FDOT Palm Beach County Traffic Report

January 21 through January 28, 2022

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. CONSTRUCTION PROJECTS

-

INTERSTATE 95

1. **I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)**

Description: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added, and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes

reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

I-95 Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly, 9 p.m. until 6 a.m., Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 10 p.m.
- I-95 southbound from Spanish River to Glades Rd is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through February 2022.
- I-95 northbound from Yamato Road to Linton Boulevard is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through February 2022.
- I-95 northbound lanes, from Glades Road to Yamato Road, are shifted to the outside to allow for median construction, through February 2022.
- **I-95 Northbound Full Closure Notice:** I-95 northbound lanes at Glades Road will be closed to traffic overnight, Monday, Jan. 31 for bridge beam installation. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. each morning. Traffic will be detoured via the northbound exit ramp to Glades Road, [US-1/Federal Highway](#) and Yamato Road. FHP will be onsite to assist motorists. Wednesday, Feb. 2 and Thursday, Feb. 3 will be used as contingency nights if needed. Please see detour flyer attached.
- **I-95 Southbound Full Closure Notice:** I-95 southbound lanes at Glades Road will be closed to traffic overnight, Monday, Jan. 31 and Tuesday, Feb. 1 for bridge beam installation. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. each morning. Traffic will be detoured via the southbound exit ramp to Glades Road, Powerline Road and Palmetto Park Road. FHP will be onsite to assist motorists. Wednesday, Feb. 2 and Thursday, Feb. 3 will be used as contingency nights if needed. Please see detour flyer attached.

Glades Road Impact:

- Westbound Glades Road at I-95, from the northbound entrance ramp to the southbound exit ramp, will be closed to traffic overnight, 10 p.m. until 5 a.m., Wednesday, Jan. 26 and Thursday, Jan. 27 for bridge beam installation. Motorists will be detoured via the I-95 northbound entrance ramp from Glades Road, Yamato Road westbound, I-95 southbound and the I-95 southbound exit to Glades Road.

- Eastbound Glades Road, from east of Military Trail to I-95, will be shifted to the inside to facilitate outside widening beginning Monday, Jan. 24.
- Westbound Glades Road, between NW 22nd Way and West University Drive, is in a new traffic pattern with traffic shifted inside towards the median to allow for outside widening.
- Military Trail at Glades Road has two northbound and one southbound lane closed through spring 2022, to facilitate Glades Road bridge widening operations. During this activity, one northbound and two southbound lanes will remain open.
- Westbound Glades Road, between NW 22nd Way and West University Drive, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Sunday through Thursday. Glades Road, between NW 22nd Way and West University Drive, will have one lane closed nightly at 9 p.m. and two lanes closed at 10 p.m. until 6 a.m., Sunday through Thursday.
- Glades Road westbound and eastbound, between Butts Road and I-95, is shifted inside towards the median to allow for outside widening and drainage activities.

Palmetto Park Road Impact:

- Eastbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

Clint Moore Road Impact:

- The Clint Moore Road bridge over I-95 is closed completely for reconstruction through summer 2022. Westbound traffic is being detoured via NW 2nd Avenue, Yamato Road and Congress Avenue. Eastbound traffic is being detoured via Park of Commerce Boulevard, Congress Avenue, Yamato Road and NW 2nd Avenue. Local neighborhood access is maintained; only the approaches and bridge over I-95 are closed.

Ramp Impact:

- The I-95 southbound entrance ramp from Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound Yamato Road, US-1/Federal Highway, westbound Glades Road and the I-95 southbound entrance ramp from Glades Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Powerline Road and Jog Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Spanish River Boulevard will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 north, Yamato Road east, US-1 and Spanish River Boulevard. FHP will be onsite to assist motorists.
- The I-95 northbound entrance ramp from Congress Avenue and Peninsula Corp. Drive will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Congress Avenue will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Linton Boulevard. FHP will be on site to assist motorists.

- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Glades Road east, N. Federal Highway and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue, Peninsula Corp Drive, Congress Avenue and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Glades Road west, Powerline Road and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Yamato Road/Spanish River Boulevard will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Yamato Road east, Federal Highway/U.S. 1 south and Glades Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Peninsula Corp Drive will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue and Yamato Road. FHP will be on site to assist motorists. Consecutive ramps will not be closed at the same time.

