FDOT Palm Beach County Traffic Report

July 29 – August 5, 2022

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note, any full road, ramp, or bridge closures have been highlighted below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

INTERSTATE 95

1. I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)

Description: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added, and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and

egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings, and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

I-95 Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly, 9 p.m. until 5:30 a.m., Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 11 p.m.
- I-95 southbound from Spanish River to Glades Rd is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through December 2022.
- I-95 northbound from Yamato Road to Linton Boulevard is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through December 2022.
- I-95 northbound lanes, from Glades Road to Yamato Road, are shifted to the outside to allow for median construction, through December 2022.

Glades Road Impact:

- Eastbound Glades Road, from east of Military Trail to I-95, is shifted to the inside to facilitate outside widening.
- Westbound Glades Road, between NW 22nd Way and West University Drive, is in a new traffic pattern with traffic shifted inside towards the median to allow for outside widening.
- Westbound Glades Road, between NW 22nd Way and West University Drive, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday, and from 9 p.m. until 6 a.m., Sunday through Thursday. Glades Road, between NW 22nd Way and West University Drive, will have one lane closed nightly at 9 p.m. and two lanes closed at 10 p.m. until 6 a.m., Sunday through Thursday.
- Glades Road westbound and eastbound, between Butts Road and I-95, is shifted inside towards the median to allow for outside widening and drainage activities.
- To ensure pedestrian safety during bridge construction activities, the north sidewalk of Glades Road from W. University Drive to Executive Center Drive is closed through late summer 2022 to facilitate the widening of the Glades Road bridges over I-95 and

Military Trail. Pedestrian traffic is being detoured to the south sidewalk during this phase of construction.

Military Trail Impact:

- Military Trail northbound at NW 19th Street will undergo a full nightly closure, as needed, 10 p.m. until 5 a.m., Sunday through Thursday, for bridge construction.
- Military Trail southbound at Butts Road will undergo a full nightly closure, as needed, 10 p.m. until 5 a.m., Sunday through Thursday, for bridge construction.
- Military Trail southbound at Glades Road will have one outside lane closed as needed, 9 a.m. until 3 p.m., **Monday** through Friday.
- Military Trail at Glades Road has **one** northbound and one southbound lane closed through July 2022 to facilitate Glades Road bridge widening operations. During this activity, two northbound and two southbound lanes will remain open.

Yamato Road Impact:

- Eastbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.
- Westbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

Clint Moore Road Impact:

- The Clint Moore Road bridge over I-95 is closed for reconstruction through September 2022. Westbound traffic is being detoured via NW 2nd Avenue, Yamato Road, and Congress Avenue. Eastbound traffic is being detoured via Park of Commerce Boulevard, Congress Avenue, Yamato Road, and NW 2nd Avenue. Local neighborhood access is maintained; only the approaches and bridge over I-95 are closed.

Ramp Impact:

- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed, **11** p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Glades Road, **Jog Road** and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Spanish River Boulevard will be closed nightly as needed, **11** p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 north, Yamato Road east, US-1, and Spanish River Boulevard. FHP will be onsite to assist motorists.
- The I-95 northbound entrance ramp from Congress Avenue and Peninsula Corp. Drive will be closed nightly as needed, **11** p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via southbound I-95 and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Congress Avenue will be closed nightly as needed, **11** p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Linton Boulevard. FHP will be on site to assist motorists.

- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Glades Road east, N. Federal Highway, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue/Peninsula Corp Drive, Congress Avenue, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Yamato Road/Spanish River Blvd will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Peninsula Corp Dr, Congress Ave. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound Yamato Road, US-1/Federal Highway south, westbound Glades Road, and the I-95 southbound entrance ramp from Glades Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Yamato Road, Congress Ave, Peninsula Corp Drive, and the I-95 southbound entrance ramp from Peninsula Corp Drive. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via [westbound](#) Glades Road, Powerline Road, and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Peninsula Corp Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue and Yamato Road. FHP will be on site to assist motorists.

