane closed for light installation operations.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

For additional maintenance, utility, permit, and agency closures not listed below, please click this link: [Lciv2](#)

INTERSTATES:

Southbound I-75 (0.6 Miles) North of Griffin Road, from 9 p.m. to 4 a.m., will have up to two lanes closed, for bridge (860354) maintenance repairs. For more information, please contact Diana Bernal at 954-654-5351.

Northbound I-75 (0.6 Miles) North of Griffin Road, 9 p.m. to 4 a.m., will have up to three lanes closed, for bridge (860355) maintenance repairs. For more information, please contact Diana Bernal at 954-654-5351.

Southbound University Drive ramp to eastbound I-595 will have a partial lane and southwest shoulder closure from 9 a.m. to 1:30 p.m. on Thursday, November 6, 2025 to Friday, November 7, 2025.

Eastbound I-75 to I-595 express lanes ramp from east of Weston Road to west of 136th Avenue will have one lane closed from 9 p.m. to 5 a.m. on Monday, November 3, 2025, to Friday, November 7, 2025.

Northbound I-75 from east of Weston Road to west of 136th Avenue will have one lane closed from 9 p.m. to 5 a.m. on Monday, November 3, 2025, to Friday, November 7, 2025.

Northbound I-75 from south of SW 14th Street and Indian Trace to west of 136th Avenue will have one lane closed from 9 p.m. to 5 a.m. on Tuesday, November 4, 2025, to Friday, November 7, 2025.

Southbound Sawgrass Expressway and I-75 from south of Sunrise Boulevard to west of 136th Avenue will have one lane closed from 9 p.m. to 5 a.m. on Wednesday, November 5, 2025, to Friday, November 7, 2025.

Southbound I-75 and eastbound I-595 from east of Weston Road to east of 136th Avenue will have one lane closed from 9 p.m. to 5 a.m. on Thursday, November 6, 2025, to Friday, November 7, 2025.

Mobile operation on ramp from southbound 441 to eastbound I-595 will take place from 9 p.m. to 5 a.m. on Monday, November 3, 2025 to Friday, November 7, 2025.

Southbound I-95 (S.R. 9) (.025) miles south of Sample Road, 9 a.m. until 4 p.m., Monday, November 10, 2025, will have the right lane closed for washout repair. For more information, please contact Frederick Schonis at 754-245-4714.

Northbound I-95 (S.R. 9) at S.R. 824/Pembroke Road, 9 a.m. to 4 p.m., on Wednesday, November 12, 2025, will have one right lane closed for guardrail repairs. For more information, please contact Diana Bernal at 954-654-5351.

Mobile operations will take place on eastbound and westbound I-595 throughout the project limits from 9 p.m. to 5 a.m. on Sunday, November 1, 2025, to Friday, November 14, 2025.

Northbound I-95 at S.R. 818/Griffin Road (Milepost 23), 10:30 p.m. to 5 a.m., Thursday, November 13, 2025 through Friday, November 14, 2025, will have full express lane closures for toll equipment maintenance. For more information, please contact Sunwatch at 877-786-3375.

Southbound I-75 (S.R. 93) at the exit to Pines Boulevard in Pembroke Pines, 9 p.m. to 4 a.m., Monday November 17, 2025, will have up to two lanes closed as needed, for sign (86M184) repair. For more information, please contact Frederick Schonis at 754-245-4714.

Southbound I-95 (S.R. 9) at the S.R. 870/Commercial Boulevard off-ramp, 9 p.m. to 4 a.m., Thursday, November 20, 2025, will have up to two lanes closed as needed for for sign (86M190) repair. For more information, please contact Frederick Schonis at 754-245-4714.
