FDOT Palm Beach County Traffic Report

March 10 – March 17, 2023

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note, that any full road, ramp, or bridge closures have been highlighted below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

INTERSTATE 95

- 1. I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)**

Description: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added, and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Congress Avenue. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings, and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

I-95 Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly, 9 p.m. until 5:30 a.m., Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 11 p.m.
- I-95 southbound from Spanish River Road to Glades Road is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through March 2023.
- **I-95 Northbound Full Closure Notice:** All I-95 northbound lanes at SR-808/Glades Road will be closed to traffic overnight, **Tuesday, March 14** through Thursday, March 16 for overhead sign structure installation. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. each morning. Traffic will be detoured via the northbound exit ramp to [SR-808/Glades Road, US-1/Federal Highway](#) and SR-794/Yamato Road. FHP will be onsite to assist motorists. Please see detour flyer attached.
- **I-95 Northbound Full Closure Advanced Notice:** All I-95 northbound lanes at SR-808/Glades Road will be closed to traffic overnight, Sunday, March 19 through Thursday, March 23 for overhead sign structure installation. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. each morning. Traffic will be detoured via the northbound exit ramp to [SR-808/Glades Road, US-1/Federal Highway](#) and SR-794/Yamato Road. FHP will be onsite to assist motorists. Sunday, March 26 will be used as a contingency night if needed. Please see detour flyer attached.
- **Advanced Notice: All access to and from SR-808/Glades Road at I-95 will be restricted to implement final configuration of the Diverging Diamond Interchange, 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27.** The

weekend of March 31 to April 3 will be used as contingency if needed. Please visit the project webpage for detour details and maps: bit.ly/GladesRoadDDI.

Glades Road Impact:

- The SR-808/Glades Road and I-95 interchange is in a new Diverging Diamond configuration. Please use caution as you approach the interchange – the posted speed is 35 MPH. The I-95 entrance ramps are accessible from the far left lane. The DDI is in a temporary configuration with 3 travel lanes available in each direction while outstanding work is ongoing. The final configuration of 4 lanes in each direction will be implemented by March 27, 2023.
- One eastbound and westbound lane of the DDI will be closed, as needed, 9:30 a.m. until 4 p.m., Monday through Friday, for curb and sidewalk construction.
- Two eastbound outside lanes of Glades Road from Renaissance Way to west of the I-95 southbound entrance ramp will be closed for drainage operations, 10 p.m., Saturday night, March 11 through 5 a.m. Monday, March 13.
- Westbound Glades Road, between St. Andrews Blvd and University Drive/FAU Blvd, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Sunday through Thursday.
- Eastbound Glades Road, between St. Andrews Boulevard and University Drive/FAU Blvd, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Sunday through Thursday.
- To ensure pedestrian safety during roadway widening and drainage activities, the south sidewalk of Glades Road from Airport Road/NW 15th Avenue to Executive Center Drive is closed through March 2023. Pedestrian traffic is being detoured to the north sidewalk during this phase of construction. Please use caution as there is a new sidewalk configuration. Use crosswalks and adhere to pedestrian signals.
- **Full Closure Advanced Notice:** Westbound SR-808/Glades Road at SR-9/I-95 will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via Airport Road, Spanish River Boulevard, Military Trail and Butts Road. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.
- **Full Closure Advanced Notice:** Eastbound SR-808/Glades Road at SR-9/I-95 will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via Butts Road, Town Center Road, Military Trail, Palmetto Park Road and US-1/N. Federal Highway. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.

SR-808/GLADES ROAD & SR-9/I-95 RAMP CLOSURES, MARCH 24-27, 2023

- **Full Closure Advanced Notice:** The SR-9/I-95 northbound entrance ramp from westbound SR-808/Glades Road will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24

through 5 a.m., Monday, March 27. Traffic will be detoured via Airport Road and Spanish River Boulevard. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.

