FDOT Treasure Coast Traffic Report

July 29 through August 5

MARTIN, ST. LUCIE & INDIAN RIVER COUNTIES, Fla. – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been highlighted below.

For around-the-clock, real-time, I-95 traffic information, visit www.fl511.com. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @ MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewalls Point)

1. State Road 714/SW Martin Highway Widening Project

Description: This 1.127-mile widening project began on Aug. 6, 2021. Project improvements include widening SR 714/SW Martin Highway from a two-lane undivided rural roadway to a four-lane divided urban roadway, widening the bridge over Florida's Turnpike, constructing seven-foot buffered bike lanes and six-foot sidewalks on both sides of the roadway, and installing signing, signalization, and lighting upgrades.

Cost/Completion: \$21.3 million. Completion is expected in fall 2024.

Traffic Impact:

- The westbound bike lanes on SR 714/SW Martin Highway are closed. Cyclists and motorists should share the road. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

2. State Road 5/U.S. Highway 1 Resurfacing Project

Description: This 1.426-mile resurfacing project from SR 732/NW Jensen Beach Boulevard to the Martin County/St. Lucie County line began on Monday, May 2, 2022. Project improvements include milling and resurfacing the existing roadway; adding bicycle lanes within the project limits: 5-foot wide from SR 732/NW Jensen Beach Boulevard to NW Sunset Boulevard and 7-foot wide from NW Sunset Boulevard to the Martin County/St. Lucie County Line; upgrading curb ramps to meet American with Disabilities Act (ADA) standards; and upgrading pedestrian signals, intersection lighting, pavement markings, and signing to current standards.

Cost/Completion: \$3,071,783.35. Completion is expected spring 2023.

Traffic Impact:

- One lane in each direction on U.S. 1 from NW Jensen Beach Boulevard to the Martin County/St. Lucie County line will be closed Saturday, July 30 and Monday, Aug. 1 through Saturday, Aug. 6 from 9 a.m. to 4 p.m. for lighting/signal boring work. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

3. State Road 76/Kanner Highway Resurfacing Project

Description: This 1.4-mile resurfacing project from north of Cabana Point Circle to SR 5/US 1 in the City of Stuart will began on Monday, July 25, 2022. Project improvements include milling and resurfacing the existing roadway; some minor widening will occur along northbound and southbound SR 76/Kanner Highway; upgrading crosswalks and curb ramps to meet Americans with Disabilities Act (ADA) standards; installing sidewalks, signage and pavement markings; upgrading pedestrian lighting at two signalized intersections at SR 714/Monterey Road and SR 5/US 1; and, upgrading or restoring drainage pipes and replacing sections of the City of Stuart's watermain at various locations.

Cost/Completion: \$5,064,094.62. Completion is expected summer 2023.

Traffic Impact:

- One southbound lane of SR 76/Kanner Highway from SE Trafalgar Terrace to the Martin Funeral Home and Crematory will undergo a rolling closure from 8 p.m. to 6:30 a.m. Saturday, July 30 and Monday, Aug. 1 through Saturday, Aug. 6, for stand alone pipe lining work.
- One northbound lane of SR 76/Kanner Highway between Martin County High School and Monterey Road may be closed from 8 a.m. to 4 p.m. Saturday, July 30 and Monday, Aug. 1 through Saturday, Aug. 6, for sidewalk work. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

4. State Road 9/I-95 Weigh In Motion (WIM) Stations Highway Lighting Improvements Project

Description: This 1-mile (0.5 mile for each WIM station) on SR 9/I-95 from just south of SW Becker Road to just north of SR 706/Indiantown Road in Martin County is anticipated to begin in late summer 2022. Project improvements consist of removing the existing highway lighting features and installing new highway lighting, electrical, and other incidental construction.

Cost/Completion: \$1,074,789. Completion is expected spring 2023.

Traffic Impact:

- All WIM stations are open. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

5. Kings Highway Widening Project, from South of State Road 70 to North of the I-95 Overpass

Description: Kings Highway / State Road 713 is being widened from south of State Road 70 to north of the I-95 overpass in the City of Ft. Pierce and unincorporated St. Lucie County. The improvements on this 3.417-mile project include: reconstructing the existing two-lane undivided Kings Highway with a newly constructed four lane divided roadway, relocating Canal No. 40 and Canal No. 32E to accommodate widening to the west, realigning Kings Highway at the intersection with Okeechobee Road which will improve the existing connection with the Turnpike, replacing existing culverts/swales and installing a closed drainage system and retention ponds, installing a new highway lighting system, and upgrading signalization with vehicle detection devices and ITS cameras.

