

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR

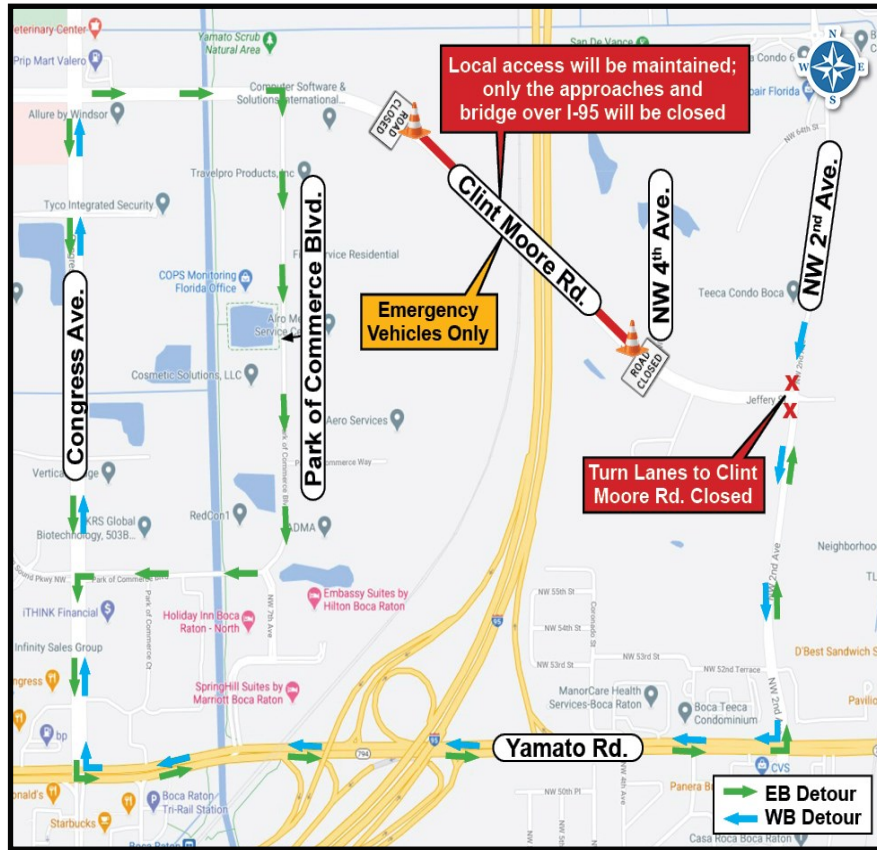

CONSTRUCTION PROJECT NOTICE: BRIDGE CLOSURE

95 EXPRESS LANES PHASE 3B-2 PROJECT

I-95 from south of Glades Road to Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive, Palm Beach County, Florida
Financial Project ID Numbers: 433109-5-52-01, 02 & 412420-4-52-01
435384-1-52-01

CLINT MOORE RD BRIDGE OVER I-95 CLOSED FOR RECONSTRUCTION THROUGH SUMMER 2022

To ensure motorist and pedestrian safety, the Clint Moore Road bridge over I-95 is closed completely for reconstruction. Westbound traffic is being detoured via NW 2nd Avenue, Yamato Road and Congress Avenue. Eastbound traffic is being detoured via Park of Commerce Boulevard, Congress Avenue, Yamato Road and NW 2nd Avenue. Local neighborhood access is maintained; only the approaches and bridge over I-95 are closed. Emergency access for first responders will be maintained throughout the duration of the closure. Overall project completion is expected in late 2023.

The 95 Express Lanes Phase 3B-2 project will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
