NW 31ST AVENUE MOBILITY IMPROVEMENT PROJECT

The Florida Department of Transportation (FDOT), District Four, is pleased to provide information about mobility improvements along NW 31st Avenue in the City of Fort Lauderdale.

NW 31st Avenue Mobility Improvement Project is a part of a U.S. Department of Transportation – Transportation Investment Generating Economic Recovery (TIGER) Grant, awarded to the Broward MPO and its local partners to enhance continuity and extend the Broward Regional Complete Street network. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward. This project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access throughout the Broward region. For more information about the Broward MPO, please visit: BrowardMPO.org. FDOT is pleased to assist Broward County and Broward MPO in delivering their vision and provides the following information on this mobility improvement project.

Construction Cost: \$3.5 million Construction Start Date: June 1, 2021 Anticipated Completion: Early 2023
