

FLORIDA DEPARTMENT OF TRANSPORTATION Monthly Progress Report—April 2025 Loxahatchee Road Mobility Improvements Project From the Arthur R. Marshall Loxahatchee National Wildlife Refuge to State Road (SR) 7/US 441 City of Parkland Broward County, FL Financial Project ID Number: 436564-1-52-01, 02, & 03

Construction Cost: \$33,480,584 Construction Start Date: October 30, 2023 Anticipated Completion: Early 2027

LOXAHATCHEE ROAD MOBILITY IMPROVEMENTS PROJECT MONTHLY PROGRESS REPORT – APRIL 2025 The City of Parkland, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT design and construct the Loxahatchee Road Mobility Improvements Project through the City of Parkland Resolution Numbers 2016-510, 2021-011, and 2021-018.

UPDATE

Construction activities continue along the median and the closed sidewalk on Loxahatchee Road between N University Drive and Parkside Drive. Motorists should proceed with caution in the area. For safety reasons, cyclists and pedestrians are not permitted along this segment of the roadway at this time.

COMPLETED CONSTRUCTION ACTIVITIES

N University Drive and Parkside Drive:

- Completed installation of gravity wall caps
- West of N University Drive to Bishop Pit Road:
- Completed excavation operations

ANTICIPATED CONSTRUCTION ACTIVITIES FOR APRIL 2025

- N University Drive and Parkside Drive:
- Continue sidewalk installation
 Continue bandrail installation along the
- Continue handrail installation along the sidewalk
- Continue driveway tie-in operations
 West of N University Drive and Nob Hill Road:
- Complete embankment installation for roadway widening and new swales
- Prepare and reinforce the road foundation by installing a stable base layer to improve durability before paving

CURRENT MAINTENANCE OF TRAFFIC (MOT)

- Sidewalk Closure: To ensure pedestrian safety, the sidewalk on Loxahatchee Road between N University Drive and Parkside Drive will be closed for sidewalk and handrail construction
- Road Access: Loxahatchee Road remains open in both direction to motorists—pedestrians and cyclists are not permitted on Loxahatchee Road at this time.
- Speed Limit Enforcement: Motorists are urged to adhere to posted speed limits. Law enforcement will be present throughout the construction period to monitor compliance and maintain safety.
 Access West of N University Drive: Access will be maintained at all times. Additional lane closures, traffic shifts, and
- Access West of N University Drive: Access will be maintained at all times. Additional lane closures, traffic shifts, and detours may be implemented as needed for ongoing construction. Every effort will be made to minimize impacts, and all future closures will be communicated well in advance to keep the community informed.

As of Tuesday, April 1, 2025 the Loxahatchee Road Mobility Improvements Project is 46% completed. Additional information, flyers and progress photos can be found on the project webpage.

Community feedback is at the core of all we do at FDOT, and we work with the public to balance the community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