2. I-95 Milling and Resurfacing from North of Gateway Boulevard to Lantana Road in the City of Boynton Beach and Town of Lantana

Description: This 2.35-mile project includes milling and resurfacing I-95 in both directions as well as the entrance and exit ramps at Hypoluxo Road and Lantana Road. This project also includes median lighting upgrades. For more information, please contact Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/ Completion: \$11.9 million. Completion is expected in spring 2022.

I-95 Traffic Impact:

- I-95 in each direction will have intermittent shoulder closures, daily and nightly, as needed, Sunday through Thursday.
- I-95 southbound may have up to four lanes closed midnight until 6 a.m. Monday and 9:30 p.m. until 6 a.m., day Sunday through Thursday. Two lanes of I-95 will be closed at 9:30 p.m., three lanes will be closed at 11 p.m., and four lanes will be closed at 1 a.m.

Ramp Impact:

- The I-95 northbound entrance ramp from Gateway Boulevard will be closed to traffic nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday for milling and resurfacing operations. Motorists traveling westbound on Gateway Boulevard will be detoured via Congress Avenue and the I-95 northbound entrance ramp from Hypoluxo Road. Eastbound Gateway Boulevard traffic will be detoured via US-1/Federal Highway and the I-95 northbound entrance ramp from Hypoluxo Road. FHP will be onsite to assist motorists.
- The I-95 southbound exit ramp to Gateway Boulevard will be closed to traffic nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday for milling and resurfacing operations. Traffic will be detoured via the I-95 southbound exit ramp to Hypoluxo Road. Motorists can access

Gateway Boulevard by traveling eastbound to US-1/Federal Highway or westbound via Congress Avenue then south to Gateway Boulevard. FHP will be onsite to assist motorists.

- The I-95 northbound entrance ramp from Hypoluxo Road will be closed to traffic nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday for milling and resurfacing operations. Westbound Hypoluxo Road traffic will be detoured via Congress Avenue and the I-95 northbound entrance ramp from Lantana Road. Eastbound Hypoluxo Road traffic will be detoured via Federal Highway/US-1 and the I-95 northbound entrance ramp from Lantana Road. FHP will be onsite to assist motorists.
- The I-95 southbound exit ramp to Hypoluxo Road will be closed nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday for milling and resurfacing operations. Traffic will be detoured via the I-95 southbound exit ramp to Gateway Boulevard. Motorists can then access Hypoluxo Road by traveling eastbound to US-1/Federal Highway or westbound to Congress Avenue and north to Hypoluxo Road. FHP will be onsite to assist motorists.
- The I-95 southbound entrance ramp from Hypoluxo Road will be closed to traffic nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday for milling and resurfacing operations. Westbound Hypoluxo Road traffic will be detoured via Congress Avenue and the I-95 southbound entrance ramp from Gateway Boulevard. Eastbound Hypoluxo Road traffic will be detoured via Federal Highway/US-1 and the I-95 southbound entrance ramp from Gateway Boulevard. FHP will be onsite to assist motorists.
- The I-95 southbound entrance ramp from Lantana Road will be closed nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday milling and resurfacing operations. Westbound Lantana Road traffic will be detoured via Congress Avenue and the I-95 southbound entrance ramp from Hypoluxo Road. Eastbound Lantana Road traffic will be detoured via Federal Highway/US-1 and the I-95 southbound entrance ramp from Hypoluxo Road. FHP will be onsite to assist motorists.
- The I-95 northbound exit ramp to Lantana Road will be closed nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday for milling and resurfacing operations. Traffic will be detoured via the I-95 northbound exit ramp to Hypoluxo Road. Motorists can then access Lantana Road by traveling eastbound to US-1/Federal Highway or westbound to Congress Avenue and north to Lantana Road. FHP will be onsite to assist motorists.
- Please note that ramp closures will be closed as needed per paving production; consecutive ramps will not be closed at the same time. Detour signage will be in place and FHP will be on site to assist motorists.

3. SR 704/Okeechobee Boulevard Eastbound to I-95 Southbound Ramp Improvements Project

Description: This 0.164-mile project includes widening eastbound SR 704/Okeechobee Boulevard to provide an exclusive turn lane to the I-95 southbound entrance ramp. For more information, please contact Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/Completion: \$635,418. Completion is expected in spring 2022.

Traffic Impact:

- Okeechobee Boulevard, just west of I-95, in each direction may have one lane closed nightly as needed, 9 p.m. until 5 a.m., Sunday through Thursday.