2. I-95 from south of 10th Avenue N. to North of SR 882/Forest Hill Boulevard Safety Improvements Project

Description: This 2.750 project in Palm Beach County is anticipated to begin on August 10, 2022. Improvements include milling and resurfacing segments of I-95 in both directions, installing new signage, including an overhead Dynamic Message Sign on I-95 northbound just south of 10th Avenue North, upgrading existing lighting with LED luminaires and installing a new Road Weather Information System (RWIS).

Cost/Completion: \$3.4 million/Fall 2023

Traffic Impact: All lanes are open. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

SOUTHERN PALM BEACH COUNTY PROJECTS
(Boca Raton, Delray Beach)

3. Brant Drive Bridge Replacement Project

Description: This 0.1-mile project in the cities of Boca Raton and Delray Beach consists of replacing the two-lane Brant Drive Bridge (Bridge No. 935501) over the C-15 Canal with a new bridge consisting of two travel lanes and 10-foot shared-use paths in each direction. Improvements also include constructing 10-foot shared-use paths in each direction north of the bridge, reconstructing sidewalks south of the bridge, adding decorative lighting and drainage, upgrading signage and pavement markings, reconstructing roadway approaches and milling and resurfacing.

Cost/Completion: \$2.47 million/Fall 2022

Traffic Impact:

- Brant Drive is closed from Oregon Lane to Avocet Road for the duration of construction. Traffic will be detoured as follows:
 - Northbound traffic should go south on Brant Drive to East Country Club Boulevard, go south on East Country Club Boulevard to West Hidden Valley Boulevard, go east on West Hidden Valley Boulevard to North Dixie Highway, go north on North Dixie Highway to Lindell Boulevard, go west on Lindell Boulevard to Carl Bolter Drive, go south on Carl Bolter Drive to Brant Drive.
 - Southbound traffic should go north on Brant Drive to Carl Bolter Drive, go north on Carl Bolter Drive to Lindell Boulevard, go east on Lindell Boulevard to North Dixie Highway, go south on North Dixie Highway to West Hidden Valley Boulevard, go west on West Hidden Valley Boulevard to East Country Club Boulevard, go north on East Country Club Boulevard to Brant Drive.

For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

4. George Bush Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project, from NE 2nd Avenue to State Road A1A in the City of Delray Beach, began Monday, July 19, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the Palm Beach Transportation Planning Agency and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing with minor widening, concrete sidewalk and driveway replacement including curb and gutter improvements, signing and pavement marking upgrades including bike lane and detectable warning surfaces, and drainage and utility improvements.

Cost/Completion: \$2 million. Completion is expected in summer 2023.

Traffic Impact:

- One lane in each direction of George Bush Boulevard from NE 2nd Avenue to Palm Trail may be closed Monday through Friday, 7 a.m. to 6 p.m., and Saturday, 8 a.m. to 4 p.m. for curb and gutter, signalization, and sidewalk work. During this time, a flagging operation will be used to direct traffic eastbound and westbound as needed. Emergency vehicles, local driveway, and pedestrian access will be provided at all times.
- George Bush Boulevard, between N. Andrews Avenue and SR A1A will undergo a full closure for drainage installation through Monday, Aug. 8, 2022. Detour routes will be marked along George Bush Boulevard, N. Andrews Ave., Crestwood Dr., and Pelican Ln. Please note, work activities are being performed during daytime hours only, Monday through Saturday: Monday through Friday, 7 a.m. to 6 p.m., and Saturday, 8 a.m. to 4 p.m. During this time, the City of Delray Beach is also performing utility repairs in this location. Emergency vehicles, local driveway, and pedestrian access will be provided at all times. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

5. Homewood Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project from Old Germantown Road to Lawson Boulevard in the City of Delray Beach began Friday, November 12, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT) District Four design and construct the Homewood Boulevard Improvements Project through application to the Palm Beach Transportation Planning Agency, Palm Beach County Resolution 2021-0169, and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing the roadway with minor widening; concrete sidewalk and driveway replacement, including curb and gutter improvements; signing and pavement marking upgrades, including bike lane and detectable warning surfaces; installation of four (4) new signal mast arms at Linton Blvd. to meet current standards; and drainage and utility improvements.

