SR-9/I-95 NORTHBOUND AT SR-808/GLADES ROAD TO UNDERGO FULL CLOSURE MARCH 14 — 16

SR-9/I-95 northbound at SR-808/Glades Road will be closed to traffic overnight, 11 p.m. until 5 a.m., Tuesday, March 14 through Thursday, March 16 for overhead sign structure installation. During this closure, northbound motorists will be detoured via the SR-9/I-95 northbound exit ramp to SR-808/Glades Road, US-1/Federal Highway and SR-794/Yamato Road. FHP will be on site to assist motorists.

95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Congress Avenue. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
