FDOT Palm Beach County Traffic Report August 23– August 30, 2024

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note that any full road, ramp, or bridge closures have been **highlighted** below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS **INTERSTATE 95**

1. Advanced Wrong-Way Driving Safety Improvements Project in Broward and Palm Beach County

Description:

Installing flashing beacons, wrong-way signage, and Intelligent Transportation System (ITS) devices at 23 exit ramps to enhance safety by detecting wrong-way drivers and preventing serious injury crashes on the State Highway System; integrating the wrong-way driving detecting system/ITS with the Regional Transportation Management Center (RTMC) to aid in alerting motorists and notifying law enforcement; and upgrading wrong-way signage and pavement markings to preserve the service life of the road and enhance visibility.

For more information, please contact Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corrado.com.

Cost/Completion: \$5,626,065/Summer 2025

Ramps Impacts:

- **Shoulder Closure Notice:** The I-95 northbound exit ramp shoulder at Linton Boulevard (ramp 6) will be closed daily, as needed, 7 a.m. until 4 p.m. Monday through Friday for the installation of the new Wrong-Way Driving detection system.
- **Shoulder Closure Notice:** The I-95 northbound and southbound exit ramp shoulders at Palmetto Park Road (ramp 7) will be closed daily, as needed, 7 a.m. until 4 p.m. Monday through Friday for the installation of the new Wrong-Way Driving detection system.
- **Shoulder Closure Notice:** The I-95 northbound and southbound exit ramp shoulders at

Atlantic Avenue (ramp 5) will be closed daily, as needed, 7 a.m. until 4 p.m. Monday through Friday for the installation of the new Wrong-Way Driving detection system.

2. **SR 9/I-95 at SR 786/PGA Boulevard Southbound Entrance Ramps Project**

Description: This 0.65-mile project in Palm Beach Gardens began on November 9, 2022.

Improvements consist of reconfiguring the I-95 southbound entrance ramps at PGA Boulevard. The I-95 southbound entrance ramp from westbound PGA Boulevard to southbound I-95 will be converted from a merge lane to an additional, free-flowing lane. The I-95 southbound entrance ramp from eastbound PGA Boulevard to southbound I-95 will be reconfigured to become a merge lane. In addition, I-95 will be widened between PGA Boulevard and Burns Road, and lighting, drainage, signage and pavement markings will be upgraded. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$9,977,382/Summer 2024

I-95 Traffic Impact:

- I-95 southbound will have up to 3 lanes closed nightly, as needed, 9 p.m. until 5 a.m., Sunday through Thursday, through Sunday, Aug.25.

Ramp Impact:

- The I-95 southbound entrance ramps from eastbound and westbound PGA Boulevard will be closed nightly as needed, 9 p.m. until 5 a.m., Sunday through Thursday, through Sunday, Aug. 25, for roadway construction and paving operations. Traffic will be detoured to I-95 southbound via Military Trail and Northlake Boulevard.

3. **SR 9/I-95 Northbound Off-Ramp at SR 706/Indiantown Road Improvements Project**

Description: This 1.446-mile project in Jupiter began on October 30, 2023. Improvements consist of milling and resurfacing the existing roadway, re-aligning the SR 9/I-95 northbound to SR 706/Indiantown Road eastbound off-ramp to a new signalized intersection, lengthening the eastbound SR 706/Indiantown Road left turn lane to northbound SR 9/I-95, widening eastbound SR 706/Indiantown Road to provide an additional through lane and a buffered bike lane in various locations from the Florida Turnpike entrance to Central Boulevard, widening westbound SR 706/Indiantown Road to provide an additional through lane and a bike lane from 67th Road North to SR 9/I-95, widening the Indiantown Road Bridge over the C-18 canal in both directions to provide an additional through lane, upgrading Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, upgrading Digital Message Sign (DMS) structures on westbound SR 706/Indiantown Road between Island Way and 67th Road N, widening the I-95 northbound and southbound on-ramp acceleration lane, installing sidewalk along eastbound SR 706/Indiantown Road from the Florida Turnpike entrance to Island Way, upgrading curb ramps to meet Americans with Disability Act (ADA) standards, installing patterned pavement crosswalks at Central Boulevard, upgrading drainage, signage, lighting, signalization and pavement markings and upgrading Intelligent Transportation System (ITS) throughout the project corridor. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Cost/Completion: \$17.98 million/Summer 2025

I-95 Traffic Impacts:

- No impacts anticipated.

