SR 706/ INDIANTOWN ROAD LANE CLOSURES TO OCCUR FOR MAST ARM INSTALLATION

JUPITER— Beginning next week, there will be several closures temporary lane closures on S.R. 706/ Indiantown Road for final mast arm installation, for approximately three days, Florida Department of Transportation (FDOT) Officials report.

The western-most exit of Jupiter West Plaza (adjacent to I-HOP) will be closed. Motorists are being asked to exit at Island Way, located on the west end of the plaza. The northeast corner of Central Boulevard and Indiantown Road will be closed. The right turn lane will be affected. The northwest corner of Central Boulevard and Indiantown Road will be closed. The right turn lane will be affected. The southeast corner of Central Boulevard and Indiantown Road will be closed. The right turn lane will be affected. The southwest corner of Central Boulevard and Indiantown Road will be closed. The right turn lane will be affected. The exit to the KFC/Starbucks Plaza will be closed. Detours will be in place. Motorists are being asked to exit at 68th Terrace North located on the west end of the plaza.

Each closure is anticipated to last no longer than one hour. Closures will occur between the hours of 5 a.m. and 5 p.m. The contractor will be placing uprights, mast arms and signals during this time.