Cost/Completion: \$45.2 million. Completion is expected in winter 2022.

Traffic Impact:

- The speed limit on Kings Highway from south of Okeechobee Road / State Road 70 to north of the I-95 overpass has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kings Highway may be intermittently closed Monday through Thursday from 9 a.m. to 4 p.m. through fall 2022 for roadway work. Two-way traffic will be maintained by a flag crew. During this time, intermittent side street closures may occur, maintaining two-way traffic at all times.
- Southbound and northbound Kings Highway at the Orange Avenue intersection is reduced to one lane in each direction through summer 2022, temporarily removing the designated turning lanes, to facilitate roadway reconstruction.

- Eastbound Orange Avenue just west of Kings Highway is reduced to one through lane through summer 2022 to facilitate roadway reconstruction.
- Northbound and southbound traffic on Kings Highway from just north of Crossroads Parkway to south of Orange Avenue is shifted to the east on the newly constructed road to facilitate reconstruction of Kings Highway.
- Traffic on Kings Highway between the State Road 70/Okeechobee Road intersection and Pruitt Research Center Road was shifted to the newly constructed southbound lanes, to allow for widening operations and new northbound lane construction through early summer 2022. One lane of traffic will remain open in each direction, separated by double yellow lines (no passing zone).
- Northbound and southbound traffic on Kings Highway between north of Picos Road and Orange Avenue was shifted to the new northbound pavement, to allow for widening operations and southbound lane construction through fall 2022. One lane of traffic will be open in each direction separated by double yellow lines (no passing zone).
- Northbound and southbound traffic on Kings Highway just south of Orange Avenue was shifted to the new southbound pavement until Access Road, where northbound traffic will shift back onto the existing northbound pavement to allow for widening operations and lane construction through fall 2022. One lane of traffic will remain open in each direction, separated by double yellow lines (no passing zone).
- One lane in either direction of Kings Highway from Okeechobee Road to north of the I-95 bridge will be closed intermittently Monday, Aug. 1 through Friday, Aug. 5 from 6 a.m. to 4 p.m. for roadway work. Traffic will be maintained by a flag crew.
- One lane in either direction of Kings Highway from Okeechobee Road to north of the I-95 bridge will be closed Sunday, July 31 through Thursday, Aug. 4 from 8 p.m. to 6 a.m. for maintenance of traffic control work.
- One lane in either direction of Orange Avenue from just west of Kings Highway to just east of Kings Highway will be closed Sunday, July 31 through Thursday, Aug. 4 from 8 p.m. to 6 a.m. for drainage work. Traffic will be maintained by a flag crew.
- The traffic signal at the intersection of Kings Highway and Okeechobee Road on Thursday night, Aug. 4, from 9 p.m. to 6 a.m., will be under the control of the Florida Highway Patrol until the new traffic controller is operational. During this time, all lanes and traffic movements will be functional. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

6. SW Port St. Lucie Boulevard Widening Project, from South of SW Alcantarra Boulevard to South of SW Darwin Boulevard

Description: Construction on this 0.713-mile widening project began on Thursday, Jan. 27, 2022, in the City of Port St. Lucie. The City of Port St. Lucie, as Project Sponsor, requested the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 18-R42. Project improvements include widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, installing three new signalized intersections with mast arms at SW Alcantarra Boulevard, SW Tulip Boulevard, and SW Tunis Boulevard, adding a right turn lane on SW Port St. Lucie Boulevard's north approach to SW Alcantarra Boulevard, constructing an 18' wide raised median with curb and gutter, upgrading crosswalks and curb ramps to meet Americans with Disabilities Act (ADA) standards, constructing 8'-10' wide sidewalks on both sides of

SW Port St. Lucie Boulevard for pedestrian and bicycle use, and 6' wide sidewalks on side streets, installing a new closed drainage system, signing, pavement markings, signalization, and lighting upgrades, and landscaping for the median including trees, irrigation and stamped concrete.

Cost/Completion: \$11,570,179. Completion is expected summer 2024.

