SR-817/University Drive in Coral Springs Mobility Improvement Project

The Florida Department of Transportation (FDOT), District Four, will host a Virtual Public Meeting and in-person Construction Open House regarding the upcoming mobility improvements along SR-817/University Drive in the City of Coral Springs. Please see below for detailed meeting information.

The City of Coral Springs, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT District Four design and construct the SR-817/University Drive in Coral Springs Mobility Improvement Project through the City of Coral Springs Resolution No. 2016-036. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward County and this project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access. The Broward MPO is a federally mandated agency that is responsible for making decisions on local transportation issues and deciding how to spend federal funds on transportation projects within Broward County. For more information about the Broward MPO, please visit: browardmpo.org.

Construction Cost: \$13,650,945

Construction Start: January 2023

Estimated Completion: Summer 2024

PROJECT IMPROVEMENTS

- Widening the roadway to accommodate two additional travel lanes and to increase the bike lanes from 4-feet to 7-feet from NW 40th Street to SR-869/Sawgrass Expressway
- Relocating existing 6-foot sidewalk from NW 40th Street to SR-869/Sawgrass Expressway
- Relocating impacted drainage structures
- Regrading swales to ensure proper drainage flow
- Upgrading traffic and pedestrian signals at NW 40th Street and Westview Drive
- Installation of 77 light poles along the project corridor
- Milling and resurfacing within the project limits
- Upgrading curb ramps, signing, and pavement markings

TRAFFIC IMPACTS

- Lane closures along SR-817/University Drive (from NW 40th Street to SR-869/Sawgrass Expressway), Wiles Road, and Westview Drive may occur during non-peak hours from 10:00 p.m. to 6:00 a.m.
- NW 38th Drive will be closed during utility operations. Traffic will be detoured using SR-838/Sample Road, NW 85th Avenue, NW 38th Street, NW 84th Avenue, NW 40th Street, and SR-817/University Drive.
- NW 38th Street will be closed during utility operations. Traffic will be detoured using Broken Woods Drive.
- Business and residential access will be maintained at all times throughout construction.
- Additional lane closure information will be provided in the Weekly Traffic Impact Report distributed by FDOT and can be viewed using the following link: https://d4fdot.com/bcfdot/closures_index.asp
