US 1 JUPITER BRIDGE TO UNDERGO FULL CLOSURE 11 PM JULY 25 TO 6 AM JULY 28

Beginning at 11 p.m. Friday night, July 25, 2025, the US 1 Jupiter Bridge will close around-the-clock to all motorists, cyclists, and pedestrians until 6 a.m. Monday morning, July 28, 2025. Please note, on demand half channel openings for boaters will be permitted during this time. This full closure is for alignment and testing operations that will require the bridge leaves to remain in the open position for extended periods. Additional lane and overnight bridge closures can also be expected throughout the remainder of the project for final construction operations as needed.

During this full weekend closure, motorists, cyclists and pedestrians will be directed to follow the detour route along US 1, Indiantown Road, and Alternate A1A. Additional project information, progress photos and videos can be found on the project page.
