Construction Cost: \$33,480,584 **Construction Start Date:** October 30, 2023 **Anticipated Completion:** Early 2027

LOXAHATCHEE ROAD MOBILITY IMPROVEMENTS PROJECT MONTHLY PROGRESS REPORT— MARCH 2025

The City of Parkland, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT design and construct the Loxahatchee Road Mobility Improvements Project through the City of Parkland Resolution Numbers 2016-510, 2021-011, and 2021-018.

RECENT MILESTONES

The segment of Loxahatchee Road between N University Drive and Parkside Drive re-opened to traffic on Thursday, Dec. 5, 2024. While traffic has resumed, construction activities continue along the median and the closed sidewalk. Motorists are encouraged to exercise caution in the area. For safety reasons, cyclists and pedestrians are not permitted along this segment of the roadway at this time.

ANTICIPATED CONSTRUCTION ACTIVITIES FOR MARCH 2025

N University Drive and Parkside Drive:

- Continue with gravity wall caps and sidewalk installation
- Continue with handrail installation along the sidewalk
- Continue with driveway tie-in operations

West of N University Drive and Nob Hill Road:

- Continue with clearing and grubbing, excavation, embankment for roadway widening within the existing swale

CURRENT MAINTENANCE OF TRAFFIC (MOT)

- **Sidewalk Closure:** To ensure pedestrian safety, the sidewalk on Loxahatchee Road between N University Drive and Parkside Drive will be closed for sidewalk and handrail construction
- **Road Access:** Loxahatchee Road is open in each direction to motorists—pedestrians and cyclists are not permitted on Loxahatchee Road at this time.
- **Speed Limit Enforcement:** Motorists are urged to adhere to posted speed limits. Law enforcement will be present throughout the construction period to monitor compliance and maintain safety.
- **Access West of N University Drive:** Access will be maintained at all times. Additional lane closures, traffic shifts, and detours may be implemented as needed for ongoing construction. Every effort will be made to minimize impacts, and all future closures will be communicated well in advance to keep the community informed.

Clearing and Grubbing Operations

Sidewalk Preparation Operations

As of Monday, March 3, 2025 the Loxahatchee Road Mobility Improvements Project is 44% completed. Additional information, flyers and progress photos can be found on the [project webpage](#).

Community feedback is at the core of all we do at FDOT, and we work with the public to balance the community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