Ramp Impacts:

- The I-95 northbound exit ramp to eastbound Indiantown Road will have one lane closed around-the-clock through September 2024.

Indiantown Road Impact:

- The sidewalk on the south side of Indiantown Road from 68th Terrace/Island Way to just west of Central Boulevard will be closed for sidewalk work through September 2024. Pedestrians heading east and west will be detoured at 67th, 68th and Central Boulevard. Access for pedestrians heading north and south will be maintained.
- The northbound lane of Island Way/68th Terrace North is closed through September 2024 for signalization improvements. Motorists will be allowed to make left turn, thru, and right turns from the left turn lane.
- Up to two outside eastbound lanes of Indiantown Road from the Turnpike on/off ramp

intersection to Central Boulevard will be closed nightly from 9 p.m. until 6 a.m. Monday through Thursday. The first lane will close at 9 p.m. The second lane will close at 10 p.m. for striping activities.

- Up to two outside westbound lanes of Indiantown Road from 67 Road N to the Turnpike on/off ramp intersection will be closed nightly from 9 p.m. until 6 a.m. Monday through Thursday. The first lane will close at 9 p.m., and the second lane will close at 10 p.m. for road widening work.
- The eastbound right turn lane just east of 68th Street/Island Way is closed through September 2024 for road construction. Motorists will be allowed to make right turns from the outside through lane for access to businesses.

SOUTHERN PALM BEACH COUNTY PROJECTS **(BOCA RATON, HIGHLAND BEACH, DELRAY BEACH)**

4. Advanced Transportation Management System (ATMS) Project

Description: This 6-mile project from the Broward/Palm Beach County Line to SR 794/Yamato Road and SR 794/Yamato Road from SR 5/US 1 to SR 9/I-95 in the city of Boca Raton began on July 31, 2023. Work includes installing a new fiber optic network, Intelligent Transportation System (ITS) devices, including Closed-Circuit Television (CCTV) devices at eight (8) intersections on US 1 from Royal Palm Way to Spanish River Boulevard, upgrading the signal detection system, and upgrading the Advance Traffic Management System (ATMS) for compatibility with the Traffic Management Center (TMC). For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$3.6 million/Fall 2024.

Traffic Impacts:

- No anticipated impacts.

5. SR 800/Spanish River Boulevard Over the Intracoastal Waterway (ICWW) Scour Countermeasures Project

Description: This 0.092-mile project on SR 800/Spanish River Boulevard over the Intracoastal Waterway (ICWW) in the City of Boca Raton began January 9, 2024. Work includes Installing Articulated Concrete Block (ACB) at the riverbed to protect the bridge foundations from erosion on the eastbound and westbound SR 800/Spanish River Boulevard bridges. For more information, please contact Assistant Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.

Cost/Completion: \$2.1 million. Completion is expected in Winter 2024.

Traffic Impacts:

- The frontage road will have intermittent lane closures, daily as needed, from 7 a.m. until 6 p.m. Monday through Thursday, for debris removal activities. Flaggers will be on-site to assist motorists.
- The SR 800/Spanish River Boulevard Bridge will have intermittent lane closures, daily as needed, from 7 a.m. until 6 p.m. Monday through Thursday, for material delivery operations. Flaggers will be on-site to assist motorists. Pedestrian detours will be in place.

Marine Impacts:

- Crews will be on-site performing underwater debris removal outside of the navigable channel. No impacts to boaters are anticipated with this activity.
- Divers will be on site daily as needed performing underwater survey work - boaters, please use caution. No impact to the channel is anticipated with this activity.

