2. Non-Discrimination Policy
3. FDOT Safety Message
4. Project Overview
5. Bridge Rehabilitation Scope
6. Beach Area Closure Requirements
7. Project Schedule
8. Public Comments, Questions and Answers
9. Closing and Contact Information

About the Public Meeting

This public meeting is being conducted in a hybrid format

GoToWebinar Control Panel

The image shows a detailed view of the GoToWebinar control panel interface, which is a window titled "File View Help". The interface is divided into several sections:

- Audio Section:** Includes a "Sound Check" indicator with a green bar and a question mark. Below it are three radio button options: "Computer audio" (selected), "Phone call", and "No audio". There are two volume sliders: one for the microphone (Microphone Array (Realtek High Defi...)) and one for the speakers (Speakers (Realtek High Definition Au...)).
- Questions Section:** A text input field with the placeholder text "[Enter a question for staff]" and a "Send" button to its right.
- Control Panel Section:** Located at the bottom, it displays "Control Panel", "Webinar ID: 809-804-275", a red dot icon with the text "This session is being recorded.", and the GoToWebinar logo.

A blue arrow points from the inset window in the monitor icon to this detailed view. Another blue arrow points from the "Send" button in the Questions section to the right.

Title VI Non-discrimination Statement and Contacts

The Florida Department of Transportation is required to comply with various **non-discrimination laws and regulations, including Title VI of the Civil Rights Act of 1964.