Cost/Completion: \$2.5 million. Completion is expected in early 2023.

Traffic Impact:

- The outside lane in each direction from Old Germantown Road to Lawson Boulevard may be closed from 9 a.m. to 5 p.m., Monday through Friday, and Saturday as needed, for the installation of temporary pavement markings, widening of the outside shoulder, and sidewalk work. Please note, work hours will occur during daytime hours, Monday through Friday, 8 a.m. to 6 p.m., and Saturdays 8 a.m. to 6 p.m. as needed. During this time, a flagging operation will be used to direct traffic northbound and southbound. Pedestrian detours will be clearly marked. Palm Tran, pedestrian, driveway, and street access will be maintained at all times. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lantana, Lake Worth Beach, West Palm Beach, Palm Beach)

6. Southern Boulevard (SR 80) Bridges Replacement Project

Description: This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge has been built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction.

Cost/Completion: \$97 million. Completion is anticipated in fall 2022.

Traffic Impact:

- Flagler Drive from Southern Boulevard to Worth Court North is closed as the roadway is reconstructed. Sidewalks also are closed. Access will be maintained for local traffic only. Traffic will be detoured as follows:
 - Traffic going north on Flagler Drive should: Go west on Worth Court North to Washington Road; go north on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.
 - Traffic going south on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go south on Washington Road to Worth Court North; go east on Worth Court North to Flagler Drive.

Marine Impact:

- The navigable waterway through the Southern Boulevard Bridge is restricted to half channel navigation. Full channel openings will not occur. During half-channel closures, the horizontal clearance through the bridge is 45 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valeringroup.com.

7. SR 80/Southern Boulevard at Australian Avenue EB to NB Off-Ramp

Description: This 0.531-mile improvement project on State Road 80/Southern Boulevard eastbound to the northbound off-ramp at Australian Avenue in Palm Beach County began July 24, 2022. Work includes widening eastbound SR 80/Southern Boulevard to include an

additional 12-foot travel lane to northbound Australian Avenue, widening the SR 80/Southern Boulevard exit ramp to northbound Australian Avenue to include a 6-foot shoulder and two 12-foot travel lanes, upgrading existing lighting along the exit ramp with LED luminaries, adding new signage, improving the 500-foot retaining wall along the exit ramp, and milling and resurfacing the road with curb and gutter improvements.

Cost/Completion: \$1.5 million. Completion is expected in early 2023.

Traffic Impact:

- Two inside eastbound lanes on Southern Boulevard at Australian Avenue will be closed continuously for clearing, grubbing, and striping through August 14.
- The Southern Boulevard eastbound exit ramp to northbound Australian Avenue will be reduced to one lane continuously for widening operations beginning Friday, July 29. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

8. Wrong Way Driving Safety Improvement Project in Riviera Beach

Description: Project Improvements include installing signs, flashing beacons, and Intelligent Transportation System (ITS) devices to alert wrong way drivers at the SR 9/I-95 southbound exit ramp to west SR 708/Blue Heron Boulevard. For more information, please contact I-95 Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/Completion: \$745,355 / Completion is expected in fall 2022.

Traffic Impact:

- The outside shoulder along the SR 9/I-95 exit ramp to west SR 708/Blue Heron Boulevard will be closed daily, 8 a.m. until 4 p.m., Monday through Friday, for the installation of signs, flashing beacons, and Intelligent Transportation System (ITS) devices.

9. Australian Avenue Lighting Improvements Project

Description: This 1.13-mile lighting improvements project, from West 1st Street to State Road 708/Blue Heron Boulevard in Palm Beach County began on Monday, November 22, 2021. The City of Riviera Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four, design and construct the Australian Avenue Lighting Improvements Project, through application to the Palm Beach Transportation Planning Agency and City of Riviera Beach Resolution 2020-0987

Work includes installing a continuous decorative LED lighting system, replacing concrete sidewalk and driveways impacted by LED light pole installations and curb and gutter improvements, and upgrading pedestrian curb ramps and pavement markings to meet current Americans with Disabilities Act (ADA) Requirements.