- **Full Closure Advanced Notice:** The SR-9/I-95 northbound entrance ramp from eastbound SR-808/Glades Road will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via [Butts Road](#), [SR-809/Military Trail](#), and [SR-794/Yamato Road](#). FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.
- **Full Closure Advanced Notice:** The SR-9/I-95 northbound exit ramp to SR-808/Glades Road will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via SR-9/I-95 northbound and SR-794/Yamato Road. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.
- **Full Closure Advanced Notice:** The SR-9/I-95 southbound entrance ramp from eastbound SR-808/Glades Road will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via Butts Road, Town Center Road, [SR-809/Military Trail](#), and Palmetto Park Road. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.
- **Full Closure Advanced Notice:** The SR-9/I-95 southbound entrance ramp from westbound SR-808/Glades Road will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via Airport Road and Spanish River Boulevard. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.
- **Full Closure Advanced Notice:** The SR-9/I-95 southbound exit ramp to SR-808/Glades Road will be closed for implementation of the final configuration of the Diverging Diamond Interchange (DDI), 11 p.m., Friday, March 24 through 5 a.m., Monday, March 27. Traffic will be detoured via SR-9/I-95 and Palmetto Park Road. FHP will be on site to assist motorists. The weekend of March 31 to April 3 will be used as contingency if needed. Please see project webpage for detour flyers and maps: bit.ly/GladesRoadDDI.

Military Trail Impact:

- No impacts anticipated.

Ramp Impact:

- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Glades Road, Jog Road, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Glades Road, Powerline Road, and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance from eastbound Glades Road will be closed as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound [Glades Road, US-1/Federal Highway](#) and Palmetto Park Road.
- The I-95 northbound exit ramp to Spanish River Boulevard will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 north, Yamato Road east, US-1, and Spanish River Boulevard. FHP will be onsite to assist motorists.
- The I-95 northbound entrance ramp from Congress Avenue and Peninsula Corp. Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via southbound I-95 and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Congress Avenue will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Linton Boulevard. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Glades Road east, N. Federal Highway, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue/Peninsula Corp Drive, Congress Avenue, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Yamato Road/Spanish River Blvd will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Peninsula Corp Dr, Congress Ave. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound Yamato Road, US-1/Federal Highway south, westbound Glades Road, and the I-95 southbound entrance ramp from Glades Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Yamato Road, Congress Ave, Peninsula Corp Drive, and the I-95 southbound entrance ramp from Peninsula Corp Drive. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Peninsula Corp Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue and Yamato Road. FHP will be on site to assist motorists.

Clint Moore Road Impact:

- One inside lane in each direction and the westbound outside lane are open to vehicular traffic. To ensure public safety, the eastbound outside lane remains closed during drainage installation operations.
- To ensure pedestrian safety during drainage activities, the south sidewalk of Clint Moore Road from Congress Avenue to NW 2nd Avenue is closed through April 2023. Pedestrian traffic is being detoured to the north sidewalk during this phase of construction.

Yamato Road Impact:

- Eastbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.
- Westbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

2. I-95 from south of 10th Avenue N. to North of SR 882/Forest Hill Boulevard Safety Improvements Project

Description: This 2.75-mile project located in West Palm Beach and Lake Worth Beach began on August 10, 2022. Improvements include milling and resurfacing segments of I-95 in both directions, installing new signage, including an overhead Dynamic Message Sign on I-95 northbound just south of 10th Avenue North, upgrading existing lighting with LED luminaires and installing a new Road Weather Information System (RWIS).

Cost/Completion: \$3.4 million/Fall 2023

Traffic Impact:

- I-95 between Lake Worth Road and Forest Hill Boulevard may have two lanes closed in each direction nightly, 10 p.m. to 5:30 a.m., Sunday, March 12, through Thursday, March 16, to remove temporary median walls. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

3. SR 9/I-95 at SR 786/PGA Boulevard Southbound Entrance Ramps Project

Description: This 0.65-mile project in Palm Beach Gardens began on November 9, 2022. Improvements consist of reconfiguring the I-95 southbound entrance ramps at PGA Boulevard. The I-95 southbound entrance ramp from westbound PGA Boulevard to southbound I-95 will be converted from a merge lane to an additional, free-flowing lane. The I-95 southbound entrance ramp from eastbound PGA Boulevard to southbound I-95 will be reconfigured to become a merge lane. In addition, I-95 will be widened between PGA Boulevard and Burns Road, and lighting, drainage, signage and pavement markings will be upgraded.

