-  Sharon.SinghHagyan@dot.state.fl.us

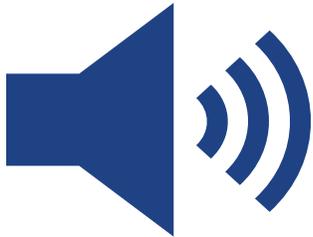

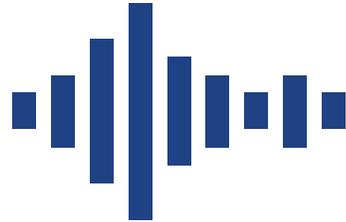

Tallahassee Office

Florida Department of Transportation
State Title VI Coordinator

Jacqueline Paramore

-  605 Suwannee Street, MS 65
Tallahassee, Florida 32399
-  (850) 414-4753
-  Jacqueline.Paramore@dot.state.fl.us

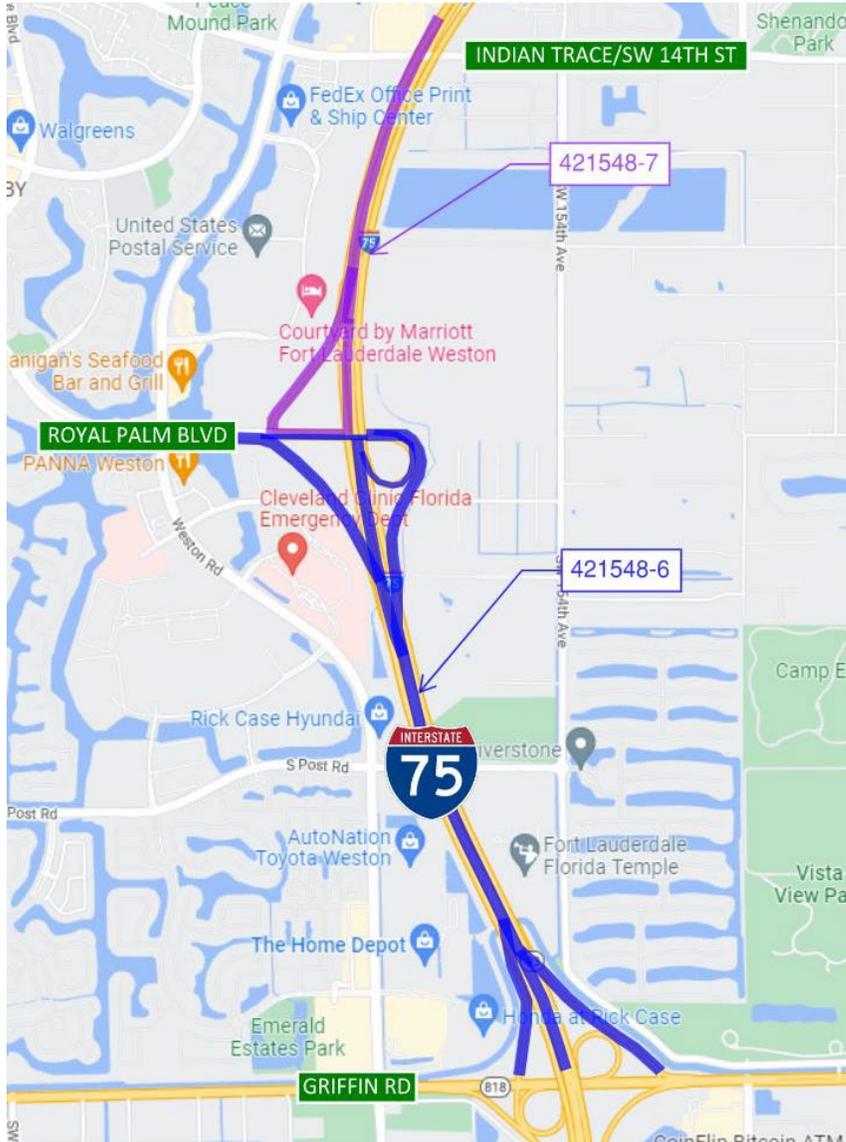

Rules of Engagement

- This Public Meeting is being recorded.
- If you experience technical difficulties, please contact **1-800- 418-0524** so that a member of our technical support team may assist you.
- All **virtual (online)** attendees **will remain muted** throughout the Meeting.
- **Virtual (online)** attendees are also welcome to submit any questions/comments using the GoToWebinar control panel at any time or use the “**Raise Hand**” button on your control panel and a member of our team will respond/unmute you during the open discussion.
- All **in-person** attendees are welcome to submit a question or comment by forming a line after the presentation, during the open discussion.
- If you are participating via Telephone and have questions/comments, feel free to submit them to **FDOT Project Manager Vanita Saini, P.E.**
via email after the meeting and a response will be provided.

