

FLORIDA DEPARTMENT OF TRANSPORTATION Monthly Progress Report— October 2025

Loxahatchee Road Improvements Project
From the Arthur R. Marshall Loxahatchee National Wildlife Refuge to State
Road (SR) 7/US 441
City of Parkland
Broward County, FL
Financial Project ID Number: 436564-1-52-01, 02, & 03

Construction Cost: \$33,480,584

Construction Start Date: October 30, 2023

Anticipated Completion: Early 2027

LOXAHATCHEE ROAD IMPROVEMENTS PROJECT MONTHLY PROGRESS REPORT— OCTOBER 2025

The City of Parkland, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT design and construct the Loxahatchee Road Improvements Project through the City of Parkland Resolution Numbers 2016-510, 2021-011, and 2021-018.

CURRENT MAINTENANCE OF TRAFFIC (MOT)

- **Full Closure:** To allow the contractor to safely continue the roundabout installation, Nob Hill Road at Loxahatchee Road will be closed at 7 a.m. on Monday, Oct. 13, through Friday, Nov. 21. Traffic will be detoured via North University Drive, Hillsboro Boulevard, and Nob Hill Road. Access to residential properties along Nob Hill Road will be maintained at all times throughout construction. Eastbound and westbound traffic along Loxahatchee Road will be maintained at all times during the full closure. Please click [here](#) to view the detour flyer.
- **Traffic Shift:** To facilitate continued construction on the existing roadway, eastbound and westbound traffic on Loxahatchee Road has been shifted to the southern lanes between Nob Hill Road and North University Drive, allowing work to proceed within the northern portion of the roadway.
- **Sidewalk Closure:** To ensure pedestrian safety, the sidewalk on Loxahatchee Road between North University Drive and Parkside Drive will be closed for sidewalk and handrail construction.
- **Speed Limit Enforcement:** Motorists are urged to adhere to posted speed limits. Law enforcement will be present throughout the construction period to monitor compliance and maintain safety.
- Additional lane closures, traffic shifts, and detours may be implemented as needed for ongoing construction. Every effort will be made to minimize impacts, and all future closures will be communicated well in advance to keep the community informed.
- **Pedestrians and cyclists are not permitted on Loxahatchee Road at this time**

ANTICIPATED CONSTRUCTION ACTIVITIES FOR OCTOBER 2025

North University Drive and Parkside Drive:

- Continue roundabout construction at Parkside Drive
- Continue handrail installation

West of North University Drive and Nob Hill Road:

- Continue roundabout construction at Nob Hill Road
- Begin drainage installation
- Continue to reinforce the road foundation by installing a stable base layer to improve durability before paving

Preparation for the Nob Hill Road Roundabout Construction

Stable Base Layer Installation for Eastbound Lane

As of Wednesday, Oct. 1, 2025 the Loxahatchee Road Improvements Project is 59% completed. Additional information, flyers and progress photos can be found on the [project webpage](#).

Community feedback is at the core of all we do at FDOT, and we work with the public to balance the community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