Ramp Impact:

- The I-95 southbound entrance ramp from Okeechobee Boulevard may be closed to traffic nightly, as needed, 11 p.m. until 6 a.m., Sunday through Thursday, for lighting and sidewalk work. Motorists will be detoured via the westbound Okeechobee Boulevard to I-95 southbound entrance ramp via a U-turn movement just east of Australian Avenue. Signage will be in place to assist motorists.

Pedestrian Impact:

- To ensure pedestrian safety, the south sidewalk along eastbound Okeechobee Boulevard at I-95 will be closed through spring 2022. Pedestrians will be detoured to the north sidewalk via Church Street and Tamarind Avenue.

4. I-95 Lighting and Roadway Improvements Project from South of the State Road 706 / Indiantown Road Interchange to the County Road 708 / SE Bridge Road Interchange

Description: This 11.59-mile I-95 improvements project started September 9, 2020 in Jupiter and Hobe Sound. Work includes installing new roadway lighting with LED luminaires, replacing the high mast lighting system with a conventional LED roadway lighting system, extending the northbound I-95 merge lane just north of Indiantown Road, extending the deceleration distances for the I-95 northbound to westbound Indiantown Road exit ramp and the I-95 southbound to eastbound Indiantown Road exit ramp, and installing wrong way vehicle detection systems at the Indiantown Road and SE Bridge Road I-95 interchanges and new advanced warning signage.

Cost/Completion: \$12.3 million. Completion is expected in spring 2022.

Traffic Impact:

- The shoulder in both directions of I-95 will be intermittently closed Monday through Friday through January 2022 from 6:30 a.m. to 6 p.m. for temporary asphalt placement, and conduit and light pole foundations. During this time the exit ramp will still be open as motorists can use the inside left lane.
- One lane in either direction of I-95 at the Indiantown Road interchange may be closed nightly Sunday, Jan. 23 through Thursday, Jan. 27 from 10 p.m. to 6 a.m. for roadway work.
- The outside ramp lane of the northbound I-95 to eastbound Indiantown Road exit ramp will be closed Monday, Jan. 24 through Friday, Jan. 28 from 10 a.m. to 3 p.m. to install light poles.
- One lane in each direction of Indiantown Road from the Turnpike entrance/exit to Island Way will be closed Monday, Jan. 24 through Friday, Jan. 28 from 10 a.m. to 3 p.m. to install light poles and shoulder widening.
- The northbound I-95 to westbound Indiantown Road exit ramp will be closed nightly Sunday, Jan. 23 through Thursday, Jan. 27, from 10 p.m. to 6 a.m. to install new light pole foundations along the I-95 off ramp. Motorists heading north on I-95 to westbound Indiantown Road should

take the eastbound off ramp to Indiantown Road, then make a U-Turn at Island Way to go westbound on Indiantown Road.

- The southbound I-95 to eastbound Indiantown Road off ramp will be closed nightly Sunday, Jan. 23 through Thursday, Jan. 27, from 10 p.m. to 6 a.m. to install new light pole foundations along the I-95 off ramp. Motorists heading south on I-95 to eastbound Indiantown Road should take the westbound off ramp to Indiantown Road, then make a U-Turn at the Florida's Turnpike entrance to go eastbound on Indiantown Road.
- Southbound I-95 from County Road/SE Bridge Road to State Road 706/Indiantown Road will be closed nightly Sunday, Jan. 23 through Thursday, Jan. 27, from 11:30 p.m. to 4:30 a.m., to install new overhead sign span trusses. Traffic will be detoured as follows:
 - Motorists heading southbound I-95 and continuing to southbound I-95 should take the eastbound off ramp to County Road 708/SE Bridge Road, turn right on State Road 5/SE Federal Highway, then turn right on Indiantown Road to go west to the I-95 southbound on ramp.
 - Motorists heading southbound I-95 to eastbound or westbound State Road 706/Indiantown Road should take the eastbound off ramp at County Road 708/SE Bridge Road, turn right on State Road 5/SE Federal Highway, then turn onto State Road 706/Indiantown Road to go east or west. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

SOUTHERN PALM BEACH COUNTY PROJECTS **(Boca Raton, Delray Beach)**

5. Brant Drive Bridge Replacement Project

Description This 0.1-mile project in the cities of Boca Raton and Delray Beach consists of replacing the two-lane Brant Drive Bridge (Bridge No. 935501) over the C-15 Canal with a new bridge consisting of two travel lanes and 10-foot shared-use paths in each direction. Improvements also include constructing 10-foot shared-use paths in each direction north of the bridge, reconstructing sidewalks south of the bridge, adding decorative lighting and drainage, upgrading signage and pavement markings, reconstructing roadway approaches and milling and resurfacing.