Traffic Impact:

- One lane in each direction on SW Port St. Lucie Boulevard between SW Squirrel Avenue and SW Darwin Boulevard will be closed Monday, Aug. 1 through Friday, Aug. 5 from 8 a.m. to 3 p.m. for installation of head walls and elliptical pipes, and pressure testing. Flagging operations will be in place to direct traffic. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

City of Port St. Lucie project/adjacent to project corridor:

The Port St. Lucie Boulevard South Project Segment 3, managed by the City of Port St. Lucie, is reconstructing approximately 0.7 miles of the existing four-lane roadway from SW Gatlin Boulevard to SW Darwin Boulevard and a portion of SW Darwin Boulevard through Winter 2023.

Traffic Impact:

- Speed limit lowered to 30 mph for the duration of the construction project.
- Closure of existing median openings at both SW Yale Street and SW Cairo Avenue.
- One northbound through lane will be eliminated on SW Port St. Lucie Boulevard north of SW Aurelia Avenue to Gatlin Boulevard, leaving one through lane and one dedicated left turn lane onto westbound Gatlin Boulevard. For more information about the City of Port St. Lucie's Segment 3 Project, please contact Beth Zsoka, Project Public Information Specialist at 772-871-5176.

7. St. Lucie West Boulevard Widening Project, from Commerce Center Drive to Peacock Boulevard

Description: This 1.814-mile widening project began on Monday, January 24, 2022, in the City of Port St. Lucie. The City of Port St. Lucie, as Project Sponsor, requested the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 20-R75. Project improvements include constructing a new 3-lane eastbound bridge over I-95, separated 10-feet from the existing bridge; widening St. Lucie West Boulevard to accommodate two (2) eastbound and westbound travel lanes, with a third eastbound lane between the I-95 southbound and northbound ramps, two (2) eastbound left turn lanes at the I-95 northbound on ramp, two (2) westbound right turn lanes at the I-95 northbound on ramp; reconstructing/widening the I-95 ramps; connecting the existing St. Lucie West Boulevard roadway to the new eastbound bridge from the east and west directions; constructing 7-foot buffered bike lanes/paved shoulder and 5-foot to 6-foot wide sidewalks on both sides of the roadway; constructing a 22-foot to 40-foot lane-line to lane-line curbed median with curb and gutter; installing fencing retrofits on the north side of the existing bridge, and new railing on the eastbound bridge; and, installing new traffic signals with enhanced synchronization and timing at I-95 ramps.

Cost/Completion: \$15,518,729. Completion is expected summer 2023.

Traffic Impact:

- Eastbound St. Lucie West Boulevard to southbound I-95 traffic is shifted to the newly paved temporary on-ramp.
- Eastbound and westbound traffic on St. Lucie West Boulevard just west of I-95 near the southbound on and off-ramps is shifted to the north through Aug. 2022.
- The eastbound lane of St. Lucie West Boulevard just west of the I-95 northbound on and off-ramps will be shifted to the south through Sept. 2022.
- The bike lane and shoulder along eastbound St. Lucie West Boulevard are closed through Aug. 2022. The asphalt pathway along westbound St. Lucie West Boulevard will be open and can be used by bicycles.
- Intermittent shoulder closures may occur Monday through Friday, through Thursday, Sept. 1, from 7 a.m. to 5 p.m. for road work at the following locations:
 - Northbound and southbound I-95 mainline from just north and south of the St. Lucie West Boulevard overpass
 - All I-95 on and off-ramps at St. Lucie West Boulevard
 - Eastbound and westbound St. Lucie West Boulevard from Champions Way to SW Peacock Boulevard
- One lane in either direction of St. Lucie West Boulevard between Champions Way and SW Peacock Boulevard may be intermittently closed Monday through Friday through Thursday, Sept. 1, from 10 p.m. to 6 a.m. for roadway work. A flagging operation will be in place to help direct traffic.
- One northbound and southbound lane of I-95 may be intermittently closed from just north and south of the St. Lucie West Boulevard overpass Monday through Friday through Thursday, Sept. 1, from 7 a.m. to 5 p.m. for bridge work.
- One northbound and southbound lane of I-95 may be intermittently closed from just north and south of the St. Lucie West Boulevard overpass Monday through Friday through Thursday, Sept. 1, from 8 p.m. to 6 a.m. for bridge work. No more than one lane will be closed at a time in either direction of I-95.
- Two southbound and northbound lanes of I-95 from one mile south to one mile north of the St. Lucie West Boulevard overpass may be intermittently closed Monday through Friday through Thursday, Sept. 1, from 11 p.m. to 5 a.m. for bridge work.
- **Advanced Notice:** Beginning August 10, 2022, traffic on the northbound I-95 off-ramp may be shifted to the inside (left) lane to facilitate roadway construction operations through November 2022. The traffic shift is expected to be completed by August 12, 2022, pending weather and unforeseen circumstances.
- **Advanced Notice:** Beginning August 10, 2022, traffic on the northbound I-95 on-ramp will be shifted to the outside (right) lane through February 2023. The traffic shift is expected to be completed by August 12, 2022, pending weather and unforeseen circumstances. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