Project Limits and Project Overview

Project Limits

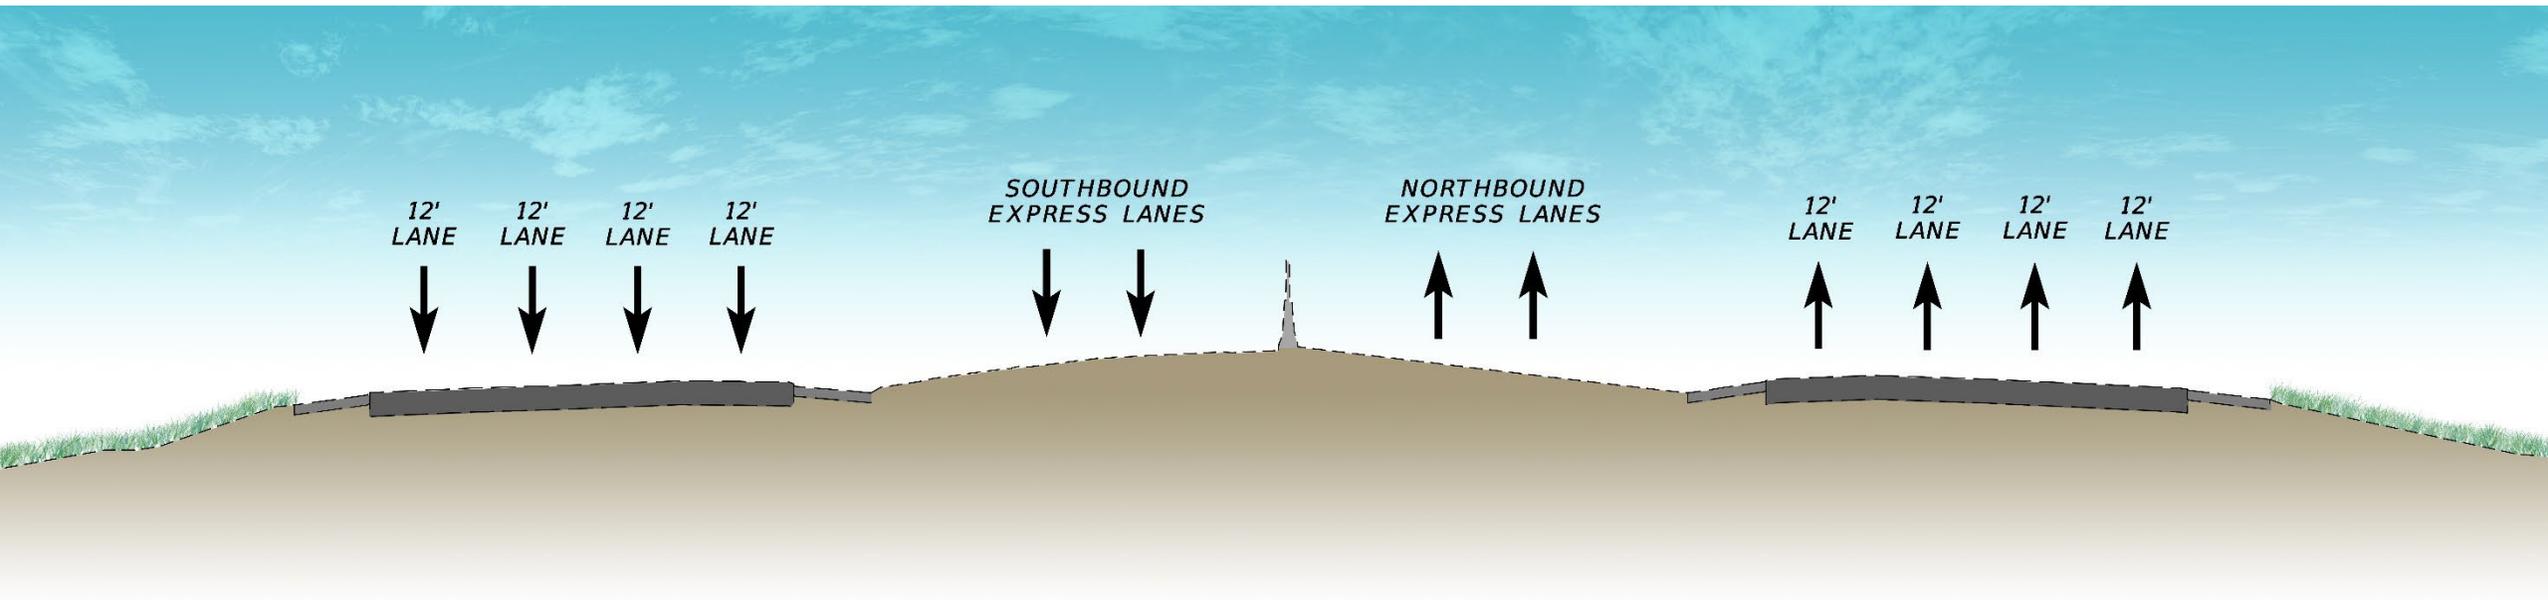

STATE ROAD (SR) 93/I-75 INTERCHANGE IMPROVEMENT PROJECTS

SR 93/I-75 at Royal Palm Boulevard and
SR 93/I-75 from Griffin Road to SW 14 Street

Existing Conditions

Existing Conditions

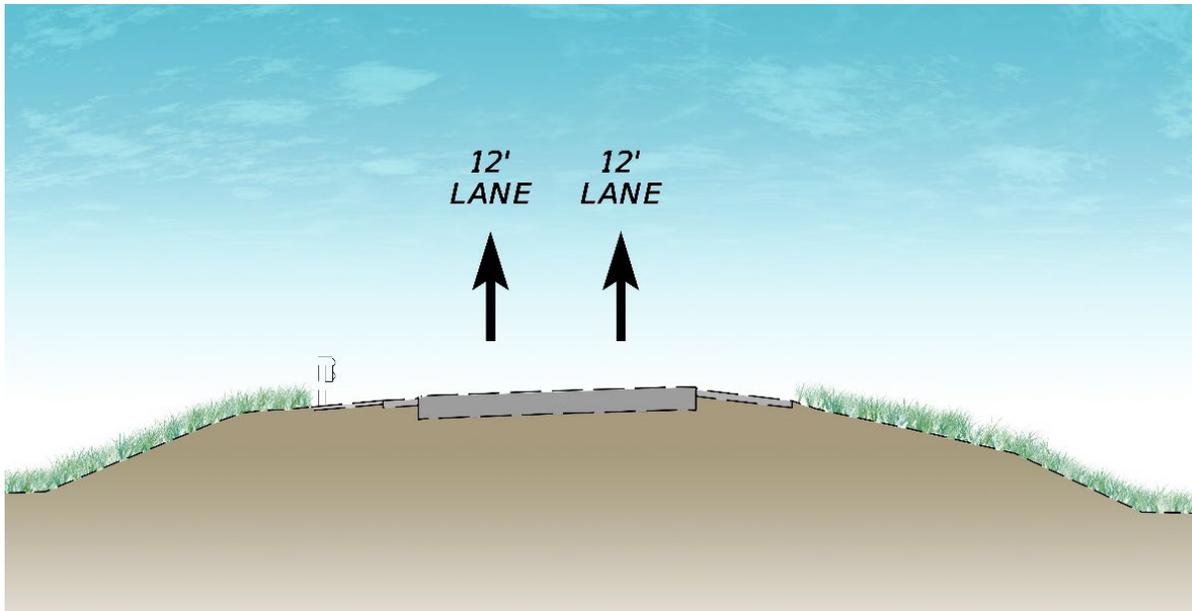

- SR 93/I-75, Royal Palm Boulevard and Griffin Road are three significant arteries within the cities of Weston, Davie and Southwest Ranches in Broward County, Florida.
- SR 93/I-75 is currently a divided limited access facility with 4 lanes in each direction. The I-75 Express Lanes are located within the median of the corridor. The current design and posted speed is 70 mph.