Cost/Completion: \$9,977,382/Spring 2024

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

SOUTHERN PALM BEACH COUNTY PROJECTS
(Boca Raton, Delray Beach)

4. George Bush Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project, from NE 2nd Avenue to State Road A1A in the City of Delray Beach, began Monday, July 19, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the Palm Beach Transportation Planning Agency and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing with minor widening, concrete sidewalk and driveway replacement, including curb and gutter improvements, signing and pavement marking upgrades, including bike lane and detectable warning surfaces, and drainage and utility improvements.

Cost/Completion: \$2 million. Completion is expected in summer 2023.

Traffic Impact:

- One lane in each direction of George Bush Boulevard from just east of the George Bush Blvd ICW Drawbridge to SR A1A may be closed Monday through Friday, 7 a.m. to 6 p.m., for curb and gutter, sidewalk work, and lighting pull box installation. During this time, a flagging operation will direct eastbound and westbound traffic as needed. Emergency vehicles, local driveway, and pedestrian access will be provided at all times. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com.

5. Homewood Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project from Old Germantown Road to Lawson Boulevard in the City of Delray Beach began Friday, November 12, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT) District Four design and construct the Homewood Boulevard Improvements Project through application to the Palm Beach Transportation Planning Agency, Palm Beach County Resolution 2021-0169, and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing the roadway with minor widening; concrete sidewalk and driveway replacement, including curb and gutter improvements; signing and pavement marking upgrades, including bike lane and detectable warning surfaces; installation of four (4) new signal mast arms at Linton Blvd. to meet current standards; and drainage and utility improvements.

Cost/Completion: \$2.5 million. Completion is expected in early 2023.

Traffic Impact:

- All lanes open. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lantana, Lake Worth Beach, The Acreage, West Palm Beach, Palm Beach)

6. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth Beach began on Monday, November 14, 2022. Work includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on both sides of Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting.

Cost/Completion: \$14 million. Completion is expected in winter 2024.

Traffic Impacts:

- The outside eastbound lane on Lake Worth Road from Foss Road to Coconut Road is closed for turn lane construction.
- The inside east bound lane on Lake Worth Road from Davis Road to Congress Avenue is closed for force main construction.
- The inside eastbound lane on Lake Worth Road from Raulerson Drive to Military Trail is closed for force main construction.
- Two eastbound lanes on Lake Worth Road at the Kirk Road intersection closed will be closed from 7:30 p.m. to 6:00 a.m. Tuesday, Mar. 13 with a contingency date of Wednesday, March 14.
- Two northbound turn lanes and one eastbound lane at Military Trail Intersection at Military Trail Intersection will be closed from 7:30 pm to 6:00 am Tuesday, Mar. 13 with a contingency date of Wednesday, Mar. 14. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

7. US-1/SR-805 Lighting and Signalization Improvements Project

Description: This 0.400-mile project began on Thursday, August 11, 2022. Work includes installing new steel mast arms at the intersections of US-1/Lake Avenue and US-1/Lucerne Avenue, installing new light poles with LED Luminaires, replacing concrete sidewalk, driveways, and curb and gutter impacted by LED light pole installation, signing, and

pavement marking upgrades, including detectable warning surfaces, improving intersection street lighting and pedestrian signalization.

Cost/Completion: \$1 million. Completion is expected in Spring 2023.

Traffic Impact:

