FDOT Palm Beach County Traffic Report

March 29 – April 5, 2024

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note, that any full road, ramp, or bridge closures have been highlighted below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS INTERSTATE 95

1. Belvedere Road Improvements at the I-95 Northbound On/Off-Ramp Connection

Description: Project improvements consist of adding a second right-turn lane on the SR 9/I-95 northbound exit ramp to eastbound Belvedere Road, widening, milling, resurfacing and adding a paved shoulder to the existing SR 9/I-95 northbound exit ramp to Belvedere Road, installing new mast arms assemblies and pedestrian countdown signals, implementing a Wrong Way Driving Countermeasure System, Intelligent Transportation System (ITS) upgrades, new sidewalk construction on the south side of Belvedere Road from the exit ramp to eastern project limits, new signalization, lighting, curbs, gutter and drainage improvements, new fencing and sod installation. Construction began on July 27, 2023. For more information, please contact I-95 Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corrardino.com.

Cost/Completion: \$2.4 million. Completion is expected in Summer 2024.

Traffic Impact:

- The I-95 northbound entrance ramp from Belvedere Road may have one inside lane closed daily, 9:30 a.m. until 3:30 p.m., Monday through Friday, and nightly, 9:30 p.m. until 5:30 a.m., Sunday through Thursday.
- Belvedere Road at I-95 may have one outside lane closed in each direction, daily 9:30 a.m. until 3:30 p.m., Monday through Friday, and nightly, 9:30 p.m. until 5:30 a.m., Sunday through Thursday.

2. I-95 Southbound Off-Ramp to Belvedere Road

Description: This 0.5-mile project in West Palm Beach began on September 18, 2023. Improvements include widening SR 9/I-95 southbound to lengthen the off-ramp deceleration lane, installing speed feedback signs to provide drivers' traveling speed compared to the posted speed limit, providing a High Friction Surface Treatments on the SR 9/I-95 southbound off-ramp, implementing a Wrong-Way Driving detection system, replacing impacted sign structures and upgrading pavement markings and signage.

Cost/Completion: The project cost is \$2.58 million. Completion is expected Summer 2024. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corrardino.com.

I-95 Traffic Impact:

- I-95 southbound from south of SR 704/Okeechobee Boulevard to the I-95 southbound exit ramp to Belvedere Road, may have three outside lanes closed nightly, 10 p.m. until 6 a.m., Sunday through Thursday.

Ramp Impact:

- The I-95 southbound exit ramp to Belvedere Road will be closed overnight as needed, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured to Belvedere Road via westbound SR 80/Southern Boulevard and northbound Australian Avenue.
- The I-95 southbound exit ramp to Palm Beach International Airport (PBIA) will be closed overnight, 10 p.m. until 6 a.m., Sunday through Thursday. Motorists will be detoured to PBIA via westbound SR 80/Southern Boulevard and northbound Australian Avenue. * Consecutive ramps will not be closed at the same time.

Belvedere Road Impact:

Belvedere Road will have one lane closed in each direction as needed, daily, 7 a.m. until 4 p.m., Monday through Friday and nightly, 9 p.m. until 6 a.m., Sunday through Thursday.

3. SR 9/I-95 at SR 786/PGA Boulevard Southbound Entrance Ramps Project

Description: This 0.65-mile project in Palm Beach Gardens began on November 9, 2022. Improvements consist of reconfiguring the I-95 southbound entrance ramps at PGA Boulevard. The I-95 southbound entrance ramp from westbound PGA Boulevard to southbound I-95 will be converted from a merge lane to an additional, free-flowing lane. The I-95 southbound entrance ramp from eastbound PGA Boulevard to southbound I-95 will be reconfigured to become a merge lane. In addition, I-95 will be widened between PGA Boulevard and Burns Road, and lighting, drainage, signage and pavement markings will be upgraded. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$9,977,382/Spring 2024

I-95 Traffic Impact:

- I-95 southbound will have up to 3 lanes closed nightly, as needed, 9 p.m. until 5 a.m., Monday, April 1 through Thursday, April 4. A new traffic pattern will be in place beginning Monday night, April 1.