6. SR A1A/South Ocean Boulevard Resurfacing Project

Description: This 3.349-mile project in the Town of Highland Beach and the City of Delray Beach began on May 29, 2024. The project improvements consist of milling and resurfacing the existing roadway, widening the roadway in each direction to provide five-foot bicycle lanes, modifying swales to improve drainage, and upgrading signing and pavement markings to meet current standards. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$8.3 million/Fall 2025

Traffic Impacts:

- The northbound lane of SR A1A from just south of 2565 S. Ocean Boulevard to 3321 S. Ocean Boulevard will have intermittent closures between 7 a.m. and 6 p.m. for French Drain work. Once French Drain activities are complete in this section, the contractor will move to just south of 3321 S. Ocean Boulevard to 4023 S. Ocean Boulevard. Flaggers will direct traffic as needed. Access to driveways and businesses will be maintained.

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lake Worth Beach, Royal Palm Beach, West Palm Beach, Palm Beach)

7. Districtwide Rumble Strips Improvement Project

Description: This 125-mile project along multiple roadway corridors within cities in Palm Beach and Broward Counties began on June 9, 2024. Work includes adding rumble strips and replacing pavement markings in 13 different roadway corridors within Palm Beach and Broward Counties. For more information, please contact Assistant Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$654,155.45/Fall 2024

Traffic Impact:

- No anticipated impacts.

8. City of Boynton Beach Sidewalk and Bicycle Lane Improvements Project

Description: This .62-mile project on SR 804/Boynton Beach Boulevard and .7 miles on W Ocean Avenue in the City of Boynton Beach began on May 7, 2024. Work includes milling, resurfacing and reconstructing SR 804/Boynton Beach Boulevard within project limits, expanding the existing sidewalk on the south side of SR 804/Boynton Beach Boulevard to 15 feet and to 9 feet on the north side, performing drainage modifications to accommodate sidewalk expansion on SR 804/Boynton Beach Boulevard, retrofitting pedestrian lighting at signalized intersections on SR/804 Boynton Beach Boulevard, constructing a new pedestrian crossing at NW 3rd Street and SR 804/Boynton Beach Boulevard, installing shared lane bicycle markings (sharrows) in each direction of SR 804/Boynton Beach Boulevard and on West Ocean Avenue, and upgrading pedestrian signals, pavement markings, and signs. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$7.2 million/Fall 2025

Traffic Impacts:

- One outside lane in each direction of SR 804/Boynton Beach Boulevard from just west of NW 3rd Street to US 1/Federal Highway are closed for roadway, drainage, curb and gutter and sidewalk construction through March 2025. Pedestrian will be detoured to the next signalized intersection.
- One lane in each direction of NE 3rd Street at SR 804/Boynton Beach Boulevard will be closed daily 8:00 a.m. to 4:00 p.m., Tuesday, August 27 through Thursday, August 29 for drainage installation. Flaggers will direct traffic as needed.

9. SR 802/Lake Worth Road at Haverhill Road Intersection Improvement Project

Description: This 0.148-mile project from 500 feet east and west of the Haverhill Road intersection and along Haverhill Road from 300 feet south to 300 feet north of the SR 802/ Lake Worth Road intersection in the City of Greenacres began on February 6, 2024. Work includes milling and resurfacing the existing roadway, modifying the median to improve motorist safety, replacing the traffic signal mast arm structure located in the northeast corner of SR 802/Lake Worth Road and Haverhill Road, installing curb and gutter, sidewalk, driveways, and bus stop pads, improving pavement markings, signage, and signalization, upgrading pedestrian signals and curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$1.3 million/Summer 2024

Traffic Impacts:

- No anticipated impacts.

10. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth Beach began on November 14, 2022. Work

includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on both sides of Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$14 million/Winter 2024.

Traffic Impacts:

- Two eastbound lanes on Lake Worth Road from Raulerson Drive to Congress Avenue may be closed from 7 a.m. to 3:30 p.m., Monday through Thursday, for force main construction, median construction, and drainage work.
- Two westbound lanes on Lake Worth Road from Congress Avenue to Raulerson Drive may be closed from 7 a.m. to 3:30 p.m., Monday through Thursday, for force main construction, median construction, and drainage work.
- One lane in each direction on Lake Worth Road from Raulerson Drive to Douglas Drive may be closed for drainage operations and sidewalk replacement.
- Two eastbound lanes on Lake Worth Road from Raulerson Drive to Congress Avenue may be closed from 9 p.m. to 6 a.m., Sunday through Thursday, for drainage work.
- Two westbound lanes on Lake Worth Road from Congress Avenue to Raulerson Drive may be closed from 9 p.m. to 6 a.m., Sunday through Thursday, for drainage work.
- Two westbound lanes on Lake Worth Road from Wisconsin Street to Raulerson Drive will be closed from 9 p.m. to 6 a.m. on Monday, Aug. 26, for traffic signalization work.
- Two southbound lanes on Military Trail from Bowman Street to Landar Drive will be closed from 9 p.m. to 6 a.m. on Tuesday, Aug. 27, for traffic signalization work.
- Two northbound lanes on Military Trail from Landar Drive to Lakewood Road will be closed from 9 p.m. to 6 a.m. on Wednesday, Aug. 28, for traffic signalization work.
- Two eastbound lanes on Lake Worth Road from Raulerson Drive to Urquhart Street will be closed from 9 p.m. to 6 a.m. on Thursday, Aug. 29, for traffic signalization work.

11. **SR 802/Lake Avenue/Lucerne Avenue Resurfacing, Restoration, and Rehabilitation Project**

Description: This 2.382-mile project from east of A Street to east of Golfview Road in the City of Lake Worth Beach began on February 27, 2024. Work includes milling and resurfacing the existing roadway, replacing and upgrading signing and pavement markings, installing new and upgrading existing lighting throughout the project corridor, upgrading pedestrian features at signalized intersections, and upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, please contact Community Outreach Specialist Melissa Readling at mreadling@corradino.com or 772-577-8803.

Cost/Completion: \$5.4 million/Early 2025

Traffic Impacts:

- Intermittent sidewalk closures will occur at the intersections on both sides of Lucerne Avenue from C Street to Golfview Road from 7 a.m. to 4 p.m., Monday through Thursday, for removal of existing concrete and construction of new sidewalks, curbs, and gutters and drainage. Pedestrian detours will be in place, and access to businesses will be maintained.
- Intermittent sidewalk closures will occur at the intersections of the south side of Lake Avenue from South side of B Street to south side of Golfview Road from 7 a.m. to 4 p.m., Monday through Thursday, for removal of existing concrete and construction of new sidewalks, curbs, and gutters, and tree pruning and rooting. Pedestrian detours will be in place, and access to businesses will be maintained.

12. **State Road (SR) 5/North Federal Highway Milling and Resurfacing Project**

Description: This 1.298-mile project from south of 10th Avenue South to 6th Avenue North in Lake Worth Beach began on June 18, 2024. Project improvements include milling and resurfacing the existing roadway, adding drainage and constructing a raised intersection at 7th Avenue South, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards,

installing signalized pedestrian crossings with Rectangular Rapid Flashing Beacons (RRFBs) at 8th Avenue South, 3rd Avenue North, and 4th Avenue North, removing the existing midblock crossing between 4th Avenue North and 5th Avenue North, upgrading vehicular and pedestrian signalization at 6th Avenue South and 2nd Avenue North, installing lighting at the intersections of 8th Avenue South, 6th Avenue South, 2nd Avenue North, 3rd Avenue North, and 4th Avenue North, and upgrading signage and pavement markings for shared bicycle facilities and buffered bicycle lanes. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com.

Cost/Completion: \$2.3 million/Spring 2025

Traffic Impacts:

- The sidewalks at the following intersections on SR 5/North Federal Highway will be closed from 8 a.m. to 6 p.m., Monday through Thursday, for directional boring activities: 4th Avenue North, 3rd Avenue North, 2nd Avenue North, 6th Avenue South, and 8th Avenue South. Pedestrian detours will be in place.
- The intersection of SR 5/ North Federal Highway and 3rd Avenue S will be closed daily from 8 a.m. to 8 p.m., through Thursday, Aug. 29, for intersection reconstruction.