8. State Road 716/Port St. Lucie Boulevard Over Long Creek & N. Fork of the St. Lucie River Bridge Rehabilitation Project

Description: This 0.3-mile bridge rehabilitation project began on Saturday, March 19, 2022, in the City of Port St. Lucie. Project improvements include removing the existing deteriorated east and west seawalls (concrete caps and steel sheet piles) and replacing with rubble riprap slope protection, and repairing the existing spalls in the concrete piles and concrete beams at various locations.

Cost/Completion: \$1,436,682. Completion is expected fall 2022.

Traffic Impact:

- One westbound lane on State Road 716/Port St. Lucie Boulevard from SE Shelter Drive to SE Floresta Drive may be closed Monday, Aug. 1 through Saturday, Aug. 6, from 9 a.m. to 4 p.m. for debris removal.
- One eastbound lane on State Road 716/Port St. Lucie Boulevard from SE Aneci Street to Westmoreland Boulevard may be closed, Monday, Aug. 1 through Saturday, Aug. 6, from 9 a.m. to 4 p.m. for debris removal.
- Two westbound lanes on State Road 716/Port St. Lucie Boulevard from SE Shelter Drive to SE Floresta Drive may be closed Monday, Aug. 1 through Saturday, Aug. 6, from 8 p.m. to 7 a.m. for debris removal and rock placement. Only one direction will be closed at a time.
- Two eastbound lanes on State Road 716/Port St. Lucie Boulevard from SE Aneci Street to Westmoreland Boulevard may be closed, Monday, Aug. 1 through Saturday, Aug. 6, from 8 p.m. to 7 a.m. for debris removal and rock placement. Only one direction will be closed at a time. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

9. State Road A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project

Description: This bridge replacement project is anticipated to begin in fall 2022, in the City of Fort Pierce. Project improvements include constructing a new high-level fixed bridge connected directly to U.S. 1 over the FEC Railroad, Old Dixie Highway, and the ICWW featuring: one (1) 12-foot travel lane in each direction and navigational clearances of 85-foot vertical and 125-foot horizontal at the waterway channel; installing a barrier protected sidewalk on the south side of the bridge and a barrier protected, buffered shared-use path on the north side of the bridge; building an Observation Deck beneath the west side of the new bridge structure; installing 7-foot buffered bicycle lanes within shoulders on either side of SR A1A; constructing a shared-use path along Old Dixie Highway to provide connectivity to the East Coast Greenway; constructing a new access road under the bridge to businesses east of the FEC Railroad; extending Juanita Avenue from U.S. 1 to Old Dixie Highway; and, connecting U.S. 1 and Old Dixie Highway along Sunny Lane.

Cost/Completion: \$111,595,617. Completion is expected summer 2026.

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

10. State Road 9/I-95 Northbound and Southbound Off-Ramps at Gatlin Boulevard Roadway Improvements Project

Description: This 1.4-mile roadway improvements project began on Friday, June 10, 2022. Project improvements include widening southbound I-95 to provide a 12-foot auxiliary lane and a 12-foot shoulder (10-feet paved); widening I-95 southbound Gatlin Boulevard off-ramp for the addition of a right-turn lane and a left-turn lane; widening the inside of the I-95 northbound Gatlin Boulevard off-ramp to provide three (3) left-turn lanes; widening eastbound and westbound Gatlin Boulevard to provide three 15-foot left-turn lanes; modifying drainage to an open system with dry ponds; installing one cantilever sign structure at the southbound I-95 off-ramp; and adding new signing and pavement markings.

Cost/Completion: \$4,627,785.77. Completion is anticipated fall 2023.