Existing configuration of SR 93/I-75

Existing Conditions

SR 93/I-75 runs north and south and provides connectivity to I-595, Homestead Extension of Florida's Turnpike (HEFT), Sawgrass Expressway (SR 869) and the Palmetto Expressway (SR 826)

Existing configuration of southbound off-ramp to westbound Royal Palm Blvd

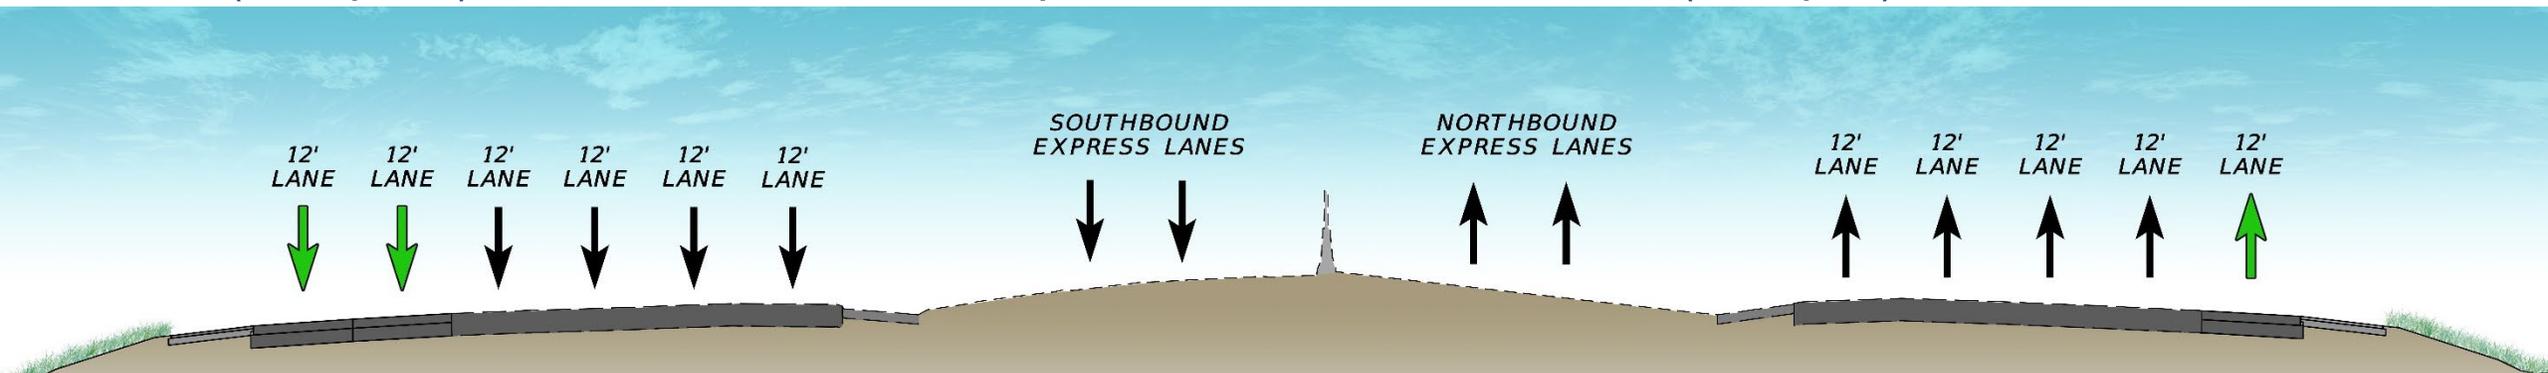

This construction consists of two projects:

1. From the SR 93/I-75 interchange with Griffin Road to south of the Royal Palm Blvd interchange
2. From north of Royal Palm Blvd interchange to north of Indian Trace / SW 14 St overpass.