Cost/Completion: \$3 million. Completion is expected in spring 2023.

Traffic Impact:

- One lane in each direction of Australian Avenue from West 1st Street to Blue Heron Boulevard may be closed daily, 9 a.m. to 3 p.m., Monday through Friday, and nightly, 7 p.m. to 6 a.m., Monday through Thursday for ADA ramp updates, curb improvements, and crosswalk striping.

Pedestrian Impact:

- Australian Avenue, between W. 1st Street and Blue Heron Boulevard has sidewalk closures for ADA ramp updates, curb improvements, and crosswalk striping through spring 2023. Pedestrian closures & detours are as follows:
 - **Southbound sidewalk closures & detour information:**
 - W. 13th Street to Martin Luther King, Jr. Boulevard will have the southbound sidewalk closed (west side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the W. 13th Street and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the east side of the roadway.
 - **Northbound sidewalk closures & detour information:**
 - W 1st. Street to Martin Luther King, Jr. Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the Hill Avenue and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the west side of the roadway.
 - W. 13th Street to Blue Heron Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2023. DETOUR: Pedestrians may cross at W. 13th Street and Blue Heron Boulevard intersections to access the sidewalk on the west side of the roadway. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

10. **State Road (SR) A1A Gravity Wall Replacement Project**

Description: This 0.171-mile gravity wall replacement project on State Road (SR) A1A adjacent to John D. MacArthur Beach State Park in North Palm Beach began on July 28, 2022. This project includes replacing the existing gravity wall with a sheet pile wall,

replacing sidewalk, curb and gutter, and fencing; milling and resurfacing the roadway; upgrading pavement markings, and signing to the latest standards.

Cost/Completion: 2.3 million/Early 2023

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

11. **State Road (SR) 786/PGA Boulevard over the Intracoastal Waterway Bridge Project**

Description: This is 0.072-mile bridge project on State Road (SR) 786/PGA Boulevard over the Intracoastal Waterway in Palm Beach Gardens began December 13, 2021. It consists of installing erosion control materials in the channel under the SR 786/PGA Boulevard bridges and replacing the submarine cable conduit that provides power and communication to the bridges' movable spans.

Cost/Completion: \$2,469,362 / Summer 2022

Traffic Impact:

- One lane in either direction may be closed on PGA Boulevard between Prosperity Farms Road and Ellison Wilson Road daily from 7 p.m. to 2:30 p.m. Monday through Friday for concrete pours.

Marine Impact:

- The navigable waterway under the PGA Boulevard bridges will be limited to half channel navigation with single-leaf openings from 7 a.m. to 5 p.m. Monday through Friday. Full channel openings may be requested two hours in advance by calling the bridge tender at (561) 624-3684.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.

For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

12. **US 1 Bridge Replacement Project**

Description: This 4.1-mile project located in the town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway.

Cost/Completion: \$122 million/2026

Traffic Impact:

- The southbound merge lane from Old Dixie Highway to southbound Alternate A1A is closed continuously for intersection improvements through August 4. Southbound traffic will be diverted to the left-turn lane from Old Dixie Highway to northbound Alternate A1A.
- One southbound lane on US 1 between Jupiter Cove Drive and north of CR A1A/Ocean Boulevard will be closed 9:30 a.m. to 3:30 p.m. on Monday for a concrete pour.
- The outside westbound/southbound lane on Alternate A1A between US 1 and north of Riverside Drive will be closed continuously beginning Thursday, August 4, for intersection improvements at Alternate A1A and Old Dixie Highway.
- The right-turn lane from southbound US 1 to westbound/southbound Alternate A1A will be closed continuously beginning Thursday, August 4, for intersection improvements at Alternate A1A and Old Dixie Highway.
- The left-turn lane from northbound Alternate A1A to Old Dixie Highway will be closed continuously beginning Thursday, August 4, for approximately one month for intersection improvements at Alternate A1A and Old Dixie Highway.
- Lane closures may occur from 9 p.m. to 6 a.m. Sunday through Saturday on US 1, Indiantown Road, Alternate A1A and Old Dixie Highway.
- Intermittent daytime lane closures may occur on Alternate A1A and US 1 from 9 a.m. to 4 p.m. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee)

13. State Road 700 Hurricane Irma Repairs Project

Description: Construction on this 6.3-mile repairs and safety improvements project began Friday, June 11, 2021, in western Palm Beach County. Work includes embankment repairs on State Road 700 adjacent to the L-10 Canal, including bank stabilization and revetments, replacing the existing span wire signals with mast arms at the intersections of State Road 700 & Muck City Road and State Road 700 & Hatton Highway, new guardrail installation, and replacing/adding traffic signs at various locations.