Traffic Impact:

- The outside or inside ramp lane of the northbound I-95 to eastbound and westbound Gatlin Boulevard exit ramp may be closed Monday through Friday, through Aug. 2022, from 9 a.m. to 4 p.m. for roadway work.
- One lane in each direction of Gatlin Boulevard from just east and west of the northbound and southbound I-95 off-ramps at Gatlin Boulevard may be closed Monday through Friday, from Monday, Aug. 8 through Wednesday, Aug. 31, from 7 a.m. to 5 p.m. for drilled shaft work. During this time, sections of the sidewalks will be closed, and pedestrian detours will be in place. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Port Mayaca, Rio, Indiantown, Tequesta, Town of Sewalls Point)

HOBE SOUND:

Eastbound and westbound Bridge Road between N Beach Road and SE Dixie Highway, in Hobe Sound, 10 a.m. to 8 p.m., Tuesday, Aug. 2 through Thursday, Aug. 18, 1 of 2 lanes intermittently closed, for routine maintenance. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

JENSEN BEACH:

Northbound and southbound U.S. 1 between NW Sunset Boulevard and NW Goldenrod Road, in Jensen Beach, 9 a.m. to 4 p.m., Friday, July 29 through Friday, Aug. 5, 1 of 3 lanes closed, for FP&L

pole removal and installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

PALM CITY:

Northbound and southbound SW Matheson Avenue between SW Martin Downs Boulevard and SW Murphy Road, in Palm City, 8:30 a.m. to 4 p.m., through Wednesday, Aug. 31, 1 of 2 lanes intermittently closed, for overhead utility work. Sections of the sidewalk will be closed. Motorists are encouraged to follow detours, exercise caution, and expect delays. For more information, please contact Carol Higgins at 772-288-5462.

PORT MAYACA:

Eastbound Kanner Highway at a .25-mile east of the Highway 441 overpass, in Port Mayaca, 9 a.m. to 4 p.m., Monday, Aug. 1 through Wednesday, Aug. 3, 1 of 2 lanes closed, for utility work. For more information, please contact James Edwards at 772-321-7926.

Northbound Highway 441 at approximately 1-mile south of the Highway 441 and Kanner Highway intersection, in Port Mayaca, 9 a.m. to 4 p.m., Monday, Aug. 1 through Wednesday, Aug. 3, 1 of 2 lanes closed, for utility work. For more information, please contact James Edwards at 772-321-7926.

STUART:

Eastbound and westbound State Road A1A over the Evans Crary Bridge, in Stuart, 8 a.m. to 5 p.m., Tuesday, Aug. 2 through Friday, Aug. 5, 1 of 4 lanes closed, for routine maintenance. Only one lane will be closed at a time. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Eastbound and westbound State Road A1A over the Evans Crary Bridge, in Stuart, 8 a.m. to 5 p.m., Monday, Aug. 8 through Friday, Aug. 12, 1 of 4 lanes closed, for routine maintenance. Only one lane will be closed at a time. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Eastbound and westbound State Road A1A over the Ernest Lyons Bridge, in Stuart, 8 a.m. to 5 p.m., Wednesday, Aug. 3 through Friday, Aug. 5, 1 of 2 lanes closed, for routine maintenance. Only

one lane will be closed at a time. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Eastbound and westbound State Road A1A over the Ernest Lyons Bridge, in Stuart, 8 a.m. to 5 p.m., Thursday, Aug. 11 through Friday, Aug. 12, 1 of 2 lanes closed, for routine maintenance. Only one lane will be closed at a time. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Eastbound and westbound State Road A1A over the Ernest Lyons Bridge, in Stuart, 8 a.m. to 5 p.m., Wednesday, Aug. 17 through Friday, Aug. 19, 1 of 2 lanes closed, for routine maintenance. Only one lane will be closed at a time. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Eastbound and westbound State Road A1A over the Ernest Lyons Bridge, in Stuart, 8 a.m. to 5 p.m., Monday, Aug. 22 through Friday, Aug. 26, 1 of 2 lanes closed, for routine maintenance. Only one lane will be closed at a time. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Southbound State Road A1A/NE Ocean Boulevard between NE Causeway Boulevard and NE Shore Village Terrace, in Stuart, 9 a.m. to 4 p.m., Monday, Aug. 1 through Friday, Aug. 5, 1 of 2 lanes closed, for utility pole removal and installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound S Kanner Highway between SW Cocoloba Way and SE Taho Terrace, in Stuart, 9 a.m. to 4 p.m., Friday, July 29 through Friday, Aug. 5, 1 of 3 lanes closed, for FP&L pole removal and installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound S Kanner Highway between SW Appaloosa Street and SE Green Lane, in Stuart, 9 a.m. to 4 p.m., Monday through Friday, Monday, May 23 extended through Friday, Aug. 12, 1 of 3 lanes closed, for new left turn lane installation. For more information, please contact Victoria Perez 561-777-0723.