- The below lanes will be closed for signalization work:
 - Two northbound lanes of US-1/Dixie Highway at Lake Avenue will be closed from 9 p.m. until 1 a.m. on Sunday, Mar.12, Monday, Mar. 13, and Wednesday, Mar.15.
 - One northbound lane of US-1/Dixie Highway at Lake Avenue will be closed from 1 a.m. until 5:00 a.m. on Sunday, Mar. 12 and Monday, Mar. 13.
 - One northbound lane of US-1/Dixie Highway at Lake Avenue will be closed daily from 9 a.m. until 3:30 p.m. on Wednesday, Mar. 15, Thursday, Mar. 16, and Friday, Mar. 17.
 - One southbound lane of US-1/Dixie Highway at Lake Avenue will be closed from 9 a.m. until 3:30 p.m. on Monday Mar. 13, Tuesday, Mar. 14, Thursday Mar. 16, and Friday, Mar. 17.
 - One southbound lane of US-1/Dixie Highway at Lake Avenue will be closed from 1 a.m. until 5a.m. on Tuesday, Mar. 14.
 - One eastbound lane of Lake Avenue at US-1/Dixie Highway will be closed daily from 9 a.m. until 3:30 p.m. on Monday, Mar. 13 through Friday, March 17.
 - Two eastbound lanes of Lake Avenue at US-1/Dixie Highway will be closed from 9 p.m. until 1 a.m. on Tuesday, Mar. 14.
 - One eastbound lane of Lake Avenue at US-1/Dixie Highway will be closed from 1 a.m. until 5 a.m. on Tuesday, Mar. 14 and Wednesday Mar. 15. For more information, contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com.

8. Southern Boulevard (SR 80) Bridges Replacement Project

Description: This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included.

Cost/Completion: \$97 million. Completion is anticipated in summer 2023.

Traffic Impact:

- Flagler Drive from Southern Boulevard to Monroe Drive is closed through spring 2023 as it is reconstructed. Access will be maintained for local traffic only. Traffic will be detoured as follows:
 - Traffic going north on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go north on Washington Road to Monroe Drive; go east on Monroe Drive to Flagler Drive.

- Traffic going south on Flagler Drive should: Go west on Monroe Drive to Washington Road; go south on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.

Marine Impact:

- The navigable waterway through the Southern Boulevard Bridge is restricted to half-channel navigation. During half-channel closures, the horizontal clearance through the bridge is 40 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

9. Indian Trail Improvement District Traffic Calming Improvements Project

Description: This 2.94-mile project in The Acreage began on October 10, 2022. Improvements consist of constructing a raised median at the intersection of Hall Boulevard and Temple Boulevard, constructing two speed tables on Temple Boulevard, and installing six mid-block raised islands along Hall Boulevard and 140th Avenue North. Additional improvements include constructing asphalt sidewalks in select locations and upgrading pavement markings, signage and rumble strips.

Cost/Completion: \$928,650/Spring 2023

Traffic Impact:

- One lane in either direction on 140th Avenue North between 71st Place North and 82nd Street North may be closed from 9 a.m. to 4 p.m. Monday through Friday, to install mid-block islands. Traffic personnel will direct northbound and southbound traffic.
- One lane in either direction on Temple Boulevard between Hall Boulevard and 140th Avenue North may be closed from 9 a.m. to 4 p.m. on Thursday to install a speed table. Traffic personnel will direct eastbound and westbound traffic. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

10. SR 80/Southern Boulevard at Australian Avenue EB to NB Off-Ramp

Description: This 0.531-mile improvement project on State Road 80/Southern Boulevard eastbound to the northbound off-ramp at Australian Avenue in Palm Beach County began July 24, 2022. Work includes widening eastbound SR 80/Southern Boulevard to include an additional 12-foot travel lane to northbound Australian Avenue, widening the SR 80/Southern Boulevard exit ramp to northbound Australian Avenue to include a 6-foot shoulder and two 12-foot travel lanes, upgrading existing lighting along the exit ramp with LED luminaries, adding new signage, improving the 500-foot retaining wall along the exit

ramp, and milling and resurfacing the road with curb and gutter improvements.

Cost/Completion: \$1.5 million. Completion is expected in spring 2023.

Traffic Impact:

- One inside eastbound lane on Southern Boulevard between Kirk Road and Australian Avenue is closed continuously. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valeringroup.com.

11. **SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project**

Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings.

Cost/Completion: \$7 million. Completion is expected in winter 2024.