Detour:

- Northbound SR 5/North Federal Highway traffic will be detoured via 5th Avenue S to S M Street to 2nd Avenue S
- Southbound SR 5/North Federal Highway traffic will be detoured via 2nd Avenue S to Ocean Breeze to 5th Avenue S

13. 6th Avenue South Improvements at SR 9/I-95

Description: This 1-mile project in the City of Lake Worth Beach began on November 13, 2023. Project improvements consist of lengthening the turn lanes on 6th Avenue South, adding an exclusive right turn lane to the SR 9/I-95 northbound on ramp, adding an additional right turn lane to the SR 9/I-95 southbound on ramp, lengthening the northbound left turn lane at A Street, constructing 6-foot sidewalks on both sides of 6th Avenue South, constructing 7-foot bicycle lanes on both sides of 6th Avenue South, installing Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, constructing 16-foot ground-mounted sound walls along the SR 9/I-95 northbound exit ramp and south side of 6th Avenue South, constructing new gravity wall, curb and gutter, traffic separator, median barrier, sidewalk and driveway along 6th Avenue South within project limits, upgrading drainage, signage, lighting, signalization and pavement markings, Intelligent Transportation System (ITS) upgrades, and relocation of water, sewer and utilities for the City of Lake Worth Beach.

Cost/Completion: The project cost is \$17.92 million. Completion is expected in Late 2025. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Traffic Impact:

- 6th Avenue South, from Michigan Avenue to South C Street, will have one lane closed in each direction through September 2024.
- Side streets within the project limits may have intermittent traffic impacts related to work operations on 6th Avenue South through September 2024.

Ramp Impacts:

- The I-95 northbound entrance ramp at 6th Avenue South will undergo a full closure, 10 p.m. until 6 a.m., Wednesday night, Aug. 28 and Thursday night, Aug. 29, for installation of the mast arm and traffic signal. Motorists will be detoured via 6th Avenue South eastbound to US 1, with northbound traffic directed to 10th Avenue North and southbound traffic directed to Lantana Road. If inclement weather delays operations, work will take place the following night until completed.
- Eastbound 6th Avenue South to the I-95 Southbound entrance ramp has the right turn lane closed to safely facilitate roadway and drainage operations.
- The I-95 northbound exit ramp to eastbound 6th Avenue South has the right turn lane closed to safely facilitate roadway and drainage operations.

- The I-95 northbound exit ramp to westbound 6th Avenue South has the left turn lane closed to safely facilitate roadway and drainage operations.
- The I-95 southbound exit ramp to westbound 6th Avenue South has one right turn lane closed to safely facilitate the construction of a Mechanically Stabilized Earth (MSE) wall and roadway construction.
- The I-95 entrance and exit ramps at 6th Avenue South may have one lane closed nightly as needed, 8 p.m. to 6 a.m., to safely facilitate roadway operations through September 2024. One lane will remain open during this time.

Advance Notice:

- The I-95 southbound entrance ramp at 6th Avenue South will undergo a full closure, 10 p.m. until 6 a.m., Tuesday night, Sept. 3 through Thursday night, Sept. 5 for installation of the mast arm and traffic signal. Motorists traveling eastbound on 6th Avenue South will be detoured to US 1 then south to Lantana Road to access the I-95 southbound entrance ramp, with westbound traffic detoured via the I-95 northbound entrance ramp to the 10th Ave. North interchange to access the I-95 southbound entrance ramp. If inclement weather delays operations, work will take place the following night until completed.

14. Intersection Lighting Retrofit Improvements Project

This lighting improvements project at 22 different intersections within cities in Palm Beach, Martin, and St. Lucie Counties is anticipated to begin on August 29, 2024. Improvements include creating a safer, more energy-efficient, and resilient transportation environment by upgrading lighting to LED fixtures and retrofitting existing light poles. For more information, please contact Assistant Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$1,017,434/Summer 2025

Traffic Impact:

- No anticipated impacts.

