### I-95 SOUTHBOUND AT CONGRESS AVE. TO UNDERGO FULL NIGHTLY CLOSURE AUG. 12 & 15

I-95 southbound lanes at Congress Avenue will be closed to traffic overnight Thursday night, Aug. 12 and Sunday night, Aug. 15 to facilitate construction of the Clint Moore Road bridge. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and all lanes will be closed by 10 p.m., reopening by 5:30 a.m. each morning. Traffic will be detoured via the I-95 southbound exit ramp to Congress Avenue, Congress Avenue and Yamato Road. FHP will be on site to assist motorists.

**95 Express Lanes Phase 3B-2** will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