Cost/Completion: \$8.2 million. Completion is expected in fall 2022.

Traffic Impact:

- State Road 700 is closed from West Main Street to Muck City Road for canal slope restoration and protection activities **extended through August 2022**. Motorists may detour via State Road 15, State Road 80, and Hatton Highway. Emergency vehicles

will be provided access at all times. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corrado.com.

14. **State Road 25/US 27 Safety Improvements Project**

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection.

Cost/Completion: \$18 million. Completion is expected summer 2024.

Traffic Impact:

- One southbound lane and shoulder will be closed Monday through Sunday from Okeelanta Road south 3 miles for shoulder widening. Please note continuous lane closures will not exceed 3 miles.
- One northbound lane and shoulder will be closed Monday through Sunday from mile marker 60 to mile marker 63 for milling and resurfacing.
- Northbound and southbound SR 25/US 27 posted speed limit are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corrado.com.

15. **State Road 25/US 27 Resurfacing and Restoration Project**

Description: Construction on this 13-mile resurfacing and restoration project began on Thursday, May 5, 2022, in Western Palm Beach County. Work includes milling and resurfacing existing travel lanes and shoulders, shoulder widening, replacing or resetting guardrails along the roadway, restoring sidewalks at various locations, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, adding pedestrian gates at the FEC Railroad crossing, improving lighting and replacing the signals at SR 80/East Palm Beach Road, upgrading pedestrian signals, pavement markings, and signing to current standards, installing rumble strips and internally illuminated retroreflective pavement markings

Cost/Completion: \$18 million. Completion is expected early 2024.

Traffic Impact:

- One southbound lane and shoulder will be closed from the Hendry County line south 3 miles for clearing and grubbing. Please note continuous lane closures will not exceed 3 miles. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corrado.com.

16. State Road 15/US 441 Improvements Project

Description: Construction on this 1.90-mile improvements project began on July 29, 2022, in Western Palm Beach County. Work includes milling and resurfacing SR 15 in both directions, upgrading pedestrian lighting with LED luminaires along SE Baack Obama Boulevard at SR 15, installing new sidewalks, crosswalks, and curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signage and pavement markings, and replacing existing guardrail.

Cost/Completion: \$4.5 million. Completion is expected in summer 2023.

Traffic Impacts: All lanes are open. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

FLORIDA'S TURNPIKE:

Northbound Florida's Turnpike/SR 91 entrance ramp from Southern Boulevard/SR

80 Weekend full ramp closure, 2 a.m. Saturday, July 30, to 4 a.m. Monday, August 1.

Detour information:

- Southern Boulevard/SR 80 traffic wishing to access northbound Florida's Turnpike/SR 91 will be directed to travel east to Jog Road, travel north on Jog Road to Okeechobee Boulevard, and travel east on Okeechobee Boulevard to access northbound Florida's Turnpike. For additional information, please contact Community Outreach Specialist Fiorella Teodista at 54-934-1130 or Fiorella.Teodista@dot.state.fl.us.

Northbound Florida's Turnpike/SR 91 exit ramp to Southern Boulevard/SR 80 (Exit 97) Weekend full ramp closure, 2 a.m. Saturday, July 30, to 4 a.m. Monday, August 1.

Detour information:

- Northbound Florida's Turnpike/SR 91 traffic wishing to access Southern Boulevard/SR 80 (Exit 97) will be directed to exit at Lake Worth (Exit 93), travel west on Lake Worth Road/SR 802 to US 441/SR 7, and north on US 441/SR 7 to access Southern Boulevard.