15. SR 7/US 441 Resurfacing Project

Description: This 2-mile project in Royal Palm Beach began on August 17, 2023. The project improvements consist of milling and resurfacing the existing roadway, improving signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and upgrading lighting and signalization at the following intersections: Weisman Way/Bella Terra Way, Belvedere Road, Business Park Way, Regal Cinemas 18, Aldi Way, and Okeechobee Boulevard. For more information, please contact Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$8 million/Fall 2024

Traffic Impacts:

- Two lanes closed in each direction on SR 7/US 441 from north of SR 80/Southern Boulevard to SR 704/Okeechobee Boulevard, Sunday night through Thursday night, between 9 p.m. and 7 a.m., for paving friction course asphalt and striping.
- Intermittent single-lane closures will occur in each direction of SR 7/US 441 from north of SR 80/Southern Boulevard to SR 704/Okeechobee Boulevard, from 8:30 a.m. until 4:30 p.m., Monday through Thursday for installation of erosion control devices, sidewalk, ADA Ramps, bus stop, loops, lighting, and signalization upgrades.

16. North Shore Pedestrian Bridge Improvements Project

Description: This 0.07-mile project on North Shore Drive over the Carver Canal in the city of West Palm Beach is anticipated to begin on August 26, 2024. Work includes construction of a prefabricated steel pedestrian bridge on the west side of North Shore Drive crossing the Carver Canal, realignment of the pedestrian sidewalk path on the west side of North Shore Bridge to the new pedestrian bridge, reconstruction of drainage outfalls along the north and south sides of the newly constructed pedestrian bridge, replacement and upgrading signage impacted by construction, and adding lighting at each side of the new pedestrian bridge. For more information, please contact Assistant Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$2.7 million/Spring 2025

Traffic Impact:

- The southbound lane of North Shore Drive will have intermittent closure from., Monday through Thursday for material delivery operations. Flaggers will be on-site to assist motorists. Pedestrian detours will be in place.

17. SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project

Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$7 million/Winter 2024

Traffic Impact:

- The outside eastbound and westbound lanes on Forest Hill Boulevard may be closed from Haverhill Road to Kirk Road from 7 a.m. to 5 p.m., Monday through Thursday, for signalization work.
- The outside northbound and southbound lanes on Military Trail may be closed from Summit Boulevard to Purdy Lane from 9 a.m. to 3 p.m., Monday through Thursday, for signalization work.
- The outside northbound lane on Military Trail from Barbridge Road to Malaleuca Trail is closed for turn lane construction, drainage and sidewalk replacement.
- The outside westbound lane on Forest Hill Boulevard from Forest Lakes Circle to Military Trail is closed for turn lane construction, drainage and sidewalk replacement.
- Two outside westbound Lanes on Forest Hill Boulevard from Kirk Road to Military Trail may be closed from 7 a.m. to 3:30 p.m., Monday through Thursday, for drainage work.
- The outside northbound lane on Kirk Road from Springdale Boulevard to Forest Hill Boulevard may be closed from 7 a.m. to 3:30 p.m., Monday through Thursday, for signalization work.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

18. State Road (SR) 710/Beeline Highway Reconstruction Project

Description: This 3.142-mile project in the cities of Palm Beach Gardens, Riviera Beach and West Palm Beach began on March 18, 2024. Improvements consist of widening SR 710/Beeline Highway from Northlake Boulevard to SR 708/Blue Heron Boulevard from 4 lanes to 6 lanes, replacing and widening the Florida's Turnpike bridge over SR 710/Beeline Highway, constructing an at-grade partial Continuous Flow Intersection (CFI) at the intersection of SR 710/Beeline Highway and Northlake Boulevard, adding sidewalks and bicycle lanes on both sides of SR 710/Beeline Highway, upgrading railroad crossings, drainage, signage, lighting, signalization and pavement markings throughout project limits, and upgrading Intelligent Transportation System (ITS). For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148.2M / Anticipated Completion is Late 2029.

SR 710/Beeline Highway Traffic Impact:

- State Road (SR) 710/Beeline Highway from SR 708/Blue Heron to Northlake Boulevard will have one inside lane closed in each direction, daily, 7 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway and Northlake Boulevard will have one inside lane closed in each direction, daily, 10 a.m. until 5 p.m., Monday through Friday.
- SR 710/Beeline Highway and Jog Road will have one inside lane closed in each direction, daily, 10 a.m. until 6 p.m., Monday through Friday.