Ramp Impact:

- The I-95 southbound entrance ramps from eastbound and westbound PGA Boulevard will be closed nightly as needed, 9 p.m. until 5 a.m., Monday, April 1 through Thursday, April 4, for roadway construction and paving operations. Traffic will be detoured to I-95 southbound via Military Trail and Northlake Boulevard.

4. SR 9/I-95 Northbound Off-Ramp at SR 706/Indiantown Road Improvements Project

Description: This 1.446-mile project in Jupiter began October 30, 2023. Improvements consist of milling and resurfacing the existing roadway, re-aligning the SR 9/I-95 northbound to SR 706/Indiantown Road eastbound off-ramp to a new signalized intersection, lengthening the eastbound SR 706/Indiantown Road left turn lane to northbound SR 9/I-95, widening eastbound SR 706/Indiantown Road to provide an additional through lane and a buffered bike lane in various locations from the Florida Turnpike entrance to Central Boulevard, widening westbound SR 706/Indiantown Road to provide an additional through lane and a bike lane from 67th Road North to SR 9/I-95, widening the Indiantown Road Bridge over the C-18 canal in both directions to provide an additional through lane, upgrading Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, upgrading Digital Message Sign (DMS) structures on westbound SR 706/Indiantown Road between Island Way and 67th Road N, widening the I-95 northbound and southbound on-ramp acceleration lane, installing sidewalk along eastbound SR 706/Indiantown Road from the Florida Turnpike entrance to Island Way, upgrading curb ramps to meet Americans with Disability Act (ADA) standards, installing patterned pavement crosswalks at Central Boulevard, upgrading drainage, signage, lighting, signalization and pavement markings and upgrading Intelligent Transportation System (ITS) throughout the project corridor. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com.

Cost/Completion: \$17.98 million/Spring 2025

I-95 Traffic Impacts:

- No impacts anticipated.

Ramp Impacts:

- The SR 9/I-95 northbound exit ramp to eastbound SR 706/Indiantown Road will have one lane closed around-the-clock, through September 2024.

Indiantown Road Impact:

- Two outside eastbound lanes of SR 706/Indiantown Road from the Turnpike on/off ramp intersection to Central Boulevard will be closed nightly from 9 p.m. until 6 a.m. on Sunday, March 31 through Thursday, April 4. The first lane will close at 9 p.m. and the second lane will close at 10 p.m. for striping activities.
- The eastbound right turn lane just east of 68th Street/Island Way will be closed beginning at 9 p.m., Sunday, March 31, through June 2024, for road construction. Motorists will be allowed to make right turns from the outside through lane and access to businesses will be maintained.

SOUTHERN PALM BEACH COUNTY PROJECTS **(BOCA RATON, HIGHLAND BEACH, DELRAY BEACH)**

5. Advanced Transportation Management System (ATMS) Project

Description: This 6-mile project from the Broward/Palm Beach County Line to SR 794/Yamato Road and SR 794/Yamato Road from SR 5/US 1 to SR 9/I-95 in the city of Boca Raton began on July 31, 2023. Work includes installing a new fiber optic network, Intelligent Transportation System (ITS) devices, including Closed-Circuit Television (CCTV) devices at eight (8) intersections on US 1 from Royal Palm Way to Spanish River Boulevard, upgrading the signal detection system, and upgrading the Advance Traffic Management System (ATMS) for compatibility with the Traffic Management Center (TMC). For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$3.6 million. Completion is expected in summer 2024.

Traffic Impacts:

- No anticipated impacts.