Cost/Completion: \$2.47 million/Early 2023

Traffic Impact:

- Brant Drive is closed from Oregon Lane to Avocet Road for the duration of construction. Traffic will be detoured as follows:
 - Northbound traffic should go south on Brant Drive to East Country Club Boulevard, go south on East Country Club Boulevard to West Hidden Valley Boulevard, go east on West Hidden Valley Boulevard to North Dixie Highway, go north on North Dixie Highway to Lindell Boulevard, go west on Lindell Boulevard to Carl Bolter Drive, go south on Carl Bolter Drive to Brant Drive.

- Southbound traffic should go north on Brant Drive to Carl Bolter Drive, go north on Carl Bolter Drive to Lindell Boulevard, go east on Lindell Boulevard to North Dixie Highway, go south on North Dixie Highway to West Hidden Valley Boulevard, go west on West Hidden Valley Boulevard to East Country Club Boulevard, go north on East Country Club Boulevard to Brant Drive.

For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

6. George Bush Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project, from NE 2nd Avenue to State Road A1A in the City of Delray Beach, began Monday, July 19, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the Palm Beach Transportation Planning Agency and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing with minor widening, concrete sidewalk and driveway replacement including curb and gutter improvements, signing and pavement marking upgrades including bike lane and detectable warning surfaces, and drainage and utility improvements.

Cost/Completion: \$2 million. Completion is expected in summer 2023.

Traffic Impact:

- George Bush Boulevard, between NE 6th Avenue and NE 7th Avenue will remain closed through Monday, Jan. 23, 2022. Detour routes are marked along George Bush Boulevard, US 1, NE 7th Street, NE 6th Avenue, and NE 7th Avenue. Please note, work activities are being performed during daytime hours only, Monday through Saturday: Monday through Friday, 7 a.m. to 6 p.m., and Saturday, 8 a.m. to 4 p.m. During this time, the City of Delray Beach is also performing utility repairs in this location. Emergency vehicle, local driveway and pedestrian access will be provided at all times. Please see attached flyer. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corrado.com.
- **Advance Notice:** Beginning Monday, Feb. 7, George Bush Boulevard, between NE 7th Avenue and NE 8th Avenue will undergo a full closure for drainage installation through Monday, Feb. 21, 2022. Detour routes will be marked along George Bush Boulevard, NE 7th Avenue, NE 7th Street, NE 8th Avenue, NE 6th Street, and Palm Trail. Please note, work activities are being performed during daytime hours only, Monday through Saturday: Monday through Friday, 7 a.m. to 6 p.m., and Saturday, 8 a.m. to 4 p.m. During this time, the City of Delray Beach is also performing utility repairs in this location. Emergency vehicle, local driveway, and pedestrian access will be provided at all times. Please see attached flyer. This full closure will not begin until the previous closure is complete. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corrado.com.

7. Homewood Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project from Old Germantown Road to Lawson Boulevard in the City of Delray Beach began Friday, November 12, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT) District Four design and construct the Homewood Boulevard Improvements Project through application to the Palm Beach Transportation Planning Agency, Palm Beach County Resolution 2021-0169, and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing the roadway with minor widening; concrete sidewalk and driveway replacement, including curb and gutter improvements; signing and pavement marking upgrades, including bike lane and detectable warning surfaces; installation of four (4) new signal mast arms at Linton Blvd. to meet current standards; and drainage and utility improvements.

Cost/Completion: \$2.5 million. Completion is expected in early 2023.

Traffic Impact:

- The outside northbound lane from Old Germantown Road to Linton Boulevard may be closed from 9 a.m. to 5 p.m., Monday through Friday for installation of temporary pavement markings and widening of the outside shoulder. Please note, work hours will occur during daytime hours, Monday through Friday, 8 a.m. to 6 p.m. During this time, a flagging operation will be used to direct traffic northbound and southbound. Pedestrian detours will be clearly marked. Palm Tran, pedestrian, driveway, and street access will be maintained at all times. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lantana, Lake Worth Beach, West Palm Beach, Palm Beach)

8. Forest Hill Boulevard Improvements Project

Description: This 2.9-mile roadway improvements project began Tuesday, July 6, 2021, in Wellington, West Palm Beach, and Greenacres. Work includes milling and resurfacing, guardrail installation, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, improvements to intersection street lighting, pedestrian signalization, and signage and pavement markings.