- SR 710/Beeline Highway and Haverhill Road will have one inside lane closed in each direction, daily, 7 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway from Military Trail to Blue Heron Boulevard will have one lane closed in each direction, daily, 7 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway lane widths are reduced and westbound traffic has been shifted to the median from just east of the Turnpike to Blue Heron Boulevard to safely facilitate construction activities.
- The SR 710/Beeline Highway northwest ramp to eastbound Northlake Boulevard has been temporarily closed to safely facilitate this phase of construction, and is anticipated to reopen in Fall 2025. During this closure, motorists can continue on SR 710/Beeline Highway and turn right at the light to access eastbound Northlake Boulevard.

SR 708/Blue Heron Boulevard Traffic Impact:

- SR 708/Blue Heron Boulevard northbound from SR 710/Beeline Highway to Military Trail will have one outside lane closed daily, 7 a.m. until 6 p.m., Monday through Friday.

Florida's Turnpike Traffic Impact:

- Florida's Turnpike, from south of the SR 710/Beeline Highway overpass to just north of the SR 710/Beeline Highway overpass, will have one lane closed in each direction, nightly, 8 p.m. until 6 a.m., Monday, Aug. 19 through Thursday, Aug. 23.

Northlake Boulevard Traffic Impact:

- Northlake Boulevard, west of SR 710/Beeline Highway, will have one lane closed in each direction, as needed, 10:30 a.m. until 6 p.m., Monday through Friday.
- Northlake Boulevard, east of SR 710/Beeline Highway, will have one lane closed in each direction, as needed, 10:30 a.m. until 6 p.m., Monday through Friday.
- The SR 710/Beeline Highway westbound access to eastbound Northlake Boulevard has been temporarily shifted to safely facilitate this phase of construction. The current movement is anticipated to reopen in Fall 2025. During this phase, from SR 710/Beeline Highway westbound, motorists can turn right at the intersection to access eastbound Northlake Boulevard.

19. US 1 Bridge Replacement Project

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$122 million/2026

Traffic Impact:

- The US 1 bridge between CR A1A and Jupiter Cove Drive will be closed through fall 2024. Traffic is being detoured as follows:
 - Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee, Canal Point)

20. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median

acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$18 million/Summer 2024.

Traffic Impact:

- Northbound and southbound SR 25/US 27 posted speed limits are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project.
- The inside northbound lane and shoulder are closed from mile marker 67 to mile marker 70 for shoulder widening activities.
- The inside northbound lane and shoulder are closed from mile marker 63 to mile marker 66 for reflective marker installations.

21. State Road 25/US 27 Resurfacing and Restoration Project

Description: Construction on this 13-mile resurfacing and restoration project from the Hendry County Line to SR 80/East Palm Beach Road began on Thursday, May 5, 2022, in Western Palm Beach County. Work includes milling and resurfacing existing travel lanes and shoulders, shoulder widening, replacing or resetting guardrails along the roadway, restoring sidewalks at various locations, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, adding pedestrian gates at the FEC Railroad crossing, improving lighting and replacing the signals at SR 80/East Palm Beach Road, upgrading pedestrian signals, pavement markings, and signing to current standards, installing rumble strips and internally illuminated retroreflective pavement markings.

For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$18 million/August 12, 2024

Traffic Impact:

- This project was Final Accepted by the Florida Department of Transportation on Monday, August 12, 2024.

22. State Road 715 and State Road 80 Resurfacing Project

Description: Construction on this 4.44-mile resurfacing project on SR 715 and SR 80 began on July 10, 2023, in Western Palm Beach County. Work includes milling and resurfacing the existing roadway and minor widening of existing paved shoulders, installing pedestrian signalization and markings, improving signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and adding new sidewalk on the west side of SR 715 and select locations on SR 80. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$12 million/Summer 2025

Traffic Impacts

- One lane in each direction on SR 80/S Main Street/E Palm Beach Road from just east of Glades Glen Drive to SR 25/US 27 and one lane of SR 715 from SR 80 to south of West Canal Street South will be closed intermittently from 8:30 a.m. until 4:30 p.m., Monday through Friday, for shoulder widening work, sidewalk construction, and signal electrical work through August 2024.
- Two outside northbound lanes at the SR 715 and SR 80 intersection are closed from 7:30 p.m. to 7:30 a.m., Monday through Friday, for sidewalk, guardrail, and curb work.
- One lane in each of SR 715 and SR 80 will be closed from 7:30 p.m. until 7 a.m., Monday through Friday, for milling and paving of driveways through August 2024.