Proposed Improvements

Proposed Improvements

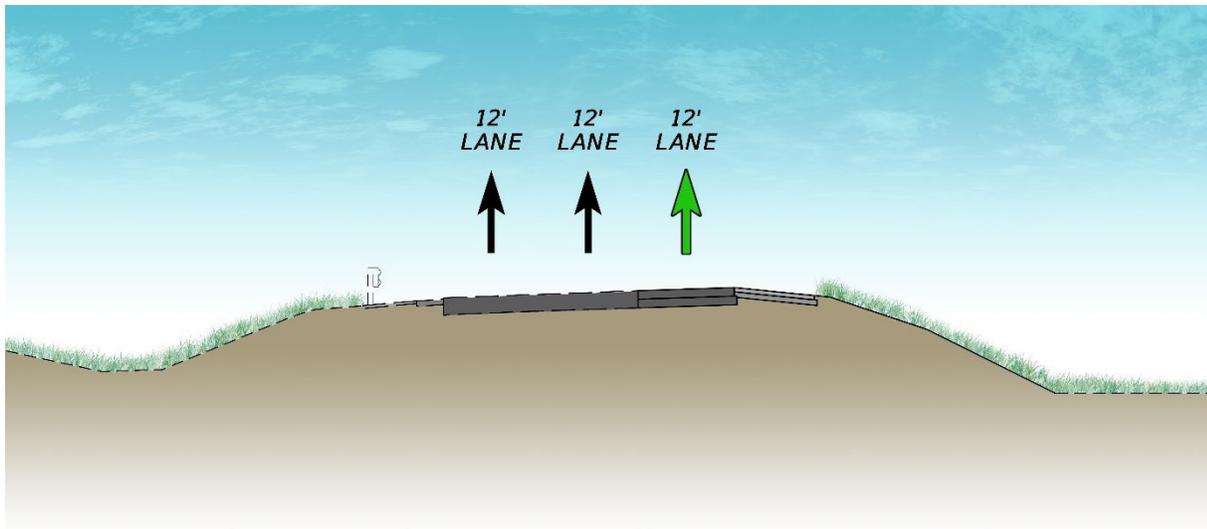

- Widening I-75 mainline for approximately 1 mile along northbound and southbound directions to add auxiliary lanes between Griffin Road and Royal Palm Boulevard interchanges
- Widening of northbound and southbound bridges over C-11 canal
- Milling and resurfacing southbound on-ramp (Ramp A) from Royal Palm Boulevard and modifying existing taper-type entrance to I-75 to a parallel-type entrance
- Widening of northbound off-ramp at Royal Palm Boulevard (Ramp B), northbound on-ramp from Griffin Road (Ramp C1), and southbound off-ramp to Griffin Road westbound (Ramp D) to two lanes.

Proposed configuration of SR 93/I-75

Proposed Improvements

- Widening southbound off-ramp at Royal Palm Boulevard (Ramp C) to two lanes
- Milling and resurfacing of Royal Palm Boulevard from 600' east of Weston Road intersection to SR 93/I-75 northbound ramps
- Signing, lighting, ITS, and drainage improvements

Proposed configuration of southbound off-ramp to westbound Royal Palm Blvd

Temporary Traffic Control Plan

Temporary Traffic Control Plan

- Work will be done in phases to reduce the impacts of construction in the community.
- Roadways will remain open, but lane closures, ramp closures, and detours are anticipated during non-peak hours to minimize impacts on traffic.
- Access to nearby businesses and residential properties will be maintained at all times during construction.
- Night-time lane closures will be provided for milling and resurfacing and final striping operations near the end of construction.