6. SR 800/Spanish River Boulevard Over the Intracoastal Waterway (ICWW) Scour Countermeasures Project

Description: This 0.092-mile project on SR 800/Spanish River Boulevard over the Intracoastal Waterway (ICWW) in the City of Boca Raton began January 9, 2024. Work includes Installing Articulated Concrete Block (ACB) at the riverbed to protect the bridge foundations from erosion on the eastbound and westbound SR 800/Spanish River Boulevard bridges. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$2.1 million. Completion is expected in Fall 2024.

Traffic Impacts:

- The frontage road may have intermittent lane closures, daily as needed, 7 a.m. until 6 p.m., Monday through Friday, for survey activities. Flaggers will be on site to assist motorists.

Marine Impacts: Crews may be on site performing underwater debris removal outside of the navigable channel. No impacts to boaters are anticipated with this activity.

7. SR A1A/South Ocean Boulevard Resurfacing Project

Description: This 3.349-mile project in the Town of Highland Beach and the City of Delray Beach is anticipated to begin on April 3, 2024. The project improvements consist of milling and resurfacing the existing roadway, widening the roadway in each direction to provide five-foot bicycle lanes, modifying swales to improve drainage, and upgrading signing and pavement markings to meet current standards.

Cost/Completion: \$ \$8.3 million/Summer 2025

Traffic Impacts: All lanes are open.

CENTRAL PALM BEACH COUNTY PROJECTS
(Boynton Beach, Lake Worth Beach, Royal Palm Beach, West Palm Beach, Palm Beach)

8. SR 802/Lake Worth Road at Haverhill Road Intersection Improvement Project

Description: This 0.148-mile project from 500 feet east and west of the Haverhill Road intersection and along Haverhill Road from 300 feet south to 300 feet north of the SR 802/ Lake Worth Road intersection in the City of Greenacres began on February 6, 2024. Work includes milling and resurfacing the existing roadway, modifying the median to improve motorist safety, replacing the traffic signal mast arm structure located in the northeast corner of SR 802/Lake Worth Road and Haverhill Road, installing curb and gutter, sidewalk, driveways, and bus stop pads, improving pavement markings, signage, and signalization, upgrading pedestrian signals and curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$1.3 million/Summer 2024

Traffic Impacts:

- One inside lane in each direction of SR 802/Lake Worth Road between Broward Avenue and Dahl Drive is closed for median reconstruction through Friday, Apr. 12.

9. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth Beach began on November 14, 2022. Work includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on

both sides of Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$14 million. Completion is expected in winter 2024.

Traffic Impacts:

- Two eastbound lanes on Lake Worth Road from Raulerson Drive to Congress Avenue may be closed from 7 a.m. to 3:30 p.m., Monday through Friday, for force main construction and directional drilling.
- Two westbound lanes on Lake Worth Road from Congress Avenue to Raulerson Drive may be closed from 7 a.m. to 3:30 p.m., Monday through Friday, for force main construction and directional drilling.
- Two inside lanes in each direction of Lake Worth Road from Coconut Road to Palm Beach State College Entrance will be permanently closed for median work.
- One inside lane in each direction on Lake Worth Road between Raulerson Drive to Douglas Drive may be closed from 7 a.m. to 3:30 p.m., Monday through Friday, for median reconstruction, irrigation, utility, or concrete flat work.

10. SR 802/Lake Worth Road Roundabout Pedestrian Safety Project on Behalf of the City of Lake Worth Beach

Description: This 0.5-mile project from Erie Street to A Street/Lucerne Avenue Roundabout and Lucerne Avenue to C Street, and Lake Osborne Drive from Griswold Drive to Erie Street in the City of Lake Worth Beach began on January 3, 2024. Work includes milling and resurfacing existing travel lanes, constructing a six-foot wide sidewalk along the east side of Lake Osborne Drive, installing a raised crosswalk with signalization on Lucerne Avenue just east of N B Street, upgrading pedestrian signals and curb ramps to meet Americans with Disabilities Act (ADA) standards, and upgrading lighting along Lake Worth Road. For more information, please contact Community Outreach Specialist Melissa Reading at mreading@corradino.com or 772-577-8803.