Traffic Impact:

- One southbound lane on Military Trail from Hairland Drive to south of Forest Hill Boulevard may be closed, 9 a.m. until 3 p.m., Monday, Mar.13 for mast arm drilled shaft construction.
- One eastbound lane on Forest Hill Boulevard. from west of Military Trail to Military Trail may be closed, 9 a.m. until 3 p.m., Monday, Mar. 13 for mast arm drilled shaft construction.
- One southbound lane on Military Trail from Hairland Drive to Forest Hill Boulevard may be closed, 9 a.m. until 3 p.m., Wednesday, Mar. 15 for mast arm drilled shaft construction.
- One westbound lane on Forest Hill Boulevard from west of Military Trail to east of Military Trail may be closed, 9 a.m. until 3 p.m., Wednesday, Mar. 15 for mast arm drilled shaft construction. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

12. **SR 710/Beeline Highway Resurfacing and Restoration Project**

Description: This 1.291 miles resurfacing and restoration project, from east of the Pratt & Whitney Main Entrance to east of the CSX Railroad Tracks in Palm Beach County is anticipated to begin on Monday, February 6, 2023. Project improvements include milling and resurfacing existing travel lanes and shoulders, upgrading pavement markings and signing

to current standards, installing internally illuminated street name signs at signalized intersections, and upgrading existing street lighting to Light Emitting Diode (LED) luminaires.

Cost/Completion: \$3.2 million/Summer 2023

Traffic Impact:

- One lane in each direction of SR-710/Beeline Highway between Park of Commerce Boulevard and Pratt Whitney Road is closed around the clock for milling and resurfacing. For more information, please contact (772) 577-8803 or mreading@corradino.com.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

13. SR A1A/Blue Heron Boulevard Bridge Rehabilitation Project

Description: This 0.37-mile project in Riviera Beach will begin on March 23. Improvements consist of replacing portions of the bridge deck in the outside westbound lane, repairing concrete on the bridge foundations, and cleaning and painting the concrete portions of the bridge. Improvements also include milling and resurfacing the roadway at each end of the bridge and adding new pavement markings.

Virtual Public Meeting: 5:30 p.m. to 6:30 p.m. Monday, March 20. Please use the following link to register: <https://fdot.cc/Blue-Heron-Bldv-Bridge-VPM>. You may also call in at: 1 (877) 309-2071; Access code: 874-656-387.

In-Person Construction Open House: 6:30 p.m. to 7:30 p.m. Monday, March 20. Riviera Beach Marina Event Center, Hatcher Ballroom, 190 E. 13th Street, Riviera Beach, FL 33404.

Cost/Completion: \$4,444,623/Late 2023

Traffic Impact: All lanes are open. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

14. Australian Avenue Lighting Improvements Project

Description: This 1.13-mile lighting improvements project, from West 1st Street to State Road 708/Blue Heron Boulevard in Palm Beach County began on Monday, November 22, 2021. The City of Riviera Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four, design and construct the Australian Avenue Lighting Improvements Project, through application to the Palm Beach Transportation Planning Agency and City of Riviera Beach Resolution 2020-0987 Work includes installing a continuous decorative LED lighting system, replacing concrete sidewalk and driveways impacted by LED light pole installations and curb and gutter improvements, and upgrading

pedestrian curb ramps and pavement markings to meet current Americans with Disabilities Act (ADA) Requirements.

Cost/Completion: \$3 million. Completion is expected in summer 2023.

Traffic Impact:

- One lane in each direction of Australian Avenue from West 1st Street to Blue Heron Boulevard may be closed daily, 9 a.m. until 3 p.m., Monday through Friday, and nightly, 7 p.m. until 6 a.m., Monday through Thursday for clearing and grubbing, light pole foundations, and directional bores.

Pedestrian Impact:

- Australian Avenue, between W. 1st Street and Blue Heron Boulevard has sidewalk closures for ADA ramp updates, light pole installation, curb improvements, and crosswalk striping through spring 2023. Pedestrian closures & detours are as follows:
 - **Southbound sidewalk closures & detour information:**
 - W. 13th Street to Martin Luther King, Jr. Boulevard will have the southbound sidewalk closed (west side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the W. 13th Street and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the east side of the roadway.
 - **Northbound sidewalk closures & detour information:**
 - W 1st. Street to Martin Luther King, Jr. Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the Hill Avenue and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the west side of the roadway.
 - W. 13th Street to Blue Heron Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2023. DETOUR: Pedestrians may cross at W. 13th Street and Blue Heron Boulevard intersections to access the sidewalk on the west side of the roadway. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

15. **State Road (SR) A1A Gravity Wall Replacement Project**

Description: This 0.171-mile gravity wall replacement project on State Road (SR) A1A adjacent to John D. MacArthur Beach State Park in North Palm Beach began on July 28, 2022. This project includes replacing the existing gravity wall with a sheet pile wall, replacing sidewalk, curb and gutter, and fencing; milling and resurfacing the roadway; upgrading pavement markings, and signing to the latest standards.