Northbound State Road 5/US 1 between 400-feet north of SE Central Parkway and SE Central Parkway, in Stuart, 9 a.m. to 4 p.m., Monday, July 25 through Friday, Aug. 5, 1 of 2 lanes closed, for directional boring work. For more information, please contact Jay Fisher at 321-423-3980.

Eastbound State Road 714/SE Monterey Road between just east of Willoughby Boulevard and SE Monterey Road Extension, in Stuart, 8 p.m. to 5 a.m., 1 of 2 lanes closed, for roadway maintenance

and paving operations. For more information, please contact John Whitford at 772-349-8029.

TEQUESTA:

Northbound and southbound U.S. 1 between SE Jupiter Inlet Way and Coconut Road, in Tequesta, 9 a.m. to 4 p.m., Monday, Aug. 1 through Friday, Aug. 5, 1 of 2 lanes closed, for utility work. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound SE Federal Highway between SE Jupiter Inlet Way and Intracoastal Place, in Tequesta, 9 a.m. to 3:30 p.m., Monday through Friday, Monday, July 18 through Monday, Sept. 19, 1 of 3 lanes closed, for AT&T work. During this time, sections of the sidewalk will be closed. Pedestrian detour signage will be in place, directing pedestrians to the nearest signalized intersection. For more information, please contact Urma Charlemagne at 561-418-0598.

Southbound SE Federal Highway between SE Jupiter Inlet Way and Intracoastal Place, in Tequesta, 9 a.m. to 3:30 p.m., Monday, July 18 through Monday, Sept. 19, 1 of 3 lanes and shoulder closed, for conduit installation and directional boring. During this time, sections of the sidewalk will be closed. Pedestrian detour signage will be in place, directing pedestrians to the nearest signalized intersection. For more information, please contact Urma Charlemagne at 561-418-0598.

Southbound SE Federal Highway between SE Jupiter Inlet Way and Intracoastal Place, in Tequesta, 9 a.m. to 3:30 p.m., Monday through Friday, Tuesday, July 19 through Monday, Sept. 19, 1 of 2 lanes and the shoulder closed, for small cell equipment and wood pole installations. During this time, sections of the sidewalk will be closed. Pedestrian detour signage will be in place, directing pedestrians to the nearest signalized intersection. For more information, please contact Urma Charlemagne at 561-418-0598.

Southbound SE Federal Highway between South Jupiter Inlet Way and Intracoastal Place, in Tequesta, 9 a.m. to 3:30 p.m., Monday through Friday, Tuesday, July 19 through Monday, Sept. 19, 1 of 2 lanes closed, for directional boring and conduit installations. For more information, please contact Urma Charlemagne 561-418-0598.

BRIGHTLINE:

Jensen Beach – Riverview Dr. Daytime flagging operations, 7 a.m. to 5 p.m. for rail work. Crossings may be closed briefly (1-2 minutes) as trucks enter and exit Riverview Dr. For more information, please contact Katie Mitzner at 407-502-3587.

Jensen Beach – NE Jensen Beach Blvd. Daytime flagging operations, 7 a.m. to 5 p.m. for rail work. Crossings may be closed briefly (1-2 minutes) as trucks enter and exit NE Jensen Beach Blvd. For more information, please contact Katie Mitzner at 407-502-3587.

Jensen Beach – NE Dixie Hwy. Daytime flagging operations, 7 a.m. to 5 p.m. for rail work. Crossings may be closed briefly (1-2 minutes) as trucks enter and exit NE Dixie Hwy. For more information, please contact Katie Mitzner at 407-502-3587.

Stuart – Alice St. Daytime flagging operations, 7 a.m. to 5 p.m. for rail work. Crossings may be closed briefly (1-2 minutes) as trucks enter and exit NW Alice St. For more information, please contact Katie Mitzner at 407-502-3587.

Stuart – NW Fern St. Daytime flagging operations, 7 a.m. to 5 p.m. for rail work. Crossings may be closed briefly (1-2 minutes) as trucks enter and exit NW Fern St. For more information, please contact Katie Mitzner at 407-502-3587.

Stuart – Colorado Ave. Full road closure until 6 p.m., Monday, August 15.