Cost/Completion: \$2.8 million/Summer 2024

Traffic Impact

- One outside westbound lane of SR 802/Lake Worth Road between the railroad tracks and N. A Street may be closed from 9 a.m. until 2 p.m., Monday through Friday, for clearing and grubbing and concrete sidewalk work through Friday, Apr.12.
- One outside eastbound lane of SR 802/Lake Worth Road between Cleveland Street to N. A Street may be closed from 9 a.m. until 2 p.m., Monday through Friday, for clearing and grubbing, concrete sidewalk work, through Friday, Apr.12.

11. SR 802/Lake Avenue/Lucerne Avenue Resurfacing, Restoration, and Rehabilitation Project

Description: This 2.382-mile project from east of A Street to east of Golfview Road in the City of Lake Worth Beach began on February 27, 2024. Work includes milling and resurfacing the existing roadway, replacing and upgrading signing and pavement markings, install new and upgrade existing lighting throughout the project corridor, upgrading pedestrian features at signalized intersections, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, please contact Community Outreach Specialist Melissa Reading at mreading@corradino.com or 772-577-8803.

Cost/Completion: \$5.4 million/Early 2025

Traffic Impacts:

- Intermittent sidewalk closures will occur starting at the intersection of the North side of the project limits at Lucerne Avenue from 7 a.m. to 4 p.m., Monday to Friday, for removal of existing concrete, and pouring of new sidewalk and curb and gutters. Pedestrian detours will be in place, and access to businesses will be maintained.
- One lane in each direction will be closed intermittently from 9 p.m. to 7 a.m., Monday through Friday morning, for directional bores at the intersections of Lucerne Avenue and Dixie Highway, Lucerne Avenue and Federal Highway, Lake Avenue and Federal Highway, and Lake Avenue and Dixie Highway.

12. State Road (SR) 5/North Federal Highway Milling and Resurfacing Project

Description: This 1.298-mile project from south of 10th Avenue South to 6th Avenue North in Lake Worth Beach is anticipated to begin Late May/Early June. Project improvements include milling and resurfacing the existing roadway, adding drainage and constructing a raised intersection at 7th Avenue South, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signalized pedestrian crossings with Rectangular Rapid Flashing Beacons (RRFBs) at 8th Avenue South, 3rd Avenue North, and 4th Avenue North, removing the existing midblock crossing between 4th Avenue North and 5th Avenue North, upgrading vehicular and pedestrian signalization at 6th Avenue South and 2nd Avenue North, installing lighting at the intersections of 8th Avenue South, 6th Avenue South, 2nd Avenue North, 3rd Avenue North, and 4th Avenue North, and upgrading signage and pavement markings for shared bicycle facilities and buffered bicycle lanes. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com.

Cost/Completion: \$2.3 million. Completion is anticipated in spring 2025.

Traffic Impact: No impacts anticipated.

13. 6th Avenue South Improvements at SR 9/I-95

Description: This 1-mile project in the City of Lake Worth Beach began on November 13, 2023. Project improvements consist of lengthening the turn lanes on 6th Avenue South, adding an exclusive right turn lane to the SR 9/I-95 northbound on ramp, adding an additional right turn lane to the SR 9/I-95 southbound on ramp, lengthening the northbound left turn lane at A Street, constructing 6-foot sidewalks on both sides of 6th Avenue South, constructing 7-foot bicycle lanes on both sides of 6th Avenue South, installing Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, constructing 16-foot ground-mounted sound walls along the SR 9/I-95 northbound exit ramp and south side of 6th Avenue South, constructing new gravity wall, curb and gutter, traffic separator, median barrier, sidewalk and driveway along 6th Avenue South within project limits, upgrading drainage, signage, lighting, signalization and pavement markings, Intelligent Transportation System (ITS) upgrades, and relocation of water, sewer and utilities for the City of Lake Worth Beach.