Cost/Completion: \$3.5 million. Completion is expected in summer 2022.

Traffic Impact:

- One lane may be closed in each direction along Forest Hill Blvd from 8 a.m. - 5 p.m., with the following restrictions within 600 feet of the intersections listed below:
 - Pinehurst Drive and Eshleman Trail intersections, 10 a.m. to 4 p.m., Monday through Friday.
 - Olympia Blvd./Via Buena Vida, Palm Beach Central High School, and Lyons Road intersections, 9 a.m. to 2:30 p.m., Monday through Friday.
 - State Road 7/US-441 intersection, 9 a.m. to 3 p.m., Monday through Friday.

- One lane will be closed in each direction along Forest Hill Blvd. starting at 9 p.m. and two lanes may be closed starting at 10 p.m. to 6 a.m., Sunday night through Friday morning. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

9. **Southern Boulevard (SR 80) Bridges Replacement Project**

Description: This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge has been built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction.

Cost/Completion: \$97 million. Completion is anticipated in fall 2022.

Traffic Impact:

- Flagler Drive from Southern Boulevard to Worth Court North is closed as the roadway is reconstructed. Sidewalks also are closed. Access will be maintained for local traffic only. Traffic will be detoured as follows:
 - Traffic going north on Flagler Drive should: Go west on Worth Court North to Washington Road; go north on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.
 - Traffic going south on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go south on Washington Road to Worth Court North; go east on Worth Court North to Flagler Drive.

Marine Impact:

- The navigable waterway through the Southern Boulevard Bridge is restricted to half channel navigation. Full channel openings will not occur. During half-channel closures, the horizontal clearance through the bridge is 45 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

10. Wrong Way Driving Safety Improvement Project in Riviera Beach

Description: Project Improvements include installing signs, flashing beacons, and Intelligent Transportation System (ITS) devices to alert wrong way drivers at the SR 9/I-95 southbound exit ramp to west SR 708/Blue Heron Boulevard. For more information, please contact I-95 Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/Completion: \$745,355 / summer 2022

Traffic Impact:

- The outside shoulder along the SR 9/I-95 exit ramp to west SR 708/Blue Heron Boulevard will be closed daily, 8 a.m. until 4 p.m., Monday through Friday, for the installation of signs, flashing beacons, and Intelligent Transportation System (ITS) devices.

11. Australian Avenue Lighting Improvements Project

Description: This 1.13-mile lighting improvements project began on Monday, November 22, 2021, in Palm Beach County. Work includes installing a continuous decorative LED lighting system, replacing concrete sidewalk and driveways impacted by LED light pole installations and curb and gutter improvements, and upgrading pedestrian curb ramps and pavement markings to meet current American with Disabilities Act (ADA) Requirements.

Cost/Completion: \$3 million. Completion is expected in spring 2023.

Traffic Impact:

- One lane in each direction of Australian Avenue from West 1st Street to Blue Heron Boulevard will be closed daily, 9 a.m. to 3 p.m., and nightly, 7 p.m. to 6 a.m., Monday through Thursday for ADA ramp updates, curb improvements, and crosswalk striping.

Pedestrian Impact:

- Australian Avenue, between W. 1st Street and Blue Heron Boulevard has sidewalk closures for ADA ramp updates, curb improvements, and crosswalk striping through spring 2022. Pedestrian closures & detours are as follows:
 - **Southbound sidewalk closures & detour information:**
 - W. 13th Street to Martin Luther King, Jr. Boulevard will have the southbound sidewalk closed (west side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the W. 13th Street and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the east side of the roadway.
 - **Northbound sidewalk closures & detour information:**
 - W 1st. Street to Martin Luther King, Jr. Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2022. DETOUR: Pedestrians may cross

at the Hill Avenue and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the west side of the roadway.

- W. 13th Street to Blue Heron Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2022. DETOUR: Pedestrians may cross at W. 13th Street and Blue Heron Boulevard intersections to access the sidewalk on the west side of the roadway.