Cost/Completion: 2.3 million/Early 2023

Traffic Impact:

- The northbound and southbound lane just north of John D. MacArthur State Park may be closed daily, Monday through Friday, from 7 a.m. to 7 p.m. Two-way traffic will be maintained by a flagging operation as needed. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corrado.com.

16. US 1 Bridge Replacement Project

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway.

Cost/Completion: \$122 million/2026

Traffic Impact:

- One lane in either direction on US 1 between CR A1A and Alternate A1A/Beach Road may be closed between 10 p.m. and 12 a.m. on Thursday, March 12, to restripe the roadway and install signs. Law enforcement will direct traffic at US 1 and Alternate A1A beginning at 10 p.m. on Thursday, March 12.
- Beginning on March 13, the US 1 bridge between CR A1A and Jupiter Cove Drive will be closed through fall 2024. Traffic will be detoured as follows:
 - Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.
- For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee)

17. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection.

Cost/Completion: \$18 million. Completion is expected summer 2024.

Traffic Impact:

- Northbound and southbound SR 25/US 27 posted speed limits are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project.
- The outside southbound lane and shoulder from mile marker 73 to mile marker 70 are closed and the northbound outside lane and shoulder from mile marker 60 to mile marker 62 and mile marker 64 to mile marker 65 are closed through August 2023 for shoulder widening. Please note that continuous lane closures will not exceed 3 miles in each direction. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corradino.com.

18. State Road 25/US 27 Resurfacing and Restoration Project

Description: Construction on this 13-mile resurfacing and restoration project from the Hendry County Line to SR 80/East Palm Beach Road began on Thursday, May 5, 2022, in Western Palm Beach County. Work includes milling and resurfacing existing travel lanes and shoulders, shoulder widening, replacing or resetting guardrails along the roadway, restoring sidewalks at various locations, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, adding pedestrian gates at the FEC Railroad crossing, improving lighting and replacing the signals at SR 80/East Palm Beach Road, upgrading pedestrian signals, pavement markings, and signing to current standards, installing rumble strips and internally illuminated retroreflective pavement markings

Cost/Completion: \$18 million. Completion is expected early 2024.

Traffic Impact:

- One southbound lane and shoulder of SR 25/US 27 may be closed intermittently from mile marker 86 to mile marker 75 for shoulder widening, guardrail installation, and clearing and grubbing, Monday through Friday. Continuous lane closures will not exceed 3 miles.
- One southbound lane and shoulder of SR 25/US 27 from mile marker 89 to mile marker 86 may be closed for shoulder widening, guardrail installation, clearing and grubbing. Continuous lane closures will not exceed 3 miles. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corradino.com.

19. State Road 15/US 441 Improvements Project

Description: Construction on this 1.90-mile improvements project began on July 29, 2022, in Western Palm Beach County. Work includes milling and resurfacing SR 15 in both directions, upgrading pedestrian lighting with LED luminaires along SE Barack Obama Boulevard at SR 15, installing new sidewalks, crosswalks, and curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signage and pavement markings, and replacing existing guardrail.

Cost/Completion: \$4.5 million. Completion is expected in summer 2023.