Project Schedule and Cost

Project Schedule and Cost

Plans Production:

Design Complete: April 2023

Letting/Contractor Selection: July 2024

Estimated Construction Start: Fall 2024

Estimated Completion: Summer 2027

Estimated Construction Cost: \$17.74 Million

421548-6-52-01: \$11.34 million

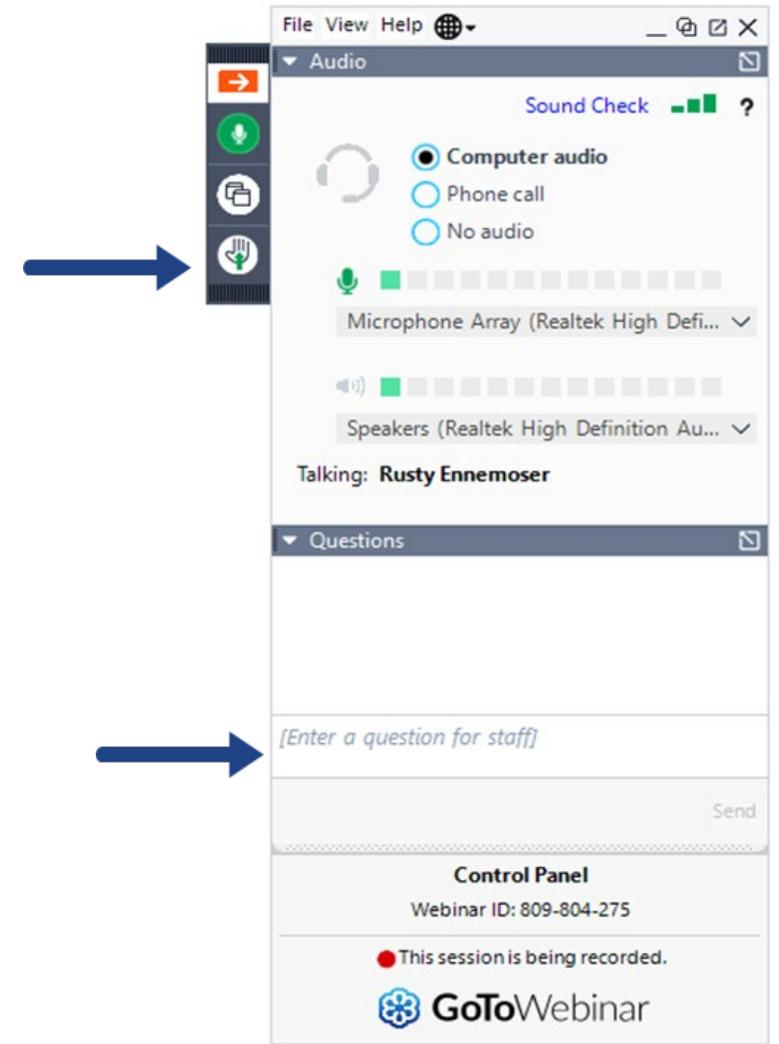

421548-7-52-01: \$4.05 million

Questions and Answers

Questions and Answers

- All **in-person** attendees are welcome to submit a question or comment by forming a line and standing on the designated markers as space permits.
- **Virtual (online)** attendees are welcome to ask a question or provide a comment, by utilizing the question panel or “**Raise Hand**” button on the **GoToWebinar control panel**. Once your microphone is unmuted, please **provide your full name first and then your question/comment**. Your microphone will remain unmuted until the question/comment has been fully addressed.
- If your question is not answered during the event, a response will be provided in writing following the Public Meeting.

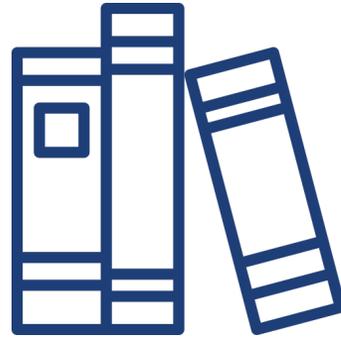

Closing and Contact Information

Additional Comments/Questions

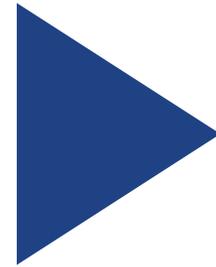

Please submit your comments by September 24, 2022

If your question was not responded to during the event, a response will be provided later.

All comments and questions are part of the **Public Record**.

All registrants will receive a link to the **Meeting Recording**.
