### LAUDERDALE LAKES GREENWAY MOBILITY IMPROVEMENT PROJECT

The Florida Department of Transportation (FDOT), District Four, is pleased to provide information about mobility improvements along the Lauderdale Lakes Greenway in the City of Lauderdale Lakes.

Lauderdale Lakes Greenway is a part of a U.S. Department of Transportation – Transportation Investment Generating Economic Recovery (TIGER) Grant, awarded to the Broward MPO and its local city partners to enhance continuity and extend the Broward Regional Complete Street network. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward. This project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access throughout the Broward region. For more information about the Broward MPO, please visit: [BrowardMPO.org](http://BrowardMPO.org). FDOT is pleased to assist the City of Lauderdale Lakes and Broward MPO in delivering their vision and provides the following information on this mobility improvement project.

**Construction Cost: \$712,000    Construction Start Date: November 8, 2021    Anticipated Completion: Early 2023**

### PROJECT IMPROVEMENTS

- Constructing a 10-foot shared-use path along NW 39th Street to connect to the existing greenway
- Installing decorative pedestrian lighting to increase visibility
- Installing irrigation and landscaping

### TRAFFIC IMPACTS

- No lane closures are expected for this project.
- Business signage will be provided to identify driveways.
- Access to businesses and residents will be maintained at all times.