Cost/Completion: The project cost is \$17.92 million. Completion is expected in Late 2025. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corrardino.com.

Traffic Impact:

- 6th Avenue South, from Michigan Avenue to South A Street, will have one lane closed in each direction through August 2024.

Ramp Impact:

- The I-95 southbound entrance ramp from eastbound 6th Avenue South has the right turn lane closed to safely facilitate roadway and drainage operations.
- The I-95 northbound exit ramp to eastbound 6th Avenue South has the right turn lane closed to safely facilitate roadway and drainage operations.
- The I-95 northbound exit ramp to westbound 6th Avenue South has the left turn lane closed to safely facilitate roadway and drainage operations.
- The I-95 southbound exit ramp to westbound 6th Avenue South has one right turn lane closed to safely facilitate the construction of a Mechanically Stabilized Earth (MSE) wall and roadway construction.

14. SR 7/US 441 Resurfacing Project

Description: This 2-mile project in Royal Palm Beach began on August 17, 2023. The project improvements consist of milling and resurfacing the existing roadway, improving signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and upgrading lighting and signalization at the following intersections: Weisman Way/Bella Terra Way, Belvedere Road, Business Park Way, Regal Cinemas 18, Aldi Way, and Okeechobee Boulevard. For more information, please contact Melissa Reading at 772-577-8803 or mreading@corrardino.com.

Cost/Completion: \$8 million/Fall 2024

Traffic Impacts:

- The outside northbound lane on SR 7/US 441 is closed from south of Belvedere Road to SR 704/Okeechobee Boulevard for clearing and grubbing, roadway widening, curb and gutter, bus pad, sidewalk, lighting, and signalization upgrades.
- Double lane closure along both northbound and southbound sides on SR 7/US 441 from north of SR 80/Southern Boulevard to SR 704/Okeechobee Boulevard from 9 p.m. and 7 a.m. Monday through Thursday for loops installation.
- Intermittent single-lane closures will occur in each direction of SR 7/US 441 from north of SR 80/Southern Boulevard to SR 704/Okeechobee Boulevard, from 8:30 a.m. until 4:30 p.m. Monday through Friday for installation of erosion control devices, sidewalk, bus pads, lighting, and signalization upgrades.

15. Southern Boulevard (SR 80) Bridges Replacement Project

Description: This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corrardino.com.

Cost/Completion: \$97 million. Completion is anticipated in spring 2024.

Traffic Impact: No impacts anticipated.

- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.

16. SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project

Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$7 million. Completion is expected in winter 2024.

Traffic Impact:

- The outside eastbound and westbound lanes on Forest Hill Boulevard may be closed from Haverhill Road to Kirk Road from 7 a.m. to 5 p.m. Monday through Friday for signalization work.
- The outside northbound and southbound lanes on Military Trail may be closed from Summit Boulevard to Purdy Lane from 9 a.m. to 3 p.m. Monday through Friday, for signalization work.
- The outside southbound lane on Military Trail from Hairland Drive to Forest Hill Boulevard is closed for turn lane construction.

17. State Road (SR) 5/US 1 Improvements Project

Description: This 0.437-mile road improvements project on SR 5/US 1 from North Quadrille Boulevard to Palm Beach Lakes Boulevard in the City of West Palm Beach began on Thursday, September 14, 2023. Work includes milling and resurfacing the existing roadway, improving curb and gutter, signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and upgrading pedestrian signalization. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com

Cost/Completion: 1.2 million/Spring 2024

Traffic Impacts:

- Lane closures may be in place from Quadrille Boulevard to Palm Beach Lakes Boulevard from 9 a.m. to 4 p.m. Monday through Friday to facilitate signalization work and utility adjustment work.
- Lane closures may be in place from Quadrille Boulevard to Palm Beach Lakes Boulevard from 6 p.m. to 7 a.m., Sunday through Friday to facilitate paving operations.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