For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com

12. State Road (SR) 786/PGA Boulevard over the Intracoastal Waterway

Bridge Project

Description: This is 0.072-mile bridge project on State Road (SR) 786/PGA Boulevard over the Intracoastal Waterway in Palm Beach Gardens began December 13, 2021. It consists of installing erosion control materials in the channel under the SR 786/PGA Boulevard bridges and replacing the submarine cable conduit that provides power and communication to the bridges' movable spans.

Cost/Completion: \$2,377,931 / Summer 2022

Traffic Impact:

- One lane in each direction may be closed on PGA Boulevard between Prosperity Farms Road and Ellison Wilson Road from 7 a.m. to 2:30 p.m. Monday through Friday.

Marine Impact:

- The navigable waterway under the PGA Boulevard bridges will be limited to half channel navigation with single-leaf openings from 7 a.m. to 5 p.m. Monday through Friday until April 23, 2022. Full channel openings may be requested two hours in advance by calling the bridge tender at (561) 624-3684.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.

For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

13. US 1 Bridge Replacement Project

Description: This 4.1-mile project located in the town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the

intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway.

Cost/Completion: \$122 million/2026

Traffic Impact:

- One outside lane in each direction will be closed continuously on the Alternate A1A bridge over the Loxahatchee River through January 31 for concrete repairs. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee)

14. State Road 25 Resurfacing Project from the Broward/Palm Beach County

Line to Milepost 12.626

Description: Construction on this 12.626-mile resurfacing project began Wednesday, May 13, 2020, in Palm Beach County. Work includes milling and resurfacing the existing travel lanes and shoulders, including shoulder widening, concrete barrier wall installation, guardrail removal and replacement, and signage, pavement marking, and rumble strip installation.

Cost/Completion: \$21.8 million. Project completed January 10, 2022.

Traffic Impact: This project was final accepted by the Florida Department of Transportation on Monday, Jan. 10, 2022. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

**15. State Road 80/Southern Boulevard, from west of Lion Country Safari Road
to Forest Hill Boulevard/Crestwood Boulevard**

Description: Construction on this 7.2-mile widening project began July 31, 2018, in the Village of Royal Palm Beach, Village of Wellington and the Town of Loxahatchee Groves. Work includes widening the existing roadway from four to six lanes, adding a 12-foot shared-use pathway on the north side of the roadway, adding bike lanes, milling and resurfacing, drainage improvements, adding lighting and signalization, installing curb and gutter, guardrails, minor median modifications and signage and pavement markings.

Cost/Completion: \$34 million. Completion is expected in early 2022.

Traffic Impact:

- One lane may be closed in each direction along Southern Boulevard between Cane Field Trace and Forest Hill Boulevard/Crestwood Boulevard from 9 a.m. to 3:30 p.m. Monday through Friday for signalization work and to correct deficiencies.
- One lane may be closed in each direction along Southern Boulevard from Cane Field Trace to Forest Hill Boulevard/Crestwood Boulevard from 6:30 p.m. to 7:30 a.m. Sunday through Friday to pave and add pavement markings.
- For more information, please contact Community Outreach Specialist Angel Streeter Gardner at (561) 886-8773 or angel@valerin-group.com.

16. State Road 700 Hurricane Irma Repairs Project

Description: Construction on this 6.3-mile repairs and safety improvements project began Friday, June 11, 2021, in western Palm Beach County. Work includes embankment repairs on State Road 700 adjacent to the L-10 Canal, including bank stabilization and revetments, replacing the existing span wire signals with mast arms at the intersections of State Road 700 & Muck City Road and State Road 700 & Hatton Highway, new guardrail installation, and replacing/adding traffic signs at various locations.

Cost/Completion: \$8.2 million. Completion is expected in fall 2022.

Traffic Impact:

- All lanes open. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com

17. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022 in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection.

Cost/Completion: \$18 million. Completion is expected summer 2024.

Traffic Impact:

- One southbound lane and shoulder will be closed from just north of Bolles Canal Road to just south of Okeelanta Road for shoulder widening through Feb. 14. Please note continuous lane closures will not exceed 3 miles.
- Northbound and southbound SR 25/US 27 posted speed limit are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

Improve Safety, Enhance Mobility, Inspire Innovation

D4FDOT.com | [@MyFDOT_SEFL](https://www.facebook.com/MyFDOTSEFL) | [Facebook.com/MyFDOTSEFL](https://www.facebook.com/MyFDOTSEFL)

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
