Construction Cost: \$33,480,584 **Construction Start Date:** October 30, 2023 **Anticipated Completion:** Early 2027

LOXAHATCHEE ROAD IMPROVEMENTS PROJECT MONTHLY PROGRESS REPORT— SEPT. 2025

The City of Parkland, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT design and construct the Loxahatchee Road Improvements Project through the City of Parkland Resolution Numbers 2016-510, 2021-011, and 2021-018.

CURRENT MAINTENANCE OF TRAFFIC (MOT)

- **Traffic Shift:** To allow the contractor to continue work on the existing roadway, eastbound and westbound traffic on Loxahatchee Road has been shifted to the southern lanes between Nob Hill Road and N University Drive, accommodating the construction work zone on the northern portion of the roadway.
- **Sidewalk Closure:** To ensure pedestrian safety, the sidewalk on Loxahatchee Road between North University Drive and Parkside Drive will be closed for sidewalk and handrail construction.
- **Speed Limit Enforcement:** Motorists are urged to adhere to posted speed limits. Law enforcement will be present throughout the construction period to monitor compliance and maintain safety.
- Additional lane closures, traffic shifts, and detours may be implemented as needed for ongoing construction. Every effort will be made to minimize impacts, and all future closures will be communicated well in advance to keep the community informed.
- **Pedestrians and cyclists are not permitted on Loxahatchee Road at this time**

ANTICIPATED CONSTRUCTION ACTIVITIES FOR SEPT. 2025

North University Drive and Parkside Drive:

- Continue roundabout construction at Parkside Drive
- Continue handrail installation

West of North University Drive and Nob Hill Road:

- Continue roundabout construction at Nob Hill Road
- Continue to reinforce the road foundation by installing a stable base layer to improve durability before paving

Guardrail Installation at the North University Drive Roundabout

Aerial of Loxahatchee Road

As of Monday, Sept. 1, 2025 the Loxahatchee Road Improvements Project is 58% completed. Additional information, flyers and progress photos can be found on the [project webpage](#).

Community feedback is at the core of all we do at FDOT, and we work with the public to balance the community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