18. State Road (SR) 809/Military Trail Resurfacing Project

Description: This 0.63-mile resurfacing project from south of Dyer Boulevard to north of Flag Drive in Riviera Beach began on August 8, 2023. The project improvements consist of milling and resurfacing the existing roadway, reconstructing sidewalks in select locations, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, upgrading signalization at Dyer Boulevard, SR 710/Beeline Highway/Martin Luther King Jr. Boulevard, and SR 708/W Blue Heron Boulevard, and upgrading pedestrian signals, intersection lighting, signage, and pavement markings. For more information, please contact Community Outreach Specialist Melissa Reading at mreading@corradino.com or 772-577-8803

Cost/Completion: \$2.6 Million/Summer 2024

Traffic Impacts:

- Pedestrian detours may be in place from Dyer Boulevard to Blue Heron Boulevard from 9:30 a.m. until 3:30 p.m. for sidewalk work.
- One lane in each direction of SR 809/ Military Trail from Dyer Boulevard to Blue Heron Boulevard may be closed daily from 9 a.m. to 3:30 p.m., Monday through Friday for sidewalk work.
- One lane in each direction of SR 809/Military Trail from Dyer Boulevard to Blue Heron Boulevard may be closed nightly from 7 p.m. to 8 a.m. Monday through Friday for signalization operations.
- Two lanes in each direction of SR 809/Military Trail from Dyer Boulevard to Blue Heron Boulevard may be closed nightly from 10 p.m. to 7 a.m. Monday through Friday for signalization operations.

19. State Road (SR) 710/Beeline Highway Reconstruction Project

Description: This 3.142-mile project in the cities of Palm Beach Gardens, Riviera Beach and West Palm Beach began on March 18, 2024. Improvements consist of widening SR 710/Beeline Highway from Northlake Boulevard to SR 708/Blue Heron Boulevard from 4 lanes to 6 lanes, replacing and widening the Florida's Turnpike bridge over SR 710/Beeline Highway, constructing an at-grade partial Continuous Flow Intersection (CFI) at the intersection of SR 710/Beeline Highway and Northlake Boulevard, adding sidewalks and bicycle lanes on both sides of SR 710/Beeline Highway, upgrading railroad crossings, drainage, signage, lighting, signalization and pavement markings throughout project limits, and upgrading Intelligent Transportation System (ITS). For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148.2M / Anticipated Completion is Late 2029.

SR 710/Beeline Highway Traffic Impact:

- State Road (SR) 710/Beeline Highway from SR 708/Blue Heron to Northlake Boulevard will have one inside lane closed in each direction, daily, 7 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway and Northlake Boulevard will have one inside lane closed in each direction, daily, 10 a.m. until 5 p.m., Monday through Friday.
- SR 710/Beeline Highway and Jog Road will have one inside lane closed in each direction, daily, 10 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway and Haverhill Road will have one inside lane closed in each direction, daily, 7 a.m. until 6 p.m., Monday through Friday.

20. US 1 Bridge Replacement Project

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$122 million/2026

Traffic Impact:

- The US 1 bridge between CR A1A and Jupiter Cove Drive will be closed through fall 2024. Traffic is being detoured as follows:
 - Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.

WESTERN PALM BEACH COUNTY PROJECTS (Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee, Canal Point)

21. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$18 million. Completion is expected summer 2024.

Traffic Impact:

- Northbound and southbound SR 25/US 27 posted speed limits are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project.
- The following lanes are closed around the clock for shoulder widening activities:
 - The inside northbound lane is closed from mile marker 66.5 to mile marker 69.5.
 - The inside southbound lane is closed from mile marker 66 to mile marker 69.