Traffic Impacts:

- One lane in each direction of State Road 15 from Martin Luther King Jr. Blvd to just north of State Market Road will be closed from 7 a.m. until 5 p.m. Monday through Saturday for clearing and grubbing, embankment, guardrail installation, and sidewalk work. Two-way traffic will be maintained by a flagging operation as needed. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

I-95:

- **I-95 Ramps at Belvedere Road** 10 p.m. until 5 a.m., Monday, Mar. 13 through Thursday, Mar. 16, periodic shoulder closures for pavement marking installations.
- **I-95 Ramps at Belvedere Road** 8 a.m. until 5 p.m., Monday, Mar. 13 through Friday, Mar. 17, periodic shoulder closures for sign installations.
- **I-95 Ramps at Southern Boulevard** 10 p.m. until 5 a.m., Monday, Mar. 13 through Thursday, Mar. 16, periodic shoulder closures for pavement marking installations.
- **I-95 southbound south of Summit Boulevard, Outside Lane** 9 p.m. until 5 a.m., Tuesday, Mar. 14, lane closure for sign installations.
- **I-95 northbound north of Lantana Road, Outside Lane.** 9 p.m. to 5 a.m., Thursday, Mar. 16, lane closure for sign installations.
- **Advance Notice: I-95 southbound south of Summit Boulevard, Outside Lane** 9 p.m. until 5 a.m., Sunday, Mar. 19, lane closure for sign installations.

- **Advance Notice: I-95 northbound north of Lantana Road, Outside Lane** 9 p.m. until 5 a.m., Monday, Mar. 20, lane closure for sign installations. For more information please contact Ido R. Shimony, P.E. at 954-579-4892.

BRIGHTLINE:

Brightline will begin testing trains at high speeds up to 110 miles-per-hour in northern Palm Beach County as soon as Friday, February 17 and continuing through the month.

The high-speed testing in Palm Beach County will take place from Jupiter, Palm Beach Gardens, North Palm Beach, Lake Park, Riviera Beach to West Palm Beach and will occur daily between 7AM and 7PM. **Flaggers will be present at railroad crossings when there is ACTIVE testing taking place in the area and there will be an increased law enforcement presence around railroad crossings.**

The testing is in preparation for opening to Orlando in 2023 and will continue in phases along the 129-mile rail corridor between West Palm Beach and Cocoa. Residents should be alert and follow the law around active railroad tracks and railroad crossings. Testing is expected to bring additional wait times at railroad crossings.

Brightline is making crucial safety improvements at all 156 railroad crossings along the corridor. All safety improvements have been installed at crossings in the testing areas. Those improvements vary per crossing, but may include new crossing gates, signal systems, pedestrian gates, pavement markings and roadway profiles. Where trains will operate at speeds over 79 mph, crossings have quad gates or medians to prevent motorists from driving around lowered crossing gates.

For more information, please contact Katie Mizner at (407) 502-3587 or katie.mitzner@gobrightline.com

PALM BEACH COUNTY – Railroad Crossings

Flaggers will be present at the following railroad crossings when there is ACTIVE testing taking place in the area:

- Frederick Small Rd.
- Donald Ross Rd.
- Hood Rd.
- Kyoto Gardens Dr.
- RCA Blvd.
- Burns Rd.
- Lighthouse Dr.
- Richard Rd.

- North Lake Blvd. (SR 809)
- Park Ave.
- Silver Beach Rd.
- Blue Heron Blvd. (SR 708)
- Flagler St. (West 13th St.)
- Inlet Blvd./MLK Jr. Blvd. (SR 710)
- 49th St.
- 45th St. (CR 702)
- 36th St.
- 30th St.
- 25th St.
- 23rd St.
- 15th St.

Important Safety Reminders:

- Residents should be alert and follow the law around active railroad tracks and railroad crossings.
- Drivers, pedestrians and cyclists should be aware that rail traffic will run on BOTH tracks in BOTH directions.
- Stay off the tracks and never go around crossing gates.
- Only cross the railroad at designated crossings.
- Never stop on the tracks.
- Failure to follow the law could result in fines, points on your license or loss of life.

Jupiter – Riverside Dr. and Alternate A1A

Daytime flagging operations, 7 a.m. to 5 p.m. to move materials for bridge construction, continuing through early 2023. Crossings may be closed briefly (1-2 minutes) as trucks enter and exit the right of way. For more information, please contact Katie Mizner at (407) 502-3587 or katie.mitzner@gobrightline.com

Jupiter – Loxahatchee River

Daytime bridge work operations, 7 a.m. to 7 p.m., Monday through Sunday, continuing through early 2023 for bridge construction. For more information, please contact Katie Mizner at (407) 502-3587 or katie.mitzner@gobrightline.com
