

FLORIDA DEPARTMENT OF TRANSPORTATION -

Henry E. Kinney Tunnel Improvements and Pedestrian Plaza Project

Full Closure Information Flyer

SR-5/US-1 from SR-862/I-595 to north of SR-842/Broward Boulevard

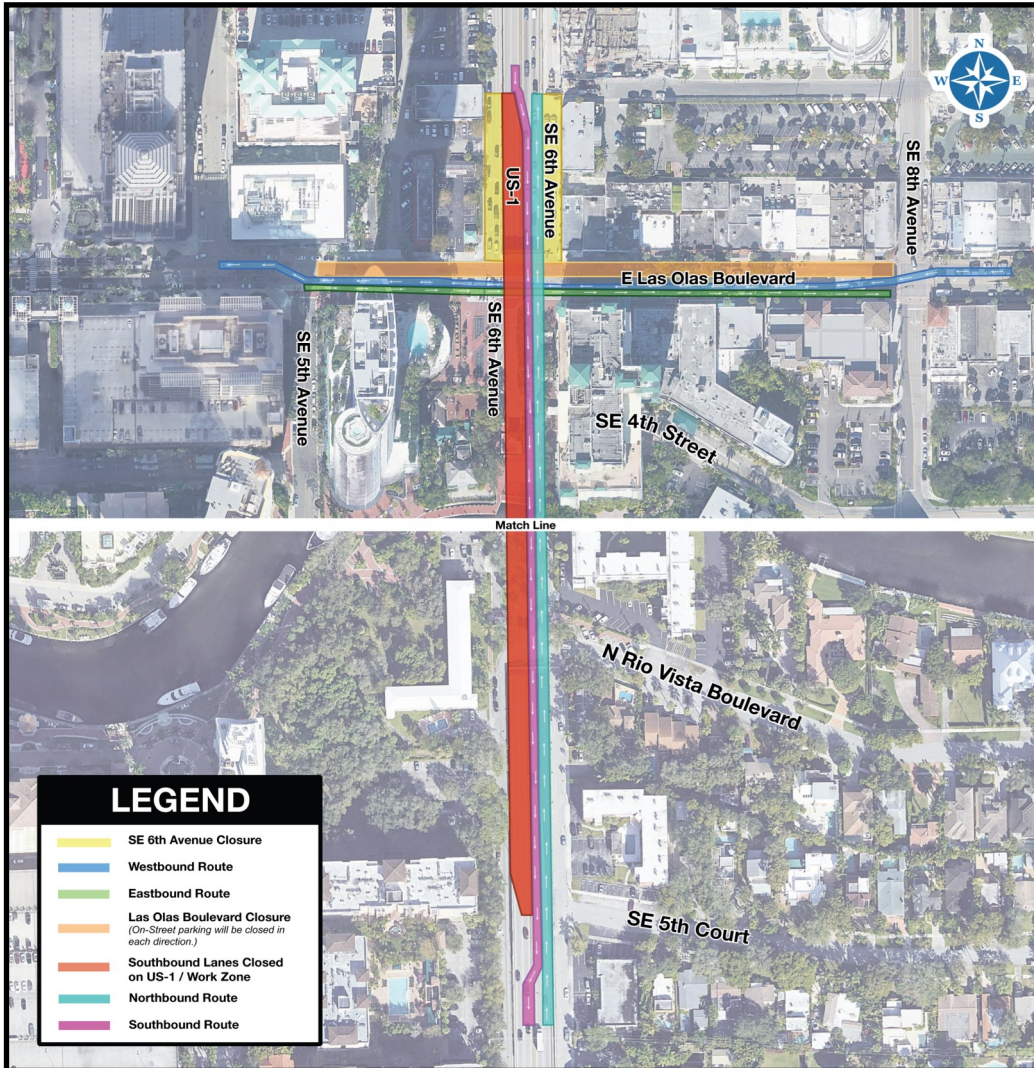

Broward County, Florida

Financial Numbers: 439714-1-52-01 & 439714-1-52-02

LAS OLAS BOULEVARD WILL HAVE A NEW TRAFFIC PATTERN BEGINNING MARCH 23

As part of the Henry E. Kinney Tunnel Improvements and Pedestrian Plaza project, westbound Las Olas Boulevard will have a new traffic pattern beginning 6 a.m., Thursday, March 23, for tunnel top extension and plaza construction operations. Traffic will be shifted to the eastbound direction, where one lane in each direction will be maintained.

The existing temporary traffic pattern of SR 5/US 1 will remain through early summer 2023. The southbound tunnel chamber will be closed and motorists will continue to be diverted to the northbound tunnel chamber, where one lane in each direction will be maintained. Signage will be in place to assist motorists.

This project will rehabilitate the structural, mechanical, electrical, architectural, and safety components of the Henry E. Kinney Tunnel; mill and resurface SR-5/ US-1 from Rio Vista Boulevard to south of the Tunnel; install Intelligent Transportation Systems (ITS) along SR-5/ US-1; extend the tunnel top to accommodate a pedestrian plaza which will include new fountains, seating facilities, re-designed brick pavers, artificial turf and landscape installation, and reconstruct the intersection of Las Olas Boulevard at SE 6th Avenue.