22. State Road 25/US 27 Resurfacing and Restoration Project

Description: Construction on this 13-mile resurfacing and restoration project from the Hendry County Line to SR 80/East Palm Beach Road began on Thursday, May 5, 2022, in Western Palm Beach County. Work includes milling and resurfacing existing travel lanes and shoulders, shoulder widening, replacing or resetting guardrails along the roadway, restoring sidewalks at various locations, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, adding pedestrian gates at the FEC Railroad crossing, improving lighting and replacing the signals at SR 80/East Palm Beach Road, upgrading pedestrian signals, pavement markings, and signing to current standards, installing rumble strips and internally illuminated retroreflective pavement markings.

For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$18 million. Completion is expected early 2024.

Traffic Impact:

- The following lanes are closed for asphalt paving, resetting of guardrail, slope grading, and sod installation.
 - One northbound lane of SR 25/US 27 from mile marker 73 to mile marker 86.
 - One southbound lane of SR 25/US 27 from mile marker 73 to mile marker 86

Night Work Impacts:

- One lane in each direction of SR 25/US 27 at State Road 80/East Palm Beach Road will be closed from 7 p.m. until 7 a.m., Monday through Friday for signalization work.

23. State Road 715 and State Road 80 Resurfacing Project

Description: Construction on this 4.44-mile resurfacing project on SR 715 and SR 80 began on July 10, 2023, in Western Palm Beach County. Work includes milling and resurfacing the existing roadway and minor widening of existing paved shoulders, installing pedestrian signalization and markings, improving signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and adding new sidewalk on the west side of SR 715 and select locations on SR 80. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com.

Cost/Completion: \$12 million/Summer 2025

Traffic Impacts

- One lane in each direction on SR 80/S Main Street/E Palm Beach Road from just east of Glades Glen Drive to SR25/US 27 will be closed intermittently from 8:30 a.m. until 4:30 p.m., Monday through Friday, for shoulder widening work, sidewalk construction, and signal electrical work through April 2024.

24. SR 729/State Market Road Resurfacing, Restoration and Rehabilitation Project

Description: Construction on this 2.272-mile roadway improvements project on SR 729/State Market Road in Pahokee is anticipated to begin on April 28, 2024. Work includes milling and resurfacing SR 729/State Market Road, widening traffic lanes from 11 feet to 12 feet, widening the existing paved shoulders as permitted by FDOT right-of-way, reconstructing northbound SR 729/State Market Road sidewalks and shared use paths from north of Rock Pit Road to SR 15/US 441/E Main Street and upgrading signage and pavement markings throughout project limits. Please see the attached flyer for more information. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com

Cost/Completion: \$4.9 million/Spring 2025

Traffic Impacts: All lanes are open.

Public Meeting Information:

Virtual Public Meeting: Wednesday, April 3, 2024, from 5:00 p.m. to 6:00 p.m. Please use the following link to register: <https://bit.ly/SR729RRR>. You may also call +1 (914) 614-3221 Access Code: 925-872-351.

In-Person Construction Open House: Wednesday, April 3, 2024, from 6:00 p.m. to 7:00 p.m. at the City of Pahokee, Commission Chambers Bldg. C located at 360 East Main Street, Pahokee, FL 33476

25. SR 15/US 441/US 98 Roadway Improvements Project

Description: Construction on this 6.8-mile roadway improvements project on SR 15/US 441/US 98 in Canal Point began on October 23, 2023. Work includes milling and resurfacing the existing travel lanes, widening roadway shoulders, constructing a new sidewalk along the east side of the road from Canal Point Park and Recreation Center to Connell Road, constructing new bike lanes from Lake View Drive to Canal Point Park and Recreation Center, upgrading signing and pavement markings, replacing or resetting guardrails along the roadway, upgrading the bridge concrete barrier wall over the L-8 Canal. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com

Cost/Completion: \$12.9 million/Spring 2025

Traffic Impacts:

- The southbound lane of SR 15/US 441/US 98 from the Palm Beach County Line to the north of 1st Street will be closed intermittently from 7 a.m. until 5 p.m., Monday through Friday through April 2024, for road construction activities. Flagging operations will be in place to direct southbound and northbound traffic as needed.