23. SR 729/State Market Road Resurfacing, Restoration and Rehabilitation Project

Description: Construction on this 2.272-mile roadway improvements project on SR 729/State Market Road in Pahokee began on April 28, 2024. Work includes milling and resurfacing SR 729/State Market Road, widening traffic lanes from 11 feet to 12 feet, widening the existing paved shoulders as permitted by FDOT right-of-way, reconstructing northbound SR 729/State Market Road sidewalks and shared use paths from north of Rock Pit Road to SR 15/US 441/E Main Street and upgrading signage and pavement markings throughout project limits. Please see the attached

flyer for more information. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$4.9 million/Spring 2025

Traffic Impacts:

- SR 729/State Market Road from SR 717/Muck City Road to Larrimore Road is closed around the clock through approximately 5 p.m. Tuesday, Sept. 3, for road construction work

Detour:

- Northbound SR 729/State Market Road will be detoured to S. Lake Avenue to SR 15/E Main Street.
- Southbound SR 729/State Market Road will be detoured to SR 15/E Main Street along S. Lake Avenue.
- Emergency/First Responder access and local access will be maintained and coordinated.

Advance Notice:

- Beginning Tuesday, Sept. 3, SR 729/State Market Road from Larrimore Road to SR 15/E Main Street will be closed around the clock through approximately 5 p.m. Monday, December 23, 2024, for road construction work.

Detour:

- Northbound SR 729/State Market Road will be detoured to S. Lake Avenue to SR 15/E Main Street
- Southbound SR 729/State Market Road will be detoured to SR 15/E Main Street along S. Lake Avenue to SR 729/South Market Road

Emergency/First Responder access and local access will be maintained and coordinated.

24. **SR 15/US 441/US 98 Roadway Improvements Project**

Description: Construction on this 6.8-mile roadway improvements project on SR 15/US 441/US 98 in Canal Point began on October 23, 2023. Work includes milling and resurfacing the existing travel lanes, widening roadway shoulders, constructing a new sidewalk along the east side of the road from Canal Point Park and Recreation Center to Connell Road, constructing new bike lanes from Lake View Drive to Canal Point Park and Recreation Center, upgrading signing and pavement markings, replacing or resetting guardrails along the roadway, upgrading the bridge concrete barrier wall over the L-8 Canal. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$12.9 million/Spring 2025

Traffic Impacts:

- One lane of SR 15/US/US 98 from the Palm Beach County Line to the north of 1st Street will be closed intermittently from 7 a.m. until 5 p.m., Monday through Thursday, for shoulder widening and paving. Flagging operations will be in place to direct northbound and southbound traffic as needed.

25. **State Road 700/Conners Highway Resurfacing, Restoration, and Rehabilitation Project**

Description: Construction on this 14.828-mile resurfacing, restoration, and rehabilitation project from north of 1st Street to west of SR 80 began on May 1, 2024, in Western Palm Beach County. Work includes milling and resurfacing of SR 700/Conners Highway, replacing and upgrading existing curb ramps to meet Americans with Disabilities Act (ADA) standards, installing rumble strips for the roadway segment with a posted speed greater than 50 miles per hour (mph), minor shoulder widening in various locations, installing, upgrading, and repairing guardrail as needed, upgrading pedestrian signals, pavement markings, and signs.

For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$ 17.8 million/Early 2026

Traffic Impact:

- SR 700/Conners Highway from Hatton Highway to SR 80/US 441, is closed around the clock through approximately 5 p.m. Monday, Sept. 30, 2024, for road construction work.

Detour:

- Northbound SR 700/Conners Highway will be detoured to SR 80/US 441 to Hatton Highway.
- Southbound SR 700/Conners Highway will be detoured to Hatton Highway to SR 80/US 441.

- **Emergency/First Responder access and local access will be maintained and coordinated.**
